RAVENNA PUBLIC SCHOOLS NEGOTIATED AGREEMENT

2026-2027

This agreement is made and entered into this 9th day of February, 2026, by and between the Board of Education of the School District #69 of Ravenna in the County of Buffalo, in the State of Nebraska (hereinafter referred to as the "Board") and Ravenna Education Association (hereinafter referred to as the "Association").

General Purpose

The Ravenna Board of Education and the Ravenna Education Association recognize that the development of a quality educational program for the children attending the Public Schools of Ravenna is a joint responsibility which can best be achieved by agreement that all parties work toward common goals. The public officials and the Association enter into this agreement with mutual dedication, recognizing that the experience, creativity and judgment of all parties are necessary to reach the education needs of the community.

ARTICLE I

Recognition

The Board recognizes the Association as the exclusive and sole collective negotiating representative for all teachers employed by the District.

Teacher shall mean all certified teaching personnel and other professional personnel employed by the District, but excluding Superintendent, Senior High Principal, and Elementary Principal.

ARTICLE II

Salaries

A. Salary Schedule

The Base Salary for the 2026-2027 school year will be \$39,250.00 with the increments of 5% for further education and 4% for years of experience, except for the last two steps on columns E, F, and G which are 2% each. A copy of the salary schedule is attached later in this agreement.

B. Extra Duty Schedule

All teachers assigned duties in addition to teaching shall be paid for such duties according to the extra duty schedule attached later in this agreement.

C. Additional Teaching Assignment Compensation

Teachers who are assigned to teach during their planning period or who

are assigned to teach an additional period before or after the regular school day will be compensated at a rate of 1/8th of their daily salary amount, as calculated by their placement on the salary schedule.

D. Method of Payment

1. All teachers' salaries including extra duty pay shall be paid in equal monthly installments. Should assigned duties not be completed, salary shall be withheld until completed.
2. All teachers on extended contracts shall be paid the value of their placement on the salary schedule for one contract day for each additional day employed over the specified number of contract days.

ARTICLE III

Insurance and Annuities

A. Health Care Coverage

The Board of Education shall provide health insurance to the teacher with a tiered premium rate. The policy shall be the \$1,450 Deductible Blue Preferred with Utilization Management. A \$3,800 deductible plan will also be available as an option for employees during the 2026-27 school year. The difference in premium between the \$1,450 deductible and the \$3,800 deductible will be paid by the district and deposited in the employee's Health Savings Account. Health insurance is a 4-tier policy. This will provide a single teacher with a premium of \$896.04 monthly, teacher and child(ren) with a premium of \$1,657.75 monthly, teacher and spouse with a premium of \$1,881.69 monthly, and a married teacher taking the family health plan a premium of \$2,526.67 monthly. All of these policies include individual dental. Additional family dental may be purchased by the teacher. The Board shall provide at the discretion of the teacher, employed by Ravenna Public Schools prior to the 2014-2015 school year, an amount equal to the single premium for any existing insurance, annuity program or as salary, in place of health coverage (called the cash in lieu option). Starting with the 2014-2015 school year any employee hired will no longer receive the cash in lieu option for their insurance. Any employee hired previous to the 2014-2015 school year will retain the option of cash in lieu for the remainder of their employment at Ravenna Public Schools. The Board reserves the right to evaluate other competitive insurance groups each year and to make recommendations concerning the carrier used to provide the health insurance. The carrier for the 2026-27 year will be Blue Cross/ Blue Shield. The school board also offers a Section 125 Plan administered by American Fidelity. APPENDIX A

Definition of Grievance. A grievance is an allegation by an employee or group of employees that there has been a violation of a provision of the negotiated agreement or a policy of the board of education.

Procedural Steps. The procedure for handling grievances is as set forth below.

Step 1 - Oral Notice to Principal. The grievant shall initiate the grievance by presenting it to his or her principal or immediate supervisor within fourteen (14) days from the date that the grievant knew or should have known of the incident giving rise to the grievance.

Step 2 - Written Grievance to the Principal. If the grievance is not resolved to the satisfaction of the grievant within five (5) days of the meeting with the principal, the grievant representative may present the grievance in writing to the principal.

