WITNESSETH: The Board agrees to employ Teacher above named in the schools of the district for a school year, which shall begin on or about **August 7, 2025** and conclude on or about **May 20, 2026**. Teacher accepts such employment at a salary of **$38,475** (Step 1/BA) under the following conditions:

FIRST: Teacher's compensation shall be payable in 12 equal installments. The first installment shall be payable on the 20th day of September and the remaining installments shall be payable on the 20th day of each month thereafter.

Teacher agrees to devote full time during days of school to his/her position in all respects and to perform the assigned duties diligently and faithfully to the best of his/her professional ability.

THIRD: In addition to the teaching duties set forth herein, Teacher may be assigned such "extra duty" assignments which shall be for such compensation as may be agreed upon by the District and the Teacher or at compensation based upon the negotiated extra-curricular pay schedule.

FOURTH: This contract may be canceled or amended during its term by majority of the Board members for any of the following reasons: (a) upon cancellation, termination, revocation or suspension of Teacher's certificate by the State Board of Education; (b) breach of any material provision of this contract; (c) any reason set forth in this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) immorality; (i) physical or mental incapacity; or (j) any conduct that interferes substantially with the teacher's continued performance of duties. Teacher shall refund any unearned fractional portion of an installment paid but not earned prior to termination of the contract.

SIXTH: There shall be no penalty for release or resignation by the Teacher from this contract, provided no resignation shall become effective until the close of the school year unless it is accepted by the Board, which shall fix the time that the resignation is to take effect.

SEVENTH: This contract shall conform to the regulations governing deductions from the above-stated compensation with reference to withholding tax, social security and Teacher's retirement. Other deductions may be withheld as agreed to by the parties to this contract.

EIGHTH: Teacher affirms that he/she is not under contract with another school board or board of education within this state covering a part or all of the same time of performance as is contemplated by this agreement.
