BOARD MEETING MINUTES

The Hickman County Board of Education met in regular session at 7:00 p.m. on Monday, June 5, 2023, in Room 203 of the Central Office building. School board members in attendance at the meeting were Tim Hobbs, Sherri Baker, Ron Gammons, Jim Hudgins, Doug Lane, Christy Mays, and Vance Willis.

Ron Gammons made a motion to amend the minutes from May 8, 2023 to add discussion and more detail. The following was presented: The minutes of May 8th are vague and incorrect. Mrs. Mays motion DID NOT use the word "raise" as the minutes indicates. Nowhere in the motion did it indicate for the "Base Salary Schedule" (sometimes referred to as the BEP salary schedule) to be altered to reflect a 6% increase for certified licensed personnel; moreover, the motion was intended for certified licensed personnel to ONLY receive a 6% increase to each individual current wages for the 2023-2024 school year. The motion also intended for the non-certified personnel which includes but not limited to transportation, food service, educational assistants, office personnel, maintenance, etc (excluding Director's of said Departments) to receive a \$3,000 pay increase on each individual's current wages in addition to making medical benefits available and the Board will pay for the medical insurance for all non-certified employees if the non-certified employee chooses to partake of this benefit. The motion further intended for the Non-Certified "Base Salary" schedule(s) to reflect the \$3,000 increase one time to begin July 1, 2023. This \$3,000 "Base Schedule" change will remain at this amount until the Board makes future changes.

Let the minutes reflect the Board's motion intent of the May 8, 2023, special called budget meeting and to be revised as stated above and to be presented at the July 2023 regular board meeting for approval.

Christy Mays seconded the motion. On a voice vote, the motion was approved 6-0-1-0. Vance Willis passed on the motion.

I wanted to take a few moments to express my gratitude and appreciation for the opportunity that the Board of Education has provided me over the course of the last seven years.

During my time as Director of Schools, I have been blessed and fortunate to work with some of the most dedicated, hard-working, and skilled educators in our profession. As a team, we have made it our priority and mission to make educational decisions that are best for the students, employees, and community that we serve.

We have been able to provide opportunities that were previously unavailable for our students and families. Students in Hickman County can now obtain 24 hours of college credit during high school and have the opportunity to pursue over 15 programs of study with industry credentials before they graduate. We have renewed a sense of community and work ethic through our Give Back initiatives and our work ethic distinction programs.

We have been able to make instructional shifts in our lower grades that have produced results that place Hickman County in the top third of the state of Tennessee in third grade reading results.

I am extremely proud of our educators, support staff, and community for working together to maintain and provide consistency as we navigated the unknowns of a pandemic and provided support for our students and their families.

From late night/early morning road condition checks to flooding to opening schools without potable water, there was never a time where it was considered dull or boring.

I have thoroughly enjoyed every second of watching your children perform in plays, play in the band, represent our schools on the athletic field, and applaud their awards and efforts. As I complete the final board meeting of my tenure, I am grateful and thankful for the opportunity to serve as a leader in this school system. It is a bittersweet moment for me, and I thank you from the bottom of my heart for the support you have shown me.

I love Hickman County, and I wish our schools and community all of the best success in the future.

Sincerely,

Michelle Gilbert

D. Scott Bennett

Capturing a vision

Mr. Bennett has represented school boards, other local governments, police officers, and private employers for almost 30 years. After practicing in a regional litigation firm for most of his career, Mr. Bennett concluded that clients need, and deserve, a more personal connection with their attorneys. Ms. DeCamp and he have built Bennett & DeCamp around the purpose of providing high quality, personally focused legal representation to value conscious community leaders and businesses.

Education law

Mr. Bennett focuses heavily on the needs of local school systems, their employees, and students. His practice includes every aspect of this diverse area, including employment, discrimination and equity issues, contracts and vendor relations, policy development, student discipline, bullying and harassment, risk management, first amendment issues, tort claims, governance issues, internal investigations, and the like.

Special education

Of course, special education is an aspect of education law. It is so technical, however, that it merits its own emphasis. Mr. Bennett supports local school systems and their teachers with IDEA issues and Section 504/Title II compliance. He regularly attends IEP team and 504 committee meetings to help educators and parents understand and address the rights of students to a free, appropriate public education. And if it ever becomes necessary to go to due process, Mr. Bennett understands that everyone is actually on the same side -- the side of the child.

Employment and civil rights

Mr. Bennett's representation of school boards and other local governments actually grew out of his employment and civil rights practice. He is experienced with state and federal employment laws including the ADA, ADEA, FLSA, THRA, retaliation, Title VII, workplace harassment, and wrongful discharge. He also handles alleged constitutional violations brought under 42 USC 1983.

Training and staff development

As part of the Firm's effort to be invested in the operations of its clients, Mr. Bennett devotes several weeks a year to in-service training and staff development. Building upon more than 20 years' experience as a litigator, he coaches clients on best practices, risk management, and legal compliance.

Policy 1.102 - Board Members

Public Chapter 114 requires acceptance of GED, HiSET, and other types of high school equivalency credentials approved by the State Board of Education.

Policy 1.106 - Code of Ethics

A new change to state law, Public Chapter 37, requires local Boards of Education to notify the Tennessee Ethics Commission of the primary person responsible for administering and enforcing their ethical standards. The Board has discretion as to implementation and could select a different individual to be in charge of this reporting.

