Subject: 2026 Mileage Reimbursement Rate Update

State statute section 81-1176 provides that Administrative Services shall set the mileage rate used to reimburse State employees for use of a personal vehicle in conducting business for the State of Nebraska.

Effective January 1, 2026, the standard reimbursable mileage rate will be \$0.725 per mile for use of a personal vehicle. The updated motorcycle rate is \$0.705 per mile, and privately-owned aircraft is \$1.78 per mile. Additionally, the allowance for moving/relocation expense will be \$0.205 per mile.

Administrative Services website for State Accounting Travel Policy 1 (Air Travel); Travel Policy 7 (Personal Automobiles); and General Policy 10 (Moving Expense) have been revised to reflect these rate changes. The Expense Reimbursement Document (ERD) has been updated for the new personal vehicle mileage rate. Please make sure to use an ERD with the updated rate for all State business travel activity beginning on or after January 1, 2026, found at [DAS Website: Forms & Documents \(nebraska.gov\)](#)

County Purchasing Act

Neb. Rev. Stat. §§ 23-3101 to 23-1115

Citation of the Act: Sections 23-3101 to 23-3115 are known and may be cited as the County Purchasing Act. Section 23-3101.

Purpose of Act: To provide a uniform purchasing procedure for county purchases of equipment, supplies, other items of personal property, and services and to provide for county sales of surplus personal property which is obsolete or not usable by the county. Section 23-3102.

Legislative Intent: The Legislature encourages counties to work together under the provisions of the County Purchasing Act when joint purchases would be to the best advantage of such counties. Section 23- 3103.

Mobile Equipment, Personal Property and Services: The Act governs the purchase of mobile equipment; personal property that includes, but is not limited to, supplies, materials, mobile equipment, and equipment used by or furnished to any county officer, office, department, institution, board, or other agency of the county government. Personal property does not include election ballots. Additionally, there are provisions related to services. Section 23-3104.

- Mobile equipment means all vehicles propelled by any power other than muscular, including, but not limited to, motor vehicles, off-road designed vehicles, motorcycles, passenger cars, self-propelled mobile homes, truck-tractors, trucks, cabin trailers, semitrailers, trailers, utility trailers, and road and general-purpose construction and maintenance machinery not designed or used primarily for the transportation of persons or property, including, but not limited to, ditchdigging apparatus, asphalt spreaders, bucket loaders, leveling graders, earthmoving carryalls, power shovels, earthmoving equipment, and crawler tractors;
- Personal property includes, but is not limited to, supplies, materials, mobile equipment, and equipment used by or furnished to any county officer, office, department, institution, board, or other agency of the county government. Personal property does not include election ballots;
- Services means any and all services except telephone, telegraph, postal, and electric light and power service, other similar services, and election contractual services; and
- Purchasing or purchase means the obtaining of personal property or services by auction, sale, lease, trade or other contractual means. Purchasing or purchase does not include any purchase or lease of personal property or services by a facility established under section 23-3501 (hospital, nursing facility, assisted-living facility, etc. in a county having more than 3,600 inhabitants or more or which the taxable value is \$28.6 or more) or by or on behalf of a county coroner. Section 23-3104.

Purchasing Authority: The statutes empower only the county board or its purchasing agent to make purchases on behalf of the county. The statutes do not explicitly confer any such power on any other county official. Section 23-3106.

Section 23-3106 states in part, "The purchasing agent under the supervision of the county board or the county board ... shall purchase all personal property and services required by any office, officer, department, or agency of the county government in the county subject to the County Purchasing Act."

The county board shall pay the agent for such services during the time of employment as shall be agreed upon at or during the time of employment. The person so employed and designated shall serve at the pleasure of the county board and give bond to the county in such amount as the county board shall prescribe. Section 23-3105.

