Superintendent's Report

June 8, 2026

BUDGET/FINANCIAL UPDATE

- Through May of 2026 we have spent 46.11% of the total budget totaling \$3,295,500. We continue to be in a strong financial position as we move into the summer months with June, July, and August still to go in our 2025-2026 Budget year. We collected \$1,896,844 in receipts for the month of May. This continues to strengthen our cash position during the months in which taxes are not paid.

BUILDING AND GROUNDS

- I have been continuing to keep in contact with Facilities Advocates and Northland Securities. On Tuesday, June 2 I met with Northland securities to review options within QCPUF and/or Lease-Purchase financing. We will continue to analyze our budget positions to determine the best course of action. Dave Raymond, Facilities Advocates, discussed the possibility of the following timeline to avoid price increases in January of 2027:
 - **July 13-** School Board meeting- either live or Zoom for a brief update/overview of project and process
 - **August 10-** School Board meeting- present updated Scope of Work and Budget for project implementation summer 2027
 - **Sept. 14-** School Board meeting with Fiscal Agent (Tobin Buchanan) Northland Securities to inform on Financing Options for ESCO contract
 - **October 12-** School Board to approve a Guaranteed Maximum Price (GMP) ESCO contract so final engineering, invitations to bid documents prepared and HVAC equipment is ordered
 - **Nov. 9-** School Board meeting to approve the Financing of the ESCO contract
 - **Work Completed Summer of 2027**
- The gym floors are in the process of being sanded, refinished, painted, and sealed. They both should be completed at the time of the meeting.
- The HS ELA classroom has been demolished and cleaned up. We are now in the process of putting everything back together. The electrician is working on updating light fixtures and outlets. The grid company should be here this week and carpet has been ordered.
- We will have between 5-7 boys that are interested in playing junior high basketball. We have reached out to Wood River to see if they had interest in letting us join them to ensure we have a jr. high football team. They agreed and we will be sitting down with them in the near future.

INFORMATIONAL ITEMS

- Weekly Updates - Weekly updates will shift to bi-weekly updates through July. We will resume weekly updates in August.

Superintendent Evaluation

Evidence 2025-2026

#1 -ESTABLISH SYSTEMS OF GROWTH

- Work with administration to develop and establish a data-informed decision making process to support students and staff in MTSS work to improve student learning.
 - Utilized identified data to support student learning within the MTSS process
 - CORE Phonics Survey - diagnostic assessment that is being implemented K-2
 - Data Sheet that goes with this to track student progress to aid in MTSS discussions
 - Adjustments to MTSS meeting schedule to build in more time to prepare and complete the data work necessary to review and make instructional decisions for students.
 - We will be looking to add Acadience Math benchmark screener to identify ‘at-risk’ learners
 - Tiered instructional group planning and support
 - Support principals in identifying interventions to meet the needs of students
 - Small group interventions and discussions of programing for interventions
 - Early Interventions in Reading & small group instruction
 - Spring Math Intervention
 - Staff have received training and began implementing the intervention
 - Additional training and support will be provided to staff in order to maximize the use and benefit of the intervention.
 - We are adding Language for Thinking to support students struggling with language acquisition and development.
 - The 2026-2027 Academic Calendar was built around the MTSS work that needs to be completed throughout the year. A professional development calendar has been created aligning with the academic calendar to systematize the work that needs to be completed.
 - Shifting of an 1.0 FTE to an interventionist maximizing the use of our current FTE and front loading instructional support in the early grades.
 - Addition of ACT Prep Course, On To College, to support students in preparing for the ACT.
 - Addition of Pre-ACT to 9th & 10th graders along with additional access and support for students taking the ACT this summer.
- Building and Grounds
 - Facilities are safe, welcoming, and well-maintained, projecting pride in the district.
 - Grounds are clean, accessible, and appealing, creating a positive first impression.
 - Maintenance Request Form (Google)