Policy 1.400 - School Board Meetings

Public Chapter 350 creates additional opportunities for board members to attend board meetings electronically. Now, board members will be able to use this method of attendance for two additional reasons: (1) if they are sick or in a period of convalescence on the advice of a healthcare professional; and (2) due to inclement weather.

Policy 1.402 - Notification of Meetings & Policy 1.404 - Appeals to and Appearances Before the Board- Already have in place in 1.404

State law, Public Chapter 300, now requires that notice of board meetings include information on how individuals may provide public comment on agenda items. Additionally, each board meeting with actionable items on the agenda is required to have a time dedicated to public comment. The law allows Boards to establish reasonable restrictions on the length of the comment period, number of speakers, and the length of time per speaker. This is an area in which Boards have significant flexibility, and TSBA encourages modifying their model policy to meet local needs.

Policy 3.202 - Emergency Preparedness Plan

Policy 3.204 - Threat Assessment Team- Already have a policy on this

Policy 3.205 - Security

A new law that affects many aspects of school safety (Public Chapter 367) requires several policy changes. This new legislation requires an armed intruder drill, an incident command drill, and an emergency safety bus drill (policy 3.202) as well as a policy on threat assessment teams (policy 3.204). Many Boards currently maintain a policy on threat assessment teams, however, this new

legislation requires that all Boards have a policy on this topic. There is also now a requirement for all exterior doors to remain locked during school hours. For events occurring after school hours, Boards can choose to create a local plan on how to admit community members. TSBA has updated model policy 3.205 with information about the default practice found in the new legislation. Per state law, this default practice will be in effect if the Board does not include an alternate local plan.

Policy 4.204 - Summer Instructional Programs

State Board of Education Policy 3.300 - Promotion and Retention was updated during the State Board of Education's May meeting. This policy change requires local Boards of Education to include additional information on make up days for summer programs in their policies.

Policy 4.300 - Extracurricular Activities

Policy 6.4001 - Student Surveys, Analyses, and Evaluations

Policy 6.402 - Physical Examinations and Immunizations

Public Chapter 353 includes new options for parents/guardians regarding certain extracurricular activities and district actions. Specifically, this new law: (1) requires parents/guardians to opt-in before their minor child joins a school club or participates in the activities of a club; (2) requires parents/guardians to opt-in before a minor child participates in a non-instructional survey, analysis, or evaluation; and (3) gives parents/guardians the ability to opt-out of health screenings conducted as part of the coordinated school health program.

Policy 4.403 - Library Materials

A new state law, Public Chapter 472, changes the process for school districts to respond to challenged library materials. Previously, state law required that all complaints proceed to the Board of Education. This new law includes flexibility for districts by permitting the Board to create a process with several tiers of review. Please note that Boards may revise this model language to align with local standards. TSBA encourages reaching out to their local board attorney if there are legal concerns.

Policy 5.106 - Application and Employment

School districts are prohibited from hiring individuals on Tennessee's Department of Children's Services list of perpetrators of child abuse and those on the registry of abuse of vulnerable persons maintained by the Department of Health. A change to state law, Public Chapter 222, clarifies that districts may not hire individuals who appear on similar lists maintained by other states.

Policy 5.119 - Employment of Retirees

Due to ongoing teacher shortages, the General Assembly passed Public Chapter 425 which allows more flexibility in hiring retirees. This change allows retirees to work as substitutes beyond the typical 120 day contract and permits retirees to serve as regular classroom teachers on an ongoing basis.

Policy 5.302 - Sick Leave- HCSS does not operate a sick leave bank

For districts that operate sick leave banks, state law contains restrictions on how those days can be used by employees. Public Chapter 151 adds additional options for employees by creating an option to use this time to care for minor children in addition to being used for the employee's own illness.

Public Chapter 111 - Use of Remote Instruction

This law allows districts with virtual schools to contract with other districts to provide remote instruction to students who have been suspended or expelled.

Public Chapter 165 - Transfer Students

Public Chapter 165 requires that school districts treat transfer students and home school students who enroll or re-enroll in the district the same as other students. Specifically, this law addresses student access to academic and arts programs, clubs, and events offered by the district.

Public Chapter 269 - Testing for Credit

Policy 5.305 - Family Medical Leave

Public Chapter 399 gives employees who are required by law to hold a valid license of qualification for employment and who have been employed with the school district for at least twelve consecutive months six weeks of paid leave that can be used after the birth, stillbirth, or adoption of a newly placed minor child. This leave must be used within twelve months of the qualifying event and does not have to be used consecutively. Additionally, this leave counts towards federally granted leave under the Family Medical Leave Act. TSBA has added a provision on this new option to their model policy.

Policy 5.307 - Physical Assault Leave

A new state law, Public Chapter 343, clarifies that teachers will receive their full salary while on leave due to a physical assault.

Policy 5.600 - Staff Rights & Responsibilities

Teachers are now required to report students who commit certain offenses on school property that endanger the life, health, or safety of others per Public Chapter 153.

Policy 6.200 - Attendance

Boards can award credit to students who take released time courses pursuant to the conditions outlined in their board policy. Previously, Boards could award one-half credit. Public Chapter 130 now allows Boards to offer one full credit for these courses. Please note that this is optional for Boards.

Policy 6.202 - Home Schools

Public Chapter 114 requires the acceptance of GED, HiSET, and other types of high school equivalency credentials approved by the State Board of Education. TSBA has updated their model policy to include these other types of credentials in accordance with state law. Additionally, Public Chapter 296 removes the requirement that parents of home school students provide proof of immunizations.

