Bennington Public Schools Nursing

The Bennington Public Schools continue to partner with the Visiting Nurse Association, which supplies professional nursing support throughout the district. Three nurses currently serve all eight educational sites, including our preschool and Young Adult Program (YAP), for a total of 1,425 hours during the school year. This assures that we have a nurse available in the district during school hours to complete all required health related activities. Their dedicated presence ensures that students' health needs are addressed consistently and professionally.

State-Mandated Screenings and Student Referrals

In compliance with Nebraska Revised Statute § 79-248 and 173 NAC 7, our nurses conducted comprehensive health screenings across the district. These include checks for height, weight, vision, hearing, and dental health. Color vision screenings were performed for all first-grade students and others upon request. New students and students in grades PreK - 4, 7, and 10 received screenings. In addition, a total of 168 referrals were made following health screenings. These included 122 from grades PreK–5, 46 from the middle school level, and 13 from the high school.

Immunizations and Physical Exam Compliance

The district submitted its annual immunization report to the state in accordance with Neb. Rev. Stat. § 79-221 and Title 173 NAC 3. Physical and vision examinations for Kindergarten, 7th grade, and out-of-state transfer students were reviewed and entered into the Nebraska Student Information System (NEBSIS).

Emergency Preparedness and Medication Administration

Emergency Action Plans are developed or considered for students with known or suspected special health needs to ensure a prompt and appropriate response in the event of a medical crisis. These plans address a range of health concerns including asthma, severe allergies, seizure disorders, diabetes, and cardiac conditions. To ensure the safety and well-being of students, VNA nurses train school staff on Rule 59, as well as emergency rescue meds including EpiPens, Seizure, Diabetes meds, and Slou-cortef. Each school currently has a designated amount of these emergency medications as well as others specific to students per doctor's orders.

Emergency Medication

School nurses also provide Medication Administration Training for any individuals that might administer medication. This training covers topics such as administration procedures, medication safety, documentation, and communication. Training is offered on an ongoing basis throughout the year to accommodate new staff and evolving student needs. The below graph details daily medication administration at each level.

Complex Medical Needs

VNA nurses currently manage a number of complex needs across the district. Several of these cares require direct nursing oversight and intervention while others can be provided by staff trained by a VNA nurse. A VNA nurse is in the district during all academic hours to assure that qualified staff can report to those situations that require a nurse to provide care whether planned or unplanned. Care Plans outlining care procedures are in place for any student that needs this support.

Moving Forward

Looking to the future, Bennington Public Schools is actively working toward achieving Heart Safe School designation through Project ADAM. This is a national program committed to saving lives by preparing schools to respond effectively to sudden cardiac arrest. A "Heart Safe School" designation signifies that a school has established a cardiac emergency response plan, trained staff in CPR and AED use, and conducts regular emergency drills. This proactive approach ensures readiness, promotes student and staff safety, and aligns with best practices in emergency preparedness. Pursuing this designation demonstrates the district's commitment to a safe and responsive learning environment. Our school nurses will play a key role in working toward this designation. BHS is currently designated Heart Safe with the middle schools and elementaries planned to work toward it in the 2025-26 school year.

Bennington Public Schools Board Report
Matt Blomenkamp
Assistant Superintendent of Operations

To: Board of Education
Date: May 12, 2025, Board Meeting

I have continued to communicate to our staff about the current jobs that are posted, information on how to apply for a transfer if they choose, and what steps they can take to apply for open jobs in the district. Current certified positions that are open include:

Science – Bennington High School

We will work over the summer to fill open secretaries, para, transportation, and food service positions.

Construction Update:

- Over the past month, I've been in construction and design meetings with Hausmann and DLR. We've met with classroom teachers, food service coordinators, facility coordinators, media specialists, and coaches to review the designed space at high school number 2. Each of these groups were able to provide feedback on the layout and design of their respective areas at the new high school. DLR has taken that data and will apply it to the of the new school. I will then have the opportunity to discuss the changes and get that feedback to the building and finance committee for review.
- Dr. Plas and I have been to a variety of construction meetings this month. We had a bid opening for grading, discussion with Douglas County about internal and external road development, athletic facility review, and I had a meeting with engineers at DLR about potential HVAC options. We are also working hard with DLR and Hausmann to get the tennis court construction at Bennington High School off the ground in the coming weeks.
- Mr. Hanke and I had the chance to visit Gretna East's Theater to inquire about the orchestra pit, sound booths, rigging, stage size and scope, seating, and acoustics. He and I will continue to work with DLR on design of the theater at high school #2.