Superintendent Evaluation

Evidence 2025-2026

- Request for cleaning and maintenance (a work in progress)
- I meet weekly with the head of grounds and maintenance to prioritize work.
- I have developed and we are utilizing a summer work Summer Maintenance Google Sheet to prioritize, assign and track summer work and projects.
- Adjusting staffing to utilize the part-time summer help to mow keeping custodial/maintenance staff available to summer work.
- Cleaning schedules are visible, consistent, and tied to accountability checks.
 - Daily and Weekly Cleaning Schedules have been developed. Next steps will be to sit down with custodial/maintenance staff to review and update them so they are ready for fall implementation.
- A long-term facilities plan guiding capital projects, ensuring proactive upgrades instead of reactive fixes.
- A documented preventative maintenance schedule is in place and followed.
 - Equipment life cycles are tracked
 - I am currently building a master list of our main equipment that we currently own in order to build a master preventative maintenance list and calendar. We have a shared Google Calendar for building and grounds that will be a focal point for this schedule that is being developed. This way the tasks can be assigned specifically to a staff member and be put on the shared calendar with an invite to their calendar. I have used it with some other items this year putting deadlines on projects to hold us accountable for completion. This will also be used for summer projects.

#2 - COMMUNICATION

- Communication Plan
 - Develop a district plan that is followed and used to consistently communicate with all stakeholders
 - Identify channels of communication that are easily accessible and consistently used within the district.
 - Clean up and use of district communication tools (i.e. thrillshare/Apptegy, district calendar events (Apptegy), rSchool Activities Calendar
 - We are in the transition phase of moving to Bound. We currently have access to the site and are building our system. We meet weekly working through the transition plan preparing our site to go live this summer.
 - We have continued to build the backside of Bound in preparation of a 'Go Live' date of July 1, 2026. We currently have our fall schedule, coaching staff and

Superintendent Evaluation

Evidence 2025-2026

assignments, and preferences set. This is a continual work in progress as Bound has a transition site in which we have weekly training and tasks to complete.

- Board of Education
 - Provide weekly/biweekly updates to the board with relevant information
 - Weekly updates
 - Clear and open communication allowing for feedback and input
 - Adjusting board agendas based on feedback from board members, creating of superintendent evaluation based on feedback, policy updates
 - Committee meetings are now going to be set in Sparq and will track agendas. This provides transparency in what is being discussed during meetings.
 - May 11, 2026 working meeting seeking input for the purpose of updating & reviewing 3 policies.
- Students & Parents
 - Utilize district wide communication tools and social media to provide timely information as it relates to consistent communication for students and parents
 - Clean up and use of district communication tools (i.e. thrillshare/Apptegy, district calendar events (Apptegy), rSchool Activities Calendar
 - District Newsletter
 - CTE Stakeholder Survey was sent out to all 7-12 students and families seeking input on our current programming. This was included in our ReVISION ReFRESH process that was submitted to the NDE.
 - Be visible and approachable to students, parents, and community members
 - Attendance at school and community events (Movie night, flag football, youth basketball, and school activities)
 - We have worked hard to have a presence at as many activities as possible throughout the school year. We will continue to support our students in the programs in which they participate.
 - Continued attendance at school activities throughout the school year.
- Staff & Administration
 - Be visible and approachable to administration and staff

#3 - BUDGET

- Develop and maintain a fiscally responsible budget

Superintendent Evaluation

Evidence 2025-2026

- Capital Improvement Schedule
 - Short & Long-term Planning - Replacement Schedule through the use of a capital improvement schedule
 - The Transportation Schedule has been updated with current vehicles.
 - Uniform Replacement Schedule - updated and followed.
 - We are continuing to work through the ESCO process to replace aging HVAC systems while being fiscally responsible to the patrons.
 - 2026-2027 Budget Development
 - NASB Amplified Budget Workshop - April 8, 2026
- Proactively monitor and analyze impact of school finance and budgetary issues as a result of legislative actions and other contributing factors.
 - I am monitoring current legislation through the information shared via NCSA, NRCSA, and NASB. A shared folder has been created with all legislative information updated as it is received.
 - Continued to monitor legislation throughout the Legislative Session to monitor prospective bills and budget impact. This was communicated through weekly updates and superintendent reports.
- Continue to build cash reserve
 - Manage and build depreciation funds
 - We currently have only spent 26% of the budget. I will continue to monitor spending and aim to underspend where possible.
 - We have spent 40.92% of the budget and invested \$702,000 in CD's for a period of 7 months.
- Look for and apply for grant/alternative funding when appropriate
 - AASA Grant for flexible seating in commons area - The AASA had limited funds this year and we didn't receive the grant. We will continue to look for other local and federal grants.
 - We will continue to look for alternative ways to fund district projects and purchases as they come available.
 - REAP Grant - technology
 - I have attended a Zoom Meeting with a National Transportation Company that provides grants for electrical vehicles. Unfortunately, the district commitment makes this not a feasible option.