Notice of such special meeting shall be published in a newspaper of general circulation within the county at least five days before the special meeting. If no edition of a newspaper of general circulation within the county is to be finalized for printing prior to such publication deadline, notice of such special meeting shall be (a) posted by the newspaper to the newspaper's website, if available, (b) posted by the newspaper on a statewide website established and maintained as a repository for such notices by a majority

The county board shall, at its next regular meeting following the purchase, approve the purchase price by a vote of the county board. If no bids are received, the county board may purchase the personal property on the open market. Section 23-3109(3).

Considerations in Awarding the Bid

In awarding the bid, the following elements must be given consideration when applicable:

- (8) The performance of the personal property or service taking into consideration any commonly accepted tests and standards of product or service usability and user requirements;
- (9) The energy efficiency ratio as stated by the supplier;
- (10) The life-cycle costs between alternatives for all classes of equipment, the evidence of expected life, the repair and maintenance costs, and the energy consumption on a per year basis; and
- (11) Such other information as may be secured having a bearing on the decision. Section 23-3110.

Procedure Required for Competitive Bidding

When competitive sealed bidding is required for purchases which are valued at \$50,000 or greater:

- (1) Sealed bids must be solicited by public notice in a legal newspaper of general circulation in the county at least once a week for two consecutive weeks before the final date of submitting bids;

- (5) Any or all bids may be rejected and the bid need not be awarded at the time of opening, but may be held over for further consideration;
- (6) If all bids received on a pending contract are for the same unit price or total amount and appear to be so as the result of collusion between the bidders, the county board or purchasing agent shall have authority to reject all bids and to purchase the personal property or services in the open market, except that the price paid in the open market shall not exceed the bid price;
- (7) Each bid, with the name of bidder, must be entered on a record and each record, with the successful bidder indicated thereon, must, after the award or contract, be open to public inspection; and
- (8) Except as otherwise provided in the County Purchasing Act, all lettings on such bids shall be public and must be conducted as provided in Chapter 73, article 1. Section 23-3111.

To the County Board of Platte County, Nebraska,

This letter is to clarify the nature of your deposits with Bank of the Valley.

Bank of the Valley will first and foremost utilize the IntraFi (ICS) Network to obtain insurance coverage for your deposits instead of pledging securities. We promise to pledge up to \$10,000,000 of securities if we need to in the future, but we will use the IntraFi (ICS) Network as our first option. This is how your current accounts are obtaining the necessary coverage, and we intend to continue with this method.

The IntraFi Network offers full coverage up to \$180,000,000 through an ICS Demand Account and up to \$130,000,000 of coverage through an ICS Savings Account.

If you have any questions or concerns, please reach out to us.

We greatly appreciate being able to serve you.

Sincerely,

**TO THE COUNTY BOARD OF SUPERVISORS OR COMMISSIONERS,
PLATTE COUNTY, NEBRASKA**

The undersigned Bank hereby requests that it be designated a depository for funds of said county for the year 2025, pursuant to the Laws now in force in the State of Nebraska, relating to the deposit of County funds.

Said bank agrees, if so designated, to comply with all the laws of said State with reference to such deposits.

For the protection of such deposits, said Bank will secure the deposits in excess of FDIC insured limits with collateral through the Nebraska Single-Bank Collateral Pool Program pursuant to Neb.Rev.Stat.Section 77-2398.

The Nebraska Department of Banking and Finance has appointed the Nebraska Bankers Insurance and Services Company (NBISCO), the for-profit subsidiary of the Nebraska Bankers Association, to administer the Nebraska Single-Bank Collateral Pool Program pursuant to Neb.Rev.Stat. Section 77-2398(2) (b) (ii).

This program allows said Bank to aggregate their total public deposits and to pledge collateral against its entire portfolio of public deposits rather than pledging per entity. As the program administrator, NBISCO collects, confirms, and reports bank compliance with mandated pledging requirement on a monthly basis. Collateral is pledged to NBISCO. In the event of a bank closure, the pledged collateral would be assigned to NDBF for liquidation and payment to impacted political subdivisions.
