NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

VI.D. Superintendent's Report

Dr. Prososki went over the 2024 Teacher Shortage Report, and he reviewed the recent ALICAP insurance review. Next, Dr. Prososki went over the 2023-2024 Civil Rights Data Collection that must be completed every 2 years based on the U.S. Department of Education requirements. From here, Dr. Prososki went over several studies that show the lingering effect that the pandemic has had on student attendance, emotional regulation, and academic performance on younger students. Dr. Prososki went over the Middle of the Year (MOY) DIBELS results, and noted that he would like the school board to set classified and principals' salaries for the 2025-2026 school year at the February school board meeting. Dr. Prososki went over a legislative update, and he said the state faces a \$1.125 billion dollar shortfall over the next biennium budget because of the recently enacted income tax cuts. In addition, he explained the 2024 tax statement that recently came out that will be paid out in 2025. Next, Dr. Prososki went over his behind-the-scenes work to rectify bad legislation before the start of the 109th Legislature session. He noted that he met with both Senator Myron Dorn and Senator Tom Brandt regarding concerns related LB 575 Sports &

Spaces. Both senators agreed with his concerns, and Senator Kathleen Kauth reached out over the phone to discuss Dr. Prososki's concerns (e.g., not allowing a mother with an infant son to go to the same restroom together because they are of different genders). Senator Kauth said the new rendition will address Dr. Prososki concerns. Lastly, Dr. Prososki reminded the school board of the spring NRCSA conference, he went over a property tax comparison for Gage County, and he gave the school board an update on a recent PowerSchool data breach.

Southern School District
115 South 11th Street
Wymore, NE 68466

Dear Southern Board of Education,

Please accept this letter of resignation at the conclusion of my 2024-2025 contract. After much thought and deliberation, I have decided to accept a superintendent position at Hastings Public Schools for the 2025-2026 school year.

It has been an honor and privilege to serve this system over a span of 8-years. In the best of times and in the worst of times, I have always strived to lead with a steady hand and a full heart. My official last day in the district is on June 30, 2025. Over the next 5-months, I will ensure that there is a smooth transition for the next superintendent at Southern.

Southern Public Schools will always hold a special place in my heart, and I am going to miss all of the students, the staff, the board of education, the parents, and the patrons. In addition, I will miss the great communities of both Blue Springs and Wymore.

Thanks again for allowing me the opportunity to serve in the district, and I have enjoyed it immensely!

Sincerely,

Christopher Prososki, Ed.D.
Superintendent

The Principal agrees to work sufficient hours and days to satisfactorily complete the duties of this contract. The Principal shall keep complete and accurate records of his working days and shall provide the Superintendent with a report of his accumulated working days at least yearly.

Section 4. Deductions. This contract shall conform to the statutes and regulations governing deductions from compensation. The Principal authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Principal or

the value of property or money entrusted to the Principal or owed by the Principal to the District during the course of or as a result of the Principal's employment, if such property or money have not properly been returned to the District. The School District shall withhold other deductions as the Principal and Board may agree.

Section 5. Professional Status. The Principal affirms that he is not under contract with any other board of education covering any part or all of the term provided in this contract. Section 6. Principal's Duties. The Principal's duties shall be as prescribed by statute and by Board policies, rules, regulations and directives. The Principal agrees to devote his time, skill, labor and attention to his duties throughout the contract term. He shall be subject to the direction and control of the Superintendent at all times and shall perform such administrative duties as the Superintendent or Board assigns to him. By agreement with the Superintendent, he may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out his duties and obligations to the School District.

Section 7. Nonrenewal, Termination, Cancellation, or Mid-Term Amendment. Nonrenewal, termination, cancellation, or amendment of this contract shall be in accordance with state statutes. During any applicable probationary period, the Board may nonrenew or amend this contract for any reason so long as it is not unconstitutional. At all other times, the Board may terminate, cancel, or amend this contract for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Principal's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State

Board of Education: (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Principal's continued performance of his duties; (m) any arrest, criminal charge, or criminal conviction of Principal or the failure to report the same; (n) any filing against the Principal under Neb. Section 8. Disability. If the Principal is unable to perform his duties by reason of illness, accident or other disability beyond his control, and the disability continues for a period of more than the Principal's then-current, accumulated sick leave, or if the disability is permanent, irreparable, or of such a nature as to make performance of his duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Principal under any insurance coverage furnished by the School District.

Section 9. Transportation. The Board shall provide the Principal with transportation or reimburse him for mileage required in the performance of his official duties at the rate approved by the Board.