Summer School Update

Program Overview

Summer school at Shelton Elementary is off to a productive start as we continue our focus on supporting student growth and academic achievement during the summer months. We invited 42 students to participate in our summer learning program, with a focus on strengthening foundational skills in reading, writing, and mathematics. Summer instruction provides students with additional opportunities to reinforce essential skills in a smaller, more focused learning environment.

Staffing and Attendance

Mrs. King and Mrs. Gomez are leading this year's summer school sessions. Summer School began on June 1 and will continue through June 18th. Currently, 28 students are actively attending the program.

In School Savings Program Update

Program Impact

Shelton Elementary remains committed to promoting financial literacy and providing students with meaningful opportunities to develop lifelong money management skills through participation in the In-School Savings Program. This initiative provides students with hands-on experiences in saving, goal setting, and financial responsibility.

Statewide Data Highlights

The statewide impact of In School Savings Programs continues to demonstrate the value of financial literacy education. Based on reporting from 72 of 90 participating programs across the state, 6,510 students collectively saved \$378,763.28 during the school year. These results highlight the positive impact these programs have in helping students develop strong financial habits at an early age.

Local Focus

Our In-School Savings Program continues to provide Shelton students with authentic learning experiences while reinforcing the importance of financial responsibility and future planning. We appreciate the partnerships and support that help make these opportunities possible for our students.

EXECUTIVE SUMMARY

98% Up-Time

Our commitment to quality and service results in an average up-time of 98% for the equipment we provide. We guarantee a quarterly average up-time of 98%, and we will exchange any machine that fails to achieve this.

Manufacturer's Specifications

We provide precise records that track a complete customer history of equipment performance, print usage and maintenance requirements to ensure peak operation of your system. Should the unit be un-repairable onsite, we will provide a temporary replacement at no charge until repairs are completed.

2-Hour Response Time

Our dealership provides rapid call back with 2-hour or less service response time.

Manufacturer-Trained Personnel

We guarantee to follow the manufacturer's suggested replacement schedule on all consumable parts. All improvements made available by the manufacturer will be installed at no additional charge. Equipment operators will be provided with free, unlimited training for the lifetime of the digital system while maintained under one of our Agreements.

EAKES SERVICE

Expertise

Industry experience, we've got it! Over 45 Service Engineers conveniently located throughout our market averaging 19 years in the industry – that's over 850 years of technical expertise.

Advanced Service Dispatch

Within minutes of your call or email to us, a Service Engineer is notified.

Remote Service

With today's technology, some service calls can be completed quickly by our Service Engineers accessing devices remotely. That's fast service.

e-info

With Eakes' online service portal, e-info, you can easily order toner, request service or submit meter readings all from one simple interface.

Continuing Education

Our Service Engineers are continuously training with the manufacturers, Eakes Technical Trainer and our pooled resources internally.

Team Leadership

The Service team is led by a trio with almost 60 years technical experience at Eakes. They provide support directly to the technical team in the field.

TECHNOLOGY SERVICES CONSULTANTS

Your equipment has been delivered and installed. Now what? How do you get the most out of your investment?

Training. Training. Training.

Our Technology Services Consultants provide integrated training and support. It is user-specific training and consulting from basic printing needs to the most sophisticated, networked systems and software solutions.

The key contact in your organization will work with Eakes Technology Services Consultants to create a technology training plan for users. Training will be conducted in front of the machines with user interaction to assure competence.

Our trainers specialize in...

