**2012/2013 TAX REQUEST RESOLUTION
FOR
SEWARD COUNTY SCHOOL DISTRICT 80-0567**

WHEREAS, public notice was given at least five days in advance of a Special Public Hearing called for the purpose of discussing and approving or modifying the District's Tax Requests for the 2011/2012 school fiscal year for the General Fund, Bond Fund, Special Building Fund, and Qualified Capital Purpose Undertaking Fund of Seward County School District 80-0567; and,

WHEREAS, such Special Public Hearing was held before the Board of Education (hereinafter "the Board") of Seward County School District 80-0567 (hereinafter "the District") at the time, date, and place announced in the notice published in a newspaper of general circulation, a copy of which notice and proof of publication of which is attached hereto as Exhibit A, all as required by law; and,

WHEREAS, the Board provided an opportunity to receive comment, information and evidence from persons in attendance at such Special Hearing; and,

WHEREAS, the Board, after having reviewed the District's Tax Requests for each said fund, and after public consideration of the matter, has determined that the Final Tax Requests as listed below are necessary in order to carry out the functions of the District, as determined by the Board for the 2012/2013 school fiscal year.

NOW BE IT THEREFORE RESOLVED that (1) the Tax Request for the General Fund should be, and hereby is set at \$5,639,420.85; (2) the Tax Request for the Bond Fund should be, and hereby is set at \$388,850; and (3) the Tax Request for the Special Building Fund should be, and hereby is set at \$505,000.

It is so moved by _____ and seconded by _____ this 10th day of September, 2012.

Roll Call vote as follows:

Mike Hahn	YES NO
Wayne Heine	YES NO
Larry Paxson	YES NO
Julie Sorensen	YES NO
Mike Tomes	YES NO
Doug Tonniges	YES NO

The undersigned herewith certifies, as Secretary of the Board of Education of Seward County School District 80-0567, that the above Resolution was duly adopted by a majority of said Board at a duly constituted public meeting of said Board.

Mike Hahn, Secretary

This report reflects the achievement of your graduates on the ACT over time and an indication of the extent to which they are prepared for college-level work. The ACT consists of curriculum-based tests of educational development in English, mathematics, reading, and science designed to measure the skills needed for success in first year college coursework. Table 1 shows the five-year trend of your ACT-tested graduates. From this table you can determine:

- Changes in the number and percentage of participants
- Score changes in subject areas and the ACT composite
- How your graduates compare with state averages

Table 1: Five Year Trends - Average ACT Scores

Grad Year	Total Tested		English		Mathematics		Reading		Science		Composite	
	School	State	School	State	School	State	School	State	School	State	School	State
2008	27	16,573	21.5	21.8	22.5	21.8	21.7	22.5	21.0	21.9	21.9	22.1
2009	37	16,286	22.7	21.9	23.3	21.8	22.8	22.5	22.5	22.0	22.9	22.1
2010	31	16,172	23.6	21.8	23.1	21.6	22.2	22.4	21.9	22.0	22.7	22.1
2011	28	16,461	22.0	21.8	22.7	21.7	21.0	22.3	21.2	22.0	21.9	22.1
2012	29	16,581	23.3	21.8	23.2	21.7	22.8	22.3	22.4	21.9	23.1	22.0

Figure 1. Percent of ACT-Tested Students Ready for College-Level Coursework

Are Your Students Ready for College?

While students will pursue a variety of paths after high school, all students should be prepared for college and work. Through collaborative research with postsecondary institutions nationwide, ACT has established the following as college readiness benchmark scores for designated college courses:

- * English Composition: 18 on ACT English Test
- * Algebra: 22 on ACT Mathematics Test
- * Social Science: 21 on ACT Reading Test
- * Biology: 24 on ACT Science Test

A benchmark score is the minimum score needed on an ACT subject-area test to indicate a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in the corresponding credit-bearing college courses.

A District College Readiness Letter has been sent to the Superintendent of the district.