Summer work items of importance:

- Concrete and striping work around the district.
- Scoreboard purchase and installation at Bennington South Middle School
- Closing of 168th and Ida streets beginning April 9.
- Closing between Military to Abigail on 168th street beginning May 5.
- Window Film installation at Stratford Elementary Cafeteria
- 1st Floor Carpet installation at Bennington High School
- Playground fencing at Pine Creek Elementary

Superintendent Report

May 2025

Strategic Plan Update

The district has begun working with Kordica Communications to develop a strategic planning timeline. This will be a comprehensive process that incorporates input from students, parents, staff, community patrons, and the Board of Education. Surveys were distributed to parents, students, and patrons at the end of April, and the resulting data will help guide the next phases of the plan. Additional stakeholder input will be gathered throughout the summer and early fall. Board of Education discussions will be scheduled later this summer, as we anticipate onboarding a new Board member in the coming weeks. Once that transition is complete, we will coordinate with Kordica to identify a time for the Board's engagement in the process.

NDE Commissioner Advisory Committee

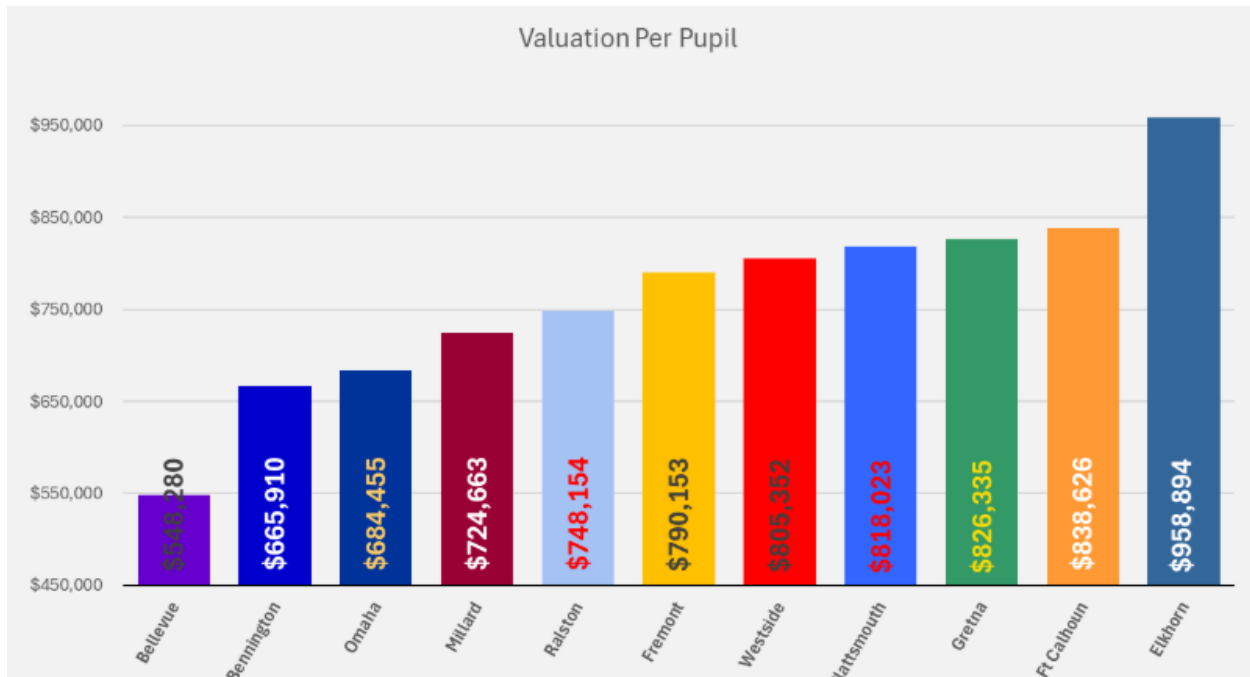

I've had the privilege of being invited to participate in the Superintendent Advisory Committee (SAC) for the Commissioner of Education. Dr. Maher, who took over as Commissioner in July 2023, invited 20 superintendents from across the state to meet with him quarterly throughout the year to provide feedback and insight on key initiatives within NDE.

Meetings were held in various locations, including Scottsbluff, Lincoln, and Omaha. Topics we've discussed include the NSCAS assessment system, literacy initiatives, certification processes, federal requirements, school finance, legislative matters, and accountability systems.

I've been invited to continue serving on this important committee for the 2025–26 school year, and I'm honored to remain part of these valuable conversations. I truly appreciate Dr. Maher's leadership and his commitment to gathering feedback from the field before recommending policy changes to the State Board of Education.

State Aid

The legislative session is nearing a conclusion for 2025, and we do not anticipate any large state aid model changes for the upcoming school year. A reminder that Bennington Public Schools is extremely reliant upon state funds to educate students due to the lack of valuation per student in our district. To illustrate how BPS lacks local resources compared to our peers, BELOW is a graphic showing the valuation per student for the Omaha metro schools that are under \$1,000,000 per student (five schools are over that amount).

