I am hoping you can assist me with my zoom. I set a zoom link this morning to test zoom out and it was not working. I either had two of me logged in, or it would tell me that I needed to log in. As the host I could not get logged in, and when I was finally able to log in it told me that the site was not secure and the page would not open. I have a zoom meeting on Wednesday with a presenter regarding some PD. Is there any way to get this fixed before that time? Board Report

February 20, 2023

Activities

Lions Committed

We had a very nice induction ceremony in the gym on January 24, 2023. Thank you to all that have been involved in the process of getting this program implemented. The Committed members will meet in the coming weeks to plan their first event. An “overtime” event after the Morrill Early Bird track meet. This event will be for all students to attend and have a safe place to participate in games and have food with staff and coaches.

Pepsi Contract

Our ten year contract with Pepsi reached its completion the end of February. After negotiating with them and expressing our needs and where we felt we needed additional support. We were able to come to an agreement and sign a five year deal with Pepsi. I really appreciate Pepsi and their willingness to help our school and their commitment to keeping us a Pepsi school. Contract is attached.

Winter Sports

Girls basketball has concluded its season with a loss in the sub-district championship game. The girls finished the season with a record of 11-11. The boys basketball team will play their first round of sub-districts Monday February 20, 2023 in Gordon-Rushville against Gordon-Rushville. The wrestling team qualified two boys to the State Wrestling tournament. DJ Kohel and Reegan French both participated in the State Meet. Congratulations to those two students.

Coaches Clinic

Along with the local coach’s clinic being held February 20, 2023 in Scottsbluff. We have several coaches participating in continuous education. We have coaches going to clinics, participating in online trainings and attending state competitions.

I have an idea that I would like for us to possibly consider. We have a constant struggle of kids wanting to be in the gym and trying to find ways to get the gym open and monitored for them. We have even had kids sneak into the gym so they

can shoot. I think it is great that our kids want to be in the gym and not out engaging in negative behavior. I would love to find a way for our gyms to be open a large majority of the time. I wondered if we might consider adding a stipend to an afterhours gym sponsor. This person or persons would open the gym before school, after school, in the evenings, weekends. A schedule could be made to provide opportunities for kids to always have an opportunity to be in a supervised controlled setting. They could set the volleyball net up for so many days and the shooting machine up for so many days or anything else that would present itself. This would also be a good opportunity for the many volunteer people that we have helping with programs to be able to earn a little bit of money for helping. Coaches do the best they can to provide this opportunity but as you can see by their hour sheets they are stretched pretty thin. If we want to elevate our programs and see success, providing an easy way for our kids to have constant access to our amazing facilities would be a huge benefit.

EXCLUSIVE LICENSE AGREEMENT

Pepsi-Cola of Western Nebraska, LLC ("**Supplier**") and Morrill Public Schools ("**Customer**") headquartered in Morrill, NE, hereby agree as follows:

1. **Schools.** Customer operates Morrill Public Schools.
2. **Term.** The term of this Agreement will be for a period of five (5) years beginning on March 1, 2023, and will continue through February 28, 2028, or the completion of 900 school days, whichever comes later (the "**Term**"). Should some of those school days be through remote learning, the Supplier reserves the right to reduce the License Fee in a prorata amount based upon the number of school days physically held within the Schools. Thereafter, Customer will not enter into an agreement with any of Supplier's competitors without notice to Supplier and providing Supplier the opportunity to match the financial terms of such other agreement. If, after reviewing the competing offer, Supplier gives notice that it will match or beat the competitor's financial terms, the parties shall renew this Agreement (using such revised financial terms) for the same duration as set forth in the competitor's offer, or for such duration as the parties may mutually agree. Each year of the Term will be from March 1 through February 28 (the "**Year**").
3. **Scope.** During the Term, Customer shall purchase from Supplier (i) Pepsi-Cola's and Dr Pepper's corporate branded premix and postmix products, as listed in Exhibit A, for use in preparing fountain beverage products sold under the trademarks of Pepsi-Cola and Dr Pepper (the "**Fountain Products**"); and (ii) Pepsi-Cola's and corporate branded packaged beverage products (including carbonated soft drinks, waters, isotonic, juices, juice drinks and/or coffee based beverages), as listed in Exhibit B (the "**Packaged Products**"), (collectively the "**Beverage Products**") to be sold in the Schools. Supplier reserves the right to amend from time to time the Beverage Products listed on Exhibits A and B. Customer agrees to follow all guidelines of USDA Regulations set forth on Exhibit C attached hereto.
4. **Exclusive License.** Customer hereby grants to Supplier an exclusive license with respect to the Beverage Products as follows: the Beverage Products distributed by Supplier shall be the exclusive beverage products of their respective types sold, dispensed or otherwise made available in any manner or form, including vending machines and coolers, or in any way displayed, represented or promoted at or in connection with Customer and/or Schools by any method or through any medium whatsoever, whether public or private except: (a) at privately catered events not sponsored or catered by the Schools and the beverages served are offered at no additional charge to attendees and all evidence of the beverages served are promptly removed at the conclusion, (b) by the visitors for personal consumption, (c) the dispensing or serving of coffee or coffee-derived products, (d) the service of tea at catered events if such tea is served in cups (as opposed to single-serving cans or bottles), (e) tap water, (f) water most commonly dispensed in personal cups from water coolers and not packaged in individual cans or bottles, and (g) milk and milk-based drinks such as milk shakes and malts (the "**Exclusive License**").