The principal shall schedule a meeting within three (3) days of receipt of the written grievance to discuss the elements of the grievance. The principal shall submit his or her determination in writing to the grievant within five (5) days of the meeting.

Step 3 - Written Appeal to the Superintendent of Schools. If the determination of the principal is not satisfactory to the grievant, the grievant may appeal it to the superintendent of schools or his or her designated representative. Said appeal shall be presented, in writing, to the office of the superintendent of schools within five (5) days of receipt of the principal's determination.

The superintendent of schools or a designee shall hold a formal meeting within seven (7) days of receiving the written appeal. The superintendent of schools or a designated representative shall make a written determination regarding the grievance within five (5) days of the date of the meeting.

Step 4 - Appeal to the Board of Education. If the determination of the superintendent of schools is not satisfactory to the grievant, the grievant may appeal it to the board within five (5) days of receipt of the superintendent's decision. The board shall hear the grievance within thirty (30) days in open or closed session in accordance with

the law. The board shall notify the grievant of its decision within five (5) days of hearing the grievance.

Written Presentation. All grievances presented at Step 2 and subsequent steps of the procedure shall set forth in writing all facts giving rise to the grievance, the provision(s) of the Agreement or policy alleged to have been violated, the names of the grievant(s), the names of all witnesses, and the remedy sought by the grievant. All grievances at Step 2 and appeals at Step 3 and Step 4 shall be signed and dated by the aggrieved employee. All written answers submitted by the district shall be signed and dated by the appropriate district representative.

Grievance Meetings or Hearings. All meetings and hearings conducted under this procedure up to and including Step 3 shall be conducted in private and shall include only the administration's representatives, the grievant, the grievant's representatives, and witnesses as necessary.

Association Representation. A grievant shall have the right to have an Association representative present to represent the grievant at each level of the grievance procedure.

Reprisals. No reprisals of any kind shall be taken against any employee who uses this grievance procedure in good faith.

Withdrawal of a Grievance. A grievant may withdraw his or her grievance at any level of the procedure without fear of reprisal from any party.

Advanced Step Filing. A grievance shall be filed initially at the level at which the decision resulting in the grievance was made.

Time Limitations. Time limitations herein are critical. All references to days are calendar days. No grievance shall be accepted by the district unless it is submitted or appealed within the time limits set forth in this Agreement. If at any time during the grievance process, it is discovered that the grievance was not filed or appealed in a timely manner, the grievance shall be dismissed. If the grievance is not submitted in a timely manner at Step 1 or Step 2, it shall be deemed to be waived. If the grievance is not appealed to Step 3 in a timely manner, it shall be deemed to have been settled in accordance with the district's Step 2 determination. If the district fails to answer within the time limits set forth in this Agreement, the grievance shall automatically proceed to the next step. When the deadline for taking an action falls on a Saturday, a Sunday or a legal holiday, the time for taking the action shall be extended to the next working day.

Requirement to Grieve. This grievance procedure is not discretionary and cannot be waived except through the express written consent of the board. No administrator or board member, individually, has the authority to waive the requirements of this procedure. Any grievance covered by this procedure but not raised pursuant to the requirements herein, including any grievance abandoned, will be forfeited.

Selection and Review of Library Media

The board approves curriculum and curriculum-related materials for the district with input from administrators and staff. Those processes are covered in other board policies. Staff members seeking to procure materials for use during instruction must follow board policy, practices, and directives. Those items are not covered by this policy.

The district procures library books and other media available to students that are not part of a specific class or curriculum. For purposes of this policy, those will be called library materials. This policy addresses the selection and review of library materials, regardless of their source. This policy applies regardless of whether library materials are purchased using district funds, donated, or shared at no cost to the district.

No Right to Materials. The board supports having excellent educational opportunities for students, including availability of library materials used to enrich the educational experience. However, the board and administration are responsible for considering materials based on a variety of factors and legal obligations. There is no right to force any material to be included or excluded. Staff requesting library materials do so only within the course and scope of their employment with the district.

