Our Vision

Hickman County Schools inspires and supports every student and staff member through high expectations, shared accountability, and a commitment to excellence. Every student deserves access to engaging, high-quality instruction and the support needed to reach their fullest potential.

Our Mission

We engage, challenge, and nurture every student's mind, body, and character to prepare each for success in education, work, and life. **Rooted in good manners, common courtesy, and ethical decision-making, we strive to build strong values and character that guide our students beyond the classroom.** Together, our schools, families, and community create an environment where learning is meaningful, safe, and connected to real-world purpose.

Our Core Values

Integrity: We act with honesty, fairness, and respect in every decision.

Excellence: We set high expectations and believe all students and staff can achieve and grow.

Engagement: Learning thrives through strong relationships, inspiring classrooms, and curiosity.

Equity: Every student deserves access to quality instruction, resources, and opportunities.

Safety: Every student and staff member deserves a safe and welcoming environment.

Community: We work with families, businesses, and civic partners to build countywide pride.

Goal 1: Academic Achievement (PK–12)

Ensure all students achieve growth and proficiency through aligned instruction, data-driven decision-making, and high-quality professional learning.

2025–2026 Objectives

- Implement the use of data from districtwide benchmark testing (**MasteryConnect**) and **ensure transparent communication with families regarding all assessments. Schools will send out messages about upcoming testing, including what tests students are taking (Aimswest, iReady, and MasteryConnect), when tests will occur, and when results will be returned. Each school will include the testing schedule in its student handbook and communicate assessment information more frequently throughout the year to keep parents informed and engaged.**
- Use AimsWeb and iReady data to inform Tier I instruction and intervention in K–8.
- Conduct IPG-aligned walkthroughs with actionable feedback focused on Core Actions 3–4.
- Strengthen PLC collaboration centered on standards alignment, vertical planning, and rigor.
- Maintain district-level data review meetings each semester.
- Support ACT readiness and test preparation within secondary schools.

- Align lesson plan reviews to HQIM and the Standards Annotation Guide **and ensure that sister schools have clearly defined parameters and expectations for consistent implementation.**

- Expand PLC collaboration across schools and grade bands.
- Increase student participation in early postsecondary opportunities and CTE pathways.

- Continue building district capacity to support students with disabilities through specialized staffing, program design, and professional learning.
- Strengthen co-teaching, RTI, and inclusion strategies across all schools.
- Continue professional learning that builds teacher capacity for differentiation and high-quality instruction, **ensuring that “all means all” — including gifted and high-achieving students — with a focus on equitable access as emphasized in Core Action 4 of the IPG.**
- Sustain districtwide alignment of lesson plans, walkthroughs, and PLCs to the Instructional Practice Guide (IPG).

Goal 2: Student Success, Safety, and Engagement

- Partner with local agencies and emergency services for ongoing safety planning and training.
- Host annual Family and Community Engagement Week at each school.
- Strengthen links between attendance, engagement, and academic outcomes in district reporting.

Goal 3: Operations, Facilities, and Fiscal Management

Provide safe, efficient, and well-maintained learning environments that support student success and reflect community pride.

2025–2026 Objectives

- Complete facility assessments to prioritize long-term capital improvements.
- Implement consistent bus inspection and maintenance tracking systems.
- Begin planning for sewage, HVAC, and infrastructure updates.
- Update the 10-year capital projects plan.
- Develop and implement a School Leader Preparation Document aligning projected enrollment, staffing ratios, and course offerings—helping principals determine teacher needs based on student numbers and ensuring equitable staffing across the district.

Future Action Steps (2026–2030)

- Use the School Leader Preparation Document annually to guide staffing, budget, and course planning, **and align these efforts with Grow Your Own initiatives, the Administration Pipeline, and Teacher Preparation programs to strengthen recruitment and development of future educators and leaders.**

- Collaborate with county and city leaders to align school initiatives with workforce, wellness, and community development efforts.
- Continue to celebrate success through media, social platforms, and local events that highlight student and staff achievements.

Future Action Steps (2026–2030)

- Establish a district framework that connects schools and community partners to better share the Hickman County story **by intentionally celebrating student success, promoting local opportunities, and highlighting career and technical education (CTE) pathways at both the middle and high school levels. The framework will strengthen community pride by showcasing our “Hometown Heroes,” expanding events that tell our story, and creating traditions that celebrate college- and career-bound students while promoting the many successes across Hickman County Schools.**
- Create an annual “State of Our Schools” community event to share district progress and recognize collaborative partners, **celebrating educators and staff (including Teachers of the Year, Principals of the Year, and Novice Teachers) and honoring service milestones. The event will include opportunities for community connection—through food, recognition, and storytelling—and extend beyond one night by meeting people where they are, such as featuring school highlights and short promotional segments at local events and athletic games.**
- Develop a districtwide volunteer and mentorship program that links community expertise to student and educator support.
- Expand industry and higher-education partnerships to strengthen CTE pathways and local workforce readiness.
- Implement a districtwide communication plan promoting transparency, pride, and two-way feedback between schools and the community, **including streamlined processes for consistent messaging across the district. Communication will be**

The estimated cost of the trip will be \$100 (payable to HCMS if writing a check). Students will have the choice to either pay for the trip or participate in a Krispy Kreme donut sale. If they participate in the donut sale, they will be expected to sell at least 15 boxes of donuts.

