## **PE.HS.13 Dance Performance (Show Choir) - Class Description**

Show Choir is a co-curricular auditioned ensemble that works to mainly develop choreographed performances while being complemented with a well developed choral presence. This ensemble will use class time to learn choreography and staging to highlight selected repertoire while it will use evening rehearsals to prepare vocals for concerts and competitions. Show Choir will perform at school concerts, other HPS schools, civic events and competitions throughout the school year. **Members of this group are required** to participate in one other choral group in the HHS department for the full school year. Students will be selected via an audition process which is held in the spring semester of the prior school year. Show Choir will satisfy the requirements for PE 2 upon completion of the course. This course is able to be completed more than once, but will not satisfy any further physical education requirements. Students are required to purchase a uniform which will cost \$350 and will be able to keep the items purchased with their money after the school year.

*\*This class will be offered during the fall semester only.*

# Mr. Yost's Philosophy

Teaching is a calling I strive to undertake with love and imagination, and from my location as a relatively new teacher, I see no end to improvement, no arrival, or no completion or sharpening my craft. I want to be that teacher who, even after decades in the classroom, still leaves each session asking how the next might be better, how to better engage this unique set of students, and how to change one more student's life. I bring four overarching objectives to the classroom, each of them rooted in my conception of teaching as an invitation to relationship.

- 1) Every child, every student should have the opportunity to study music and performance.
- 2) Musical performance provides a unique experience and thus, a unique contribution to intellectual development.
- 3) Students should be provided with real-world opportunities to allow them to feel ownership of their musical performance abilities, thus preparing them to become lifelong performers.
- 4) Students learn and discover live performance through active participation. Activities should develop the skills of performing, analyzing, and creating by way of the study of basic concepts.

*"There is, has been, and will always be a certain group of people whom inspiration visits. It's made up of all those who've consciously chosen their calling and do their job with love and imagination.... Their work becomes one continuous adventure as long as they manage to keep discovering new challenges in it."*

- Wislawa Szymborska, 1996 Nobel Prize for Literature Lecture

*"Whenever and wherever humans have existed, music has existed also. Since music occurs only when people choose to create and share it, and since they have always done so and no doubt always will, music clearly must have important value for people."*

- Housewright Symposium on the Future of Music Education, 2000

## **Attention All Show Choir Members**

Welcome to the HHS Choral Department! We are looking forward to an exciting and fun filled year. The program intends to continue growing, meeting individual needs, and striving toward the highest ideals in performance. To achieve the standards and goals set by this organization, each member will be required to be active, dependable, and consistently contributing their efforts to the ensemble. The facts and expectations outlined in this handbook should be discussed so that each member begins the year with the same understanding. All members are expected to be at all rehearsals and performances on time unless a director is notified at least two (2) weeks in advance of a missed performance. Do not assume that an absence is excused simply due to prior notification. Each absence will be reviewed on an individual basis using the HHS School and Activity Handbooks. Three (3) unexcused absences from a rehearsal in an ensemble could result in a conference with Mr. Yost to discuss the student's responsibilities to the ensemble. Any unexcused absence from a performance could result in a conference with Mr. Yost to discuss the advisability of the student in the program here at HHS. The responsibility for communication with Mr. Yost concerning absences, tardies, etc., lies solely with the student. Mr. Yost must be notified at least two weeks prior to the performance so that details can be arranged.

We are proud that so many of our students are involved in several other activities other than choir. Unfortunately, with the size of this organization, Mr. Yost, as the director, cannot keep up with it all! It is the student's responsibility to inform teachers and other sponsors of conflicts early! Here at HHS, we strive to make each student successful and we, as directors and sponsors, can work out these conflicts without penalizing the student. All we ask is for you and your child to do your part – be responsible! This department is viewed as an ambassador for Hastings High School. Therefore all show choir students are expected to exhibit exemplary behavior at all times, whether in choir classes or other classes. Students who continue to violate school rules may jeopardize their membership in choir. Mr. Yost expects all students to be role models and are held to a higher standard.

Please sign the attached forms if you and your child can commit to the rules and guidelines set forth by this organization. If there is a problem, please notify Mr. Yost. The goal is to eliminate as many barriers as possible for students participating in show choir. If you have any questions about any information in this document, please email Mr. Yost at [Christisn.Yost@hpstigers.org](mailto:Christisn.Yost@hpstigers.org).