SOFTWARE SERVICES

Today's multi-function printing devices are smarter. They have touch screens and the ability to run embedded software directly on the device itself. This new technology has allowed us to bring a popular print and document management software into the MFP space, making it a technology hub for your organization.

We work with you from discovering what documents and processes you are managing in your organization, to finding the best software solution for you and demonstrating how the software works specifically to your needs. We work side-by-side with your staff on both installing and training on the new software. It's a complete package of services.

Discovery Meeting

What documents and processes are you managing in your organization? Once we understand what you are doing, we can create a solution that will provide economy or efficiency or both.

Demonstration

Our demonstration shows how the software solution can be applied in your environment, with your processes and workflow.

Installation

Our Technology Consultants work directly with you to fine tune the installation and application within your organization and create a Statement of Work defining the entire implementation plan.

Training

Eakes Technology Consultants will also work with you on this project to create a technology training plan. Training options include train-the-trainer, group training or multiple sessions.

SOFTWARE PARTNERS

PaperCut MF is a low-cost software solution that is primarily used to manage print and copy access, implement quotas, charge per page and account by user, department or client via silent tracking or policy.

GoldFax, built on Microsoft .NET™ technology, integrates Sharp OSA-enabled MFPs into enterprise-class Fax Server solutions at a small business price. Increase productivity: automated fax routing and PC faxing. Integrates with your software applications, e-mail and phone system.

docMgt was designed to provide you with an easy way to address your document management challenges. It's intuitive, affordable and cost effective. With docMgt, you can manage content from any source whether its scanning paper documents, importing emails, generating e-forms or importing document created in other applications or systems.

Superintendent Evaluation

Evidence 2025-2026

#1 -ESTABLISH SYSTEMS OF GROWTH

- Work with administration to develop and establish a data-informed decision making process to support students and staff in MTSS work to improve student learning.
 - Utilized identified data to support student learning within the MTSS process
 - CORE Phonics Survey - diagnostic assessment that is being implemented K-2
 - Data Sheet that goes with this to track student progress to aid in MTSS discussions
 - Adjustments to MTSS meeting schedule to build in more time to prepare and complete the data work necessary to review and make instructional decisions for students.
 - We will be looking to add Acadience Math benchmark screener to identify ‘at-risk’ learners
 - Tiered instructional group planning and support
 - Support principals in identifying interventions to meet the needs of students
 - Small group interventions and discussions of programing for interventions
 - Early Interventions in Reading & small group instruction
 - Spring Math Intervention
 - Staff have received training and began implementing the intervention
 - Additional training and support will be provided to staff in order to maximize the use and benefit of the intervention.
 - We are adding Language for Thinking to support students struggling with language acquisition and development.
 - The 2026-2027 Academic Calendar was built around the MTSS work that needs to be completed throughout the year. A professional development calendar has been created aligning with the academic calendar to systematize the work that needs to be completed.
 - Shifting of an 1.0 FTE to an interventionist maximizing the use of our current FTE and front loading instructional support in the early grades.
 - Addition of ACT Prep Course, On To College, to support students in preparing for the ACT.
 - Addition of Pre-ACT to 9th & 10th graders along with additional access and support for students taking the ACT this summer.
- Building and Grounds
 - Facilities are safe, welcoming, and well-maintained, projecting pride in the district.
 - Grounds are clean, accessible, and appealing, creating a positive first impression.
 - Maintenance Request Form (Google)

Superintendent Evaluation

Evidence 2025-2026

- Request for cleaning and maintenance (a work in progress)
- I meet weekly with the head of grounds and maintenance to prioritize work.
- I have developed and we are utilizing a summer work Summer Maintenance Google Sheet to prioritize, assign and track summer work and projects.
- Adjusting staffing to utilize the part-time summer help to mow keeping custodial/maintenance staff available to summer work.
- Cleaning schedules are visible, consistent, and tied to accountability checks.
 - Daily and Weekly Cleaning Schedules have been developed. Next steps will be to sit down with custodial/maintenance staff to review and update them so they are ready for fall implementation.
- A long-term facilities plan guiding capital projects, ensuring proactive upgrades instead of reactive fixes.
- A documented preventative maintenance schedule is in place and followed.
 - Equipment life cycles are tracked
 - I am currently building a master list of our main equipment that we currently own in order to build a master preventative maintenance list and calendar. We have a shared Google Calendar for building and grounds that will be a focal point for this schedule that is being developed. This way the tasks can be assigned specifically to a staff member and be put on the shared calendar with an invite to their calendar. I have used it with some other items this year putting deadlines on projects to hold us accountable for completion. This will also be used for summer projects.

