## Mrs. Odens' June, 2021 School Board Report

The last weeks of school were very busy. We ended the year with concerts, K-6 Awards, Middle School Awards, and Field Day.

Kelly Erickson from ESU15 helped us work on our School Improvement plan on May 26th. Mrs. Dickey and Mrs. O'Neil were also part of this process.

Mrs. Lakey has started working with students with summer service hours. Some students are also coming in and getting some additional speech sessions to make up for the time they missed this school year. We are offering these sessions via Zoom utilizing the same company that helped us finish out the school year. The sessions are held in the mornings Monday thru Thursday.

The admin team has been working on going through and updating the handbooks. We have worked on the schedule with Mr. Herbert. Mr. Sorensen and I will be participating in a Zoom on Educator Effectiveness Thursday and Friday morning.

The PBIS team will participate in a training via Zoom on June 17th. Abigail Almanza and Lindsey Teply have replaced Chris Bartels and Jeff Gleisberg on our team. Scott and Maika Leibbrandt are sharing the position that Amy Leibbrandt had held as a parent.

### Academics & Students

- Finished the year strong. Students did a great job cleaning out lockers and rooms on the last day of school.
- Awards ceremonies for both the elementary and middle/high school were well received by the student body. The elementary staff's flash mob was also a big hit.
- The field day was a great day other than it was cut short in the afternoon due to lightning.
- Graduation ceremony went well. Thank you, board members for taking part in that.
- End of the year music concert was a success. There was a great crowd and the students did very well.
- We had a great showing by both our boys and girls track athletes at state. The girls took the team Championship in an impressive manner.
- Teacher check out went well.
- We had a training for the POS lunch system with everyone who runs it. There is an upgrade coming and there were some things we learned during the training.
- We had our 2nd American Civics committee meeting. The committee reviewed the current textbooks that are being utilized in the classrooms.
- Worked with Infinite Campus on developing a PD schedule for next year based off of a survey that we sent out to staff.
- Working on signing a contract with Pepsi and updating our Pepsi machine in the teachers lounge to give them more options. I sent out several surveys to the staff to

make sure we will stock the items that they like. We may put a machine in the main commons as well with water and flavored water for students.

- Mr. Sorensen and I continued to search for science teachers. We held 5 interviews and ended up getting 2 great candidates who will serve our district well. Our staff is now filled for the 21-22 school year.
- Spent a day with Kelley Erickson and the School Improvement Team preparing for next year's state visitation/assessment of the district.
- Traveled to ESU in Trenton to start the process of updating our teacher evaluation tool. NDE is putting in place new requirements, which is why we are starting to look at this.
- Filled out a bunch of state reports for NDE including but not limited to the days in session report, pupil transportation report, substitute teacher days worked report, Perkins Consortium Grant for a couple surrounding districts, SPED IDEA for 21-22, lunch program report, and started the ESSER III grant process.
- I have been working on and scheduled a training for our district instructional leaders for June 23rd over the Marzano Instructional Model. This will be the first training. I will then work on setting up a training date for the teachers.
- Researched and purchased TeachPoint for our principals. This is a cloud based software system where all informal and formal evaluations will take place. It is also a great place for teachers to set their annual teacher goals. It will make observations run smoother and it will help the administration team keep track of our evaluation processes. This will be a great tool to have while we start to implement Marzano into the district.
- We are scheduled for a safety training on June 22-23. This will include local police, emergency manager and fire/EMT along with school personnel.
- Academic achievement boards have been updated after all of the new scores have been recorded.

## **Building & Grounds**

- Still waiting on our 2nd van that we purchased. It sounds like it is a chip issue that is holding it up.
- We have been given the vin numbers for the 2 buses we purchased. We are hopeful they will be delivered in early August.
- Held a buildings and grounds committee meeting. We discussed resurfacing the track, Updating main office furniture and carpet, Carpeting the H.S. music wing (band and choir rooms), replacing all of the bathroom partitions, discussed some possible concrete work and other future projects.
- Dallas and I are still working on setting a date for a school auction in July to get rid of excess items.
- 99% of the new phone lines have been run to every classroom and phones will get installed hopefully by the end of this week. Big thanks to Dallas, his crew, and Jeff E. for all their hard work on this.
- Held a Technology committee meeting to discuss some upgrades to the industrial tech department.
- I am working with a tree expert in Lincoln, who I found through the extension office, to get a better understanding of our discoloration and potential illness to some trees on the north side of the property.

