POLICY REVIEW OR CREATION REQUEST

This form will be completed for all new policies and all recommendations for revisions to or deletions of policies of the Williamson County Board of Education. Attach any information which would be helpful to understand the proposed changes or actions.

Recommended by: Staff General Counsel Board Member _____ Tony Bostic _____

Date Submitted to General Counsel: _____ March 28th 2025 _____

Recommendation: add , revise , or delete the following Policy number(s) and title(s):

4.202 Special Education

Brief summary of the proposed addition or changes:

Pg 2 line 2 – change language of bullet point 3 to state: *“Interactive planning sessions shall be facilitated with special education and general education teachers, paraprofessionals, and parents or guardians regarding each student’s IEP and in order to ensure a parent’s right to meaningful participation.”*

Pg 2 after line 4 – insert new bullet point language: *“WCS shall notify a student's parent or guardian at least 10 days before the student's individualized education program (IEP) meeting to ensure that the parent or guardian has an opportunity to attend, unless the parent or guardian and a representative of WCS mutually agree to meet prior to 10 calendar days in accordance with rules promulgated by the state board of education.”*

Pg 2 after line 4 – insert another new bullet point language: *“WCS shall provide the following to the parent or guardian of the student who is the subject of the IEP team meeting, at least 48 hours prior to such meeting:*

- (A) A copy of any and all student evaluation reports that are to be used in the determination of the student's eligibility for special education or in the development of the draft IEP.*
- (B) A copy of the student's draft IEP, unless the student's parent or guardian provides written notice to the LEA more than 48 hours prior to the scheduled IEP meeting declining the parent's or guardian's right to receive a copy of the draft IEP.”*

Pg 2 after line 4 – insert another new bullet point language: *“WCS shall establish and maintain Service Delivery Logs (SDL) to document the provision of all special education services as outlined in the student’s IEP, including but not limited to, direct instruction, consultation services, and related services. The log must include the following information for each service session:*

- *Date of Service*
- *Start and End Time of Service*
- *Duration (in minutes)*

- *Brief Description of Service Delivered*
- *Name of Staff Member(s) Providing the Service including signature or initials*
- *Location of Service (if applicable)*
- *Any Notes or Comments (e.g., adjustments, student progress, etc.)*

Should there be any deviation from the scheduled service time or schedule (either over- or under-provision), it must be documented with a brief explanation. All special education services must be provided in accordance with the student’s IEP, ensuring that the specified minutes for each service are met consistently throughout the academic year. SDLs should be regularly reviewed by the special education team to ensure full compliance with IEP goals and service delivery. Responsibility for maintaining SDLs belongs to the staff member delivering the service to maintain accurate, timely, and complete logs. SDLs should be maintained for a minimum of 3 years from the date of service delivery, and logs must be accessible to authorized personnel, including special education coordinators, administrators, and parents/guardians when appropriate.”

Brief justification of why additions or changes needed or required:

To update our current policy to comply with new state law HB0861/SBSB1073. Also adding in language for Service Delivery Logs to ensure transparency and protection for WCS.

Staff analysis of the proposed addition or changes in terms of the following:

Legal implications; educational benefits; impact on the staff at the building level; impact on staff at the district level; immediate and future changes in numbers of assignments of personnel; immediate and future budgetary impact.

- b. Members of committees, including but not limited to the PECCA Team, the Calendar Committee, and the Sick Bank Committee shall be given release time for any meetings that take place during the school day. ARTICLE IV: GRIEVANCE PROCEDURE

Section 4.1 Definitions

- a. "Grievance" shall mean a claim by an educator that there has been a violation, misrepresentation, or misapplication of the terms of this MOU.
- b. The term "days" shall mean any and all days. In the event the final day of any time limit described in this article falls on a weekend or system holiday, the deadline day shall be the next day the system is open.

