Welcome Back to School!

Welcome back to another school year. As I thought about what I wanted to say in this message, I kept thinking of all the students we are so lucky to represent here at the NSAA. It is great to be a part of these students' lives and it got me thinking about how important a job it is to do anything involving today's youth. During this time of the year, I think a lot of us reflect back and think of our own lives. I'm guessing many of us in the business of education had pretty "normal" lives—but what does normal look like in the broad sense of all the students represented by our member schools?

Normal. Normal family. Normal childhood. Normal life. Although these are frequently tossed around phrases when speaking of students, it is worth taking a minute at the beginning of this year to reflect and remind ourselves that "normal" is not always the same for all students.

To many, school might be where they feel the safest. The classroom might be where they feel the most at home. The court/field/stage might be where they feel the proudest. The few hours each day when these students are practicing might be the only time they can escape the negative in their life and just be "normal" kids.

At school, there are rules and expectations set by their coaches and teachers—there are pats on the back for a job well done and fair consequences that will teach and encourage them to do better next time. This might be where these students get the exact upbringing they crave. Their class, their team, their school might be their "family".

What a powerful and awesome responsibility it is for our member schools to have the privilege to be a part of so many lives each and every day. My hope for this year is that all of us work together to make a positive impact and difference in the lives of all the students entrusted to us.

Thank you for all you do to bring "normal" into so many lives. I hope you have a great year!

NSAA Sanctioned Unified Sports, Track & Field

Sanctioned Unified Sports® through the NSAA and Special Olympics Nebraska partnership has been a tremendous addition for many high schools across Nebraska. Unified Sports® have created another platform for all students to get involved in an activity and have positively impacted school climate/culture.

During the August NSAA Board meeting, approval was granted for sanctioning Unified Sports, Track & Field in the spring of 2020. Final details, information and rules specifics will be finalized in the coming months. Schools can find general information [HERE](#). Stay tuned for future announcements.

August NSAA Board of Directors Meeting Notes

The August NSAA Board of Directors meeting was held at the NSAA Office in Lincoln on Wednesday, August 21st, 2019. The meeting minutes can be found on the NSAA website [here](#).

From the Chair of the Board of Directors

Mark Norvell, District 1, Fillmore Central

It seems like the beginning of the school year comes faster every year. What an exciting time for students, parents, and educators. This is my 42nd year involved in K-12 education and there certainly have been changes in that time. The process of learning and growing however, never changes, and the importance of having quality teachers and coaches remains just as important as always.

My father was a teacher and coach and my first memories of life began in Tryon, Nebraska (McPherson County) where Dad had his first job. After a few years, we went to Republican City where I completed kindergarten, first grade and second grade. From there, on to Adams where I started third grade and graduated from high school in 1974.

I have great memories of growing up in Nebraska and being a part of the public school system. I had many quality teachers that influenced me. I also had great coaches who not only taught the skill of the sport, but many life lessons along the way. Larry Coorts and Ken Cook, my high school coaches, are both now in the Nebraska High School Hall of Fame. What a great experience for me during high school, and I realize how fortunate I have been.

My teaching and coaching career has included teaching and coaching assignments in Nebraska at Walthill, Maywood, Blue Hill, Bartley-Southwest, and now Fillmore Central. All of these places are filled with excellent faculty and staff and great students. I have been very fortunate to have lived in so many wonderful communities and to have met so many great people.

I am now serving my 11th year on the NSAA Board of Directors. Being involved in activities and athletics over the last 42 years has been very rewarding for me. I am very grateful for the opportunity to serve for the NSAA, and to work with a fine group of fellow Directors and a dedicated NSAA Staff. Our purpose is to promote high ideals of citizenship, fair competition, sportsmanship, and teamwork, which serve to compliment our member school's curriculum and academic program.

I am honored to serve this year as the Chair of the NSAA Board of Directors. We have monthly meetings and welcome input from the public and from our member schools. We continue to strive to get better and provide the proper governance for our Nebraska High School Activities and Athletics.

The NFHS Voice: New School Year Brings New Teachable Moments

Dr. Karissa Niehoff, NFHS Executive Director

Welcome to another year of educational opportunities through high school sports and other activity programs in our nation's schools. These programs provide many teachable moments not available in the classroom, and we look forward to making an impact on the more than 12 million young people involved in these vital activities.

Many states opened their high school football seasons last week, and a majority of the others begin this Friday. Thousands of other high school students will be involved in volleyball, cross country, field hockey, soccer and other sports this fall.