## **Budget & Finance**

- We received our IDEA funds for the 20-21 school year.
- We are working on pulling down the ESSER II funds right now and are waiting for approval from NDE
- Through May's expenses we are 75% of the way through our fiscal year and have spent 61% of the budget to date.
- Current Cash on Hand for each Account...

- General Fund - \$3,061,499
- Depreciation - \$456,583
- Activities - "General Fund" \$86,467 Total Activities \$442,614
- School Nutrition - \$197,261

## ► Statement of Work

---

### Scope of Project

Prime Communications will add (2) new doors to the customers' existing Genetec system. The Genetec system has recently been transferred to Prime from another integrator. The system is currently on 5.8 and has (14) total doors controlled by (14) EH400 door controllers. The system does not have Genetec Advantage. Prime will add (1) year of Advantage to cover the current and new doors.

The North and South gym doors will be added to the system. The doors currently have electric strikes and card readers installed. Prime will provide (1) EH400 door controller, (1) door contact, (1) PIR detector, and all the needed cabling and labor to complete the installation at each door.

All existing door locations currently on the system are assumed to be in a good and working order. Any troubleshooting or additional work needed for the (14) existing doors will be quoted separately.

Prime will work with IT to request (2) IP addresses, update the license with the additional reader connections, name each door once according to owner's requirements, place into specified area, and configure for any applicable access levels and schedules.

(2) hours of remote training will be provided to the customer on the system.

## ► Terms & Conditions

### Terms & Conditions - Prime Standard

#### TERMS AND CONDITIONS OF CONTRACT FOR SALE

**1. CONTRACT BETWEEN BUYER AND SELLER:** These terms and conditions of sale, together with a services agreement (if any) (which is incorporated herein by this reference) (collectively, these “Terms”), are the only terms which govern the sale of the products and/or services (collectively, the “Goods”) described herein by Prime Communications, Inc. (“Seller”) to the person or entity purchasing the Goods (“Buyer”). Buyer will be deemed to have assented to the Terms by (a) executing and delivering an acknowledgement of these Terms to Seller or (b) acceptance of any of the Goods. No additional or different specifications will be binding upon Seller unless specifically agreed to in writing. Any additional or different terms already or hereafter proposed by Buyer, whether in a purchase order or otherwise, are hereby rejected and shall not apply; failure of Seller to object to provisions contained in any purchase order or other communication from Buyer shall not be construed as a waiver of these Terms nor an acceptance of any such provisions. Any invoice, together with these Terms, comprises the entire agreement between the parties with respect to the supply of the Goods, and any contract arising therefrom shall be governed solely by the invoice and these Terms (the “Contract”), which supersede all prior or contemporaneous understandings, negotiations, representations and warranties, and communications, both written and oral. In the event of a conflict between a provision of this Contract and a provision of any other applicable document, including all SOWs, change orders, service agreements and schedules, the provision imposing the more demanding term, condition, duty or standard of performance on Buyer, or the greater limitation on the nature and type of relief or damages allowed to Buyer, shall control.

**2. DELAYS:** If either party is delayed or prevented from performing its obligations under this Contract as a result of any cause beyond its reasonable control, including, without limitation, acts of God, fire, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations, utility or communication interruptions, rejection of domain name by registration company, transportation delays, power failure, computer failure, failure of Buyer’s computer system, Seller system downtime for routine maintenance, network problems or telecommunications failure (each a “Force Majeure Event”), the delay shall be excused during the continuance of, and to the extent of, such cause, and the period of performance shall be extended to the extent necessary to allow performance after the cause of delay has been removed.

**3. LIABILITY:** BUYER AGREES THAT, IN NO EVENT WILL SELLER’S LIABILITY WITH RESPECT TO ANY CLAIM UNDER THIS CONTRACT EXCEED THE FEES PAID TO SELLER BY BUYER DURING THE SIX (6) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE OF THE EVENT THAT GAVE RISE TO THE CLAIM. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY INDIRECT, INCIDENTAL, EXEMPLARY, PUNITIVE, SPECIAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATING TO THIS CONTRACT EVEN IF SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IF A STATE DOES NOT PERMIT THE EXCLUSION OR LIMITATION OF LIABILITY AS SET FORTH HEREIN, LIABILITY IS LIMITED TO THE EXTENT PERMITTED BY APPLICABLE LAW.

