3.A. Sueper Request for Variance at 420 S Boswell Ave.

Jim Sueper has an existing 748 square foot accessory building (garage) on his property at 420 South Boswell. A variance from 11-503 (E.) would allow him to erect a 20' x 30' Carport in his backyard to store his boat. Carports are considered an accessory building just like a garage or garden shed would be. Our City code reads as follows.

11-503

E. Maximum number of accessory buildings. There shall be a maximum of one (1) primary accessory garage with a maximum of 864 square feet or one-half the area of the first floor of the principle dwelling, whichever is greater; and two (2) accessory storage buildings not to exceed 10' x 12' in size.

4. Officers' Reports

Reports may be given by Department Heads, other Committees and Council members concerning current operations of the City. Questions may be asked and answered. No action can be taken by the Committee on matters presented under this title except to answer any question posed and to refer the matter for further action.

5. Adjournment

The City Council Committee will review the above matters and take such actions as they deem appropriate. The Committee may enter into closed session to discuss any matter on this agenda when it is determined by the Committee that it is clearly necessary for protection of the public interest or the

prevention of needless injury to the reputation of an individual and if such an individual has not requested a public meeting, or as otherwise allowed by law. Any closed session shall be limited to the subject matter for which the closed session was called. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The City of Crete assures that no person shall on the grounds of race, color, national origin, age, disability, handicap or sex, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity of the City receiving Federal financial assistance.