Section 4.2 General Provisions

- a. The grievant(s) may submit a copy of the written grievance to the Association prior to proceeding to Step 2 of the grievance procedure described in Section 4.3 below. The Association may determine whether to participate in said grievance. In such event, the Association shall name an Association Designee in the written Grievance Form, attached hereto as Appendix B. A grievance that does not meet the time limits outlined in the procedures listed in Section 4.3 shall not be accepted.
- b. Grievances by two or more educators alleging the same violation, misrepresentation, or misapplication of the terms of this MOU may, upon agreement of the grievant(s) and the Board or representative, be joined together under the general provisions and procedures of the article.
- c. Failure by the designated supervisor at any step of the procedure to communicate the decision on the grievance within the specified time limit shall permit the aggrieved party to proceed to the next step.
- d. Failure by the grievant(s) to appeal to the next step within the prescribed time limits shall result in a withdrawal of the grievance.
- e. The filing of a grievance shall in no way interfere with the right of the Board and the Administration to carry out its management responsibilities, subject to the final disposition of the grievance. Any resolution of a grievance shall not be inconsistent with this MOU.
- f. No reprisals shall be taken by the Board or the Administration against an educator because of participation in a grievance.
- g. A grievance may be withdrawn at any level without establishing a precedent, except that if a grievance is withdrawn, the grievant(s) shall be prohibited from refileing a grievance based upon the same incident as the withdrawn grievance.

- h. All parties involved in a grievance may have a representative(s) of their choosing present at all steps of the procedure.
- i. The Board and the Administration shall cooperate in the investigation of any grievance.
- j. Neither the grievant(s) nor the Board shall be permitted to assert any grounds or evidence before the arbitrator which were not previously disclosed to the other party.

Section 4.3 Procedures

Step 1: The parties hereto acknowledge that it is most desirable for an educator and the administrator involved to resolve problems through free and informal communications. No later than 35 days after the event giving rise to the grievance or 35 days after the educator should reasonably have learned of the event giving rise to the grievance, whichever is later, the educator must discuss the grievance with the immediately involved supervisor. If this informal process fails to satisfy the educator, a formal written grievance may be processed as outlined below. See form, Appendix B.

Step 2: If the grievant(s) is not satisfied with the disposition of the grievance in Step 1, the educator may present the written grievance to the immediately involved supervisor no later than 15 days after the informal meeting. The administrator involved will arrange for a meeting to take place within ten (10) days after the receipt of the written grievance. The grievant(s) must specify the section of this MOU that is alleged to have been violated and shall state the specific redress sought. Within five (5) days after the meeting, the grievant(s) shall be provided with the administrator's written response, including the reasons for the decision.

Step 3: If the grievant(s) is not satisfied with the disposition of the grievance in Step 2, the grievant(s) may refer the grievance to the Superintendent of Schools within ten (10) days after the receipt of the Step 2 written decision. The Superintendent of Schools shall arrange for an appeal hearing to take place within 15 days of the Superintendent of Schools' receipt of the appeal. Within ten (10) days after completion of the appeal hearing, the grievant(s) shall be provided with the Superintendent of Schools' written response, including the reasons for the decision.

Step 4: If the grievant(s) is not satisfied with the disposition of the grievance in Step 3, the grievant(s) may within 35 days after receipt of the Step 3 written decision, notify the Superintendent of Schools the grievant wishes to mediate the grievance before an impartial hearing officer. The mutually agreed upon impartial hearing officer will limit the mediation to the grievance as stated in Step 1. If the parties reach a mutually agreed upon resolution, the terms of the agreement must be in writing, and the terms of the agreement cannot be appealed to the Board by either party. All costs for the mediation shall be borne by the two parties equally. Alternatively, the Grievant, at his or her sole discretion, may waive this step within 35 days after receipt of the Step 3 written decision.

Step 5: If the mediation of the grievant(s) is waived, and if the grievant(s) is not satisfied with the disposition of the grievance in Step 3, the grievant(s) may request a review of the decision by the Board within 35 days after the educator received the Step 3 written decision or within 35 days after the time limits for Step 3 have expired. The request shall be made in writing through the Superintendent of Schools, who shall attach all related documents and forward the request within seven (7) days to the Board. The Board shall review the grievance and shall schedule a Board hearing, pursuant to WCSB policy 1.401, within 25 days after the receipt of the Board hearing request. The grievant(s) shall receive a copy of the Board's decision within ten (10) days after the Board hearing.

No decisions made through this process shall be precedential for any grievance submitted by any subsequent grievant. However, in the event a grievance reaches Step 5 above, the parties to this MOU shall discuss the grievance decision at their next PECCA meeting to determine if a change in the terms of the MOU is appropriate.