Selection Process. The selection and approval of new library materials must comply with the district's general requisition, donation, and budgeting requirements. To ensure materials selected are appropriate for the district's students and consistent with the district's legal obligations, the following process applies to selection of library materials.

The superintendent will establish a library material review committee on an as-needed basis, consisting of at least one administrator, one teacher, and the librarian or media specialist. If the district has no assigned librarian or media specialist, then the committee will include two administrators and a teacher. The superintendent may appoint any teacher he or she deems appropriate based on availability and expertise related to the requested materials.

The school librarian, media specialist, or any individual requesting inclusion of library materials is responsible for submitting the request in writing to the library material review committee. The request must include the following

1. Name of the book, material, or resource;
2. The author, publisher, and supplier of the material;

3. The physical medium (*i.e.*, book, magazine, video, game, digital subscription, etc.);
4. The cost of the material;
5. A summary of the content of the material, including how it supports age-appropriate learning objectives, enriches the curriculum, and/o supports student development and learning;
6. The material's accolades, such as presence on best seller lists, awards won, and recommendations from professional library journals and organizations with a focus on K-12 school library materials; and
7. Whether any of the content in the material represents a perspective that may not be universal, such as a political, religious, or social perspective for which disagreement or differences of opinion exist. The summary should include a description of these items.

The committee will review the requested materials within the timeframe established by the superintendent. In the event the committee does not agree on a particular request, the administrator makes the final determination. There is no appeal from this determination.

The request must include the following:

1. Name of the book, material, or resource;
2. The author, publisher, and supplier of the material;
3. The physical medium (*i.e.*, book, magazine, video, game, digital subscription, etc.);
4. The cost of the material;
5. A summary of the content of the material, including how it supports age-appropriate learning objectives, enriches the curriculum, and/o supports student development and learning;
6. The material's accolades, such as presence on best seller lists, awards won, and recommendations from professional library journals and organizations with a focus on K-12 school library materials; and
7. Whether any of the content in the material represents a perspective that may not be universal, such as a political, religious, or social perspective for which disagreement or differences of opinion exist. The summary should include a description of these items.

There is no appeal from the determination of the board.

Requested Review of Library Materials. A concerned parent of a current student or patron living within the school district boundaries may request the review of a specific library material (*i.e.*, a specific book, magazine, etc.) or portion of a specific library material. The parent or patron must first discuss their concern with the building principal and explain their concern regarding

the library material. If there is no principal assigned to that building, the parent or patron should discuss their concern with the superintendent. The board believes most concerns will be resolved in this manner.

If the parent or patron is unsatisfied after the informal review and discussion with the relevant administrator, they may request a review in writing. To request a review, the individual must complete the Library Material Review Request form and submit it to the superintendent.

The superintendent will review the request with the board curriculum committee within a reasonable time after receiving it. The committee may consult with or seek input from the school's librarian or media specialist, staff, and legal counsel at its discretion. The committee will make a recommendation to the board to remove the material, keep the material, restrict access to the material to students based on age or grade level, or make any other determination or recommendation the committee deems appropriate. The board will review the request, consider the committee's recommendation, and make a determination regarding the requested review. The decision regarding the review will be communicated to the requester in writing by the superintendent.

The decision of the board is final, and there is no appeal regarding the review of library material.

Additional Rules for Library Media Review. Unless the superintendent decides otherwise, the library material will remain in circulation while a review is pending. Unless otherwise required by law, no library material will be reviewed again within 4 years after a requested review is completed. Any parent or patron requesting review of multiple library materials may only request a maximum of 5 materials to be reviewed at one time, and a new request cannot be submitted until the prior review is completed and notice of the determination is provided to the requesting party. Nothing in this policy prohibits the superintendent or their designee from reviewing library material outside of the review process contained in this policy and taking any action the superintendent or their designee deems appropriate.

Selection and Review of Library Media

I. Mission & Purpose of the RPS Library Media Program

The mission of the Ravenna Public Schools Library Media Program is to ensure that students and staff are effective users and creators of ideas and information. The school library supports access to information, promotes critical thinking, nurtures creativity, and encourages an appreciation of literature and multiple perspectives.

