3) School jacket update

- a) Jackets were picked up by Tom LaGrou on Jan 6. As of email correspondence Jan 31, he understands the frustration, a remake was very costly but necessary. Still no time frame on when jackets will be returned. I did inform him that many parents were less than impressed with the management of this.
- b) I did reach out to Ryan Kinseth from Jostens and we are looking to make a change to go through him and the NEFF/Jostens brand in the future orders. We will look to have families pay \$75 for the jacket, and the SRC club will pick up the rest. Ryan has committed to attending our sports banquet night to meet with families, try on jackets and get orders prepared to have delivery by mid-August, September.

4) WBL for seniors

Notes

- All sophomores completed the PreACT on Thursday Nov 14 with the exception of 4 students who were absent this day
- All but a handful of students completed the trusted adult activity. Students that were not able to complete were absent multiple days and didnt have a chance to complete
- Staff Awards Mr Evans to Mrs Sanley for everything she does with powerschool to keep us up to date with everything! Mrs Schueth to Mrs Blackburn for all her work in pictures she takes and always being their for students. Mr Gaughenbaugh to Mr Kravig for the cool things he hears students talk about that happen in the classroom, keeping things lit! Mr Waite to Mr Schoenrock for

helping lend an ear and some insight into the MTSS process and helping stay focused student success.

- Staff meeting ideas to better utilize advisory time and stay more consistent with student whereabouts during that time. With Fridays now being contained to the gym will be easier to monitor student whereabouts. Keep Fridays as an option for those that are getting their work done, off the ineligible list and keep it as a reward. I will update ICU list on Thursday advisory, if on that list you will not take part during Friday event. As for ICU list teachers be sure to CLEAR completed assignments. A dedicated lifeguard position would be best for the practical use of the ICU. Too tough to manage the ICU without the lifeguard duties.

- e) Will need more focused effort to have conversations with these students to find out ways in which we provide opportunities for them to complete required assignments

3) Staff Meeting

- a) At the last staff meeting awards were given to teachers
 - i) Mrs Schueth received the Service Award for her willingness to always step in and fill a role/need. Thank you for your consistency in helping everyone around you.
 - ii) Mr Waite received the Accountability Award for keeping the focus on MTSS processes and meetings and helping us stick to the process.
 - iii) Mr Gaughenbaugh received the Innovation Award for the creative works that continue to come from his students in the shop. Students have a certain sense of pride for what they are creating.
 - iv) Mr Evans received the Integrity Award for his continual support of our SEL students and keeping our focus on the “main thing”.
- b) Discussion was had on some of the changes we implemented for Homecoming and our float building day. There seemed to be a great deal of positive feedback with the changes, namely 6th grade up here at the school in front of the library along with seniors back in the shop and all 7-11 grades in the bus barn. Overall a very good week with lots of participation and fun!
- c) Positive feedback on the new ineligibility policy of providing the warning week has been positive. Again to summarize students will be given a warning week if name appears with 2 Fs. If their name appears on the list the following week, they then become ineligible.
- d) Still need to award the class that showed the greatest improvement on MAPS. Hoping to provide them their reward by the end of 1st quarter.

4) Professional Learning

- a) I attended the HWY 91 Career Fair on Wednesday September 25th as a means of learning how they organize and run the event. I have been in contact with Brandy Thompson at ESU7 and interested in interest level from HWY 92 schools such as Osceola, Cross County, East Butler, David City etc.

Meetings and Due Date Updates:

Legislation Update:

- [Bills to Follow](#)
- Latest Education Movement
 - The Legislature made fairly quick work of **LB 140** this morning. The body advanced the bill to Select File on a 44-0 vote after a relatively short discussion on the merits of the bill.

LB 140 (Sanders, at the request of the Governor) requires school districts to adopt a policy regulating student use of electronic communication devices (such as cell phones) on school property or at school functions by the 2025-26 school year. The policy must be created with input from students, parents, and educators and may include rules on discipline and enforcement. However, it cannot prevent device use in certain situations, such as when required by a student's IEP or 504 plan, when authorized by a teacher for educational purposes, during emergencies, for healthcare management, or when deemed appropriate by school authorities.