The state aid system is incredibly complex, but ultimately comes back to this simple equation:

- Needs (Cost to Educate Kids) minus Resources (Valuation) = Equalization Aid

In 2024-25, Bennington received \$14,223,314 in total State Aid, while valuation increased by 10.02% (resources). Due to this valuation increase and other factors, BPS is now expected to receive \$14,069,664 in State Aid in 2025-26.

Looking forward, we continue to anticipate state aid reductions as valuation increases over the coming years, especially if our student population continues to grow between 100-150 students per year. In 2028-29, we are anticipating a large increase in state aid as the new school growth adjustment takes effect for the second high school.

While we are yet again anticipating lower state aid revenue forecasts in 2025-26, I am confident we can weather any short-term situation due to the foresight, preparation, and planning that the BOE has done over the last couple summers.

Curriculum Committee Notes
April 14, 2025
1940 Board Room

The Curriculum Committee of the Bennington Board of Education met on April 14, 2025, at 5:00 PM in the 1940 Board Room. Board members present were Joe Pick, Kristi Ryan, and Steve Shannon. The administrators in attendance were Dr. Plas, Dr. Thoendel, and Mr. Feeney. The Curriculum Committee (Committee) met to discuss 2025-2026 budget estimates, options for filling a School Board Member vacancy, a draft transition plan for the opening of a second high school, and recommended curriculum adoption materials.

Dr. Plas addressed the Committee, providing an overview of next year's estimated budget projections. It was decided further approval of curriculum and personnel proposals would remain on hold with the option to reconsider low cost items or proposals for minimal cost. Following the budget discussion, Dr. Plas discussed the timeline to transition into a second high school and legal options to fill a school board vacancy.

An overview of the curriculum materials recommended for adoption beginning in the 2025-2026 school year was provided. Board members present were given an opportunity to view the materials, as Dr. Thoendel and Mr. Feeney shared the top selection of materials for social studies K-12, music K-5, T&L 6-8, and STS 9-12. Information presented included a synopsis of each curriculum, strengths and weaknesses, and an estimated cost. The proposed materials will move forward for full School Board approval in May.

The meeting concluded with administration providing a document for review regarding the previously requested guidance for District AI usage by staff and students.

The meeting adjourned at 5:57 PM with the time and date of the next meeting to be Monday, June 9, 2025 at 5:00 PM.

The Committee met for the 15th time this school term.

PJ Greiger from D.A. Davidson shared a strategic update with the Committee regarding debt service planning for the second high school. He offered insights into current market conditions and provided guidance on the appropriate timing and process for the Board of Education to consider authorizing D.A. Davidson to move forward with bond sales.

Dr. Plas presented the updated projected budget for the 2025–26 school year, highlighting key assumptions and financial considerations.

In addition, Dr. Plas outlined a preliminary timeline for the district’s strategic planning process, which is set to launch this summer and extend through the 2025–26 school year.

Dr. Blomenkamp provided an update on facility projects planned across the district for the summer. These improvements include concrete repairs, carpet replacement, installation of window film at Stratford Elementary, and the addition of new fencing at Pine Creek Elementary.

Dr. Plas provided an update on key items related to High School #2. He reviewed the Construction On-Going Budget document and discussed the approval process for Bid Package #1. As part of the update, he also noted that traffic control measures are being considered at the intersection of 177th and Military to support future traffic flow in the area.

The Committee recommended Board of Education approval to award the mass grading contract to Ruff Grading in the amount of \$1,387,358, which was the lowest bid received. In addition, Dr. Plas received Committee approval to move forward with Alpha Land Surveying for pre-grading surveying services at the high school site, at a cost of \$10,100—the lowest bid for that scope of work.

Dr. Blomenkamp presented the Committee with an array chart comparing substitute pay across 14 metropolitan area school districts. He also shared projected cost increases for the District if daily substitute pay were raised by \$5. Following this review, the Committee recommended Board of Education approval to increase substitute pay to \$175 per day, and \$190 per day for long-term substitutes.

In addition, Dr. Blomenkamp proposed the introduction of a retention bonus for substitute staff. The proposal includes a \$300 bonus for substitutes who work at least 60% of the days following Thanksgiving during the first semester, and again after March 31 during second semester. The Committee recommended Board of Education approval to implement this retention incentive for the 2025–26 school year.

Dr. Blomenkamp reviewed the Classified Staff Starting Salary Steps Chart with the Committee and proposed adjustments to the starting salaries for classified staff beginning in the 2025–26 school year. The recommendation is intended to help the district remain competitive in attracting and retaining quality employees.

Dr. Plas and Dr. Blomenkamp exited the room and the Committee discussed the Superintendent contract.

The meeting adjourned at 6:58 p.m. The next meeting is not scheduled at this time.