#2 - COMMUNICATION

- Communication Plan
 - Develop a district plan that is followed and used to consistently communicate with all stakeholders
 - Identify channels of communication that are easily accessible and consistently used within the district.
 - Clean up and use of district communication tools (i.e. thrillshare/Apptegy, district calendar events (Apptegy), rSchool Activities Calendar
 - We are in the transition phase of moving to Bound. We currently have access to the site and are building our system. We meet weekly working through the transition plan preparing our site to go live this summer.
 - We have continued to build the backside of Bound in preparation of a 'Go Live' date of July 1, 2026. We currently have our fall schedule, coaching staff and

Superintendent Evaluation

Evidence 2025-2026

assignments, and preferences set. This is a continual work in progress as Bound has a transition site in which we have weekly training and tasks to complete.

- Board of Education
 - Provide weekly/biweekly updates to the board with relevant information
 - Weekly updates
 - Clear and open communication allowing for feedback and input
 - Adjusting board agendas based on feedback from board members, creating of superintendent evaluation based on feedback, policy updates
 - Committee meetings are now going to be set in Sparq and will track agendas. This provides transparency in what is being discussed during meetings.
 - May 11, 2026 working meeting seeking input for the purpose of updating & reviewing 3 policies.
- Students & Parents
 - Utilize district wide communication tools and social media to provide timely information as it relates to consistent communication for students and parents
 - Clean up and use of district communication tools (i.e. thrillshare/Apptegy, district calendar events (Apptegy), rSchool Activities Calendar
 - District Newsletter
 - CTE Stakeholder Survey was sent out to all 7-12 students and families seeking input on our current programming. This was included in our ReVISION ReFRESH process that was submitted to the NDE.
 - Be visible and approachable to students, parents, and community members
 - Attendance at school and community events (Movie night, flag football, youth basketball, and school activities)
 - We have worked hard to have a presence at as many activities as possible throughout the school year. We will continue to support our students in the programs in which they participate.
 - Continued attendance at school activities throughout the school year.
- Staff & Administration
 - Be visible and approachable to administration and staff

#3 - BUDGET

- Develop and maintain a fiscally responsible budget

Superintendent Evaluation

Evidence 2025-2026

- Capital Improvement Schedule
 - Short & Long-term Planning - Replacement Schedule through the use of a capital improvement schedule
 - The Transportation Schedule has been updated with current vehicles.
 - Uniform Replacement Schedule - updated and followed.
 - We are continuing to work through the ESCO process to replace aging HVAC systems while being fiscally responsible to the patrons.
 - 2026-2027 Budget Development
 - NASB Amplified Budget Workshop - April 8, 2026
- Proactively monitor and analyze impact of school finance and budgetary issues as a result of legislative actions and other contributing factors.
 - I am monitoring current legislation through the information shared via NCSA, NRCSA, and NASB. A shared folder has been created with all legislative information updated as it is received.
 - Continued to monitor legislation throughout the Legislative Session to monitor prospective bills and budget impact. This was communicated through weekly updates and superintendent reports.
- Continue to build cash reserve
 - Manage and build depreciation funds
 - We currently have only spent 26% of the budget. I will continue to monitor spending and aim to underspend where possible.
 - We have spent 40.92% of the budget and invested \$702,000 in CD's for a period of 7 months.
- Look for and apply for grant/alternative funding when appropriate
 - AASA Grant for flexible seating in commons area - The AASA had limited funds this year and we didn't receive the grant. We will continue to look for other local and federal grants.
 - We will continue to look for alternative ways to fund district projects and purchases as they come available.
 - REAP Grant - technology
 - I have attended a Zoom Meeting with a National Transportation Company that provides grants for electrical vehicles. Unfortunately, the district commitment makes this not a feasible option.