ARTICLE V: SALARY AND SUPPLEMENTS

The Williamson County Board of Education approves and allocates the budgetary resources (i.e., defines how budgetary resources will be spent) and the Williamson County Commission appropriates budgetary resources (authorizes funding and the collection of taxes to generate appropriate revenue). Though great efforts have been made collaboratively to increase WCS teacher pay and benefits to mirror that of neighboring counties and match the value of the work taking place, we also recognize that more work needs to be done to increase teacher pay and benefits to match the value of their work.

Section 5.1 Salary Schedule

The base salary of each educator shall be covered by the regular salary schedule as set forth in Appendix A-1, which is attached to and made a part of this MOU.

Educators may be asked to attend workshops beyond required contract in-service requirements, work beyond the duty day or calendar in order to accomplish district wide curriculum writing assignments or conduct workshops for WCS. - c. Teachers who conduct workshops shall be paid \$420 for each full day they are conducting the training. This wage is calculated based on doubling the hourly rate on a seven-hour day.

Section 5.5 Online Program

Definition: Sick leave shall mean leave of absence because of illness of the educator from natural causes or accident or the illness or death of the educator's spouse, parent, grandparent, children, grandchildren, brothers, sisters, mother-in-law, father-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law, or other family member with approval of the Superintendent of Schools which necessitates the absence of the educator.
- b. Allocation: The time allowed for sick leave with pay shall be one (1) day for each school month (20 days) of employment. Sick leave shall be cumulative for all earned days not used.
- c. Advance Use: An educator in need of sick leave shall be allowed to use unearned sick leave up to the number of days which such educator may accumulate during the remainder of the current year in which employed. Upon termination of the employment of such educator before such days are earned or at the end of the school year, there shall be deducted from the final salary of such educator an amount based on the educator's daily rate of pay sufficient to cover any excess sick leave days used. If such final salary is insufficient for this purpose, the educator shall be liable for reimbursement of any amount in excess of the final salary.

Section 7.2 Bereavement Leave

- a. Definition: Bereavement leave shall mean leave of absence because of the death of the educator's spouse, parent, grandparent, children, grandchildren, brothers, sisters, mother-in-law, father-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law, or other family member with approval of the Superintendent of Schools which necessitates the absence of the educator.
- b. Allocation: Up to a maximum of three (3) days of bereavement leave each year shall not be charged against the educator's sick leave accumulation. Furthermore, up to two additional days may be purchased pursuant to the SOP at the average cost of a substitute. Up to three (3) additional days may be purchased for a second qualifying event. These days shall be non-cumulative. This does not eliminate the use of sick leave for bereavement if the need exceeds three (3) days.

Section 7.3 Personal & Additional Leave

- a. Personal Leave Definition: Personal leave shall mean a leave of absence for the purpose of transacting or attending to personal business and may be used for any purpose at the discretion of the educator.

- b. Allocation: The time allowed for personal leave with pay shall consist of one (1) day per each one-half year employed per school year. (Half year employed means the employee must have been in an active pay status every day of the first 100 days of the school year to earn one (1) day leave and in an active pay status all 100 days of the second half of the contract year to earn the second day.) Any personal leave remaining unused after the end of the year shall be credited to that educator as sick leave.
 - 1. Educators will be granted one (1) additional leave day annually after 15 consecutive years in Williamson County. The additional leave day should be used during the year it is earned as it will not roll into sick leave.
- c. Advance Use: An educator in need of personal leave shall be allowed to use unearned personal leave up to the number of days which such educator may accumulate during the remainder of the current year. Upon termination of such educator before such days are earned, there shall be deducted from the final salary of such educator an amount based on the daily rate of pay sufficient to cover an unearned personal leave day used. If such final salary is insufficient for this purpose, the educator shall be liable for reimbursement of any amount in excess of the final salary.
- d. In addition to the personal leave described above, each educator governed by this MOU shall start employment with three (3) days available local leave whereby the educator can “pay” the cost of their substitute for an additional day of leave for personal reasons. Thereafter, each said educator will accrue one (1) additional such day per year, except that the total available days may not at any point exceed a maximum of three (3) available days. The employee will have the cost of the substitute deducted from their paycheck during the pay period the leave was used. The cost of the substitute day will be the average cost of a substitute and will be based on an amount determined at the beginning of each school year. All educators utilizing this leave will be charged the cost of the substitute whether or not a substitute was utilized during their absence.