2020 & 2021 Football Scheduling Timeline

The classification period and schedules will be for two years – the **2020** and **2021** football seasons for Classes A-B-C1-C2-D1-D2-D6.

The scheduling timeline is dependent on receiving the enrollment figures the NSAA member schools report to the Nebraska Department of Education on the School District Membership Report in the fall of 2019. These figures historically have been available to the NSAA sometime in early December.

The TENTATIVE schedule will be as follows:

1. **November 1st, 2019** – Deadline to submit application for a cooperative sponsorship in football for the 2020 and 2021 seasons. **No cooperative sponsorships in football for the 2020 and 2021 football seasons will be accepted or permitted after November 1st, 2019.**
2. **November, 2019** – Football coops will be approved for the 2020 and 2021 football seasons at the November NSAA Board of Directors meeting.
3. **November 30th, 2019** – The deadline for schools to submit their declaration of participation in 11-man, 8-man or 6-man football. **This is also the deadline for schools to submit their intent (via email) to “Opt Up” or “Opt Down” in classification.**
 - Those schools with a BOY three-grade enrollment (9th-11th grades) in excess of 47 as submitted in September of 2019 are not eligible for the 8-man football playoffs in 2020 and 2021, unless they're within the one-classification waiver period. A school that is ineligible for the playoffs in the 2020 & 2021 cycle can become eligible in the second season (2021) if their BOY enrollment figure is 47 or lower as submitted in September of 2020.
 - Those schools with a BOY three-grade enrollment (9th-11th grades) in excess of 27 as submitted in September of 2019 are not eligible for the 6-man football playoffs in 2020 and 2021, unless they're within the one-classification waiver period. A school that is ineligible for the playoffs in the 2020 & 2021 cycle can become eligible in the second season (2021) if their BOY enrollment figure is 27 or lower as submitted in September of 2020.
 - A school that Opts Down in classification and is thus ineligible for the playoffs in the 2020 & 2021 cycle can become eligible in the second season (2021) if their boy enrollment figure as submitted in September of 2020 falls within the appropriate classification enrollment range.
4. **December** – The NSAA staff will release the classification and district assignments for the 2020 and 2021 football seasons. Once these are completed and the schools are notified via the Internet, the schools will be asked to submit a priority list of non-district schools they would like to have on their 2020 and 2021 football schedules – Classes A-B-C1-C2-D1-D2-D6. The NSAA will email schools with more detailed information on this process in December.
5. **January/ February 2020** – The NSAA staff will establish the football schedules for the 2020 and 2021 football seasons for all member schools in Classes A-B-C1-C2-D1-D2-D6.
6. **February 12th, 2020** – The schedules along with the home and away designations for Classes A-B-C1-C2-D1-D2-D6 will be released to the member schools at 9:00 AM central standard time and will be posted on the NSAA website (www.nsaahome.org) at 12:00 P.M. central standard time.

Please contact NSAA Assistant Director Nate Neuhaus at nneuhaus@nsaahome.org with questions.

NSAA Golf Cart Rental Policy for the NSAA Golf Championships

The NSAA limits the use of motorized carts during the State Championships. Rules Officials, Scoring Monitors and Media Personnel are allowed to have a cart on the course. Spectators generally are not allowed to rent carts to follow the golfers.

However, individuals meeting the criteria of the Americans with Disabilities Act may be allowed to rent a cart during the State Tournament. Permission must be verified and approved by the NSAA staff member at each course.

1. Cart rental fee shall be \$50 per cart.
2. Cart is for a maximum of two riders only.

NOTE: Due to the limited number of carts those riders who have proper documentation may be assigned to ride with another person who has proper documentation that is following the same tee time.

3. Those who provide a current DMV authorized handicap card that has the card holder's name on it, along with a photo ID, will be rented a golf cart, as available. Those carts will be checked out between 8:30 and 9:20 am.

NOTE: This is the card you carry on your person, NOT the placard that hangs in the car.

4. Those who provide doctor's notes indicating the need for the use of a cart will be put on a list to be given on a first come first serve basis. At 9:20 am those carts will be rented to those who provide an official doctor's note if carts still remain.
5. The number of carts is limited at all golf courses. Those who provide the proper documentation are not guaranteed a cart.
6. All persons who rent a cart must follow all course and tournament rules and be of the age 16 and over.