MEMORANDUM

To: Dr. Aaron Plas, Superintendent
Bennington Public Schools

From: Julia Plucker

Date: May 9, 2025

Re: Nebraska Legislature – Session Update

The Legislature is finishing day 76 of the 90-day session today. Most of the focus of this week has been adjusting and debating the budget package, to make up the additional \$260 million deficit that was calculated after the last meeting of the Nebraska Economic Forecasting Board in April. Budget debate on LB 261, the “mainline budget bill” lasted about 8 hours and passed General File on 37-6 vote. The budget recommends about \$11 billion in spending over the biennium – an average spending increase of about 1.5% over the current budget year.

After the budget debate, the Speaker continued to schedule priority bills and measures. A higher number of priority bills than usual remain in committee or are still on General File. Most of the bills scheduled have continued to move through the debate process. The Speaker has held firm on his promise of late nights – keeping the senators on floor debate for late nights three times per week, adjourning between 8:00 and 10:00pm.

Bills of Interest

Bills of interest to Bennington Public Schools are attached.

Education Committee Priority Bill

LB653 (Murman) Change provisions relating to reimbursement for special education programs, support services, and the enrollment option program, provide reimbursement for certain students under the enrollment option program, and change the authorized uses of the Education Future Fund. This package also contains the following bills, and the committee is considering various amendments to the bills:

- LB507 (Hunt) Change provisions relating to school transportation expenses for children with disabilities
- LB497 (Murman) Provide for admission of and participation in extracurricular activities by certain students that are not residents of the school district

- LB430 (Murman) Provide an additional exception to the prohibition on suspending a student in prekindergarten through second grade and change provisions relating to short-term and long-term suspension under the Student Discipline Act

- LB625 (Dover) Provide for the establishment of a database of financial information from all school districts in the state

There is significant discussion about whether this package will be scheduled for floor debate in the remaining 14 days of the session because of controversial pieces contained in the amended bill. A concept on special education funding that was proposed to be part of LB 303 (discussed below) was amended into LB 264, the budget bill, making it less likely for this package to be heard.

School Funding Legislation

LB303 (Hughes) – This school funding bill is housed in the Education Committee priority package, LB 653, discussed above.

This bill increases Foundation Aid to schools by 6% for the upcoming school year - from \$1,500 per formula student to \$1,590 per formula student and drops the maximum levy for schools from \$1.05 to \$1.02 per \$100 of taxable valuation. Also drops the Local Effort Rate (LER) within the formula from \$1.00 to \$0.97. The bill also creates a base levy adjustment. The base levy adjustment is set at \$0.30 per \$100 of taxable valuation. The base levy adjustment does not restrict a school district from having a levy lower than \$0.30. It functions to make an adjustment to the corresponding state aid to a school district if it chooses to drop its general fund levy below the base levy of \$0.30. The School Finance Reform Commission would be created. The Commission will be tasked with providing the Legislature with annual recommendations to adjust school funding to ensure stable state aid to schools while also reducing property taxes.

Special Education Funding

AM 1298 regarding special education funding was adopted on general file to LB 264 during the budget debate. This concept was originally discussed as an amendment at the public committee hearing on LB 303. AM 1298 allows the Nebraska Department of Education, once the special education expenses are submitted, the allowable excess costs initially paid out for special education to ensure that schools are reimbursed for 80 percent of their allowable special education expenditures.

A. Discuss and Consider First Reading to Add/Revise Policies for Section 500

BELOW are the recommendations for the 500 (Students) Section. The Committee recommended the following policies be omitted due to the forms changing or information provided in other policies. These forms will instead be listed on the district website and not within policy where applicable:

- Policy 502.02R1 Non-Resident Students – Option Enrollment Guidelines
- Policy 502.02R2 Non-Resident Students – Option Enrollment Guidelines
- Policy 502.02R3 Other Non-Resident Option Enrollment Guidelines
- Policy 502.03R1 Administrative Rules and Procedures to Implement Policy 502.03 Appendix A and B
- Policy 503.01E1 Nebraska Withdraw from Mandatory Attendance Form
- Policy 503.04E1 Addressing Barriers to Attendance
- Policy 503.09E1 Homeless Student Enrollment Request
- Policy 504.18E1 Harassment Complaint Form
- Policy 504.18E2 Witness Disclosure Form
- Policy 504.50R1 Extracurricular Activity Participation Procedures
- Policy 508.01E1 School Vision Evaluation Form
- Policy 508.01E2 Resources for Low Income Families
- Policy 508.01E2 Parent Objection to Physical Examination or Visual Examination
- Policy 508.50 Parental Notification as a Condition for Obtaining an Abortion

The Committee is recommending 11 policies for language revisions that result in material changes:

1. Policy 501.00 Objectives for Equal Educational Opportunities for Students
2. Policy 501.01 Educational Equity
3. Policy 504.18 Harassment
 - a. Description: Each of these policies originally listed all protected classes as defined by the Federal government with respect to discrimination. As the number of protected classes evolves, this simplified version ensures that the policies remain legally inclusive of all current protections, while allowing for any additions or removals to be automatically covered without risk of omission or redundancy.
4. Policy 502.02 Non-Resident Students Option Enrollment
 - a. Description: Policy 502.02 has been revised to consolidate all related regulatory policies into a single, comprehensive policy. This update eliminates redundancy and clarifies district practices regarding option enrollment. Policy 502.02R1, Policy 502.02R2, and Policy 502.02R3 have been omitted, with their content integrated into the revised Policy 502.02.
5. Policy 502.03R1 Administrative Rules and Procedures to Implement Policy 502.03
 - a. Description: Appendix A and B have been eliminated, and the corresponding forms will be placed in the district repository located on the district website.
6. Policy 504.15 Smoking, Drinking, Drugs
 - a. Description: Approval of a substance abuse assistance or rehabilitation program has been shifted from the Board of Education to the Superintendent. Additionally, a new section was added to permit the use of breathalyzers, consistent with prior approvals outlined in the student handbooks.
7. Policy 504.16R1 Use of Drug Detection Dogs
 - a. Description: The policy was updated to permit drug detection dogs at any building within Bennington Public Schools, rather than limiting it to only the middle and high schools.
8. Policy 504.22 Student Use of Social Networks
 - a. Description: Changed the word “friend” to “follow” to more accurately describe the current social media terminology across multiple platforms.
9. Policy 504.50 Extracurricular Activity Participation
 - a. Description: Removed words “assigned classes” to eliminate confusion with other policies addressing students who are truant from class.
10. Policy 506.08 Student Organization Fundraising
 - a. Description: This policy was fully revised to align with current practices regarding student organization fundraising.
11. Policy 509.01 Class or Student Group Gifts
 - a. Description: This policy was fully revised to reflect current practices related to class or student group gifts, with added emphasis on ensuring gifts do not create undue influence.

OBJECTIVES FOR EQUAL EDUCATIONAL OPPORTUNITIES FOR STUDENTS

This section of the board policy manual is devoted to the board's goals and objectives for assisting the students of the school district in obtaining an education. Each student shall have an opportunity to obtain an education in compliance with the policies in this series. It is the goal of the board to develop a healthy social, intellectual, emotional, and physical selfconcept in the students enrolled in the school district. Each student attending school will have the opportunity to use it and its education program and services as a means for selfimprovement and individual growth. In so doing, the students are expected to conduct themselves in a manner that assures each student the same opportunity.

The board supports the delivery of the education program and services to students free of discrimination on the basis of ~~socioeconomic status, race, color, national origin, sex, disability, religion, age, or other protected status race (including skin color, hair texture, and protective hairstyles), color, national origin, sex, disability, religion or marital status, sexual orientation or gender identity~~ and provides equal access to the Boy Scouts and other designated youth groups. This concept of equal educational opportunity serves as a guide for the board and employees in making decisions relating to school district facilities, employment, selection of educational materials, equipment, curriculum, and regulations affecting students.

Board policies, rules and regulations affect students while they are on school district property or on property within the jurisdiction of the school district; while on school owned, operated, or chartered transportation; while attending or engaged in school activities; and while away from school grounds if misconduct will directly affect the good order, efficient management and educational processes of the school district.

This section of the board policy refers to the term "parents" in many of the policies. The term parents for purposes of this policy manual shall mean the legal parents. It shall also mean the legal guardian or custodian of a student and students who have reached the age of majority or are otherwise considered an adult by law.

Inquiries by students regarding compliance with equal educational opportunity laws and policies, including but not limited to complaints of discrimination, shall be directed to the Compliance Coordinators or the building principal.

Inquiries may also be directed in writing to the Director of the Kansas Office of Civil Rights, U.S. Department of Education, One Petticoat Lane, 1010 Walnut Street, Suite 320, Kansas City, MO 64106, (816) 268-0550, the Nebraska Equal Opportunity Commission, State Office Building, 301 Centennial Mall South, 5th floor, P.O. Box 94394, Lincoln, NE 68509-4934, (402) 471-2024 or (800) 642-6112 or by email to OCR.KansasCity@ed.gov. This inquiry or complaint to the federal or state office may be done instead of, or in addition to, an inquiry or complaint at the local level.

Approved January, 1994 Reviewed March, 2025 Revised March, 2025

Every report of alleged violations of this policy that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing investigation of this policy, potential issues of sexual harassment or discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged sexual harassment or discrimination as well as the incidents of alleged violations of this policy.

Further information and copies of the procedures for filing a complaint are available in the school district's central administrative office and the administrative office in each attendance center.

A report of the findings will be provided to the parents and a copy placed in the child's permanent school record. If the child will be accepted into kindergarten, a report of the findings will be shared with the receiving school personnel.