Section 7.4 Uncompensated Leave

- a. Any educator requesting an uncompensated leave for military service, legislative service, maternity, adoption, or recuperation of health or other leaves required by state and/or federal laws shall be granted approval by the Superintendent of Schools without forfeiture of accumulated leave credits, tenure status, or other fringe benefits (TCA 49-5-702).
- b. Any educator requesting an uncompensated leave for educational improvements, parental leave, or other sufficient reason(s) may be granted approval by the Superintendent of Schools; however, the educator will lose all fringe benefits and many other benefits that accrue as a result of employment, including but not limited to credited time toward retirement.
- c. Educators who take approved uncompensated leave, not exceeding ten (10) days per year, shall not lose insurance benefits.

Section 7.5 Leave Application Procedures

- a. When an educator needs to be absent, the educator shall notify the supervisor or designee, as soon as possible before the school day begins. The educator is responsible for recording the absence, by telephone or internet, in the automated substitute teacher calling system or in "Employee Self Service", as required for the position.
- b. The educator shall complete a written Long-Term Leave of Absence Application for a leave request of ten (10) days or more, including any accompanying physician's statement or other documentation required by the application.
- c. For long term medical leave requests, the Superintendent of Schools may require at the system's expense an examination by another physician other than the physician certifying the medical disability.
- d. In the event of the absence of an educator in excess of the sick leave days available to the educator, the Superintendent of Schools may require an examination by a physician certifying the previous absences. The system would pay for the second opinion.
- e. The Superintendent of Schools or designee may require a physician's statement for any sick leave claim.
- f. The Superintendent of Schools or designee may require documentation to establish the cause for any bereavement leave claim.
- g. The system shall keep a record of the accumulated sick leave for each eligible educator in its employ and shall provide a verified copy to the educator upon request.
- h. Written application for personal leave shall be filed with the principal no less than 24 hours prior to the date of the proposed absence, except in cases of emergency. The educator shall not be required to give reasons for use of any personal leave. This leave will be subject to approval by the principal in all cases except those covered by "j" below.
- i. The approval of the Superintendent of Schools shall be required for personal leave approval under the following conditions:
 1. If more than 10% of the educators in any school request personal leave on the same day (in making this calculation, any major fraction shall be considered as one).
 2. If personal leave is requested during any prior established examination period.

3. If personal leave is requested on the day immediately preceding or following a holiday or vacation period.
- j. If any educator fails to secure approval for any paid leave or provide appropriate notice and documentation, forfeiture of the paid leave will result.
 - k. Written application for an uncompensated leave of absence shall be filed with the principal no less than 30 days prior to the date of the proposed absence, except in the case of an emergency. The request, with the principal's recommendation, shall be forwarded to the Superintendent of Schools or designee for recommendation. The educator shall be notified in writing of the Superintendent of Schools action on the uncompensated leave of absence. The educator may apply for an extension of leave using the same procedure as used to apply for the original leave.

Section 7.6 Return Rights

- a. Upon returning to employment, the educator shall assume all previous rights and privileges.
- b. Any educator on approved leave shall notify the principal in writing at least 30 days prior to the date of return if the educator does not intend to return to the position from which the leave was taken. Failure to render such notice shall be considered a breach of contract.

Section 7.7 Substitute Notification

Educators will input absences into the automated substitute calling system, by telephone or internet. It shall be the duty of the principal, or designee, to ensure the securing of a substitute when the educator notifies the principal and requests leave approval. An educator may suggest a particular individual(s) when notifying a school of their impending absence; however, the principal shall retain the authority for assigning all the substitutes and inputting pre-arranged substitutes in the system.

ARTICLE VIII: STUDENT DISCIPLINE PROCEDURES

Section 8.1 Board Support and Assistance

- a. The Board recognizes its responsibility to give all reasonable support and assistance to educators with respect to the maintenance of control and discipline in the classroom.
- b. Whenever it appears that a particular student requires the attention of special teachers, special counselors, social workers, law enforcement personnel, physicians, or other professional persons, the Board will take reasonable steps to assist the educators with respect to such students.

Section 8.2 Corporal Punishment Policy

Written statements of the current School Board Policy governing student suspension, expulsion, and the use of corporal punishment of students shall be available at each school.

