This is a copy of the first advertisement for the sale of lots in Lothrop Heights in the Crete News in 1975.

Locust street and the 3 lots to its East were platted just in case one of Frank and Alene Lothrop's children wanted to build on the edge of the development on farm ground.

The lots have never been listed or for sale, have had 19 trees growing on them since 1985 and the area has been mowed, sprayed and maintained by us since 1974.

LOTHROP HEIGHTS

Crete's newest residential addition has available choice building sites for spring construction. The addition is conveniently located within walking distance of the new Crete Junior-Senior High School, Doane College and the College Heights Country Club. Full city services, hard surfaced streets, natural gas, and ornamental lighting are provided to lots without additional assessments. The lot sizes vary to accommodate any style of home with prices starting as low as five thousand dollars. For additional information call today.