II. Goals & Objectives

The Ravenna Public Schools Library Media Program aims to:

1. **Maintain a current and balanced collection** that supports curriculum, personal interests, and inquiry.
 2. **Collaborate with teachers, administrators, and district staff** to ensure resources align with instructional needs.
 3. **Provide materials that encourage respect for** representing multiple cultures, viewpoints, and life experiences.
 4. **Offer resources in varied formats and difficulty levels** to meet the needs of all learners.
 5. **Teach media and information literacy**, helping students become critical and responsible consumers and producers of information.
-

III. Responsibility for Collection Management

The **certified school librarian** at each building is responsible for selecting, evaluating, and managing library materials. This responsibility includes:

- Selection of new materials
- Deselection and weeding
- Managing gifts and donations
- Overseeing reconsideration processes

Students, staff, administrators, and parents are encouraged to submit recommendations; however, **final decisions rest with the school librarian**, in alignment with district policy.

RPS recognizes the **American Library Association's Library Bill of Rights** and affirms that the presence of any material in the collection does **not** imply district endorsement of its content.

IV. Selection of Library Materials

A. Selection Philosophy

Library materials are selected to meet student learning needs, support curriculum, encourage reading, and develop critical thinking. Materials should represent a variety of ideas, perspectives, and experiences to support intellectual growth.

B. Selection Process

1. The school librarian evaluates resources using professional knowledge, district criteria, and instructional needs.
2. Curated lists and potential additions may be reviewed collaboratively by the respective building administration team
3. Whenever possible, the librarian examines the material in person or through verified previews.
4. Professional review sources are consulted, including but not limited to:
 - *School Library Journal*
 - *Kirkus*
 - *Booklist*
 - *Publisher's Weekly*
 - *Junior Library Guild*
 - Common Sense Media
 - Professional organizations such as ALA or NCTE
5. Final additions to the collection are made by the librarian, guided by district-approved criteria.

C. Selection Criteria

Materials selected for the library must:

- Support curriculum, inquiry, and personal reading interests
- Reflect age, ability, developmental level, and learning needs of students

- Stimulate intellectual growth, factual knowledge, and literary appreciation
- Offer multiple perspectives and represent varied cultures, identities, and experiences
- Represent high-quality writing, accuracy, and reliability
- Meet standards of physical durability and cost effectiveness
- Include print and digital formats, such as databases, e-books, audiobooks, and online products
- Place principle above personal opinion in fulfilling educational purposes

D. Evaluation Standards for Print & Digital Materials

Print Materials

Considerations include:

- Appropriateness and developmental suitability
- Authority, accuracy, and bias identification
- Literary merit and clarity of writing
- Comparison to other available works
- Organization, accessibility, and usability
- Cost and physical quality
- Timeliness and relevance

Electronic Resources

Additional considerations include:

- Currency and version history
- Sustainability and licensing
- Usability for students
- Technical reliability
- Cost effectiveness

Electronic resources are subject to the same appropriateness and accuracy criteria as print materials.

V. Gifts & Donations

- RPS welcomes monetary donations through appropriate district channels.
 - Donated books or items will be evaluated using the same criteria as all new materials.
 - The librarian may accept or decline materials based on relevance, condition, and alignment with selection criteria.
 - Donations become district property; unusable or outdated items may be recycled or disposed of according to district procedures.
-

VI. Deselection (Weeding)

Deselection is essential for maintaining a relevant, high-quality collection. The RPS librarian will continuously evaluate the collection and deselect books as needed.

Materials may be deselected by the librarian if they are:

- Misleading, outdated, or factually inaccurate
- Worn or damaged
- Superseded by newer editions
- No longer needed for curriculum or interest
- No longer circulating
- Duplicates that exceed demand
- Not reflective of current district selection standards

Benefits of Deselection

- Keeps collections current and accurate
- Improves usability and appearance

- Identifies items needing repair or replacement
- Frees space for new materials
- Ensures alignment with curriculum and community needs

Disposal Guidelines

- Items marked for deselection must be approved by the Ravenna Board of Education before being disposed of.
 - Items being disposed must be removed from the catalog
 - Items may be recycled or disposed of if unusable.
 - Some materials may be redistributed for classroom or district-supported educational use (within policy limits).
 - Items may be donated or given away once approved for disposal.
-

VII. Procedures for Handling Challenges & Reconsideration

Ravenna Public Schools encourages direct communication with the school librarian regarding concerns over a child's reading choices.