**4. WARRANTY:** (a) Seller warrants, for a period of 12 months from the completion of any services provided pursuant to this Contract, that the services (i) shall be performed diligently and in a good and workmanlike manner, in accordance with the terms hereof, and (ii) shall conform to applicable specifications. As Buyer’s sole and exclusive remedy for Seller’s breach of the foregoing warranty, Seller will, in its reasonable discretion, re-perform any services Seller reasonably determines did not meet this warranty at the time the services were rendered. Seller’s obligations in relation to the warranty set out in this Section 4(a) shall be limited to such re-performance and shall be conditional upon Buyer notifying Seller in writing of any alleged defect within 10 days after its discovery. Such notice shall include an explanation of the claimed warranty defect and proof of date of performance of the services for which warranty coverage is sought.

(b) The warranty set out in Section 4(a) shall not apply to: (i) defects caused by abuse, negligence or accident, acts of nature (including lightning strikes), improper operation, or power surge/loss; (ii) equipment that has been maintained, repaired or modified by persons other than Seller or persons authorized by Seller; (iii) equipment that has been used or serviced otherwise than in conformity with Seller’s applicable specifications, manuals, bulletins or instructions; (iv) equipment that has been improperly used, stored or operated; (v) preventative maintenance, inspections or any other maintenance required to keep the system operational; or (vi) consumable items, including but not limited to printer heads, access cards and other items designed to fail in order to protect the equipment (*i.e.*, fuses and surge protectors).

(c) Warranties on products sold but not manufactured by the Seller are expressly limited to the terms of warranties of the manufacturer of such products. Seller shall use its reasonable efforts to transfer to Buyer the benefit of any warranty or guarantee given to Seller by the manufacturer of such third party products.

(d) EXCEPT AS OTHERWISE NOTED IN THIS CONTRACT OR IN THE APPLICABLE SERVICES AGREEMENT, BUYER AGREES THAT ALL GOODS PROVIDED PURSUANT TO THIS CONTRACT ARE PROVIDED ON AN “AS IS,” AND “AS AVAILABLE” BASIS. SELLER AND ITS LICENSORS EXPRESSLY DISCLAIM ALL WARRANTIES OF ANY KIND PERTAINING TO THE GOODS, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. NEITHER SELLER NOR ITS LICENSORS MAKES ANY WARRANTY THAT THE GOODS OR SERVICES PROVIDED HEREUNDER WILL MEET BUYER’S REQUIREMENTS, NOR DO SELLER OR ITS LICENSORS MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM THE GOODS OR SERVICES OR AS TO THE ACCURACY OR RELIABILITY OF ANY INFORMATION OBTAINED THROUGH THE GOODS OR SERVICES. TO THE EXTENT ANY JURISDICTION DOES NOT PERMIT THE EXCLUSION OF CERTAIN WARRANTIES, SOME OF THE ABOVE EXCLUSIONS MAY NOT APPLY TO BUYER.

**5. ADVICE BY SELLER:** The giving or failure to give advice or recommendation of any character by Seller shall not impose any liability upon Seller nor grant to the Buyer any license to the use of any of Seller’s patents, trademarks, trade names, technology, or any other intellectual property.

**6. CREDITWORTHINESS:** All shipments to be made hereunder shall at all times be subject to the approval of Seller’s Credit Department and, if the

## ► Terms & Conditions

financial responsibility of Buyer is unsatisfactory, or becomes impaired, or if Buyer fails to make any payment in accordance with the terms of this Contract, then, in any such event, Seller may defer or decline to make any shipments hereunder except upon receipt of security satisfactory to Seller or cash payments in advance, or it may terminate this Contract.

**7. ASSIGNMENT:** This Contract, together with all rights, liabilities and obligations arising thereunder, may be assigned wholly or in part by Seller to any one or more of the entities affiliated with the Seller, without the necessity of prior notice to Buyer. Buyer may not assign its rights or obligations under this Contract without Seller's prior written consent, which may be withheld or conditioned at the discretion of Seller.

**8. TAXES:** The price specified herein or in any invoice does not include the amount of any present or future tax applicable to the sale, manufacture, delivery, use and/or other handling of material hereunder, and any such taxes shall be paid by the Buyer.

