BOARD OF EDUCATION**

SUPERINTENDENT SUCCESSION PLAN, 2023-2024

Acting Superintendent

Periodically, when the Superintendent must be away from the District on a planned short-term basis, the Superintendent will designate an administrator from the District to represent him or her during the short-term absence. In this instance, no action by the Board of Education is necessary. The Superintendent's designee will be communicated to the members of the Board of Education and the Administrative Team.

However, when the Superintendent will be away from the District or unable to carry out his or her responsibilities for an extended or unplanned period of time (greater than 14 calendar days or as determined by the Board), and is expected to return to his or her duties within the contract year, the Board of Education will appoint an Acting Superintendent from the members of the Administrative Team. Should such an appointment take place, the Acting Superintendent will be expected to adjust the administrative responsibilities of the Administrative Team to allow the Acting Superintendent to serve in the capacity of the chief educational officer while continuing to carry out the functions of his or her prior assignment. In this instance, a replacement administrator for the Acting Superintendent will not be employed.

Interim Superintendent

The Board of Education will appoint an Interim Superintendent when a long-term vacancy in the Superintendency occurs at a time when it is not possible for the District to hire a Permanent Superintendent. In consultation with the Board, the Superintendent Succession Planning Committee will be responsible for locating a suitable Interim Superintendent. The Superintendent Succession Planning Committee will advertise and contact professional organizations, state institutions that offer Superintendent Certification Programs, and others to determine the availability of an Interim Superintendent. When necessary, the Superintendent Succession Planning Committee will paper screen, interview, and check the references of Interim Superintendent candidates to formulate a recommendation for the consideration of the full Board. In all cases, an Interim Superintendent position will require proper action by the Board of Education. An Interim Superintendent may be appointed from members of the Administrative Team. Should this occur, the Board would need to find an interim replacement for the Administrative Team Member elevated to the Interim Superintendency. Absent action by the Board, an Interim Superintendent will not be able to apply for a Permanent Superintendent position.

Permanent Superintendent

When a vacancy in the Superintendency is planned, the Superintendent Succession Planning Committee will, in a timely fashion, request proposals from administrative search firms to be approved for use by the Board as determined by the Board. The selected search firm may be asked to carry out some if not all of the following tasks:

- Create a profile using the input of the Board to determine the knowledge, skills, and/or dispositions of a candidate capable of excelling as a Superintendent of the District;
- Advertise broadly;
- Conduct a paper screening and, as appropriate, a reference review to provide the Board with the most qualified applications for the Superintendent Succession Planning Committee to consider.

The Superintendent Succession Planning Committee will determine “finalists.” Once finalists are selected the following Interview Committees will be established by the Superintendent under the direction of the Superintendent Succession Planning Committee:

- Classified Staff: representing the major departments of maintenance, custodial, transportation, clerical, instructional support and other departments deemed appropriate.
- Certificated Staff: representing each elementary and secondary staff on an equal basis.
- Patron: made up of individuals willing to serve from a list of community members generated by Board Members.
- Administrative Staff: made up by Directors and Principals.
- Board of Education.

In addition to interviews with the above committees, the Board President will establish a tour of the District with an individual or individuals designated by the Board President.

The President of the Board of Education will serve as the spokesperson for the District during the selection process and when announcing a new Superintendent.

HUMAN RESOURCES OFFICE

Memo

TO: HPS School Board .
FROM: Thomas Szlanda, Director of Human Resources & Operations
DATE: 6-7-2023
SUBJECT: VARSITY ADMISSION PRICES

The Eastern Midlands Conference Executive Committee voted at the beginning of May to change the conference admission prices to \$7.00 for adults and \$5.00 for students for varsity contests. Hastings Public Schools current cost of admission for varsity contests is \$6.00 for adults and \$4.00 for students. The Eastern Midlands Conference is recognizing the increased costs for running events, more workers required to run events, and the shortage of game officials.

Due to the increased admission costs for varsity contests, Hastings Public Schools would like to increase the cost of the "All Access" pass from \$70.00 to \$80.00 and the cost of a 10-punch ticket from \$40.00 to \$50.00.