Policy 6.300 (6.313 for HCSS) - Code of Conduct & Policy 6.309 - Zero Tolerance Offenses

A new zero tolerance offense has been added to state law. Public Chapter 299 adds threats of mass violence to the list of offenses punishable by a one year expulsion.

Policy 6.314 - Corporal Punishment

Boards have discretion as to whether corporal punishment is used in the district. If this is a disciplinary option, a new state law (Public Chapter 275) requires further actions be taken before corporal punishment occurs.

Policy 6.319 - Alternative Education

Public Chapter 279 provides an additional statutory reason that a Director of Schools could require a student to serve a suspension at home rather than on school property. This change to state law allows the Director of Schools discretion if assigning the student to an alternative school or program may endanger the safety of the students or staff.

Students will now be allowed to test out of certain courses per Public Chapter 269. For courses with no end of course exam, high school students will be able to receive credit for the class if they earn a qualifying score on the exam. The school district will determine the score needed for these exams. This will be an option after the State Board of Education approves a list of eligible courses. We will be monitoring forthcoming State Board action and update our model policy based on those changes.

Public Chapter 280 - PE Endorsement Exemption

Under this change to state law, the Commissioner has the authority to grant an endorsement exemption for a teacher to teach a physical education class. In order to receive the exemption, the Director of Schools must certify to the Commissioner that no qualified teacher is available to teach the class.

Public Chapter 437 - Payroll Deductions

School districts may no longer deduct dues from an employee's paycheck on behalf of a professional employees' organization per this new state law.

View this Public Chapter 437 by [clicking here](#).

Public Chapter 438 - Implicit Bias Training

A change to state law, Public Chapter 438, prevents a school district from requiring employees to complete or participate in implicit bias training. This new law also prohibits a school district from taking an adverse employment action against an employee for failure to undergo such training.

View this Public Chapter 438 by [clicking here](#).

Public Chapter 448 - Use of Pronouns

Public Chapter 448 clarifies that school district employees are not required to use a student's preferred pronoun if it is inconsistent with the student's biological sex. Further, school districts are not civilly liable if the employee refuses to use the preferred pronoun.

1 *General*

2 The Director of Schools shall be responsible for library collection development. Library materials shall
3 be reviewed to ensure the content aligns with state law.¹ The library collection shall adhere to the
4 following criteria:

- 5 1. Materials shall be suitable for and consistent with the educational mission of the school;
6
- 7 2. Materials shall be appropriate for the age and maturity levels of the students who may access
8 them. The determining factor will be based on an assessment of any mature themes or content
9 (i.e., violence, sexual content, vulgar language, substance abuse);
10
- 11 3. Materials shall contain literary, historical, and/or artistic value and merit; and
12
- 13 4. The collection as a whole shall offer a variety of viewpoints.

14 Grade level supervisors shall be responsible for periodically reviewing the district's library collection
15 in line with these established standards.

16 The Board supports principles of intellectual freedom inherent in the First Amendment of the
17 Constitution of the United States¹ and expressed in the *Library Bill of Rights* of the American Library
18 Association.

19 Because opinions differ, there may be questions concerning some instructional and library materials
20 despite the quality of the selection process.

21 **COMPLAINTS**

22 **Tier 1**

23 If a complaint is made by an employee, student, or parent/guardian, this process is to be followed:

- 24 1. Inform the complainant of the selection procedures and make no commitments.
25
- 26 2. Request the complainant to submit a Request for Reconsideration of Library Materials form.
27
- 28 3. Inform the principal (and other appropriate personnel).
29

1 4. Keep challenged materials available for use during the reconsideration process.

2
3 Upon receipt of the completed form, the principal shall notify the Director of Schools. The
4 principal shall request review of the challenged materials by an ad hoc materials review
5 committee within ten business days. The review committee is appointed by the principal and
6 includes certified library media personnel, representatives from classroom teachers, one or
7 more parents, and may include one or more students. The principal will inform the Director of
8 Schools of the review committee's progress.

9 The review committee shall take the following steps after receiving the challenged materials:

- 10 1. Read, view, or listen to the contested material in its entirety;
- 11 2. Check general acceptance of the material by reading recognized and evaluative reviews;
- 12 3. Determine the extent to which the material supports the educational mission of the
13 school;
- 14 4. Complete the appropriate Checklist for Reconsideration of Library Materials, judging
15 the material for its strength and value; and
- 16 5. Present recommendation to principal for further action and to the Director of Schools
17 for purposes of information.

18 **Tier Two**

19 The complainant may appeal the principal's decision. The appeal shall be to the Director of Schools.
20 He/she shall review the recommendation presented by the review committee along with the principal's
21 recommendation and make the determination whether the material is appropriate for the age and
22 maturity levels of the students who have access to the materials and whether the material is suitable
23 for, and consistent with, the educational mission of the school.

24 **Tier Three**

25 The complainant may appeal the decision of the Director of Schools. The Board shall evaluate the
26 material to determine whether the material is appropriate for the age and maturity levels of the students
27 who have access to the materials and whether the material is suitable for, and consistent with, the
28 educational mission of the school.

29 If, at any tier, it is determined that the material is not appropriate for the age and maturity levels of the
30 students who have access to them or is not suitable for, and consistent with, the educational mission of
31 the school, the material shall be removed from the library collection.