**9. CHANGES:** Seller assumes no responsibility for any changes in the specifications outlined in the original order, unless such changes are confirmed in writing by Buyer and accepted in writing by Seller. Any price variation resulting from such changes shall become effective immediately upon the acceptance of such changes. Seller assumes no responsibility for additional costs which result from changes made by the Buyer in shipping or production schedules, if such changes cause an increase in Seller's cost or in the time of performance of this Contract, unless such changes are confirmed in writing by the Buyer and accepted in writing by the Seller. Additional costs arising from changes which have not been accepted in writing by the Seller will be claimed against the Buyer. Such claim is to be payable upon presentation.

**10. PRICE; PAYMENT:** The price specified in this Contract or any invoice for any Goods provided hereunder may be changed by Seller upon 10 days written notice to Buyer. Seller shall furnish Buyer an invoice, which shall describe the Goods purchased and the amount due to Seller. Buyer shall pay all amounts due and owing within 30 days. Any payment that is past due to Seller by more than 30 days shall bear interest at the rate of 18% per annum or the highest rate allowed by applicable law (whichever is lower). Buyer shall reimburse Seller for all reasonable costs and expenses incurred (including reasonable attorneys' fees) in collecting any overdue amounts.

**11. MATERIALS:** If materials or equipment which the Seller is required to furnish the Buyer hereunder become unavailable either temporarily or permanently through causes beyond the control and without the fault of the Seller, then in case of temporary unavailability, the contract time shall be extended by change order for such period of time as the Seller shall be delayed by such unavailability and, in the case of permanent unavailability, the Seller shall be excused from the requirement of furnishing such materials or equipment. The Buyer agrees to pay the Seller any increase in cost between the cost of the materials or equipment which have become permanently unavailable and the cost of the closest substitute which is then reasonably available.

**12. EQUIPMENT:** Any tools or equipment which Seller constructs or acquires specifically and solely for use on Buyer's order, shall be and remain Seller's property and in Seller's sole possession and control, and any changes made by Seller therefore shall be for the use of such equipment only. When for a term of 1 year no orders are accepted from Buyer for products to be made with such equipment, Seller may make such disposition thereof as it desires without liability to Buyer. Seller shall have no responsibility for loss or damages to such equipment or any material owned or furnished by Buyer while in Seller's possession. Tool charges designated as estimated will vary in accordance with actual cost.

**13. SITE CONDITIONS:** If, in the course of providing services or installing equipment, Seller encounters any condition that it deems to be, in its reasonable discretion, unsafe, hazardous, or otherwise impacts its ability to safely perform its obligations, including, but not limited to, the presence of hazardous materials, upon notification of such conditions by Seller, Buyer shall promptly take any action necessary to remove or remediate such condition or material. Seller may suspend services until such condition has been remediated by Buyer to the satisfaction of Seller; provided, however, that if Buyer fails to correct the condition within thirty (30) days after receipt of notice of such condition, Seller shall have the right to terminate this Contract upon notice to Buyer, without incurring any additional liability. The cost of any investigation (including consultant's fees and attorneys' fees and testing), removal, remediation, restoration and/or abatement of such conditions shall be borne solely by Buyer.

**14. INTELLECTUAL PROPERTY:** Buyer acknowledges and agrees that Seller, its licensors and manufacturers of any equipment or deliverables may own or maintain certain trademark, copyright, patent, inventions, trade secret or other intellectual property rights (the "Intellectual Property") in and to the deliverables, services, equipment or any other product or service made available to Buyer under this Contract. Buyer further acknowledges and agrees that Seller, its licensors and/or third party manufacturers own all right, title and interest in and to such Intellectual Property, and Buyer will refrain from modifying, enhancing, reverse engineering, updating, improving or otherwise commercializing such Intellectual Property, except as expressly authorized under this Contract. Seller may from time to time arrange for Buyer's purchase, lease or license of equipment or deliverables that amount to third party hardware, equipment, software, services, or other products not owned by Seller. Buyer's use of such third party equipment or deliverables is governed by the terms and conditions provided by such third party, and Buyer agrees to abide by all such terms and conditions. Seller makes no independent representations and warranties with respect to any third party equipment or deliverables, and shall have no liability arising out of or relating to Buyer's use thereof. Seller agrees to pass through to Buyer any warranties provided by a manufacturer of such third party equipment or deliverable to Buyer, if applicable. Any third party warranties are the exclusive remedies of Buyer with respect to third party equipment or deliverables. Except as expressly set forth in these terms and conditions, Buyer acknowledges and agrees that nothing in these terms and conditions shall transfer any right, title or interest in any of Seller's Intellectual Property.