Section 8.3 Classroom Control

- a. Subject to special education law and all other applicable legal authority, an educator may exclude a student from class when the grossness of the offense, the persistence of the misbehavior, or the disruptive effect of the violation make the continued presence of the student in the classroom intolerable.
- b. In such cases, the educator will furnish the principal full particulars of the incident in writing when the student is sent to the office. The principal shall furnish the teacher in writing, prior to the student returning to class, the corrective action(s) that will be applied.

Section 8.4 Assault on Educators and/or Students

- a. Assault is defined in Tennessee as (i) Intentionally, knowingly or recklessly causing bodily injury to another; (ii) Intentionally or knowingly causing another to reasonably fear imminent bodily injury; or (iii) Intentionally or knowingly causing physical contact with another which a reasonable person would regard as extremely offensive or provocative. When a teacher concludes he or she has been assaulted by a student, a meeting to discuss the assault will be held with an administrator no later than the end of the next school day following the assault.
- b. An educator may use such force as is reasonable and necessary for personal protection or protection of a student from attack or injury. Any such attack shall be reported to the principal immediately.

- c. The Board will provide legal counsel on request to advise the assaulted educator of rights and obligations and shall promptly render assistance to the educator in connection with the handling of the incident by law enforcement and judicial authorities.
- d. Educators injured in the line of duty are eligible for worker's compensation but must report such injury to their supervisor and complete necessary paperwork to document the injury. In the event an Educator is denied worker's compensation for a claimed injury, that Educator may request the Assistant Superintendent for Human Resources to review the decision.
- e. Educators incurring damage to eyeglasses, hearing aids, dental devices, prosthetic devices, or other personal property as a result of a student's act are eligible to file for a claim for reimbursement with the county risk management. A report of the incident must be reported immediately to the supervisor, who will assist the educator in obtaining the necessary paperwork.

Section 8.5 Loss of Pay

- a. Time lost by an educator in connection with any incident mentioned in this Article shall not be charged against the educator. The educator shall suffer no loss of pay or benefits up to 30 days, verified by a physician's statement of inability to work, as a result.
- b. If the need exists beyond the 30 days, consideration shall be given to providing the educator with no loss of pay or benefits. Contact should be made with the Human Resources Department and the WCS attorney.

ARTICLE IX: HOURS AND LOAD

Section 9.1 Hours

- a. The educator's workday shall consist of seven and a half (7 ½) hours, inclusive of any before or after school activities, based on a 180-student day school year.
- b. The Superintendent of Schools may reduce the workday hours for the efficient operation of the school system.

Section 9.2 Load

Secondary school educators shall not be required to teach in more than three (3) subject areas with a total of three (3) teaching preparations, except in extraordinary cases approved annually by the Superintendent of Schools or designee.

Section 9.3 Planning Time

- a. The Board shall provide each elementary and middle school educator with two hundred and twenty-five (225) minutes planning time per week with no period less than 30 consecutive minutes per day. This planning time should be protected from any other school duties. One hundred and fifty (150) minutes of planning time shall be protected for individual duty-free teacher planning while the remaining planning time may be utilized for other planning such as team planning, data review, and student-specific meetings.
- b. The Board shall provide each high school educator with a daily planning period equivalent in length to a daily teaching period at his or her particular high school. This planning time should be protected from any other school duties. One hundred and fifty (150) minutes of planning time shall be protected for individual duty-free teacher planning while the remaining planning time may be utilized for other planning such as team planning, data review, and student-specific meetings.
- c. Each semester, the Administrative Day immediately prior to the first day of each semester school for students shall be designated as a day for teachers to prepare for instruction in their respective rooms. There shall be no meetings called by central office staff, school administrators, or any employee association during the regular school hours on this day. Teacher Prep Days, as identified each semester on the school calendar, shall be designated as a day for teachers to prepare for instruction in their respective rooms. There shall be no meetings called during the regular school hours on this day.

- d. Upon request by the Chief Employee Representative, a Planning Period Committee shall be established consisting of three (3) members appointed by the Association and three (3) members recommended by the Superintendent of Schools and approved by the Board. This committee will meet to review any teacher's schedule which does not include the planning period requirements set forth in 9.2(a) and (b) or 9.3(a) and (b) in an effort to find alternatives and to propose solutions to the Superintendent of Schools.

