1. School personnel shall contact GRAND Mental Health when a student is experiencing a mental health or substance related crisis when the student is served by GRAND in accordance with this MOU.
2. When needed, School personnel shall ensure a confidential location where student can receive crisis screening either via face-to-face with a GRAND clinician or via medical device (*aka iPad*).
3. 4. If a student does receive a crisis screening service provided by GRAND, School personnel will be responsible for notifying student's legal guardian that the crisis screening was provided and the rationale for why the screening was necessary.
  - a. If the GRAND clinician determines that a student does need a higher level of care due to being a danger to self or others, School personnel will be responsible for contacting student's legal guardian and informing the legal guardian of this information and requesting their presence at the school.
    - i. The GRAND clinician, school personnel, and legal guardian will all work together to find an appropriate higher level treatment provider.
  - b. If the GRAND clinician determines that a higher level of care is not needed and the student is able to remain safely at school and at home, the GRAND clinician will develop a thorough, 24-hour safety plan, with action steps for school personnel, legal guardians, student, and any other supports involved in students life and ensure this plan is fully communicated with all parties involved to ensure safety of student and all individuals involved.
5. If it is determined that a referral for outpatient services is appropriate, the GRAND clinician will discuss with school personnel and legal guardian (as well as student), and if legal guardian is in agreement, a referral for outpatient services will be made (NOTE: See above related to "Outpatient Services").

**Additional and On-Going Obligations of Parties:**

## CONTRACT FOR SERVICES AND/OR PRODUCTS FOR E-RATE FUNDING YEAR 2024

This agreement is by and between the Bixby Independent School District ("**The District** and *AERO IT*" ("**Service Provider**") for the purchase of eligible equipment and services as described on the attachment to this letter as part of the E-Rate Year 2024 effort. Service Provider was selected based on Service Provider's response to our RFP or on the basis of a qualifying Form 470. We intend to file a Funding Request Form 471 with the Universal Services Administrative Company (USAC), Schools and Libraries Division (SLD) E-Rate Program for eligible equipment and services based upon Service Provider's proposal.

Service Provider agrees to abide by all terms and conditions of the Universal Service Act of 1996 as implemented by the SLD E-Rate Discount Program in the procurement, delivery, invoicing and all other transactions associated with the project. The term of this contract shall commence on April 1, 2024 and shall terminate on September 30, 2027 for non-recurring services. This contract can be renewed for two additional 1 year terms.

The contract may be subject to the Owner receiving E-rate funding in the form of a funding commitment decision letter in the amount requested. Prices must be held firm for the duration of the E-Rate Year fiscal year ending September 30, 2024 or until all work associated with the project(s) are complete (including any SLD approved extensions). The work shall be subject to the following conditions:

- A. Service Provider holds a valid Service Provider Identification Number (SPIN) and is not "Red-Light Status" with the FCC.
- B. These services may depend on partial funding from the E-rate program.
- C. The District expects Service Provider to make themselves thoroughly familiar with any rules or regulations regarding the E-rate program.
- D. Contract may be contingent upon the specific funding of the FRN at the percentage rate submitted for.
- E. The maximum percentage the District will be liable for is the pre-discount amount minus the funded amount as shown on the form 471 Block 5. The Service Provider will be responsible for invoicing the Schools and Libraries Division for the funded amount unless the applicant elects to proceed without receipt of a Funding Commitment Decision letter.
- F. No E-rate USAC billing can take place before July 1, 2024. If District elects to take delivery after April 1, 2021 but prior to Receipt of a Funding Commitment Decision letter then District is liable for all amounts and agrees to pay progress payments and invoice USAC via the Billed Entity Application for Reimbursement (Form 472). Service Provider and Customer agree that Customer may intend to recover funds from the E-rate program via the Billed Entity Application for Reimbursement process. Both parties agree that delivery of Internal Connections services cannot begin prior to April 1<sup>st</sup> of the Funding Year for which Funds are sought. Both parties agree that, due to supply chain issues causing long lead times, the equipment portion of this agreement may be ordered and invoiced prior to April 1<sup>st</sup>, with delivery of the equipment occurring after that date.
- G. No installation work can take place before April 1, 2024.
- H. In the event of questions during the E-Rate audit process, Service Provider is expected to reply within 3 days to questions associated with their proposal.
- I. All work is subject to the 100% approval of the project or purchase by the FCC under the E-rate discount program of the Telecommunications Act of 1996 unless otherwise approved by District