12. Enrollment of Expelled Students

It shall be the policy of the district to not enroll any student who has been expelled from any public school in any school district in any state, or from a private, denominational, or parochial school in any state until the Board of Education, by a majority vote, votes to approve the enrollment of such student. Nothing in this policy shall require the Board to take such a vote on any application for enrollment by any such student.

Nothing in this policy, however, shall be construed to prohibit the Board from receiving the student conditioned upon the student being required to attend the District's alternative school, class or educational program pursuant to Section 79-266 until the terms of the expulsion are completed. No student who may have been expelled from a private, denominational, or parochial school, or from a school in another state, shall be prohibited from enrolling in the district if such student resides in this district or has been received under an option enrollment to this district, once the time limits placed on the expulsion has run, pursuant to the Student Discipline Act, or for any expulsion for an offense for which expulsion is not authorized for a public school student under the Act.

2. Are deemed by parents or guardians as being intellectually advanced and likely to benefit from advanced grade placement

A report of the findings will be provided to the parents and a copy placed in the child's permanent school record. If the child will be accepted into kindergarten, a report of the findings will be shared with the receiving school personnel.

--There is no provision in this policy and administrative procedures for a reevaluation, retest or appeal of the decision of the evaluators.

12. Enrollment of Expelled Students

It shall be the policy of the district to not enroll any student who has been expelled from any public school in any school district in any state, or from a private, denominational, or parochial school in any state until the Board of Education, by a majority vote, votes to approve the enrollment of such student. Nothing in this policy shall require the Board to take such a vote on any application for enrollment by any such student.

Nothing in this policy, however, shall be construed to prohibit the Board from receiving the student conditioned upon the student being required to attend the District's alternative school, class or educational program pursuant to Section 79-266 until the terms of the expulsion are completed. No student who may have been expelled from a private, denominational, or parochial school, or from a school in another state, shall be prohibited from enrolling in the district if such student resides in this district or has been received under an option enrollment to this district, once the time limits placed on the expulsion has run, pursuant to the Student Discipline Act, or for any expulsion for an offense for which expulsion is not authorized for a public school student under the Act.

STUDENT USE OF SOCIAL NETWORKS

Social networks refer to a group of websites and tools on the Internet that support collaboration and sharing of opinions, insights, experiences, and perspectives. The content within them, and the functionality of that content, is managed and regulated by the user community itself and not the provider of the network or a third-party institution. Typical examples of social networks are blogs, wikis, podcasts, message boards, and social networking sites themselves, such as Facebook, Snapchat, Instagram, Twitter, Reddit, LinkedIn, and many others.

The district provides access to social networks strictly for educational purposes toward the support of the district's educational goals and allows their use only for the value they may provide in the context of assigned educational exercises. Students must follow these guidelines when using social networks on district technology:

- Any students using social networks must be directly supervised by a teacher or other staff member who is aware of and approves of their attempt to access such a site. Only sites not blocked by the district technology department may be used.
- Students shall not reveal their name or personally identifiable information to or establish relationships on the Internet unless a parent or teacher has coordinated the communication.
- Students who utilize social networking for educational purposes shall be aware of and familiar with privacy options on the social networking site and shall set those options to limit access to personal information to "friends" only.
- Students and parents shall be aware, however, that privacy options alone can never fully protect personal information. If a student shares personal information with "friends," those friends may share that information with others. With this in mind, students shall carefully consider what information is posted online.
- Photos posted on social networking sites as a part of educational exercises shall NOT contain other students. Permission, either spoken or in writing, should be granted by any adults before posting their pictures.
- Teachers and other adult staff have been advised NOT to ~~friend-follow~~ students on social networking sites. Students are given the same advice toward teachers. Remember that teachers are ethically and legally bound to report any activity in which a student may be breaking the law or may be in danger of hurting him/herself or others.
- All policies and guidelines regarding student behavior in general apply when using social networks, including all guidelines under the district's Acceptable Use of Computers policy and all district rules relating to harassment, bullying, and behavior disruptive to the educational environment.

STUDENT ORGANIZATION FUNDRAISING

Students may raise funds for school-sponsored events with the advance permission of the principal. Collection of funds for school fundraising must have prior approval from the principal before taking place on school property.

The main emphasis of any fundraising campaign should be on the educational aspects of the program.

No contribution of money for any purposes will be collected from or by school children except as authorized by the building principal. All groups desiring to raise money through fund drives in one form or another will present their requests to their building principal for approval. The approval will be based on the following criteria:

1. Any drive that seeks or tends to circumvent a Board decision will be rejected. A definite goal for the expenditure of the funds received must be established.
2. Items that are overpriced, embarrassing, or controversial in nature to the school will be rejected. The organization will try to avoid products that are indefinite competition to local business people.
3. The number of fund drives per organization can be limited at the discretion of the building principal.
4. The Board will not be responsible for any losses incurred. Principals will need to approve the locations and subject matter of all posters posted for fundraisers.
5. School-sponsored organizations may, with prior approval from the building principal, choose to support charitable causes through donations or fundraising efforts. Approved charitable causes must align with the district's values and educational mission and shall not involve organizations or efforts that are political, controversial, or divisive in nature.