Section 9.4 Duty-Free Lunch

- a. Included in the seven and a half (7 ½) hours workday, all educators shall have duty-free lunch time during the regular school day, equal to the amount of time given to their students for lunch. This lunch period shall be a minimum of 25 minutes. For schools with extended lunch/remediation periods during which actual lunch period has not been fully defined, educators must have a minimum of 25 minutes duty free lunch period per day.
- b. Educators may be required to escort their students to and from the dining area.
- c. Educators will be assigned no other duties during this time.

Section 9.5 Meetings

- a. Educators may be required to arrive before the start or remain after the end of the regular school day, without additional compensation, for the purpose of attending faculty or other school level professional meetings, no more than one (1) day each week.
- b. A maximum of three (3) hours per month may be allocated for before and/or after school professional staff meetings. At the beginning of each semester, the administrator shall decide whether to schedule 45-minute, one (1) hour, or one and a half (1 ½) hours professional staff meetings in order to allow for adequate planning time for teachers to arrange their schedules.
- c. Every effort shall be made not to call such meetings on Friday, or any other day immediately preceding a holiday, vacation or other day, upon which educator attendance is not required at school.
- d. The notice of such meetings shall be given to educators involved prior to the meeting, except in cases of emergency. Educators shall have the opportunity to suggest items for the agenda.
- e. Every effort shall be made to conduct Individual Education Plan / RTI / 504 meetings during the school day. When it is necessary to hold said meetings outside of the workday educators shall be paid according to Article V - Section 5.4.

- f. Principals should work to distribute IEP and 504 meetings among teachers to ensure all teachers receive their required 150 minutes of duty-free individual planning per week. Principals should reach out to their assistant superintendents as needed for methods to support the need of student meetings and teacher planning periods (i.e., use of substitutes, administrative days, flexible scheduling, etc.).

Section 9.6 Faculty Advisory Committee

- a. Nothing in this MOU shall be construed as prohibiting the principal from establishing a faculty advisory committee.
- b. This committee shall be advisory only, and no action, resolution, or vote of said committee shall be binding.

Section. 9.7 Other Professional Responsibilities

All educators shall make every effort to volunteer for up to four (4) extra-curricular and/or after school activities that occur in the day-to-day operation of the school, whether on or off campus. The list(s) shall be posted by secondary school principals in the fall, winter, and/or spring. Elementary events should be shared with as much notice as possible. If necessary, the principal shall equitably distribute the assignments among all faculty based upon the educator's preferences and will consider excusing those with exigent circumstances. Faculty members are expected to sign up or volunteer when requested, except when they are excused after discussion with the principal. Activities that are extraordinarily time intensive (over three (3) hours) may be counted as two (2) or more activities and shall be designated as such by the principal on the listing. Principals may not require participation beyond the maximum four (4) activities outside of Parent Teacher Conferences as scheduled by the calendar committee and one (1) Open House as scheduled by the building principal. Participation in promotion and graduation ceremonies outside of the school day shall count as one (1) of the four (4) extra-curricular and/or after school activities. A time exemption will be granted for graduation events to extend beyond the three (3) hour limit as required by the event size.

ARTICLE X: EDUCATOR CONDUCT AND DISCIPLINARY PROCEDURES

Section 10.1 Definitions

Educators may be disciplined under the terms of this article for insubordination, unprofessional conduct, incompetence, inefficiency, conduct unbecoming to a member of the teaching profession, and/or neglect of duty, including but not limited to tardiness or absenteeism. Allegations of incompetence or inefficiency will most frequently be governed by the “Evaluation” article of this Contract.

Disciplinary action shall be for just cause and may include the following:

1. Oral reprimand (documented but not placed in the personnel file)
2. Written reprimand
3. Suspension
4. Dismissal of an educator, which is governed by T.C.A. §49-5-501 et.seq.

The type of discipline administered above shall be determined based upon consideration of the seriousness of the offense and the educator’s employment record. For minor infractions, an oral reprimand will be given to an educator before a written reprimand is issued. The immediately involved supervisor determines what constitutes a minor infraction. Disciplinary action shall be conducted at the lowest supervisory level whenever reasonably possible.