- J. The Service Provider will be required to send copies of all forms and invoices submitted to SLD prior to invoicing the SLD to the District.
- K. Service Provider agrees to provide the District the choice of discount methods (SPI or BEAR).
- L. Service Provider will be responsible for procuring the discounted amount from the SLD unless District elects otherwise.
- M. In addition, District reserves the right to fund, or partially fund (proceed with project or purchase) or not to fund regardless of E-rate approval.
- N. It is understood that, subject to state and local law, this contract is for 3 years with 2 voluntary annual renewals (5 years)
- O. District agrees to promptly file Form 486 - Receipt of Service Confirmation upon receipt of a Funding Commitment Decision Letter.
- P. The contractor will submit all pricing in the Form 471 FRN Line Item (aka Item 21) format found at <http://www.usac.org/sl/tools/forms/471-templates.aspx>
- Q. District agrees to promptly respond to Invoicing Service Certification requests. District agrees that a failure on its part to file a Service Certification in a timely manner will result in the loss of funding to the Service Provider and would therefore become liable for any unpaid amounts.
- R. District agrees that progress payments based on percentage of completion and partial delivery of equipment are acceptable. Annual invoicing for Managed Internal Broadband Services in advance is acceptable.
- S. A party shall not be held liable for failure of or delay in performing its obligations under this Agreement if such failure or delay is the result of an act of God, such as earthquake, hurricane, tornado, flooding, or other natural disaster, or in the case of war, action of foreign enemies, terrorist activities, labor dispute or strike, government sanction, blockage, embargo, or failure of electrical service. This includes delay or inability to secure products, parts, materials, fuel, supplies, equipment or power at reasonable prices or in sufficient amounts through usual sources of supply due to government action. The non-performing party must make every reasonable attempt to minimize delay of performance. In the event *force majeure* continues longer than 120 days, either party may terminate the Agreement.

The Bixby School District agrees to pay the contract amount of \$584,694.41 if pursuing the project prior to Erate funding and/or prior to July 1, 2024. Or their non-discounted portion of \$350,816.65 if pursuing the project after funding and utilizing SPI billing.

## Addendum to Contract Terms and Conditions:

**Term and Renewals:** The term of the Agreement shall begin on the Effective Date and shall continue for an initial term of one (1) year ("Initial Term"), subject to extensions permitted below. The parties intend for the Term hereof to begin on or about July 1, 2024, but regardless of when the first year of the Term actually commences, the first year of the Term shall expire upon June 30, 2025 with each successive one year renewal Term to expire on the following June 30th. Upon expiration of the Initial Term Customer shall have the right to extend this Agreement for four (4) additional one (1) year Terms, each exercisable upon notice of Customer or by mutual ratification of the parties. For each one year renewal Term, Customer agrees to use good faith and commercially reasonable efforts to secure budget appropriations for the Services under this Agreement. If, at any time during the Term hereof, Customer does not receive the necessary budget appropriations for this Agreement, despite its good faith efforts to obtain such appropriations, Customer may, at its option, terminate this Agreement by providing written notice to BTC Broadband along with reasonable documentation substantiating such failure. Upon BTC Broadband's receipt of such notice, this Agreement shall terminate without liability to Customer (except that Customer will be required to pay for all Services rendered through the date of termination and shall also reimburse BTC Broadband for the construction costs, if any, still unamortized upon the date of termination), and BTC Broadband may disconnect Services. Upon expiration of the Term and the extensions set forth above, the Agreement shall automatically renew and continue in effect on a month-to-month basis ("Renewal Terms") until terminated by either party on thirty (30) days prior written notice. The Initial Term and Renewal Terms may collectively be referred to as the "Term".
