RESOLUTION

WHEREAS, the Board of Education of Adams County School District No. 01-18 a/k/a Hastings Public Schools is obligated to pay ongoing expenses and increasing expenditures to operate the school district; and

WHEREAS, the Board has determined that it needs to collect more property taxes than it collected in the prior year; and

WHEREAS, said notice was published at least five days prior to the Board's special hearing,
And

WHEREAS, said notice included the required items as specific in Neb. Rev. Stat. § 77 1601.02;
NOW, THEREFORE, BE IT RESOLVED by the Board of Education of Adams County School District No. 01-18 a/k/a Hastings Public Schools that the Board has considered and approved the property tax request for the following year, as follows:

The amount of the property tax request is \$19,333,414.00. The total assessed value of property differs from last year's total assessed value by 11 percent;

The tax rate which would levy the same amount of property taxes as last year, when multiplied by the new total assessed value of property, would be \$1.213480 per \$100 of assessed value; The Hastings Public School District proposes to adopt a property tax request that will cause its tax rate to be \$1.342 per \$100 of assessed value; Based on the proposed property tax request and changes in other revenue, the total operating budget of Hastings Public School District will exceed last year's by (-1) percent,

Multicultural education is the identification, selection, and infusion into all subject areas of the core curriculum, grades kindergarten through twelve, of specific knowledge and skills for the purpose of:

- Affirming the culture, history, and contributions that shall include, but not be limited to, African Americans, Asian Americans, Hispanic Americans, and Native Americans; and
- Challenging and promoting the elimination of racism, prejudice, bigotry, discrimination, and stereotyping based on race; and
- Respecting multiple cultural perspectives; and
- Providing all students with opportunities to see themselves in the educational environment in positive ways and on a continuing basis.

Hastings Public Schools will utilize curriculum, instruction, staff development, counseling, and guidance services to attain such ends.