Section 10.2 Notification

An investigation of the actions which may be the basis for discipline shall be conducted and shall include a conference with the educator prior to any implementation of discipline, except that the Superintendent of Schools may suspend an educator at any time that may seem necessary, pending investigation as described in T.C.A. §49-5-511. Every reasonable effort shall be made to complete an investigation within one (1) pay period. However, the parties hereto recognize that some investigations cannot be completed within that time, whether due to scheduling issues, involvement of the Tennessee Department of Children’s Services, involvement of law enforcement agencies, or otherwise. In the event a suspension pending investigation without pay extends for more than one (1) pay period, the Human Resources Department shall notify the employee and the appropriate representative of said event and the reason(s) for it. Each such suspension shall be reviewed each pay period, and the continuation of the suspension of pay shall be reconsidered at that time. In the event of a suspension without pay that extends beyond one (1) pay period, a suspended teacher may request early payment of summer income which has already been earned prior to the date of suspension. The Human Resources Department will inform employees if they are at risk of an impact on employee benefits due to a suspension pending investigation that extends beyond one (1) pay period.

The educator shall be given at least 24 hours' notice, not counting weekends, of the said conference and subsequent interviews on the same topic that could lead to discipline, while the educator shall have the right to have an Association or other representative or a personal attorney present during the said conference, provided the Educator agrees to a scheduled meeting within three (3) business days of said notice. An educator who disagrees with the allegations presented may respond in writing within two (2) days of that conference. In the event the second day falls on a weekend or other day in which the central office is closed, the response may be made on the next day the central office is open. After investigation and the opportunity to respond, the supervisor shall give the educator notice of what discipline, if any, will be administered.

Section 10.3 Review and Appeal

For discipline more severe than a written reprimand, the Superintendent of Schools shall review the supervisor's proposal and accompanying records and may uphold, modify, or set aside the proposed disciplinary articles.

Suspension of three (3) days or less may be appealed to the Superintendent of Schools at a recorded conference, if requested within five (5) days of receiving the written notice of suspension. Both parties may be represented by counsel at the conference, which shall be recorded.

If a non-tenured teacher is dismissed or suspended for more than three (3) days, then the Superintendent shall follow the separation practice for non-tenured teachers set out in Tennessee state law and WCSB policy 5.201.

If a tenured teacher is dismissed or suspended for more than three (3) days, then the Superintendent shall follow the separation practice for tenured teachers set out in Tennessee state law and WCSB policy 5.200.

Section 10.4 Notice of Deficiencies

In addition to the progressive discipline described in Section 10.1 above, the Board recognizes the concept of progressive improvement. In the event an administrator determines that an educator has deficiencies in his or her work, that administrator may, outside the evaluation process, notify the educator in writing of any alleged deficiencies, indicate expected correction, propose an improvement plan specifying necessary improvements or needed actions, and indicate a reasonable period of time for correction. That time period shall in no event be less than twenty (20) days.

Section 10.5 Employee Rights

Nothing contained herein shall act to limit an educator's rights under the Grievance Procedure of this Contract. Nothing contained herein shall be construed to limit the rights and obligations of the educators and the Superintendent of Schools under the dismissal procedures of T.C.A. §§495-511, 49-5-512 and related law. The provisions of this article do not apply to investigations under Board Policy 5.500, Discrimination, Harassment of Employees.

ARTICLE XI: COMPLAINTS

Section 11.1 Complaints

Any written complaint regarding an educator made to any member of the administration by a parent, student, or other person shall be investigated by the administrator and the following steps shall be taken:

- a. A copy of the written complaint shall be made by the recipient of the complaint and sent to the affected educator with five (5) days of its receipt.
- b. The educator shall acknowledge the opportunity to review such complaint by signing the filed complaint with expressed understanding that such signature in no way indicates agreement with the contents thereof.
- c. The investigation of such complaints shall begin as soon as possible, but in no event shall the investigation start later than ten (10) days from its receipt.
- d. The educator shall be given an opportunity to respond to the complaint and meet with the complainant and the immediate supervisor upon educator request, in order for the educator to rebut the complaint. It shall be the responsibility of the immediate supervisor to schedule such a meeting.
- e. If the person making the complaint refuses to participate in this procedure within fifteen (15) days of the educator's notification to the complainant of a request for a meeting, the complaint will be designated as unsubstantiated and any and all references to the complaint shall not be included in the educator's personnel file.
- f. The educator shall have the right to submit a written answer to such complaint to the supervisor conducting the investigation for review. The supervisor conducting the investigation may request the educator to provide a written response to the complaint. If the educator does not provide or refuses to provide a requested written response, the supervisor conducting the investigation may include such a statement with the complaint.
- g. If the educator or the complainant finds the resolution to be unsatisfactory, an appeal may be made to the Superintendent of Schools, within ten (10) days after receipt of the supervisor's response. The Superintendent of Schools will schedule a meeting with the educator and the complainant within ten (10) days of the written request.
- h. Any substantiated complaint, as determined by the immediately involved supervisor, may be used to evaluate an educator. Unsubstantiated complaints shall not be maintained as part of an educator's file.