**15. POINT OF DELIVERY:** Delivery to carrier at point of shipment shall constitute delivery to Buyer and Buyer shall assume all risk for subsequent loss or damage. Title to the Goods shall transfer at such deliver point. The fact that in some instances a different "F.O.B." point may be shown on the face hereof, or that all or a part of freight charges may be prepaid, assumed, or allowed by Seller, is for Buyer's convenience only.

**16. INDEMNIFICATION:** Buyer agrees to indemnify and hold Seller and each of its respective affiliates, officers, directors, agents and employees harmless from and against any and all claims, demands, liabilities, obligations, losses, damages, penalties, fines, amounts paid in settlement, interest, expenses and disbursements of any kind and nature whatsoever (including attorneys' fees, court costs, accountants' fees and fees of expert witnesses, which shall be paid as incurred), arising out of, resulting from, relating to, in the nature of or caused by any suit, investigation, proceeding, demand or claim by any third party (collectively, "Claims"), arising out of or related to (a) an alleged violation by Buyer of this Contract, (b) a claim of intellectual property infringement arising

out of or relating to any use by Seller of items supplied by Buyer or deliverables prepared by Seller based upon specifications provided by Buyer, (c) a claim of a violation of any applicable rule, law, regulation, court order or decree or other like item while using a service or deliverable provided by Seller, regardless of whether such person has been authorized to use such services or deliverables by Buyer, (d) a material breach of any representation, warranty, or obligation made by Buyer hereunder, or by any allegation which, if true, would constitute a breach of said representation and warranty, or (e) any personal injury (including death) or property damage arising out of, resulting from, relating to, in the nature of or caused by the gross negligence or willful misconduct of Buyer, its officers, directors, agents or employees. Without limiting the generality of the foregoing, Buyer shall pay Seller all reasonable fees incurred, including attorneys' fees, for time spent by Seller in responding to third party complaints regarding Buyer's use of any service, equipment or deliverables provided by Seller.

**17. WAIVERS:** No waiver by Seller of any breach of any provision hereof shall constitute a waiver of any other breach or of such provision. Seller's failure to object to provisions contained in any communication from Buyer shall not be deemed an acceptance of such provisions or as a waiver of the provisions of this Contract.

**18. GOVERNING LAW:** This Contract shall be construed, interpreted and enforced according to the laws of the State of Nebraska, without giving effect to the conflicts of law principles thereof, and excluding the United Nations Convention on Contracts for the International Sale of Goods. To the extent applicable, each party expressly consents to the exclusive jurisdiction of the federal, state and local courts serving Douglas County, Nebraska, to govern all disputes arising out of this Contract.

**19. CANCELLATION:** This Contract is subject to cancellation by Buyer only upon Seller's accepting such cancellation in writing, and the effective date of such cancellation shall be the date of such acceptance. The date of such acceptance notwithstanding, Seller shall have the right to continue the processing of the materials or articles affected to the point at which the processing can be halted with the least inconvenience to the Seller under the circumstances. Payment of cancellation charges shall be made by Buyer upon receipt of statement of same. Cancellation charges shall not exceed the purchase price of the cancelled portion of this Contract.

**20. TIME LIMITATION ON CLAIMS:** Any course of dealing between the parties to the contrary notwithstanding, at Seller's election, any claim for breach of warranty, shortage, failure or delay in delivery or otherwise shall be deemed waived by Buyer unless presented in writing to Seller within the specified warranty period in the case of claims of breach of warranty, or within sixty (60) days from date of agreed delivery in case of other claims. Causes of action for breach of this Contract shall not be asserted after (1) year from the date said cause of action accrues, provided that this limitation shall not apply to actions by Seller to recover the purchase price of Goods sold hereunder.

**21. CONFIDENTIALITY:** Any specifications, designs, patterns, samples or other similar items or other technical, commercial or financial information relating to Seller's business (the "Information") which Buyer may obtain or which Seller may disclose to Buyer in connection with this Contract, shall be deemed to be confidential and Buyer shall not use the Information for its own purposes (other than for this Contract), nor shall Buyer disclose the Information to any person or firm except as may be specifically authorized by Seller in writing.

**NOTWITHSTANDING ANY INCONSISTENT OR ADDITIONAL TERMS THAT MAY BE EMBODIED IN YOUR PURCHASE ORDER, SELLER WILL ACCEPT YOUR ORDER SUBJECT ONLY TO THE TERMS OF THE WRITTEN CONTRACT BETWEEN US UNDER WHICH YOUR ORDER IS PLACED.