It shall be the responsibility of the superintendent, in conjunction with the principal, to implement this policy.

NEWSLETTERS

A weekly elementary newsletter, The Beacon, is sent electronically to each family providing a current email address. The District also electronically sends a weekly newsletter, The Badger Update. All publications are utilized to update everyone on current school happenings and other community events and may be found at www.benningtonschools.org.

BEHAVIORAL AWARENESS POINT OF CONTACT

Each Bennington Public Schools building has a behavioral awareness point of contact that is trained in behavioral awareness and has knowledge of community service providers and other resources that are available for the students and families in the district. The contact shall maintain or have access to a registry of local mental health and counseling resources for the students and families. The behavioral awareness point of contact shall coordinate access to support services for students whenever possible. If information for an external support service is provided to an individual minor student, school personnel shall notify a parent or guardian of the contact in writing unless such recommendation involves law enforcement or child protective services. The Behavioral Awareness Point of Contacts for our schools is: Emmily Hawk, School Counselor. She can be reached at 402-238-2166 or ehawk@bennps.org.

PRESCHOOL INFORMATION

Peer Model Program

The Bennington Public Schools Preschool Peer Model Program is a vital part of our early childhood special education classroom instruction. The Peer Model Program provides typically developing children an opportunity to interact with same-age peers who are receiving specialized instruction in a developmentally appropriate classroom. This inclusive program provides a stimulating and challenging environment that offers all children a wide range of learning opportunities.

Children selected to serve as peer models must demonstrate developmentally appropriate speech, language, social skills, and behaviors. Peer models are able to communicate clearly, interact well with others, model cooperative interactions and follow directions. The expectation is that peer models are toilet trained as well.

Reporting Student Learning

Each preschool teacher in Bennington Public Schools will compile a learning portfolio of evidence documenting student progress toward Teaching Strategies GOLD objectives on an ongoing basis throughout the year.

Progress on GOLD assessments will be reported to parents two times per year in October and May. Any student who starts the program after the October assessment will receive a GOLD report in February.

Home Visits

Home visits will be offered to all families in the preschool program two times per year. Parents may choose to meet with teachers at the school or an alternate location if they prefer.

Personal Items

Toys, gum, money, and candy should be enjoyed at home. When your child wants to bring something to school, we ask that you get permission from the teacher.

Recess

Bennington Public Schools strives to make recess safe and enjoyable for all students. All students participate in at least one 30-minute daily recess/gross motor period. Therefore, you will want to make sure that your child is dressed appropriately for the changing Nebraska weather conditions. Layering clothing is the best option for cold mornings and hot afternoons. During inclement weather (rain or severe wind chill conditions) students will have indoor recess. Please note that during school hours our playground is not accessible to the public due to the safety and protection of the students. Physical activity and student socialization is an important part of recess. Students are required to participate in recess and will not be excused from participation without a doctor's note verifying the reason.

New Student Registration

New students entering Bennington Preschool either prior to or during an academic year in progress will be sent the required information to begin the registration process through www.benningtonschools.org. Parents are also asked to provide the following items:

- A certified copy of the student's birth certificate issued by the state in which the child was born, required by state law be provided within 30 days of enrollment;
- Updated Immunization/Health records; and
- Verification through the Superintendent's office of an in-district address.

A student who fails to meet the foregoing requirements shall not be permitted to enroll or to enter school, or if provisionally enrolled or enrolled without compliance, shall not be permitted to continue in school until evidence of compliance or an exemption from compliance is given.

ATTENDANCE PROCEDURES

In the event that your child will be absent from school, we ask that you call the Anchor Pointe office (402) 238-2166 to inform the school. If you know in advance that your child will be absent, please also inform your child's teacher in person or via email.

SNACK INFORMATION

Snack time is an important and necessary part of our preschool routine. Many speech and language activities, as well as fine motor activities, can be practiced at snack time. If a child has any food allergies or special dietary needs or restrictions, we ask that the parent inform the teacher immediately. Snack and milk will be provided by the Bennington Preschool Program.