# Rehearsal Usage

## **Curricular Class Rehearsals**

Students are expected to be in every class. Rehearsals will take place during 7th period on Orange days during the fall semester. Attire for rehearsal is a t-shirt, athletic bottoms, and athletic/performance shoes. Students will not be allowed to practice bare foot; this is a safety concern. Students are expected to be at every practice to help them prepare for performances and betterment of themselves as performers. Mr. Yost asks that you keep this in mind when scheduling any appointments, meetings, vacations, etc.

## **Extracurricular Rehearsals**

Students are expected to be at every evening rehearsal by the start time. Doors will open 15 min. Prior to the start of rehearsal. During the fall semester, rehearsals will be every Monday night, from 7:00-9:00pm. During the spring semester, rehearsals will be every Monday and Thursday evening from 7:00-9:00pm. The first rehearsal will be **August 29th**. There will be a few additional rehearsals that will be released in May 2022. Attire for rehearsal is a t-shirt, athletic bottoms, and athletic/performance shoes. Students will not be allowed to practice bare foot; this is a safety regulation. Rehearsals will be called off in case of poor weather. Canceled rehearsals will be communicated through Band App, unless notified that school is canceled beforehand. Students are expected to be at every practice to help them prepare for performances and betterment of themselves as performers. Mr. Yost asks that you keep this in mind when scheduling any appointments, work, etc.

# Attendance Expectations

Again, students are expected to be at every practice. If you miss more than three (3) practices for an unexcused absence, Mr. Yost will have a conversation with you about your continued participation in the group. If you continue to miss with unexcused absences, you will be asked to finalize your show choir payment and no longer be a part of the team. Mr. Yost works diligently to make sure the calendar is set many months in advance. Excused absences will be defined using the Hastings High School School and Activity Handbooks. Please communicate with Mr. Yost beforehand if you must miss a practice. It is expected that you are at every performance. If you miss a performance due to an unexcused absence you will be automatically removed from the group. However, we do understand family emergencies and illnesses occur. Missing a competition due to an excused absence must be communicated as soon as possible to Mr. Yost. Notification may be emailed, messaged via Remind or written on a note.

# Performance Attire and Fees

Mr. Yost's goal is to keep the cost as reasonable as possible. In previous years the fee has been as high as \$450. **This year the show choir fee is \$350 for UNCAGED.** The fee can be paid in full or in payments. If you would like to use the payment method for your fee make sure to check the box on the signature sheet.

## Scholarships

This year UNCAGED will be offering scholarships to help those with the cost of participating. These will be given on a financial need basis, and will range from \$50-\$350. A scholarship application will be available once the audition results have been released.

## Classroom Routines and Expectations

Self-discipline is an important element of show choir rehearsal and performance. Students must realize that they are a member of a group or team with an excellent reputation. Their behavior during school classes and at public performances reflects on both Hastings High School and the department as a whole. Please remember the following basic rules:

- 1) **Care and effort go a long way in choir!**
- 2) Criticizing another student's voice or effort is not allowed and will not be tolerated.
- 3) Be on time in your seat, with your folder, **pencil and highlighter**, ready to begin when the bell rings.
- 4) When we are ready to rehearse—you are quiet and ready. We begin class when the bell rings and end when the next bell rings.
- 5) NO food, gum, or drinks inside of the rehearsal room. Students may bring containers of water.
- 6) NO students in Mr. Yost's office unless they have permission to enter.
- 7) Students are not allowed to keep personal items in the rehearsal room throughout the day. Please use your locker! \*Special permission may be given by Mr. Yost.
- 8) No cell phones.
- 9) All HPS school and activity attendance rules/consequences apply to show choir performances and dress rehearsals. Students are expected to inform coaches and myself of any potential conflicts at least one week in advance.
- 10) You will be issued your own folder/binder with class materials, and these should not be lost or damaged. The student will pay \$4 for a new binder if lost.
- 11) Our grand pianos may not be played by any student- Mr. Yost will make exceptions for select students who are proficient on the piano and those few still need to ask each time they play.

## Consequences

Any student who does not follow the rules listed will receive the following consequences:

BIST Room Referral

Director / Student conference

Parent phone call/email

Office referral

Removal from class

# **Grading**

Summative grades are based on the standards laid out at the district, state, and national levels. Scoring will be done on a 0-4 basis. (0=No data, 1=Below Standard, 2=On-Track to meet the standard by the end of the year, 3=Approaching mastery of the standard, and 4=Mastery of the standard) Each standard will be assessed at least 2-3 times, and the lowest score will be dropped. The final standard score will be multiplied by 10 and then added to 60 [(Score x 10) + 60 = Grade]. This grading system allows tracked growth, and academic accountability between all students.