1 ELIGIBILITY

2 Anyone who has been employed for at least twelve (12) months by the school system and anyone who has at
3 least 1,250 hours of service (hours used for leave, even FMLA leave, shall not be credited for service for
4 purposes of FMLA eligibility¹) during the previous twelve-month period.²

5 GENERAL PRINCIPLES

6 An eligible employee shall be granted, upon request, up to twelve (12) weeks unpaid leave during a fixed
7 calendar year for the following reasons:

- 8 1. the birth of a child;
- 9 2. the placement of a child with the employee for adoption or foster care;
- 10 3. a serious health condition of the employee that makes the employee unable to perform the essential
11 functions of his or her job position;
- 12 4. the care of a spouse, child, or parent of the employee who has a serious health condition; and
- 13 5. any qualifying circumstances arising out of the fact that a spouse, child, or parent of the employee is on
14 covered active duty, or has been notified of an impending call or order to covered active duty, in the
15 Armed Forces.

16 Granting of leave under this policy shall be subject to, and in accordance with, the provisions of applicable
17 federal and state laws. An employee may substitute accrued paid leave for unpaid time. Use of accrued paid
18 leave shall run concurrently with and be counted toward the employee's total period of FMLA leave.

19 MATERNITY/PATERNITY LEAVE

- 20 1. *Relationship between FMLA leave and Tennessee Maternity Act leave*- FMLA leave shall run
21 concurrently with leave provided under the Tennessee Maternity Act, which affords eligible employees
22 leave for a period not to exceed four (4) months for the adoption, pregnancy, childbirth and nursing of a
23 newborn child.³
- 24 2. *Teachers' Leave*- In accordance with state law, any teacher who goes on maternity or paternity
25 leave shall be allowed to use all or a portion of the teacher's accumulated sick or annual leave
26 for maternity leave purposes. In order to be eligible to use sick leave, written request of the
27 teacher accompanied by a statement from the teacher's physician verifying pregnancy shall be
28 submitted. Upon verification by a written statement from an adoption agency or other entity
29 handling an adoption, a teacher may also be allowed to use accumulated leave for adoption of a
30 child. If both adoptive parents are teachers employed by the district, however, only one (1)
31 parent is entitled to use such leave.⁴
- 32 3. Spouses who are both eligible employees of the school district are limited to a combined total of twelve
33 (12) workweeks of FMLA leave in a single twelve (12) month period if the leave is taken for birth and
34 care of a newborn child, for placement of a child for adoption or foster care, or to care for a parent who
35 has a serious health condition. Under certain circumstances, spouses who share leave for the birth or

1 adoption of a child may be eligible for limited amounts of additional leave for other qualifying FMLA
2 reasons.⁵

3 4. *Paid Parental Leave* – Under state law, an additional six (6) work weeks of paid leave is
4 available to eligible employees after a birth, stillbirth, or adoption of a newly placed minor
5 child. An eligible employee taking leave under this provision shall not be required to utilize any
6 other type of accrued leave during this period. Eligible employees include teachers, principals,
7 supervisors, or other individuals required by law to hold a valid license of qualification for
8 employment who have been employed with a school district full time for at least twelve (12)
9 consecutive months.

10
11 Employees shall provide notice to the school district thirty (30) days prior to the intended use
12 of the leave. If the employee learns about the need for leave less than thirty (30) days in
13 advance, the employee shall give notice as soon as reasonably possible in order to be eligible
14 for the paid leave. This paid leave does not need to be taken consecutively; however, the paid
15 leave shall be used within twelve (12) months of the qualifying event. The leave shall run
16 concurrently with FMLA leave.⁶

17 **LEAVE FOR A SERIOUS HEALTH CONDITION⁷**

18 Eligible employees, upon request, shall be granted up to twelve (12) weeks of unpaid leave when he/she is
19 unable to work because of a serious health condition or to care for an immediate family member with a serious
20 health condition. Granting of such leave shall be subject to the provisions of applicable federal and state laws.
21 Employees shall contact Human Resources to determine if the reason for leave qualifies as Family and Medical
22 Leave. If the leave is foreseeable, the employee shall give thirty (30) days’ notice. If the leave is not foreseeable,
23 the employee shall notify Human Resources as soon as practicable—generally, either the same or next business
24 day.

25 **LEAVE FOR MILITARY FAMILY MEMBERS**

26 1. *Qualifying Exigency Leave⁸* - Eligible employees are entitled to up to twelve (12) workweeks of leave
27 because of any “qualifying exigency” arising out of the fact that the spouse, son, daughter, or parent of
28 the employee, as defined under the FMLA, is on active duty, or has been notified of an impending call
29 to active duty, or has been notified of an impended call to active duty status, in the Armed Forces.

30 Qualifying exigencies may include:

- 31 a. issues arising from the service member’s short notice deployment;
- 32 b. military events and related activities (e.g. official ceremonies, support programs);
- 33 c. making or updating financial and legal arrangements, attending counseling;
- 34 d. taking up to fifteen (15) days leave to spend time with a covered service member who is on
35 short-term rest and recuperation leave during deployment; or
- 36 e. attending post-deployment activities.

