The Centennial FBLA Chapter attended the State Leadership Conference in Omaha on April 7th-9th. The students did an excellent job of representing Centennial. Jesse Hartshorn, Nolan Hahn, and Tiffany Scheele created a business plan which placed 5th and qualified them to compete at the FBLA National Leadership Conference in Atlanta this summer from June 29th – July 3rd. The state of Nebraska FBLA organization organizes a travel package for all state members and advisers who qualify for nationals that include transportation and lodging to and from Atlanta. The approximate cost of this conference would be \$1,500/person for a total of \$6,000. We ask that you consider providing the funds to allow us to represent Centennial at the national level. Centennial FBLA has qualified students for national events for the past 4 years and this would be another excellent opportunity for our students to represent our school at the national level. These three students spent a lot of time working on this 25 page business plan and I am very proud of their accomplishment and their award is well deserved. The students would greatly appreciate if you would allow them to pursue this opportunity. Thank you for your consideration.

Mr. Barjenbruch

Re: Recommendation for District Re-Roof Project(s)

Mr. Tesar,

Upon reviewing the bid results for the 2016 District Re-roof project(s), I am recommending that the contract be awarded to lowest bidder for "Base Bid" or "Alternate Bid" as well as "Add Bid". The school district should accept the "Bids" provided by McKinnis Roofing. I have summarized the bid scenarios below:

McKinnis Roofing is determined to be lowest bidder in every scenario:

Base Bid- McKinnis is low by \$32,200, total bid of \$122,800

Alternate Bid- McKinnis is low by \$34,300, total bid of \$127,200

When including the "Add-Base" McKinnis is low by a combined \$18,200, with a total bid of \$221,800

When including "Add-Alternate"- McKinnis is low by a combined \$25,480, with a total bid of \$229,700

**The difference between the "Base Bid" and "Alternate Bid" is color category

** The "Base Bid" includes 130 sq. ft. of Tectum Deck replacement (of which is the replacement of the insulation fallen down that was once adhered to the concrete block). Any additional tectum replacement determined to be necessary, will be done on a square foot basis at a cost of \$15.00/ sq. ft.

The contracting firm that has been determined to be the "Low Bidder" on this project has been contacted, is satisfied with the results of the bid, and is prepared to complete the project per specification. Please refer to bid tabulation form.

If you have any further questions, please do not hesitate to contact me.

Sincerely,

Chris Wall
