HISTORICAL INFORMATION AND
PROPOSED BUDGET FIGURES FOR
THE 2023-2024 BUDGET

THERE IS A LOT OF DISCUSSION ABOUT PROPERTY TAXES – THERE HAS BEEN FOR YEARS

- Historic state aid for SPS for the first time in 20 years
- Special Ed. Reimbursement about 80% for the coming school year.
- Quick explanation of how the TEEOSA Works and the changes this year with foundation aid.
- TEEOSA was set up to level the playing field in terms of tax levies--there are still obvious discrepancies.

GENERAL FUND CASH

GENERAL FUND CASH

- We have always maintained the goal of keeping 3 months of cash in reserve to help smooth out the peaks and valleys. In years when we lost a lot of state aid, this cash on hand helped us maintain a constant levy. In the future it could help us if property values decline.
- Our general fund cash was lower last year to the point that during our lowest cash balance of the year, we were right at \$3,962,700 million. We spend right at \$1.8 million a month, so we are at 2 months in reserve at our low point in the past we were at 3 months.

GENERAL FUND MONTHLY CASH - 5 YEAR HISTORY (This is for our low month)

The figures below represent the total cash amount at the end of each month in the general fund account and in the general fund reserve account. Below the year (in red) is the budget of expenditures for that year.

OTHER FUNDS

BOND and QCUPUF FUND

- For 2023-24 I'm asking for \$ 1,600,000 we will get (\$1,600,00) in property taxes and our payments will be \$1,560,667.77. The bond levy would be at .085- The last couple years I have dipped in the reserves but I am getting a little nervous so felt it was time to ask for a little more in the bond fund.
- QCUPUF-\$135,000 (\$136,364) similar to last year. We will make our last payment December 2023- We will not levy any dollars for QCUPUF for this budget

QUALIFIED CAPITAL PURPOSES UNDERTAKING FUND

- The last payment is December, 2023.

COOPERATIVE FUND

- The Cooperative Fund is a pass through account for Sixpence. We are the fiscal agent so the money will run through our budget. If we use this fund, it has no impact on our state aid, or levy/expenditure limits for any of the three school districts. We did receive a grant again this year so we will need to budget again. We increase the amount because when we get paid may not fall in line with our budget year.

SPECIAL BUILDING FUND

- Last year we levied 2.0 cents for \$339,574- In 2020-21 we were at 1.26 cents in the special building fund for a tax asking of \$205,593.
- On July 31, 2023 we had a cash balance of \$ 524,380, but we will have bills that will leave us around \$475,000
- Propose .009- \$170,000 , roof repair and preschool playground resurfacing

PROPERTY TAX AND LEVY IMPACT

What does a Penny Generate?

Last year a penny will generate \$176,450

This year a penny will generate \$ 189,687

PROPOSED PROPERTY TAX IMPACT FOR ALL TAXABLE FUNDS- lower levy .15

Why approve the revenue authority

- Helps with future years with the base
- Double hit next year with new SPED dollars part of revenue
- MAY- Allow for a few dollars for special building fund
- Similar to budget authority

SUMMARY

- General Fund – Knowing our conservative nature I do feel like we need to increase our general fund budget this year. As a reminder salary/insurance increase will be \$ 750,000 for staff
- Bond Fund – I feel very comfortable with my proposal.
- Special Building Fund: I have it at .009 to keep the overall ask at \$170,000
- Total tax asking - 9.23% with new state aid

QUESTIONS AND/OR COMMENTS

- Again, this is a proposal. If you want clarification or if you want to recommend changes, now is the time to do so. I want to know what your support is tonight, rather than wait until our September 11 board meeting to find out you disagree.
- Again: \$.01 levy = \$189,687 in terms of property taxes requested.