37
38 2. *Military Caregiver Leave⁹*- An eligible employee who is the spouse, son, daughter, parent, or next of kin
39 of a covered service member or covered veteran with a serious injury or illness is entitled to up to
40 twenty-six (26) workweeks of leave in a “single twelve (12) month period.” A covered service member
41 is a current member of the Armed Forces, including a member of the National Guard or Reserves, who
42 is undergoing medical treatment, recuperation, or therapy, is otherwise in out-patient status, or is
43 otherwise on the temporary disability retired list, for a serious injury or illness.
44

1 A covered veteran is an individual who was a member of the Armed Forces at any time during the
2 period of five (5) years preceding the date of the medical treatment, recuperation, or therapy that has a
3 serious injury or illness who is currently receiving medical treatment, recuperation, or therapy.
4

5 The calculation of this 5-year period shall not include the interval of October 28, 2009 through March 8,
6 2013. The "single twelve (12) month period" for leave to military caregiver leave begins on the first
7 day the employee takes leave for this reason and ends twelve (12) months later. An eligible employee is
8 limited to a combined total of twenty-six (26) workweeks of leave to provide care for a covered service
9 member. The maximum of twenty-six (26) workweeks may include no more than twelve (12)
10 workweeks of leave that is taken for the birth and care of a newborn child, for placement of a child for
11 adoption or foster care, for care of a parent who has a serious health condition, or for the employee's
12 own serious health condition.

13 **INTERMITTENT LEAVE**¹⁰

14 Eligible employees may take FMLA leave intermittently when medically necessary to care for a seriously ill
15 family member, or because of the employee's own serious health condition, or for the care for a newborn, a
16 newly adopted child, or a newly placed foster care child. When a licensed employee requests foreseeable leave
17 for planned medical treatment and the employee would be on leave for greater than 20% of the total number of
18 working days in the period during which the leave would extend, the school may require that such employee
19 elect either to take the leave for periods of a particular duration, not to exceed the duration of the planned
20 medical treatment or to transfer temporarily to an available alternative position offered by the school system for
21 which the employee is qualified, and that has equivalent pay and benefits and better accommodates recurring
22 periods of leave.

23 **RESTRICTIONS**

24 1. Notice Requirements

- 25 a. *Employee Notice*¹¹- For foreseeable leave, the employee shall provide the director of schools
26 with at least thirty (30) days written notice before the beginning of the anticipated leave.
27
- 28 b. *District Notice*- Once it has been established that the leave requested qualifies for FMLA, the
29 director of schools/ designee shall notify the employee within three (3) business days (absent
30 extenuating circumstances) that any leave taken pursuant to state leave statutes (paid vacation
31 leave, personal leave, sick leave, or workers' compensation) shall run concurrently with FMLA
32 leave.¹² The notice may be given orally or in writing. If the notice is oral, it shall be confirmed
33 in writing, no later than the following pay day.¹³
34

35 2. Certification Requirement¹⁴

- 36 a. The director may require that a request for leave be supported by certification issued by a health
37 care provider with the following information:
38 i. the date on which the serious health condition commenced;
39 ii. the probable duration of the condition;
40 iii. the appropriate medical facts within the knowledge of the health care provider
41 regarding the condition; and
42 iv. a statement that the eligible employee is needed to care for the son, daughter, spouse, or
43 parent and an estimate of the amount of time that such employee is needed.
44
- 45 b. If there is any reason to doubt the validity of the certification provided, the director may require,
46 at the expense of the school system, an opinion of a second health care provider.
47

1 3. Period Near the End of an Academic Term (Professional Employees)¹⁵

- 2 a. If leave is taken more than five (5) weeks prior to the end of the term, the director of schools
3 may require the employee to continue taking leave until the end of the term if the leave is at
4 least three (3) weeks of duration and the return of employment would occur during the three (3)
5 week period before the end of the term.
6
7 b. If the leave is taken five (5) weeks prior to the end of the term, the director of schools may
8 require the employee to continue taking leave until the end of the term if the leave is greater
9 than two (2) weeks duration and the return to employment would occur during the two (2) week
10 period before the end of the term.

11 **REQUIREMENTS OF THE BOARD**¹⁶

- 12 1. The employee shall be restored to the same position of employment or an equivalent position with no
13 loss of benefits, pay, or other terms of employment.
14
15 2. The employee shall be kept under any group health plan for the duration of the leave.
16
17 3. The board may recover the premium paid under the following conditions:
18 a. the employee fails to return from leave after the period of leave has expired.
b. the employee fails to return to work for a reason other than the continuation, recurrence, or
onset of a serious health condition or other circumstances beyond the control of the employee.

18 **TRUANCY**

19 *General*

20 Annually, the Director of Schools/designee will provide written notice to parent(s)/guardian(s) that
21 attendance at school is required. Students shall be present at least fifty percent (50%) of the scheduled
22 school day in order to be counted present. Students may attend part-time days, alternating days, or for a
23 specific amount of time as indicated in their Individualized Education Plan or 504 Plan and shall be
24 considered present for school attendance purposes. If a student is required to participate in a remedial
25 instruction program outside of the regular school day where there is no cost to the parent(s) and the
26 school system provides transportation, unexcused absences from these programs shall be reported in
27 the same manner.⁷

28 Students who are absent five (5) days without adequate excuse shall be reported to the director of
29 schools/designee who will, in turn, provide written notice to the parent(s)/guardian(s) of the student's
30 absence. If a parent does not provide documentation within adequate time excusing those absences, or
31 request an attendance hearing, then the Director of Schools shall implement the progressive truancy
32 intervention plan described below prior to referral to juvenile court.

33 The director of schools/designee shall develop appropriate administrative procedures to implement this
34 policy.

35 *Progressive Truancy Intervention Plan*⁸

36 Prior to referral to juvenile court, the following progressive truancy intervention plan will be
37 implemented.

1 Students with three (3) unexcused absences shall be subject to the progressive truancy intervention
2 framework outlined below.