NSAA Speech & Play Production Workshops

The NSAA office, in conjunction with the NCSTA, hosted workshops for play production on Tuesday, July 23rd and speech on Wednesday, July 24th, with nearly 100 individuals attending each workshop.

A BIG thank you is due to the following members of the presentation teams that shared their wealth of knowledge to all in attendance:

Play Production –

AJ Johnson, Amy Hostetler, Kyle Vincent, Mercedes Guerra & Cheryl O’Curran

Speech –

Jarod Ockander, Kyle Stevens & Jodi Meyer

The NSAA would also like to give a special thanks to Jena Mentink and Carolyn Enevoldsen for videotaping the workshops. Links to the video and slides for both workshops are available on the NSAA website by clicking these links:

- Play Production Workshop – Video → Coming Soon!
- [Speech Workshop – Slides](#)
- [Speech Workshop – Video](#)

All coaches and judges are encouraged to view the workshops in hopes of making everyone a better judge, coach/director or spectator.

With Deb Velder’s retirement in July, I would like to also take this opportunity to formally introduce myself as the new director for play production and speech at the NSAA. I am beginning my 9th year at the NSAA and am excited for these new duties, knowing that I have very big shoes to fill. Deb’s dedication to high school activities and young people in our state can’t be overstated and I look forward to continuing her work as we move forward into the 2019-20 activities year.

I hope you all have a great start to the year!

NSAA Check Your AED Battery Day – September 10th

NSAA Check Your AED Battery Day is Tuesday, September 10th!

It is vital that the batteries of any AED that you have at your facilities be checked on a regular basis. The NSAA is designating Tuesday, September 10th as NSAA Check Your AED Battery Day! We are planning a social media campaign on the 10th and encourage all schools to get involved. Using #heartsmart, tweet at [@nsaahome](https://twitter.com/nsaahome) pictures of your staff checking the AED in your school. We will retweet the most creative photos.

Participation in High School Sports Registers First Decline in 30 Years

National Federation of State High School Associations

INDIANAPOLIS, IN (August 26, 2019) — Participation in high school sports declined in 2018-19 for the first time in 30 years, according to the annual High School Athletics Participation Survey conducted by the National Federation of State High School Associations (NFHS).

The 2018-19 total of 7,937,491 participants is a decline of 43,395 from the 2017-18 school year when the number of participants in high school sports reached an all-time record high of 7,980,886. This year's total – the third-highest ever – consisted of 4,534,758 boys and 3,402,733 girls, according to the figures obtained from the 51-member state high school associations, which includes the District of Columbia. The last decline in sports participation numbers occurred during the 1988-89 school year.

“We know from recent surveys that the number of kids involved in youth sports has been declining, and a decline in the number of public school students has been predicted for a number of years, so we knew our ‘streak’ might end someday,” said Dr. Karissa Niehoff, NFHS executive director.

“At the beginning of each school year, all high school students attend a 3-day retreat at a camp in Kansas,” said Athletic Director Shawn Sorter. “This year the theme was how to be a leader - students learned to work together to overcome team-building challenges and to bond as individual classes. On Labor Day, students from our Campus Ministries department are spending the day at the UNL Challenge Course learning to overcome fears and to work closely with one another. The students at CVA often go on to earn scholarships and awards for their leadership abilities.”

"Aquinas Catholic High School has a great activities culture going on, we have great participation in all NSAA activities with great support from all people within the extended community, (students, parents, teachers, moderators, etc.)," said Activities Director Ron Mimick.

"We have regularly over 95% of our students participate in an NSAA sanctioned activity every year. The majority of our students participate in both sports and a fine arts activity yearly. We also have great participation in school and religious clubs. We are proud of the multi sports/fine arts/clubs participation rate. We truly believe in that our activities program is the other half of a great education at Aquinas Catholic schools."

“Over the last couple years, we have addressed positive culture development in our school. We have had a Community Betterment Day the past two years, where we identify various community projects that our students (K-12) complete throughout the day,” said Co-Activities Director Scott Steinhauser.

“In 2018-2019, we implemented Bulldog Battles in the High School. Each grade level completes different challenges throughout the year (competitions such as relays and quiz bowl contests, attendance at games, honor roll members, etc.) to earn points for rewards at the end of each semester. Grades 5-8 have implemented Bulldog Battles this school year. In grades K-4, we implement yearly and monthly themes for developing common expectations and behaviors, which also incorporates individual and class rewards.”