TRANSPORTATION SERVICES

Students that qualify for special education transportation will be transported from their home to the Bennington Preschool Program. See below for important information regarding special education transportation:

- If your child will not be riding to or from school, please make sure to call your driver at the number listed on your transportation form or the Transportation Office at 402-238-2902.
- Preschool children are required to ride in a 5-point harness seat.
- A parent/guardian is required to get on the bus with your child to buckle them in at pick up. At drop off, a parent/guardian will need to get your child unbuckled and assist them off the bus.
- Please make sure you are waiting for the driver for pick up and drop off times. We cannot leave a child unattended to go into the house by themselves.
- Buses are on a very tight schedule. You must make sure to be at your stop location waiting for the bus to arrive. The bus will wait no longer than 1 minute for a child to come out to the bus.
- Please reach out to the Transportation Office with any questions or concerns at 402-238-2902.

SCHOOL CLOTHES AND SUPPLIES

Sturdy shoes and play clothes enable your child to participate freely in all preschool activities. Let your child wear clothes he/she can easily manage in the restroom. Avoid dressing your child in "best" clothes in case of spills and messy activities. The children are here to "learn by doing" and cannot do this if pressures are placed on them to stay neat and tidy at all times. Most types of sandals, flip flops, slick soled shoes, and boots are not as safe or adaptable to the preschool's equipment and activities. The best shoe choice is sneakers or athletic shoes.

Please make sure your child always has a complete change of clothing, including socks and underwear, in their backpack at all times.

If your child wears pull-ups or diapers, please make arrangements to have enough supplies at school to accommodate your child's needs.

Please send a backpack to school every day for your child to transport his/her papers and other possessions. Good communication between school and home is necessary to foster children's development. Parents are encouraged to let teachers know significant events or information that may effect the child's mood or behavior that day. Also, teachers will send notes home as needed, so please check your child's backpack each day.

Kristi Ryan, Secretary
Bennington Public Schools Board of Education

May 7, 2025

Dr. Aaron Plas
Superintendent of Bennington Public Schools
11620 N 156th Street, Bennington, NE 68007

Dear Dr. Plas and Bennington Public Schools Board of Education Colleagues,

I am writing this letter to formally announce my resignation from my position as Secretary of the Bennington Public Schools Board of Education. My family's move to be closer to my mom after my father's death is taking us out of Bennington. Since residency and voter registration within the district is a qualification for service on the Board of Education, I will no longer be eligible to finish the duration of my term. I apologize for my early departure and the extra work it will create.

My time on the board has been rewarding and educational. I have appreciated working alongside each of you and other members of the leadership team, staff, and foundation board members. Thank you for your commitment to our students, families, and community, and thank you for your understanding and grace as we made this difficult decision as a family.

I am confident that Bennington Public Schools is in exceptionally capable hands, and it has been a privilege to be part of the team. I look forward to remaining an active supporter of BPS and the Bennington community through our church, Three Timbers.

Please let me know how I can best help ensure a smooth transition. Thank you for the opportunity to see public education through a different lens and grow as an educator.

Sincerely,

Kristi Ryan

VACANCIES

A vacancy occurs when a board member resigns, forfeits or otherwise leaves the office. A vacancy also includes, but is not limited to, the following: failure to elect at an election when there is no incumbent to continue in office until his or her successor is elected and qualified, failure to reside in the school district or a continuous absence from the district of more than 60 days, absence from more than 2 consecutive regular board meetings unless excused by a majority of the remaining members of the board, death of the incumbent, a court order declaring the seat vacant, conviction of a felony, or any public offense in violation of the oath of office.

The resignation of a member or any other reason for a vacancy shall be made a part of the minutes of the school board. The board shall give notice of the date the vacancy occurred, the office vacated, and the length of the unexpired term in writing to the election commissioner or county clerk, and by a notice published in a newspaper of general circulation in the school district.

Unexcused Absences

Absences from board meetings will be counted as excused if the board member has notified the superintendent or board president prior to the meeting that the member is not able to attend. In the case of an unplanned absence, the absence will still be excused if the member notifies the superintendent or board president within 24 hours following the meeting that the member wishes to have the absence allowed as “excused.” Absences not so notified, and any absences following two consecutive excused or unexcused absences will be counted as unexcused unless the board, by majority resolution, votes at the regular meeting in which the absence occurs to specifically count it as an excused absence. Following any regular meeting at which a member is recorded as having a second unexcused absence, the board president will notify that member of the situation in writing.

It is prohibited to meet in closed session for discussion of the appointment or election of a new board member.

Incumbents must file for election at the Office of the County Clerk, Douglas and Washington Counties, by February 15 prior to the date of the primary election. All other candidates must file for election by March 1 prior to the date of the primary election.

If a vacancy occurs on the board it may be filled within 45 days by appointment of a qualified registered voter by the remaining members of the board for the remainder of the unexpired term. If the board does not fill the vacancy by appointment, the vacancy may be filled by election at a special election or school district meeting called for that purpose. If a majority of the offices of the school board members are vacant, the Secretary of State will call a special school district election to fill the vacancies. Every candidate for a special district election shall file a candidate filing form according to state statutes.

It is prohibited to meet in closed session for discussion of the appointment or election of a new board member.