3 **Tier I**

4 Tier I of the progressive truancy plan shall apply to all students within the district and include
5 schoolwide prevention-oriented supports to assist with satisfactory attendance. These supports shall
6 include, but are not limited to,

- 7 1. A conference with the student and the student's parent/guardian;
8
- 9 2. An attendance contract, based on the conference, signed by the student, the parent/guardian,
10 and an attendance officer. The contract shall include:
 - 11 a. A specific description of the school's attendance expectations for the student;
 - 12 b. The period for which the contract is effective. The term of the contract must not exceed
13 ninety (90) school days or continue beyond the last day of the semester, whichever
14 comes first; and
 - 15 c. Penalties for additional absences and alleged school offenses, including additional
16 disciplinary action and potential referral to juvenile court; and
17
- 18 3. Regularly scheduled follow-up meetings to discuss the student's progress.
19

20 If the student accumulates additional unexcused absences in violation of the attendance contract, in
21 Tier I, he/she shall be subject to Tier II.

22 **Tier II**

23 An individualized assessment by a school employee of the reasons a student has been absent from
24 school. This may result in referral to counseling, community-based services, or other services to
25 address the student's attendance problems.

26 **Tier III**

27 This tier shall be implemented if the truancy interventions under Tier II are unsuccessful.

28 Tier III interventions must include a review of the previous individualized assessment and an amended
29 attendance contract but may also result in further action including but not limited to a review of grades
30 and the discipline record, a referral to restorative justice programs, a referral to community-based
31 services, or a referral to the Department of Children's Services.

32 These interventions shall be determined by a team formed at each school. The interventions shall
33 address student needs in an age-appropriate manner. Finalized plans shall be approved by the Director
34 of Schools/designee.

1 NON-SCHOOL SPONSORED EXTRACURRICULAR ACTIVITY⁹

2 A principal/designee may excuse a student to participate in non-school sponsored extracurricular
3 activities. The principal shall document the approval in writing and shall excuse no more than ten (10)
4 absences each school year. No later than seven (7) business days prior to the student's absence, the
5 student shall provide documentation to the school as proof of the student's participation along with a
6 written request for the excused absence from the student's parent/guardian. The request shall include

20 examination for state or federal accountability purposes.

21 The student shall submit a written consent form signed by the student's parent/guardian prior to
22 participation in the released time course. The principal/designee shall document the approval in
23 writing. The student shall provide documentation to the principal/designee as proof of the student's
24 participation in the released time course.

25 The district shall not be responsible for transporting students to and from the place of instruction.

26 Upon submission of the student's transcript from the entity that provided the released time course, the
27 student may be awarded one-half (~~1/2~~) (1) unit of elective credit.

28 The Director of Schools shall develop procedures with secular criteria for determining whether credit
29 shall be awarded.

30 MAKE-UP WORK

31 All missed class work or tests (whether from excused or unexcused absence) may be made up provided
32 the student makes the request immediately upon returning to school and provided instruction time is
33 not taken from other students.

34 A grade of incomplete will be received for any work missed until the work is completed. A student
35 may have up to three (3) days to make up work from a single absence and up to five (5) days to make
36 up work from an absence longer than a single day. It is the student's responsibility to make

1 arrangements for make-up work, and if not completed in the allotted time, a grade of zero (0) will be
2 recorded for the assignments.

3 For school-sponsored activities, the student will be required to make up all work missed and will
4 receive full credit for the assignment or upon completion of a test. The student will not be counted
5 absent for a school sponsored event (school planned, school-directed, and teacher supervised).

6 **STATE-MANDATED TESTS/END OF COURSE EXAMS**

7 Students who are absent the day of the scheduled End of Course Exams must present a signed doctor's
8 excuse or must have been given an excused release by the principal prior to testing to receive an
9 excused absence. Students who have excused absences will be allowed to take a make-up exam that

33 send written notification to the director of schools/designee and the parent(s)/guardian(s) of the student
34 of any action taken regarding the excessive unexcused absences. The notification shall advise
35 parents/guardian(s) of their right to appeal such action within two (2) school days to the director of
36 schools/designee.

- 1 The appeal shall be heard no later than ten (10) school days after the request for appeal is received.

- 4 Following the review, the Board may affirm or overturn the decision of the director of
- 5 schools/designee. The action of the Board shall be final.
- 6 The director of schools/designee shall ensure that this policy is posted in each school building and
- 7 disseminated to all students, parents, teachers and administrative staff.

1st Reading:

Policy 1.102 - Board Members

Public Chapter 114 requires acceptance of GED, HiSET, and other types of high school equivalency credentials approved by the State Board of Education.

Policy 1.106 - Code of Ethics

A new change to state law, Public Chapter 37, requires local Boards of Education to notify the Tennessee Ethics Commission of the primary person responsible for administering and enforcing their ethical standards. The Board has discretion as to implementation and could select a different individual to be in charge of this reporting.

Policy 1.400 - School Board Meetings

Public Chapter 350 creates additional opportunities for board members to attend board meetings electronically. Now, board members will be able to use this method of attendance for two additional reasons: (1) if they are sick or in a period of convalescence on the advice of a healthcare professional; and (2) due to inclement weather.