A. Initial Concern

1. The complainant contacts the school librarian to discuss concerns.
2. The librarian may offer alternative materials for the complainant's student, if appropriate.

B. Formal Reconsideration

If the issue is not resolved informally:

1. The complainant completes the **RPS Request for Reconsideration Form**.
2. The complainant is encouraged to read the entire work. RPS will provide a copy if needed.
3. The RPS librarian convenes a **Reconsideration Committee** of at least three school employees.

4. Committee members read the material in full and complete evaluation worksheets.
- During the reconsideration meeting, the committee reviews:
 - The educational mission of RPS
 - Professional reviews
 - The complainant's concerns
 - The librarian's contextual statement
5. After discussion, the committee votes. Decisions are based on educational merit and suitability.
6. The RPS librarian communicates the decision to the complainant, superintendent, principal, and school librarian.
7. The material **remains in circulation during the process**.
8. Appeals may be made to the superintendent.
9. Appeals may also be made to the board of education, after the superintendent has ruled on the matter.

C. Reconsideration Limitations

- Only RPS district residents or parents/guardians of RPS students may submit reconsiderations.
 - One active reconsideration per individual at a time.
 - A title may not be reconsidered more than once per calendar year.
 - No more than two reconsiderations will be reviewed every 30 days while school is in session.
 - All requests are processed in the order received.
-

VIII. Forms

RPS will maintain the following forms as appendices:

- **RPS Request for Reconsideration of Materials**
- **RPS Book Review Committee Worksheet**
- **RPS Reconsideration Ballot**

Dear Political Subdivision,

November 7th, 2025

Attached you will find the certification form that needs to be completed for your subdivision. This form needs to be back at the Election Commissioner's office by January 5th, 2026. This certification tells our office how many positions within your subdivision are up for election in 2026 and other information our office needs for the election cycle. Attached you will also find a map with our precincts on them. You will need to use the precincts on these maps to describe your boundaries on the certification along with the legal descriptions and a map of your subdivisions per State Statute 32-404(5). This is not optional; it's required by statute that the written description of your jurisdiction and a map be provided.

At the bottom of the certification form, you will find the filing deadlines for your board members. An incumbent is any current office holder who was elected or appointed to an elective office and a non-incumbent is someone who is not currently holding an elective office. January 5th, 2026 is the earliest date our office can accept a filing from any candidate. The filing forms will be available around the 1st of December 2025.

Enclosed you will also find the Nebraska State Statute, 32-608, about filing fees. This may help clear up some confusion on who has to pay, how much and where to pay the filing fee.

Please contact me if you have any questions or concerns.

Respectfully,

Lisa Poff
Buffalo County
Election Commissioner

Annotations

Where no objection was made within three days after the nominating papers had been filed, the failure to present a county treasurer's receipt to the Secretary of State, as required by this section, did not invalidate the nomination. *State ex rel. Priority Designations

<https://nasb.envisiams.com/legislative-bills>

- LB 867** (HHS) Change and eliminate provisions relating to programs and services administered by the Department of Health and Human Services
Health and Human Services Priority ... Currently on General File
Amended to include LB 1013, it shifts students in custody (ages 11–19) from full Rule 10 public school standards to lesser Rule 18 interim requirements, mandates unfunded virtual learning from school districts, and risks transferring some youth to maximum-security adult penal settings. This heightens abuse/trauma risks, undermines rehabilitation, and burdens districts amid proposed special ed cuts. The changes threaten educational quality for vulnerable youth and jeopardize jobs/stability for over 70 teachers, many facing reduction-in-force or forced relocation (e.g., Kearney to Omaha).
- LB 937** (Education) Change provisions relating to option enrollment, reading, dyslexia, reporting, teacher apprenticeships, teacher recruitment and retention, and the College Pathway Program
Education Committee Priority ... Likely to be a vehicle for other measures
Annual NDE "clean up" bill. Significant pushback regarding a provision to reduce reporting requirements of districts regarding students with reading difficulty.