This letter serves as notice that your child is eligible (so far) to attend the trip. Should your child become ineligible, we will notify you and a refund will be issued. Per the student handbook, the following criteria must be met:

- No more than 16 missed days
- No more than 2 majors or 8 minors (bus suspension equals a major)
- No visits to alternative school
- Final average at the end of the 3rd nine weeks must be passing for all classes

Please check below to let us know if your child intends on going on the trip and if you would like to participate in the Krispy Kreme donut sale.

**RE: Notification of Award --State of Tennessee Volkswagen Diesel Settlement
Environmental Mitigation Trust (VW Settlement EMT) Medium- and Heavy-Duty
Vehicle Grant Program**

Dear Mr. George:

Thank you for submitting an application in response to the State of Tennessee VW Settlement EMT Medium- and Heavy-Duty Vehicle Grant Programs solicitation. The Tennessee Department of Environment and Conservation (TDEC) has completed its evaluation of all applications received. We are pleased to inform you that the Hickman County School System has been selected to move forward with grant contract negotiations.

Specifically, TDEC will provide up to \$223,483.50 for the replacement of the following (3) vehicles with propane vehicles proposed within the grant application:

- VIN: 4DRBUSKN49A135048, School Bus
- VIN: 4DRBUAFN58B530126, School Bus
- VIN: 4UZAAXDC67CX24858, School Bus

At this time, please do not publicize or share your organization's receipt of this award notification until TDEC has made a corresponding public funding announcement. Such an announcement will occur following the execution of the Grant Contract. We will notify you when you have permission to publicize your award.

Over the course of the next several weeks, you will receive a draft Grant Contract(s) and a Grant Program Manual, which will outline the terms and conditions of your award and include detailed information on reporting requirements, financial reimbursement / invoicing procedures, and project monitoring. Once the Grant Contract has been approved by TDEC Contracts and executed by the State and the Grantee, it will be routed for additional approvals by the State Central Procurement Office, Department of Finance & Administration, and the State Comptroller's Office. You will receive a copy of the final, executed Grant Contract for your records after the additional approvals have been obtained. **Please note that this notification of award does not constitute a Grant Contract agreement with the State.**

Please keep in mind the following regarding this award:

1. **TDEC cannot reimburse expenditures that are incurred prior to the begin date of your**

Grant Contract. Once the Grant Contract begins, the Grantee may request State approval for procuring vehicles or equipment, including applicable charging infrastructure. Further details on the procurement process will be provided in the upcoming Grant Program Manual. **Until you receive procurement approval from TDEC under an active Grant Contract, do not submit any purchase orders, complete any vehicle purchases, and/or take delivery of any vehicles you intend to pay for with funds from this award.**

2. All eligible Medium- and Heavy-Duty Vehicles to be replaced under this program must be Scrapped within ninety (90) days of new vehicle delivery. "Scrapped" shall mean to render inoperable and available for recycle, and, at a minimum, to specifically cut a 3-inch hole in the engine block and to disable the chassis by cutting the vehicle's frame rails completely in half. **Failure to provide the required photographic proof and documentation of vehicle scrappage may impact the State's ability to provide reimbursement for the project. As such, do not move forward with vehicle and engine scrappage until you receive guidance on the process in the forthcoming Grant Program Manual;** this resource will include explicit instructions and templates to help you capture all proof of scrappage documentation required for this award.
3. **Additional Title VI Nondiscrimination requirements must be met by your organization now that you have been selected to receive funding from the State.** First, grantees must complete the TDEC Subrecipient Title VI training (<https://tdec.tn.gov/title6/index.html>) and provide TDEC with a copy of the certificate of training completion no later than 30 days after the draft Grant Contract has been submitted to TDEC Contracts for approval. Second, grantees must also complete and submit to TDEC a completed Title VI Training Certification form no later than 30 days after the draft Grant Contract has been submitted to TDEC Contracts for approval. Further guidance on this process will be sent to you shortly.
4. **TDEC will schedule a mandatory grant program compliance webinar within the next few weeks. At least one representative from your staff's project team must attend the webinar,** which will include information on the considerations noted above, the information contained within the Medium- and Heavy-Duty Vehicle Grant Program Manual, and other project requirements. Additional information on this compliance webinar will be sent to you shortly.

Again, congratulations! We are pleased to support your commitment to integrate newer, cleaner vehicles into your fleet. If you have any questions, please contact me at 615-772-6011 or Mark.Finlay@tn.gov.

Sincerely,

Mark Finlay, Senior Energy Analyst