Section 10. Fringe Benefits. The Board shall provide the Principal with the following fringe benefits:

If the Principal qualifies for disability pay under a long-term disability policy, he shall be required to take the disability pay instead of sick leave pay. The Principal shall keep complete and accurate records of his sick days. The Principal shall not be compensated for unused days of sick leave upon the ending of his employment with the District.
- d. Disability Insurance.** The Principal shall purchase long-term disability insurance from the School District's carrier at his own expense. The Board will increase his salary by the amount of the premium cost.
- e. Personal Days.** The Principal shall have 3 personal days for the 2025-2026 contract year which he may use at times he chooses so long as his absence does not interfere with the proper performance of his duties. All parties will cooperate in arranging personal time so as to cause the least inconvenience to the normal operation of the District.
- f. Professional Development.** The Principal is expected to continue his professional development and to participate in relevant learning experiences. With the approval of the Superintendent or Board, he may attend appropriate professional meetings at the local and state level; and the Board will pay for valid expenses of attendance.

If the Principal is in his first year of employment with the District and does not have his domicile and principal place of residence within the District at the time of his employment, the Principal shall move his domicile and principal place of residence into the corporate limits of the District before the expiration of the first six months from the Principal's first duty day under this contract. It is the purpose of this paragraph to require the Principal to, at all times during such employment, live and maintain his domicile and principal place of residence in the District to encourage the Principal: (1) to be highly motivated and deeply committed to the District's educational system; (2) to speak to and vote on ballot issues affecting the district as a legal voter of the School District; (3) to be involved in school and community activities bringing his in contact with parents and community leaders and be committed to the future of the district and its schools; (4) to be accessible to parents and students, and allow parents and students to become personally acquainted with the Principal; and, (5) to gain sympathy and understanding for the cultural basis of the community, and the social, economic, and environmental problems of the children of the school community and are thus less likely to be considered isolated from the community in which he is the educational leader.

Section 13. Evaluation. The Superintendent shall evaluate the Principal as required by state statute. The Principal agrees that the full instructional/observational evaluation period, as required by section 79-828, shall mean any observation of the Principal's duties for at least 40 minutes, whether consecutive or as aggregated throughout the period applicable to the evaluation. The Principal agrees that time spent working in conjunction with the Superintendent on school-related matters may be counted toward observation for a full instructional period.

Section 14. Legal Actions. The Board will support the Principal if there is a legal dispute caused by his carrying out his duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Principal as a result of his performance of his duties or his position as Principal of the district, the Board will provide him with a legal defense to the maximum extent permitted by law so long as he acted in good faith and in a manner which he reasonably believes to be in or not opposed to the best interests of the district and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful.

Section 15. Physical or Mental Examination. The Principal agrees that, at the request of the Board or Superintendent, he will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this Contract. In deference to the requirements of the Americans with Disabilities Act and HIPAA, the physician's report to the Board and/or Superintendent must address whether the Principal is able to perform the "essential functions" of his position.

Section 16. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contract.

Section 17. Amendments to be in Writing. This contract may be modified or amended only by a writing duly authorized and executed by the Principal and the Board.

The board encourages instructional staff to incorporate field trips into the curriculum. These trips should normally be conducted during the school day.

1. General Conditions

All trips must be pre-approved by the teacher's building principal. Out-of-state and overnight trips require pre-approval by the board. The superintendent and principals will develop guidelines for approval of trips and communicate those guidelines to teaching staff.

2. Parental Permission

Each student must submit a signed parental permission slip prior to being allowed to attend a field trip. A new permission slip must be submitted for each trip. Caregivers, as that term is defined in the Nebraska Strengthening Families Act, shall be permitted to sign parental permission slips.

3. Supervision

Sponsoring teachers must ensure that students are adequately supervised and chaperoned by a responsible adult at all times during field trips. Whether paid staff or volunteers, chaperones are prohibited from drinking alcoholic beverages of any kind at any time during any field trip. All chaperones must be at least 21 years of age. Any chaperone who drives students must possess a valid driver's license. Chaperones who drive students in private vehicles must possess adequate insurance coverage. Chaperones do not have any property right in or to a chaperone assignment. The school district may deny or terminate a chaperone assignment for any reason that is not unconstitutional or unlawful. The superintendent's decision shall be final. All chaperones must pass a background check prior to them being permitted to attend the event (Unless a chaperone is going for every child and they are just supervising their own child).

4. Student Conduct

Students must comply with the student code of conduct, any applicable extracurricular conduct codes, and all directives by trip chaperones.