LB 937 ... LB 1146 - LB 1164 - LB 1224 - LB 1241 - LB 1243

- LB 966** **(Cavanaugh, M.) Adopt the Hunger-Free Schools Act**
Sen. Hunt Priority ... Currently on General File

- LB 1034** (Dungan) Prohibit school staff from allowing federal immigration enforcement officers to access schools without a judicial warrant
Sen. Juarez Priority ... Currently locked in Committee, looking for a home!
- LB 1050** **(Murman at the request of the Governor) Amend the Nebraska Reading Improvement Act to limit advancement to grade four**
Education Committee Priority

- LB 1100** (Sorrentino) Modernize language in a civil procedure statute
Sen. Sorrentino Priority

Making sure AM 2485 (LB 1097) is not attached which would change language in the political subdivision tort claims statute impacting districts sovereign immunity.
- LB 1219** **(Brandt) Limit the amount of property taxes that may be levied by a political subdivision**
Sen. Hansen Priority ... Currently on General File

Limits levy to prior year allowable growth. Allowable growth percentage means a percentage equal to the sum of two percent plus the political subdivision's real growth percentage. Will likely be attached to LB 803, the Revenue Committee's Priority Bill. (See Page 1)

Bills In the Education Package (LB 937)

LB 1224

(Hunt) Prohibit children from transferring to an exempt school during certain child abuse or neglect investigations and prohibit persons convicted of certain crimes from monitoring or providing instruction at such schools. **Currently on General File ... Amended to include ALL schools**

LB 1241

(Murman) Provide requirements relating to applications for employment at a school *Prohibits hiring of employees if suspected of child abuse. May cause more effort on the part of the hiring entity. Does not require the employer to collect the information. Includes a 7-year look back.*

LB 1243

(Murman) Change school board policies and procedures relating to part-time enrollment

Eliminates requirement that non-enrolled, resident students participate in a minimum number of 5 credit hours or less to participate in extracurricular activities (not regulated by NSAA).

Bills Looking for a Home

LB 440

(Spivey) Adopt the Education Leave and Support Act

AM pending which will mandate paid FMLA for first 30 service days, not to be taken out of leave provided. Allows for a budget exception for sub costs. Districts would still have to levy in order to cover the cost.

LB 507

(Hunt) Change provisions relating to school transportation expenses for children with disabilities

Possible amendment coming

LB 575

(Hallstrom) Change provisions relating to the Property Tax Request Act and property tax levy limits

Changes to the pink postcard meetings to a summer briefing requiring all political subdivisions to attend and present. Could be a part of the Revenue Package (See LB 803 on Page 1). Requires two-third vote of school board to levy more than the amount levied the year before.

LB 841

(Rountree) Change provisions relating to special education services, parental consent, and hearings *Gives parents additional "veto" power over their child's IEP provisions. Some concern about this bill and the impact on federal funding. There will be a fiscal note which will kill the bill. Brought on behalf of the Department of Defense.*

LB 960

(McKinney) Provide a requirement to include nonvoting student members on school boards

May be amended on the floor. This should remain a local decision rather than a state mandate. Districts face unique constraints and have developed diverse methods for student engagement, such as involving Student Council, FFA, or National Honor Society members in monthly meetings.

LB 1097

(Conrad) Adopt the State and Political Subdivisions Sexual Abuse Liability Act

Changes language in the political subdivision tort claims statute impacting districts sovereign immunity. Making sure this bill as AM 2485 is not attached to LB 1100. (See Page 2)

Other Items

Agency 23 - A \$7 million dollar appropriation of Department of Labor to be used for scholarship grants to non-public students

*While there was talk of putting this in a separate bill to be debated on its own, they decided to keep it in the budget, but reduced the amount to **\$3.5 million** with language regarding income needed to qualify. We have to work to get this pulled out of the budget.*