Policy 1.402 - Notification of Meetings & Policy 1.404 - Appeals to and Appearances Before the Board- Already have in place in 1.404

State law, Public Chapter 300, now requires that notice of board meetings include information on how individuals may provide public comment on agenda items. Additionally, each board meeting with actionable items on the agenda is required to have a time dedicated to public comment. The law allows Boards to establish reasonable restrictions on the length of the comment period, number of speakers, and the length of time per speaker. This is an area in which Boards have significant flexibility, and TSBA encourages modifying their model policy to meet local needs.

Policy 3.202 - Emergency Preparedness Plan

Policy 3.204 - Threat Assessment Team- Already have a policy on this

Policy 3.205 - Security

A new law that affects many aspects of school safety (Public Chapter 367) requires several policy changes. This new legislation requires an armed intruder drill, an incident command drill, and an emergency safety bus drill (policy 3.202) as well as a policy on threat assessment teams (policy 3.204). Many Boards currently maintain a policy on threat assessment teams, however, this new

931-729-3391 ext. 2226

fax 931-729-3834

legislation requires that all Boards have a policy on this topic. There is also now a requirement for all exterior doors to remain locked during school hours. For events occurring after school hours, Boards can choose to create a local plan on how to admit community members. TSBA has updated model policy 3.205 with information about the default practice found in the new legislation. Per state law, this default practice will be in effect if the Board does not include an alternate local plan.

Policy 4.204 - Summer Instructional Programs

State Board of Education Policy 3.300 - Promotion and Retention was updated during the State Board of Education's May meeting. This policy change requires local Boards of Education to include additional information on make up days for summer programs in their policies.

Policy 4.300 - Extracurricular Activities

Policy 6.4001 - Student Surveys, Analyses, and Evaluations

Policy 6.402 - Physical Examinations and Immunizations

Public Chapter 353 includes new options for parents/guardians regarding certain extracurricular activities and district actions. Specifically, this new law: (1) requires parents/guardians to opt-in before their minor child joins a school club or participates in the activities of a club; (2) requires parents/guardians to opt-in before a minor child participates in a non-instructional survey, analysis, or evaluation; and (3) gives parents/guardians the ability to opt-out of health screenings conducted as part of the coordinated school health program.

Policy 4.403 - Library Materials

A new state law, Public Chapter 472, changes the process for school districts to respond to challenged library materials. Previously, state law required that all complaints proceed to the Board of Education. This new law includes flexibility for districts by permitting the Board to create a process with several tiers of review. Please note that Boards may revise this model language to align with local standards. TSBA encourages reaching out to their local board attorney if there are legal concerns.

Policy 5.106 - Application and Employment

School districts are prohibited from hiring individuals on Tennessee's Department of Children's Services list of perpetrators of child abuse and those on the registry of abuse of vulnerable persons maintained by the Department of Health. A change to state law, Public Chapter 222, clarifies that districts may not hire individuals who appear on similar lists maintained by other states.

Policy 5.119 - Employment of Retirees

Due to ongoing teacher shortages, the General Assembly passed Public Chapter 425 which allows more flexibility in hiring retirees. This change allows retirees to work as substitutes beyond the typical 120 day contract and permits retirees to serve as regular classroom teachers on an ongoing basis.

Policy 5.302 - Sick Leave- HCSS does not operate a sick leave bank

For districts that operate sick leave banks, state law contains restrictions on how those days can be used by employees. Public Chapter 151 adds additional options for employees by creating an option to use this time to care for minor children in addition to being used for the employee's own illness.

Public Chapter 165 - Transfer Students

Public Chapter 165 requires that school districts treat transfer students and home school students who enroll or re-enroll in the district the same as other students. Specifically, this law addresses student access to academic and arts programs, clubs, and events offered by the district.

Policy 5.305 - Family Medical Leave

Public Chapter 399 gives employees who are required by law to hold a valid license of qualification for employment and who have been employed with the school district for at least twelve consecutive months six weeks of paid leave that can be used after the birth, stillbirth, or adoption of a newly placed minor child. This leave must be used within twelve months of the qualifying event and does not have to be used consecutively. Additionally, this leave counts towards federally granted leave under the Family Medical Leave Act. TSBA has added a provision on this new option to their model policy.

Policy 5.307 - Physical Assault Leave

A new state law, Public Chapter 343, clarifies that teachers will receive their full salary while on leave due to a physical assault.

Policy 5.600 - Staff Rights & Responsibilities

Teachers are now required to report students who commit certain offenses on school property that endanger the life, health, or safety of others per Public Chapter 153.

Policy 6.200 - Attendance

Boards can award credit to students who take released time courses pursuant to the conditions outlined in their board policy. Previously, Boards could award one-half credit. Public Chapter 130 now allows Boards to offer one full credit for these courses. Please note that this is optional for Boards.

Policy 6.202 - Home Schools

Public Chapter 114 requires the acceptance of GED, HiSET, and other types of high school equivalency credentials approved by the State Board of Education. TSBA has updated their model policy to include these other types of credentials in accordance with state law. Additionally, Public Chapter 296 removes the requirement that parents of home school students provide proof of immunizations.

Policy 6.300 (6.313 for HCSS) - Code of Conduct & Policy 6.309 - Zero Tolerance Offenses

A new zero tolerance offense has been added to state law. Public Chapter 299 adds threats of mass violence to the list of offenses punishable by a one year expulsion.

Policy 6.314 - Corporal Punishment

Boards have discretion as to whether corporal punishment is used in the district. If this is a disciplinary option, a new state law (Public Chapter 275) requires further actions be taken before corporal punishment occurs.