"This activity wasn't even started at A-M until five years ago. When our Skills USA club started, no one even knew what the organization stood for or what it had to offer. When we started this club, our participation numbers were not too high. In the high school division, we had 15 high school members, and in the junior high division we had 18 members."

"As of now we average 34-40 high school members and 24-30 junior high members. Those numbers put us in the top 10 in club size in the state, in all classes. We had a junior high engineering team qualify for nationals the first year, and last year we qualified a Crime Scene Investigation team and a welding sculpture. Only the top team or individual at state qualifies for nationals. Our students are very excited and engaged in our club here at A-M."

NSATA Training Table

Mike Sloup, MHA, LAT, ATC, NSATA President

Welcome to the beginning of the 2019-2020 competition season. This is truly one of the most exciting times of the year as teams prepare to compete against one another. Just as the teams are preparing for competition, equally important is the preparation of each institution in the event of an emergency situation. An Emergency Action Plan (EAP) is an integral component of that preparation.

An EAP is a written document that outlines the procedures to be implemented and personnel responsibilities in the event of an emergency. It is critical to have an EAP for every venue at which practice, conditioning activities and competitive events are held. The purpose of an EAP is to ensure that effective and efficient actions are taken when an emergency happens.

Ideally, each institution would have an EAP that has been practiced and is posted for each venue before practices and competitions have started. If there is no EAP that has been established, then this is a good time to start the process of developing an EAP. There are many resources available to help guide the development of an EAP. The National Athletic Trainers' Association (NATA) has numerous information pages and guidelines on EAPs on their website at www.nata.org. The Nebraska Athletic Trainers' Association (www.nsata.org) and its members are a great resource in helping develop EAPs. Another site that provides a template that institutions can input their specific information is <https://ksi.uconn.edu/prevention/emergency-action-plans/#>. Talking to other institutions or doing a simple internet search on example EAPs is a good starting point in the very important development of your institution's emergency action plan.

In the development of an EAP these 11 things are best practices that should be considered:

1. Every school should develop an EAP for managing serious and or potentially life-threatening injuries.
2. The EAP should be developed and coordinated with local EMS, venue public safety officials, on site medical personnel or organization administrators.
3. Every school should have a written EAP document distributed to all staff members.
4. The EAP should be specific to each venue and include maps and/or specific directions to that venue.
5. On-site emergency equipment that may be needed in an emergency situation should be listed.
6. The EAP should identify personnel and their responsibilities to carry out the plan of action with a designated chain of command.
7. Appropriate contact information for EMS.
8. Facility address, location, contact information etc. should be identified in the EAP.
9. Plan should specify documentation actions that need to be taken post emergency.
10. EAP should be reviewed and rehearsed annually by all parties involved.
11. Healthcare professionals who will provide medical coverage during games, practices, or other events should be included.

Once the EAP has been developed have others review it, make changes as needed, and post it in visible areas at each venue. An EAP is something that is always evolving and should be revisited and practiced at least once a year. Take the necessary preparations to enhance successful outcomes in the event of an emergency situation at your institution.

NSAA Intern Tales

Cody Mroczek, NSAA Intern

Hi, my name is Cody Mroczek and I will be one of the interns this year at the NSAA. I was a graduate of Columbus Scotus High School and am currently attending the University of Nebraska-Lincoln. At the University, I am double majoring in Business, Marketing, and Information Technology Education and Coaching. Outside of school, I compete for the Huskers on the track team doing the dreaded 400- and 600-meter races. At UNL, I am involved in our athlete to athlete mentoring program where I get to mentor incoming freshman and help make the transition from high school to college an easy one. I was a three-sport athlete in high school competing in cross

country, basketball, and track. I was fortunate enough to attend the State Championships all my years of competition, so I was able to see first-hand how the NSAA impacted athletes at the State Championships. I have family ties and have family friends who have been athletic directors who have inspired me to become one myself. I have seen the impact the “Scotus Greats” aka Gary Puetz and Merlin Lahm have done for Columbus Scotus and it has inspired me to pursue the same career path.

I am looking forward to my first year here at the NSAA and learning the behind the scenes process that goes into the State Championships. I am excited to learn more about the athletic director position and the relationship the NSAA has with them. I am hoping to be attending all the State Championships allowable and if you happen to see me, come say hello and get a chance to be on the NSAA snapchat.