- i. A complaint arising from supplemented activities or potential violation of state or federal laws or Board policy shall not be investigated under the procedures and steps under this Article XI.

ARTICLE XII: NOTICE OF VACANCIES

Section 12.1 Notice of Vacancies

- a. A current register of educator vacancies shall be readily accessible and posted online.
- b. Such notification of educator vacancies shall not prevent the Superintendent of Schools from filling a position if desirable applicants are available.
- c. Such vacancy notice shall contain the date of issue, the available position, and the location of the vacancy.
- d. Current educators may apply for a voluntary transfer between schools and may apply for all vacant educator positions in accordance with the SOP 5.113p, provided they make written application to the Human Resources Department, and they are licensed for the vacant position.
- e. If an involuntary transfer occurs after the beginning of the school year, the school system shall transport the educator's materials/equipment to the new work location. A substitute shall be provided for one (1) day to allow the educator preparation time for the new assignment.

Section 12.2 Reassignment Within the School

Reassignments within the school shall not be made for arbitrary or capricious reasons.

ARTICLE XIII: SCHOOL CALENDAR

Section 13.1 Responsibility

It is the responsibility of the Board to establish and implement the school calendar.

Section 13.2 School Calendar Committee

- a. The proposed school calendar shall be developed by the School Calendar Committee. The committee will be composed of not more than five (5) members appointed by the Association and not more than five (5) members recommended by the Superintendent of Schools and approved by the Board.
 1. The Association recommends that the Board consider not scheduling more than one (1) parent-teacher conference after the workday in the same school week.
- b. The Board shall designate one of its appointees as chairman who shall initiate the first meeting.
- c. In alignment with the annual Board Agenda, the School Calendar Committee shall submit a written proposed calendar for the subsequent school year to the Superintendent of Schools.
- d. If the Board sends back a proposed calendar for revision, the Board representative shall make every effort to reconvene the school calendar committee to discuss options the Board leaves open in their requirements.

Section 13.3 School Calendar Changes

- a. In the event that the Board determines a need to change the school calendar due to the exhaustion of all available stockpiled days, the Calendar Committee will submit to the Superintendent of Schools, within ten (10) days, written recommendations for making up days missed.
- b. Any calendar which would result in the loss of a pay period for employees shall be approved by the Board a minimum of six (6) months in advance per pay period lost.

ARTICLE XIV: CLASS SIZE

Section 14.1 Class Size

- a. Because the class size is an important aspect of an effective educational program, the Board and the educator representatives to PECCA agree that class size should be lowered whenever possible.
- b. Every effort will be made not to exceed the maximum standards as established by the Tennessee State Board of Education Rules, Regulations, and Minimum Standards and the State Board for Vocational/Technical Education, except in large group instruction or experimental classes.

ARTICLE XV: DURATION

Section 15.1 Three Year MOU

The provision of this revised MOU will be effective as of July 1, 2025, and except as otherwise provided herein, will continue, and remain in full force until June 30, 2028.

Approved by the Board of Education on the 16th day of June 2025.

Re: *Recommendation for Approval of 2025-26 Salary Charts*

Attached please find the proposed salary charts for 2025-26. The proposed charts are subject to 2025-26 budget approval by the County Commission. The attached charts reflect a two-percent salary increase to the current charts. All teachers on the chart, as well as some administrators and classified employees, will receive more than a two percent pay increase due to their experience "roll" on the chart. Employees who are at experience levels that are not reflected on the salary charts will receive a two percent increase.

The attached supplement charts reflect the recent review of market data combined with feedback and input from a committee of representatives from supplemented areas of work.

The substitute teacher pay chart includes a \$10 per day increase, and the substitute nurse pay will increase to \$32 per hour.

Additionally, classified 10 and 11 month employees will receive two paid holidays during the week of spring break.

Staff recommends approval.