Policy 6.319 - Alternative Education

Public Chapter 279 provides an additional statutory reason that a Director of Schools could require a student to serve a suspension at home rather than on school property. This change to state law allows the Director of Schools discretion if assigning the student to an alternative school or program may endanger the safety of the students or staff.

Students will now be allowed to test out of certain courses per Public Chapter 269. For courses with no end of course exam, high school students will be able to receive credit for the class if they earn a qualifying score on the exam. The school district will determine the score needed for these exams. This will be an option after the State Board of Education approves a list of eligible courses. We will be monitoring forthcoming State Board action and update our model policy based on those changes.

Public Chapter 280 - PE Endorsement Exemption

Under this change to state law, the Commissioner has the authority to grant an endorsement exemption for a teacher to teach a physical education class. In order to receive the exemption, the Director of Schools must certify to the Commissioner that no qualified teacher is available to teach the class.

Public Chapter 437 - Payroll Deductions

School districts may no longer deduct dues from an employee's paycheck on behalf of a professional employees' organization per this new state law.

Public Chapter 438 - Implicit Bias Training

A change to state law, Public Chapter 438, prevents a school district from requiring employees to complete or participate in implicit bias training. This new law also prohibits a school district from taking an adverse employment action against an employee for failure to undergo such training.

Public Chapter 448 - Use of Pronouns

Public Chapter 448 clarifies that school district employees are not required to use a student's preferred pronoun if it is inconsistent with the student's biological sex. Further, school districts are not civilly liable if the employee refuses to use the preferred pronoun.

1 The Hickman County School System shall provide all students in foster care, to include those awaiting
2 foster care placement, with a free and appropriate public education.

3 **ENROLLMENT**

4 Students in foster care, to include those awaiting foster care placement, shall be immediately enrolled,
5 even if the student is unable to produce records normally required for enrollment (i.e. academic records,
6 immunization records, health records, proof of residency), or missed the district's application or
7 enrollment deadlines.¹

8 **PLACEMENT**

9 The district and the child welfare agency shall determine whether placement in a particular school is in
10 a student's best interest. Other parties, including the student, foster parents, and biological parents (if
11 appropriate), shall be consulted. If the child has an IEP or a Section 504 plan, then the relevant school
12 staff members shall participate in the best interest decision process. This determination shall be made as
13 quickly as possible to prevent educational disruption.

14 Placement shall be determined based on the student's best interest. At all times, a strong presumption
15 that keeping the student in the school of origin is in the student's best interest shall be maintained.² For
16 the purposes of this policy, school of origin shall mean the school in which the student was enrolled,
17 including a preschool/pre-k program, at the time of placement in foster care or at the time of a placement
18 change if the student is already placed in foster care.³

19 When determining placement, student-centered factors including, but not limited to, the following shall
20 be considered:

- 21 1. Preferences of the student;
- 22 2. Preferences of the student's parent(s) or education decision maker(s);
- 23 3. The student's attachment to the school, including meaningful relationships with staff and peers;
- 24 4. Placement of the student's siblings;
- 25 5. Influence of the school climate on the student, including safety;
- 26 6. The availability and quality of the services in the school to meet the student's educational needs;
- 27 7. History of school transfers and how they have impacted the student;
- 28 8. How the length of the commute would impact the student;
- 29 9. Whether the student is receiving special education and related services, and if so, the availability
30 of those required services in a school other than the school of origin; and
- 31 10. Whether the student is an EL and is receiving language services, and, if so, the availability of
32 those required services in a school other than the school of origin.

- 1 Transportation costs should not be considered when determining a student's best interest.
- 2 If it is not in the student's best interest to attend the school of origin, the director or his/her designee shall
3 provide a written explanation of the reasons for the determination. The written explanation shall include
4 a statement regarding the right to appeal the placement decision. If the placement decision is appealed,
5 the district shall refer the student to the district coordinator for children in foster care, who shall carry
6 out the dispute resolution process as expeditiously as possible and in accordance with the law.² Until the
7 dispute is resolved, to the extent feasible, the student shall remain in his/her school of origin.²

8 **TRANSPORTATION**^{3,4}

9 The district shall collaborate with the local child welfare agency to develop and implement clear and
10 written procedures governing how transportation to a student's school or origin shall be provided,
11 arranged, and funded. This transportation will be provided for the duration of the student's time in
12 foster care.

13 The director of schools shall develop administrative procedures to provide for transportation of
14 students in foster care.⁵ These procedures must ensure that:

- 15 1. Students in foster care needing transportation to their schools of origin will promptly receive
16 that transportation in a cost-effective manner and in accordance with federal law; and
17 2. If there are additional costs incurred in providing transportation to the school of origin, the
18 district will provide such transportation if:
19 a. the local child welfare agency agrees to reimburse the district for the cost of such
20 transportation;
21 b. the district agrees to pay for the cost; or
22 c. the district and local child welfare agency agree to share the cost.⁴

21 **ROUTINE PURCHASES**

22 Routine purchases shall include expenditures for supplies, salaries, and routine expenditures required for
 23 the operation of the school system. These expenditures shall be anticipated and provided for in the budget
 24 and will normally be authorized by the Board at the beginning of the fiscal year. The director of schools
 25 or his/her designee shall make all routine purchases without further Board authorization; however, the
 26 Board shall be promptly informed if any substantial variation from budgeted estimates occurs or becomes
 27 necessary.

28 **SPECIAL PURCHASES**

1 Special purchases are those which are not routine and which may or may not be specifically identified