Student Advisory Committee Spotlight

Tommy Pugsley, Junior at Omaha Brownell Talbot High School

In July, I attended the NFHS National Leadership Summit in Indianapolis along with three other students from the NSAA Student Advisory Committee. Those students included Jake Seip from Lincoln North Star High School, Elizabeth Fields from Harvard High School, and Hollianna Watson from McPherson County High School. The NFHS brought together student representatives from 36 states and several Canadian provinces. We focused on team building and sharpening our leadership skills. Nationally known speakers attended the event and sent chills of inspiration down my spine. One speaker, Adrienne Bulinski, showed me that no matter how hard times get, you have to push through adversity to achieve your dream. The speaker’s stories, experiences, and

lessons showed me that the National Leadership Summit wasn't necessarily about me, but getting the skills and knowledge needed to help and inspire others in order to form a better world for the future.

The event was also like a social park. Over 140 different people came together and shared their own personal stories and ideas, which created an atmosphere for positive forward-thinking. From this experience, I learned new leadership skills. For example, Leadership is influence. Leaders need to be vocal, but also need to listen. Failure is okay, as it is one of the greatest lessons in life. During some activities, I was pushed out of my comfort zone by standing up and speaking to a large group of people and by doing so, grew as a person. I came to the realization that a dream without a plan is a fantasy.

Moving forward, I plan to implement my new leadership skills as a junior at Brownell Talbot in order to make it a more enjoyable and safer place to learn and grow. One of my objectives is to foster an environment of inclusivity for freshmen who plan on participating in sports and activities. I also plan to implement SAFE cards. SAFE cards attach to the student’s backpack and have a hotline number connecting anyone who calls to a trained counselor ready for any problem you may have. SAFE cards will give everyone support and someone to turn too.

Update Your School Membership Directory

The NSAA utilizes your School Directory to send communication to the administration and coaches listed. Please make sure that this information is correct and updated **at all times**. To do so, login to your AD login page and under OTHER FORMS select School Directory, which will then take you to your School Directory Information page where you can make changes as necessary. This is also where you'll go to see if your coaches have completed their online rules meetings. Please contact the NSAA office at 402-489-0386 with any questions.

Statement of Principle on Conduct Synopsis

Adopted by the NDE, NSAA, NCSA, NASB, NSEA, NRCSA, NCA and NSIAAA

Recently, students in our schools have been experiencing negative, harassing, and bullying conduct during the school day, and at school activities by the spectators attending those events or, and at times by opponents in an activity, that is directed at the school's participants and spectators, often with a racial component. Such conduct is unacceptable and does not reflect the foregoing basic tenants of our society.

It is the responsibility of our organizations to promote and respect the liberty interests of all persons who may participate in or attend any educational endeavor sponsored by our organizations which includes ensuring that common courtesy is shown for all persons, insuring tranquility for all, and being responsible that no one person abuses their liberties to the detriment of other persons.

As the educational leaders of Nebraska's school system, we firmly support Nebraska schools and communities in proactively involving teachers, administrators, students, parents, and community members in developing and maintaining a positive school and community culture that supports learning opportunities for all persons, and ensures that respect and courtesy are shown to all persons.

Conduct by any person that does not show respect for and courtesy of other persons in Nebraska schools and any school activity is prohibited and shall not be tolerated – period.

A Reminder to Compete with Respect

Concerns have been expressed regarding the lack of respect being afforded to students, coaches, officials, spectators and host staff. Schools should understand the seriousness of their responsibility to everyone and the privilege of representing their school and community. As educators, we must recommit ourselves to the preservation of respect. Unfair acts prohibited by the spirit and intent of the rules include the use of disconcerting acts or words.

Deliberately disrespecting the rules and fellow participants in the hope or expectation of gaining an advantage is deplorable and indefensible. It is imperative that administrators, coaches, officials and students make an extra effort to model the type of behavior that illustrates the educational values of activity participation. Conduct that berates, intimidates or threatens anyone, based on gender, ethnicity, or sexual preference is unacceptable.

Medical Personnel at Regular Season Contests

Severe injuries, sudden illnesses and other critical incidents do not often occur during school activities, but it is important for every school to have an emergency action plan (EAP) for administrators, faculty, coaches and staff members to follow should emergencies occur. Due to lack of universal availability of medical coverage and other logistical reasons, NSAA does not require that schools have a physician, trainer or ambulance on-site at regular season activities; however, each school should have a plan in place should there be an emergency involving students, coaches, officials or spectators requiring medical attention.