5. **Vending Machines.** The Exclusive License shall include the exclusive right to place vending machines at the Schools (for purposes hereof, "vending machines" shall mean any type of vending equipment which offers or sells any beverage products; provided, vending machines shall not include non-coin operated vending machines, water coolers, or water fountains). Placement of vending machines shall be subject to the mutual agreement of the parties, provided Supplier shall have the right to place at least one Packaged Product vending machine per 100 students enrolled at the Schools of which 80 percent of the vending machines will be 20 oz. machines.
6. **Equipment.** Vending Machines and coolers (the "**Equipment**") relating to the sale of Beverage Products shall be provided, maintained, and repaired at Supplier's expense. At all times, legal title to the Equipment shall belong to Supplier.
7. **Advertising.** The Exclusive License shall include the right of Supplier to be the sole advertiser of Beverage Products at Schools. Supplier may place signage on scoreboards, fences, walls, etc. and hang banners at special events sponsored by Supplier, as long as they are in good taste in the opinion of the administrator of Schools.
8. **License Fee.** In consideration of the Exclusive License, Supplier shall pay Customer on or before March 31 of each Year, beginning March 2023 and ending March 2028, the sum of one thousand dollars (\$1,000), (the "**License Fee**").
9. **Additional Consideration.** In addition to the License Fee, Supplier agrees to provide to Customer the amounts, items, products and/or services set forth in Exhibit D attached hereto.
10. **Pricing.** A current delineation of the prices charged for the Beverage Products is set forth on Exhibit A and B attached hereto. All pricing of the Beverage Products shall be determined by Supplier. In the event of any change in prices, Supplier shall provide an updated price list to Schools. During the Term, should there be fees or taxes imposed on the sale of Beverage Products (the "**Beverage Taxes**"). Supplier shall collect the Beverage Taxes as required from the parties that purchased the Beverage Products.
11. **Termination.** This Agreement may be terminated by either party if the other party shall be in breach or default under any one or more of its covenants or agreements contained herein and such breach or default is not cured within thirty (30) days after written notice to the defaulting party.
12. **Remedies.** In the event of a default by a party, the non-defaulting party may exercise any and all rights and remedies allowed by law and/or equity.
13. **Binding Effect.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their successors and assigns.

