SRC School Board Report
Elementary Principal

Otis Pierce from ESU7 reviewed Marzano Element #1 with elementary teachers on March 19th and will finish up his review for this school year on April 22nd.

The elementary staff was trained and certified in CPR procedures on Tuesday, March 23rd.

Mr. Bobolz and myself have been working with Brooke Kavan from ESU7 to get plans in place to offer Curriculum Trak training for teachers on May 20 and 21. Additionally, we are discussing how to restructure PLCs to make better use of the time and the topics discussed.

Field Trips are taking place. Some did need to be rescheduled and new locations booked due to Covid restrictions. Fourth Grade visited the State Capitol and Pioneer's Park on March 24th. On March 31st, the Fifth Grade went to the Hastings Museum and Planetarium, which was a new location for them due to Memorial Stadium being closed for tours. Preschool visited Bounce U and the Lincoln Children's Museum on April 9th. First and Second Grade will take a combined Field Trip on April 23rd to the Lincoln Zoo. Kindergarten heads to the Omaha Zoo on May 3rd. Third Grade will visit the Stuhr Museum on May 5th.

Wednesday, April 7th was National Paraprofessional Day. We appreciate all they do!

The 3-4-5 teachers and additional NSCAS 1:1 and small group assistants received training on April 7th to prepare for NSCAS testing. The Fifth Grade took their NSCAS Science assessment on April 8th with no computer or other issues. 3-4-5 took their ELA assessments on April 9th. Again, there were no issues. NSCAS Math will take place on April 15th. Elementary will then have about two weeks to catch up anyone who missed testing due to absences.

Upcoming events include: Monthly Book-it Assembly on April 13th and Kindergarten Round-up on April 16th. The End of the Year Book-it Assembly will take place on April 19th and the Big Book-It End of the Year Reward will be April 28th.

Students in K-2 will participate in field activities on April 27th from 11:30-1:15. This is being sponsored by Special Olympics and will give the younger elementary students an opportunity to participate in these activities. The Elementary Track and Field Day for Grades 3-6 is May 12th.

The Progressive Ag Day for Grades 3 and 4 will take place virtually this year on April 29th. This is sponsored by the Polk County Extension Office.

One School, One Book reading and trivia continues through April and the first week of May. Students are asked a trivia question each day at lunch after reading chapters the night before.

Current K Round-up numbers = 18 (3 current Kindergarten students may be retained)
Preschool signed up for 21-22 = 3 year olds - 8, 4 year olds - 11

1. ACT

All Juniors took and completed the ACT on Tuesday, March 23rd. Students gave great effort and we are excited to see how each student performed. We may see results towards the end of this month or early in May.

2. Senior Service Project

Seniors completed their service project on Tuesday, March 23rd by packing boxes as part of Operation Christmas Child. Seniors had collected items since December, which included hygiene products, toys, shirts, school supplies, etc. We had a number of staff members that donated boxes as well, which was a huge help! Seniors packed 126 boxes, which is outstanding! These boxes will now go to Denver and then be shipped to different countries in November. They certainly changed 126 lives through their efforts with this project!

3. March Recognition Rally

The March Husky Recognition Rally was held on Tuesday, March 30th. We celebrated a number of student accomplishments over the last month, which included recognizing our Winter Academic All-State recipients and our Staff FFA contestants. We also celebrated those students who were selected February Students of the Month and held our monthly PBiS drawing. It was another great rally that once again demonstrated the outstanding students we have.

4. ICU Update

- Advisories competed in a Bracket Challenge during March Madness, which was posted up in the front hallway. Congratulations to Mr. Schoenrock’s advisory for winning the challenge. They received donuts for winning.

- We also held a Spring Scavenger Hunt the week leading up to Easter Break. Each advisory has to find eggs that held clues to spell out a spring phrase. Congratulations to Mrs. Schueth’s advisory as they were the first advisory to figure out the phrase! It was a great activity and students had a lot of fun!