Requirements for Ejected Coaches & Players

Enforcement of the “sit-out rule” for ejections from high school contests for unsportsmanlike conduct is a responsibility of the member school. Failure to properly enforce this rule could result in other sanctions by the NSAA.

Administrators will be expected to promptly file a report with the NSAA whenever a participant or coach from their school has been ejected from any high school contest. Such filing must be done online under the AD login section of the NSAA website.

Enforcement of the “sit-out rule” is expected to begin immediately, regardless whether it is regular-season or tournament play.

Any athlete ejected from a contest for unsportsmanlike conduct shall be ineligible for the next athletic contest at that level of competition and any other athletic contest at any level during the interim. Any athlete ejected for a second time during a season from a contest for unsportsmanlike conduct shall be ineligible for the next two contests at that level of competition and all other athletic contests at any level during the interim. Any athlete ejected for a third time during a season from a contest for unsportsmanlike conduct shall be ineligible for the next three contests at that level of competition and all other athletic contests at any level during the interim, in addition to other penalties the NSAA or school may assess. During the time of their “sit-out” suspension, athletes who are ejected for unsportsmanlike conduct may not suit up or participate, but it is the school’s discretion whether such athlete is able to travel with the team or sit on the team bench. (The athlete is permitted to practice per school’s discretion.)

Coaches who are ejected for the first time will be required to sit-out the next contest at that level, plus all other contests at any level during the interim. Coaches may not be present at the contest site during the time of their “sit-out” suspension. The coach will also be required to successfully complete the NFHS online course “TEACHING AND MODELING BEHAVIOR” within 10 days of the ejection.

Coaches who are ejected a second time in a season will be required to sit-out the next two contests at that level, plus all other contests at any level during the interim. Coaches may not be present at the contest site during the time of their “sit-out” suspension. The coach will also be required to successfully complete the NFHS online course “FUNDAMENTALS OF COACHING” within 10 days of the ejection.

Are your officials on the NSAA Officials Roster?

3.12.2 Officials for Varsity Contests.

Only those officials who are registered with the Association may be used by member high schools to officiate varsity competition in football, baseball, basketball, wrestling, soccer, softball and volleyball competition, and start track & field meets.

Athletic Directors are expected to confirm that all officials hired to officiate varsity contests have been classified by the NSAA. The NSAA Officials Roster is available on your AD login page under “**NSAA OFFICIALS & JUDGES.**”

Are your head and assistant coaches C.E.R.T.I.F.I.E.D?

NSAA Bylaw 2.12 stipulates, *“In order to serve as a head or assistant coach or sponsor of any activity sponsored by the NSAA, the individual must possess a valid Nebraska Teaching Certificate or Nebraska Administrative and Supervisory Certificate and have a written contract of employment as a coach or sponsor with the schools in which he/she is to perform these duties.”* Yes, this does include coaches/directors/sponsors/advisers in the non-athletic activities as well: Play Production, Music, Speech and Journalism.

Individuals that do not possess either of the certificates listed above, may serve as a head or assistant as long as they successfully complete the requirements for a Special Services Coaching Permit (*NSAA Bylaw 2.12.2*). This information can be found on the NSAA webpage under the Coaches tab. It is important to remember that certification is not complete until the individual has applied and received their certificate from the Nebraska Department of Education Certification Office. Schools should request a copy of the certificate and have it on file at the school.

Non-certified personnel may be contracted by the school, but such personnel shall be Coaches Aides. (*NSAA Bylaw 2.12.3*). There are restrictions and limitations for Coaches Aides. Refer to the respective Bylaw for a complete listing in regard to Coaches Aides.

If you should have questions in regard to coaching requirements, contact NSAA Associate Director Jennifer Schwartz at jschwartz@nsaahome.org.

Required Courses for All Coaches

This is a reminder that **ALL** head, assistant and volunteer coaches are required to take the three online NFHS courses at least once every three years:

Concussion in Sports, Heat Illness Prevention and Sudden Cardiac Arrest.

These courses can be accessed on the NFHS website, and all three courses are free. These courses should be taken prior to any preseason or regular season physical workouts in which the coach would be present for or involved in administering.

Any course taken after May 1st would be considered valid to the following school year.

FOOTBALL SCHEDULING TIMELINE

2020 AND 2021 (CLASSES A-B-C1-C2-D1-D2-D6)

The classification period and schedules will be for two years – the **2020** and **2021** football seasons for Classes A-B-C1-C2-D1-D2-D6.