Elementary Principal's Report

February 2023

- Teachers spent time reviewing and evaluating our Math curriculum in the later part of January. We identified strengths and weaknesses of Ready Math and brainstormed ideas to help supplement the areas that are needed. We also reviewed tentative NSCAS Growth data and ways to identify common standards that are not on track for proficiency.
- January Lions of the Month were recognized on February 3 and families attended. An additional positive behavior incentive was held on February 8. Students had to earn 5 tickets to attend a 101 Celebration in the gym on the 101st day of school. The celebration encouraged kids to be individually accountable for good behavior choices.
- We held a monthly Den day that focused on math activities. Students attend small group den day to engage with kids from all grade levels and other adults in the building.
- We initiated a “match” program that pairs 5-6 grade students (who meet certain criteria) with K-2 students during the soft start time in the morning (7:40-8:00 am). Students work on reading, sight words, and math facts. Older students who need extra support are matched with available adults as well.
- The Elementary PBIS team completed a zoom training with teachers from the EC and secondary schools on February 1 and reported back to the rest of the staff on Friday, February 3. They presented strategies to implement in classrooms to improve relationships, behavior and engagement
- Lauren Haag, Jamie Martin, Lauren Armstrong and I attended a Sing, Play, Love zoom training with Sunny Edwards. It focused on a Social Emotional Learning series that will be used at the Early Childhood Center. The elementary plans to utilize some of the materials in Kindergarten and during counseling classes to help with the PK to Kindergarten transition.
- On January 25, we had a day of virtual training sessions with our ARC Reading Coach. Teachers were scheduled for 2- 30 minute periods to work on implementation of the 3rd quarter materials, using the IRLA intervention piece, and answering questions. The ARC professional development days have been instrumental in helping with the new reading curriculum implementation.
- Luanna Soto has completed the training required for our yearly ELL assessments and has worked with our ELL students on their practice tests. We are working to get the technology in place in order to complete the ELPA tests at the beginning of March.
- We have made a lot of progress in a few committees that are worth noting: The mentoring committee has worked to develop a more formal mentoring program. They also meet monthly with mentors/mentees. Our newly developed Transition Team has met to work on developing a more comprehensive transition plan for students (PK to Kdg; Grade level transitions; and

Elementary to Jr. High). We hope to share those ideas and collaborate with the EC and secondary building in the near future.

- I have worked on observations and evaluations for primarily tenured teachers in the last month and have four left to complete.
- We are preparing for our first lockdown drill at the elementary school during the week of February 20-24.

Morrill Schools' Return to Learn Plan for the 2021-2022 School Year

Mission:

While carefully attending to the health and safety of students and staff, we will endeavor to maximize student learning and minimize the clumsiness and burden to the parents, school staff and the community.

We will continue these Health and Safety precautions that we began when we returned after the COVID-19 closure. These precautions have been and will be for all students infant – 12th grades:

1. Illness Monitoring:
 - a. Each student and staff member will be temperature checked at school **within the first hour of the day**.
 - b. Students and Staff who are checked above 100° will need to be fever free for at least 24 hours without fever reducing medication before returning to school. It is **IMPERATIVE** that Staff and Students do **NOT** take fever-reducing medication before coming to school.
 - c. Symptomatic students and staff **STAY AT HOME**.
2. Hand-washing & Hand-sanitizing:
 - a. Each student K-12 and each staff member must use hand-sanitizer upon entry of the bus, buildings and anytime they return from the bathroom, recess, specials, lunchroom, after they have coughed, sneezed or used a tissue.
 - b. Each child and staff member in early childhood must wash their hands the prescribed times per day for the prescribed length of time.
 - c. Avoid touching high touch surfaces; wash hands or apply hand sanitizer after doing so.
3. Disinfecting: the schools has a system of enhanced disinfection especially between groups
 - a. High contact surfaces (door knobs and other handles, light switches, bathroom fixtures)
 - b. Locker rooms and weight room
 - c. Computer labs, library, maker space, music room
 - d. Cafeteria:
 - i. Students will be spaced so that there are no more than six per table.
 - ii. Silverware will be dispensed onto the trays by cafeteria workers.
 - iii. Students will not touch the counter in the cafeteria, will be handed their tray and handed their milk.
 - iv. The salad bar will NOT be available, however pre-packaged salads will be available for those preferring a salad meal rather than an entrée meal.
4. In the event of a school, community or regional surge in the pandemic, we will carefully assess our situation and determine our course of action in conjunction with the local health department.

The focus on health can NOT jeopardize the effective preparation of our students. **THEREFORE**, we plan to begin school **face-to-face** for all students **5-days-a-week**. Our attention to the academic, social, emotional and nutritional needs of our students is paramount. For as long as we are permitted, by Nebraska's Governor and Commissioner of Education, we will not limit the number of days or hours students can be in school.