5. Upcoming Standardized Testing

Our 6-8 students will be taking NSCAS Growth Phase 1 Pilot on Tuesday, April 20th and Wednesday, April 21st. These will be in the subject areas of ELA, Math, and Science. The science assessment is to test the test and there will be no student results.

6-11 grade students will complete Spring MAP testing on Tuesday, May 4th and Wednesday, May 5th (MS). Hopefully students show growth from the fall.

6. Graduation

- Graduation is scheduled for Saturday, May 15th at 2:00 pm in the South Gym. At this time we are not planning on having to restrict attendance. Plans will be finalized over the next few weeks.
- Graduation practice will be held on Wednesday, May 12th at 9:00 am. Planning a “Senior Walk” in the morning, which will include a senior walking with a kindergarten student through the halls. Working with Mrs. Glock to get that planned.

April Board Report

Days worked to date: 178

Days off: None

Mr. Tejkl and I attended the NASB Budget workshop in Norfolk on March 31. The presenters had some good information that can be used in the future. They also talked a lot about providing monthly summary information to the BOE about what percentage of spending has occurred. Ada will be attending NASBO virtually this year.

At this point, we currently have no staff vacancies. We are aware of one staff member who has interviewed for another position. Most have signed their contracts for next year. They are due at the end of the week. After May 1 the district must find a suitable replacement for the teacher to be let out of their contract. The para list is quite stable at this point, also.

I am continuing to work on CARES II funding. The district has been allocated over \$200K that can be used for a variety of items. We will submit for reimbursement for over \$90K in funding for LMHP & Psych services that deal specifically with our students in need. We will also seek reimbursement for over \$50K in student computer replacement and software purchases. We will also request reimbursement for the new social studies materials.

Covid Vaccine: We received our second dose of the Moderna vaccine on April 1. For the most part, the after effects were minimal. We had over 60 receive the first shot and just under 60 receive the second. This accounts for over 65% of our staff who have received both doses. This is significant as compared to other CRC schools, some of whom were right around 25% or less.

Fusco Memorial: I talked to Becky. She said that the company does not do a mock up of what they work on. The family is ready to proceed with this if the Board is.

Steve and I are working on the summer maintenance list. So far, the staff has not requested very much.

April Board Report

We have purchased 100 new student laptops for next year using care money. We plan to purchase 50 additional student laptops also with cares money. This will help divide up our refresh schedule for student devices into smaller groups.

We have also purchased new teacher computers and I will start get those out to the teachers yet this month. The old teacher computers can either be purchased by the teacher and if they don't want to buy their old computer, they will be used to replace the current board computers and if enough, replace the ones in carts right now.

The older mac computers and the chromebooks that we are replacing will be sold to an outside company for what ever we can get for them.

PAYMENT OF STUDENT AND GROUP FEES

The district will pay for the following, upon approval of the Activity by the Activity Director:

1. All group entry fees for approved activities occurring during the time school is in session.
2. All awards given to students, include:
 - a. Athletic an/or Fine Arts letters, pins, stars, shields, and certificates
 - b. All Conference patches for athletic activities.
 - c. Championship patches if earned during athletic competition at the conference or district, or state level.
 - d. Academic recognition given for: the science fair, awards night, Honor Society and honor assembly at the end of the school year.
3. Read-a-thon prizes
4. Meals and lodging of activity participants and coaches/sponsors if the school district is reimbursed by the organization that sponsors the event.
5. Meals and lodging of fine arts participants and coaches if the participation is at the All-State level.
6. The rate of compensation shall be \$16.00/day if 3 meals are needed, \$13.00/day if 2 meals are needed, and \$7.00/day if one meal is needed. The activities Director, after conferring with the Superintendent, will decide number of meals required and if lodging is needed.
7. All-State auditions for vocal and instrumental music.
8. A total of two per individual applicant auditions for College Honor Bands or Honor Choirs.
9. First Team All-State Athletic and Fine Arts State members' pictures to be on display at school.
10. Admission fees for cheerleaders, pep band members, or other students when their attendance is required at an activity.