ACT Research has shown that it is the rigor of coursework - rather than simply the number of core courses - that has the greatest impact on ACT performance and college readiness. Figures 2 and 3 report the value added by increasingly rigorous coursework in mathematics and science respectively.

Figure 2. Average ACT Mathematics Scores by Course Sequence

Value Added by Mathematics Courses

Students who take a minimum of Algebra 1, Algebra 2, and Geometry typically achieve higher ACT Mathematics scores than students who take less than three years of mathematics. In addition, students who take more advanced mathematics courses substantially increase their ACT Mathematics score.

Figure 3. Average ACT Science Scores by Course Sequence

Value Added by Science Courses

Students taking Biology and Chemistry in combination with Physics typically achieve higher ACT Science scores than students taking less than three years of science courses.

In order to ensure that all students are ready for college and work, an overview of vital action steps is provided.

College Readiness for All: An Action Plan for Schools and Districts

- 1. Create a Common Focus.** Establish collaborative partnerships with local and state postsecondary institutions to come to a shared understanding of what students need to know for college and workplace readiness. Use ACT's College Readiness Standards and the ACT as a common language to define readiness.
- 2. Establish High Expectations for All.** Create a school culture that identifies and communicates the need for all students to meet or exceed College Readiness Benchmark Scores.
- 3. Require a Rigorous Curriculum.** Review and evaluate the rigor and alignment of courses offered and required in your school in English, mathematics, and science to ensure that the foundational skills leading to readiness for college-level work are taught, reaffirmed, and articulated across courses.
- 4. Provide Student Counseling.** Engage all students in early college and career awareness, help them to set high aspirations, and ensure that they plan a rigorous high school coursework program.
- 5. Measure and Evaluate Progress.** Monitor and measure every student's progress early and often using college readiness assessments like EXPLORE, PLAN and the ACT. Make timely interventions with those students who are not making adequate progress in meeting college readiness standards.

To learn more about these recommended action steps and ACT programs that will help improve college readiness for your students, contact your ACT Regional Director at 303-337-3273 or email denver@act.org.

CENTENNIAL PUBLIC SCHOOL

INTENT TO ATTEND AN OUT-OF-STATE STAFF DEVELOPMENT ACTIVITY

ACTIVITY: ASCD NATIONAL CONVENTION

LOCATION (IF KNOWN): CHICAGO, IL.

DATES I WOULD BE GONE (IF KNOWN): MARCH 14TH – 19TH, 2013

1. I am requesting to attend this activity for the following reason(s): Attending a national convention allows me the opportunity to stay up-to-date on best practices in my field and to get that information from those presently using or researching those practices in their profession. Attending a national level conference also allows me to interact with other educators from across the country and reap the benefit of their knowledge in the teaching profession.

2. A listing of local and state conferences I have attended in the past five years include

(be as specific as possible): Reading/writing assessment training, DIBEL Training, Treasures Reading, Reading First, Multiple local trainings on the new reading series implementation., Marzano Institute Summer Training.

3. My participation in Centennial activities outside the classroom the past five years

include (these include service on committees, teams, task forces, etc.): Early Childhood Action Team, Reading First Early Childhood Team, District Math Committee, Mentor Teacher to new staff, Member of the Marzano Core Team, Treasures Instructional Training, Writing Training for Treasures.

4. I understand that this is only an intent to attend an out of state conference and, if selected to attend, I will share the information and knowledge obtained at the conference with my peers and principal upon my return.

CENTENNIAL PUBLIC SCHOOL

INTENT TO ATTEND AN OUT-OF-STATE STAFF DEVELOPMENT ACTIVITY

ACTIVITY: National AAHPERD Convention 2012 2013

LOCATION (IF KNOWN): Charlotte, NC

DATES I WOULD BE GONE (IF KNOWN): **April 22-26**
Convention dates are April 23-27

Reasons for attending national convention:

1. AAHPERD National Convention is the only sanctioned convention for pre-K through 12 physical education and activity. The convention presents current practices and trends within the PE/Activities for all students (Adaptive and Non-adaptive physically and mentally). It also will present current issues in the political realm that affects our schools, staff and students with new regulations and guidelines. It will provide me with networking opportunities with other PE teachers throughout the nation and what challenges and successes they have along with my own. Since I have now been assigned PE as the majority of my classes, I would like to attend to improve my curriculum, skills and activities for all my kids, no matter the grade or skill level.
2. At this time, there are a number of opportunities to be introduced to various grants and programs that offer equipment, materials and curriculum to schools that apply. I have written grants in the past for Centennial and received them so I would like to see what other grants are available.
3. Being a TITLE ONE school, we also have several opportunities for community improvement with after school activities and programs that keep students physically, socially, and mentally active after school. I would like to investigate those possibilities as well for our students that do not go out for sports, or are too young to do so, but still would like to be active after school. I would like to bring back programs and activities that would help all grade levels of our students, not just 7-12. With the current changes and adjustments in nutrition and activity guidelines, alone within our schools this year, I believe it would be highly beneficial to attend this convention.

2. A listing of local and state conferences I have attended in the past five years include

(Be as specific as possible): Nebraska State AAHPERD conventions the last three years, in which we have received grants for equipment each year. Workshops given during the summer that involve out of school activities and programs: "SPARK" @ SCC LINCOLN - CURRICULUM 7-12 2010-2012
ESU WELLNESS GRANT "2009?"

3. My participation in Centennial activities outside the classroom the past five years

Include (these include service on committees, teams, task forces, etc.):

Negotiations team and President of CEA, coaching, assisting with wrestling and other athletic tournaments, assistant AD, Class sponsor, and a number of undefined hours that the school needed someone to help or sponsor or just be there to help the kids/teams and administration.

4. I understand that this is only intent to attend an out of state conference and, if selected to attend, I will share the information and knowledge obtained at the conference with my peers and principal upon my return.

To: "bob.fish@centennialbroncos.org" <bob.fish@centennialbroncos.org >

Hi Bob,

It was brought to my attention by George Karl that you and an assistant coach would like to attend a Nuggets practice during pre-season. We would be delighted to have you visit.

Our training camp starts on October 2 but then we immediately take off to a special pre-season game in Las Vegas on October 5. We return and are home October 8,9,10. Practice begins at 11:00am. One of those days might be a good time to come. Or we are home again on October 13, 14 with a home pre-season game on Monday, October 15. The other option is later on, October, 23, 24 and a home game on October 25. You would be welcome to either attend the game if that fits your schedule as well. Coming clear from Nebraska might as well make your trip worthwhile!

Please let me know if any of those times work for you and we will make sure that you have the proper credentials and cleared with security. If you have any questions please give me a call.

We look forward to seeing you in October,

Good wishes,

Lisa Johnson

SUPERINTENDENT'S REPORT

September 10, 2012

1. Congratulations to Doug for reaching Level II, Larry and Mike Hahn for reaching Level III, Wayne for reaching Level VII and Mike Tomes for reaching Level VIII Awards of Achievement at the NASB Area Membership Meeting. A big congratulations to the entire board for your continued excellence as an Outstanding Board!
2. It's time to start planning for the NASB State Conference in Omaha. The pre-conference session this year on Wednesday, November 14, from 1:00 p.m. to 4:00 p.m. will be composed of various sessions on Safety . The conference will be held on Thursday and Friday, November 15th and 16th. I will be trying to get everyone registered with rooms on Tuesday, September 11th. Please try to clear your calendars to make this conference. It is one of the best conferences for the year.
3. The pressbox is finished and it is a wonderful addition. The football team also purchased a sign for the front of the pressbox which really makes it look nice.
4. I've emailed the NASB Monthly re: Minder to you.

ELEMENTARY PRINCIPAL'S REPORT

September 10, 2012

1. Our start has been a very good one, enrollments are up and things are moving forward well at this time.
2. Parent/Teacher Conference changes will be evident this year in the Elementary.
3. Our 6th graders are off to a very good start using the new format we implemented for this school year.
4. We'll have our Student Council elections toward the end of the month to seat a new group of young leaders.