The scheduling timeline is dependent upon receiving the enrollment figures the NSAA member schools report to the Nebraska Department of Education on the School District Membership Report in the fall of 2019. These figures historically have been available to the NSAA sometime in early December.

The TENTATIVE schedule will be as follows:

1. **November 1, 2019** – Dead line to submit application for a cooperative sponsorship in football for the 2020 and 2021 seasons. **No cooperative sponsorships in football for the 2020 and 2021 football seasons will be accepted or permitted after November 1, 2019.**
2. **November, 2019** – Football coops will be approved for the 2020 and 2021 football seasons at the November NSAA Board of Directors meeting.
3. **November 30, 2019** – The deadline for schools to submit their declaration of participation in 11-man, 8-man or 6-man football. **This is also the deadline for schools to submit their intent (via email) to “Opt Up” or “Opt Down” in classification.**
 - Those schools with a BOY three-grade enrollment (9th-11th grades) in excess of 47 as submitted in September of 2019 are not eligible for the 8-man football playoffs in 2020 and 2021, unless they’re within the one-classification waiver period. A school that is ineligible for the playoffs in the 2020 & 2021 cycle can become eligible in the second season (2021) if their BOY enrollment figure is 47 or lower as submitted in September of 2020. (If you have questions please contact the NSAA office.)
 - Those schools with a BOY three-grade enrollment (9th-11th grades) in excess of 27 as submitted in September of 2019 are not eligible for the 6-man football playoffs in 2020 and 2021, unless they’re within the one-classification waiver period. A school that is ineligible for the playoffs in the 2020 & 2021 cycle can become eligible in the second season (2021) if their BOY enrollment figure is 27 or lower as submitted in September of 2020. (If you have questions please contact the NSAA office.)
 - A school that Opts down in classification and is thus ineligible for the playoffs in the 2020 & 2021 cycle can become eligible in the second season (2021) if their boy enrollment figure as submitted in September of 2020 falls within the appropriate classification enrollment range.
4. **December** – The NSAA staff will release the classification and district assignments for the 2020 and 2021 football seasons. Once these are completed and the schools are notified via the Internet, the schools will be asked to submit a priority list of non-district schools they would like to have on their 2020 and 2021 football schedules – Classes A-B-C1-C2-D1-D2-D6. The NSAA will e-mail schools with more detailed information on this process in December.
5. **January/ February 2020** – The NSAA staff will establish the football schedules for the 2020 and 2021 football seasons for all member schools in Classes A-B-C1-C2-D1-D2-D6.
6. **February 12, 2020** – The schedules along with the home and away designations for Classes A-B-C1-C2-D1-D2-D6 will be released to the member schools at 9:00 AM central standard time and will be posted on the NSAA Internet web site (www.nsaahome.org) at 12:00 P.M. central standard time.

To School Bus Rebate Project Manager:

The Nebraska Department of Environment and Energy (NDEE) has received the signed agreement for your 2019 School Bus Rebate project. You may now proceed with the order and purchase of your new school bus. You may continue to operate the old bus while you await delivery of the new bus. The old bus must be scrapped within 90 days after delivery of the new bus unless you request and are granted a waiver from NDEE.

When your project is completed, the Request for Reimbursement form, Final Report form, Certificate of Engine/Chassis Destruction, and all supporting documentation must be submitted and approved before your rebate can be issued. These forms will be mailed to you along with a formal Commence Work letter; the forms can also be found on our website at <http://deq.ne.gov/publica.nsf/pages/19-008>.

Purchase of the new bus, scrapping of the old bus, and submission of all reimbursement documentation must be completed by August 30, 2020. Please note that photographic documentation of the scrapping of the bus and engine is required. We recommend that school personnel witness the scrapping and take the photographs if possible, and that explanations of each photo be submitted to the Department with the scrapping documentation. We strongly suggest that you contact the Department to discuss the scrapping procedures and required documentation before this work begins. The instructions for the Reimbursement Request form and the Certificate of Engine/Chassis Destruction specify the required scrapping documentation.

The Department has submitted a request to the Volkswagen State Trust for the funds necessary for payment of these rebates. We expect these funds to be available by early November 2019.

Thank you for your commitment to reduce emissions and improve air quality for your area and our state. If you have any questions or comments, please don't hesitate to contact me at 402 471-4272 or by email, randy.smith@nebraska.gov.