PRINCIPAL'S CONTRACT OF EMPLOYMENT SHELBY-RISING CITY PUBLIC SCHOOLS

THIS CONTRACT is made by and between the **Board of Education of Shelby-Rising City Public Schools**, legally known as **Polk County School District No. 72-0032**, and referred to as "the Board" and "the School District" respectively, and **Heather Thompson**, referred to herein as "the Principal". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Principal, and the Principal agrees to accept such employment, subject to the terms and conditions set forth herein.

Section 1. Term of Contract. The Principal shall be employed for 1 year beginning on/around August 1, 2021, and expiring on/around JUNE 30, 2022. During this and any subsequent year under this contract, the Principal shall render at least **210** working days of service in the performance of her duties as Principal. References to "working days" shall mean the period from August 1st through June 30th and shall consist of all days except those on which: are scheduled school holidays and teachers and/or staff are not required to be at school; school is cancelled; the Principal's illness makes attendance impossible or impracticable; the Principal's presence is not necessary to fulfill her contractual duties; or the Board otherwise excuses the Principal. The Principal agrees to work sufficient hours and days to satisfactorily complete the duties of this contract. The Principal shall keep complete and accurate records of her working days and shall provide the Superintendent with a report of her accumulated working days.

Section 2. Renewal of Contract. Unless the Superintendent recommends the nonrenewal, termination, amendment, and/or cancellation of this contract by April 15th, the contract will automatically renew for a period of **one contract year**, as defined in Section 1, from and after the expiration date provided in Section 1 of this contract.

Section 3. Salary. The Principal's salary for the contract year shall be **\$86,680** (*includes \$3,680 for SPED Director Duties-10% of Base*) which shall be paid in 12 equal monthly installments beginning in the month of August. The Board shall not reduce the Principal's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

Section 4. Deductions. This contract shall conform to the statutes and regulations governing deductions from compensation. The Principal

authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Principal or the value of property or money entrusted to the Principal or owed by the Principal to the District during the course of or as a result of the Principal's employment, if such property or money have not properly been returned to the District. The school district shall withhold other deductions as the Principal and Board may agree.

Section 5. Professional Status. The Principal affirms that she is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, she will hold a valid and appropriate certificate to act as a principal in the State of Nebraska which she will register and maintain on file in the school district's central administrative office. This contract shall not be valid and the Board will not compensate the Principal for any service performed prior to the date that she registers her certificate.

Section 6. Principal's Duties. The Principal's duties shall be as prescribed by statute and by Board policies, rules, regulations and directives. The Principal agrees to devote her time, skill, labor and attention to her duties throughout the contract term. She shall be subject to the direction and control of the Superintendent at all times and shall perform such administrative duties as the Superintendent or Board assigns to him. By agreement with the Superintendent, she may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out her duties and obligations to the school district. The Board of Education recognizes the building principal as the chief educational leader in her/her building. The Principal will be responsible for the organization and administration of the building, all phases of the instructional program, and the direction of personnel and school management. These are to be in harmony with the standards and goals for the schools and the District as directed by and in cooperation with the Superintendent of Schools.

Section 7. Nonrenewal, Termination, Cancellation or Mid-Term Amendment. Nonrenewal, termination, cancellation, or amendment of this contract shall be in accordance with state statutes. During any applicable probationary period, the Board may non-renew or amend this contract for any reason so long as it is not unconstitutional. At all other times, the Board may terminate, cancel or amend this contract for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Principal's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this

contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Principal's continued performance of her duties; (m) any arrest, criminal charge, or criminal conviction of Principal or the failure to report the same; (n) any filing against the Principal under Neb. Rev. Stat.