The adopted committee amendments ensure that the bill applies to all electronic devices, not just cell phones. Additionally, the restrictions relating to instructional school functions, and the authority to permit device use for educational purposes rests with the school district, not individual teachers.

Note: Which States Ban or Restrict Cellphones in Schools? A look at statewide laws and policies on cellphones in schools - [Education Week](#)

Bond Elections

LB 135 appears on the General File agenda for tomorrow, March 4th. The measure, introduced by Senator Holdcroft, appears last on the agenda. The Legislature convenes at 9:00 a.m. (CT).

The Government Committee advanced LB 135 to General File on a 5-2 vote.

LB 135 creates a separate election process and provides limitations for school districts that call for an election to (i) approve the issuance of bonds, (ii) approve a property tax levy or levy increase, or (iii) approve exceeding a property tax levy limitation by a school district.

The election must be held in conjunction with the statewide primary or general election or, in an odd-

numbered year, in conjunction with a regularly scheduled general election of a political subdivision.

Exception

The question may also be submitted at a special election IF the purpose of the bonds, of the tax levy or levy increase, or of exceeding the tax levy limitation is to address an emergency due to circumstances beyond the control of the school board of the school district, such as the destruction of a facility or other infrastructure by fire, flood, tornado, or other emergency circumstance.

Note: The committee amendments ([AM99](#)) are touted by the Government Committee as providing for an additional opportunity for an election during each odd-numbered year, even in communities that do not have municipal elections on that cycle.

POLICY REVIEW AND REVISION

The board will periodically review, update and approve the board's policy manual.

It shall be the responsibility of the superintendent to keep the board informed as to legal changes at both the federal and state levels. The superintendent shall also be responsible for bringing proposed policy statement revisions to the board's attention.

If a policy is revised because of a legal change over which the board has no control or a change which is minor, the policy may be approved at one meeting at the discretion of the board.

COMPULSORY ATTENDANCE

Any child who will reach six years of age prior to January 1 of the current year and who has not reached eighteen years of age shall meet the requirements of mandatory school attendance. Any such child shall attend the academic program on a regular basis, unless a written request to drop the child from the school rolls is made by the parent, guardian or other person having charge, control or custody of the child.

Any child of mandatory attendance age must by law regularly attend a public, private, denominational, parochial school or a combination of such schools not less than the entire school term of the school(s) which the child attends. This does not apply to a child who has obtained a high school diploma or received a General Equivalency Diploma, completed the program of instruction offered by a non-accredited or non-approved school, has reached the age of 18, or who is at least 16 years old and whose parent or guardian has withdrawn the child from school in the manner prescribed by state statute.

Excusal from the "full-time" requirement of the compulsory education law can be granted by the superintendent for a child between 14 and 16 years of age having completed the work of the eighth grade when legal employment due to necessity has been obtained by the student and such a request has been made by a parent/guardian.

Withdrawal To Age 6

The parent/guardian of any child who will not reach six years of age prior to January 1 of the current school year and who is enrolled, may discontinue that enrollment according to procedures provided by the district.

Minimum Age

The district shall admit any child into kindergarten if:

1. the child will reach the age of five years on or before July 31, or
2. the child will reach the age of five years by October 15, and;
 - a. the parent provides an affidavit stating that the child attended kindergarten in another district, or
 - b. the family will be relocating to another district that allows admission within the current year, or
 - c. the child can demonstrate through recognized assessment procedures approved by the board his/her capability of carrying the work of the beginner grade. Each school board shall approve and make available a recognized assessment procedure for determining if a child is capable of carrying the work of kindergarten.

Approved _____ Reviewed _____ Revised _____

The district will use the Developmental Indicators for the Assessment of Learning (DIAL-4) to meet the requirement for a recognized assessment procedure to determine if a child not 5 years of age on or before October 15 of the current year is capable of carrying the work of kindergarten. The board shall update these procedures as the board deems appropriate.

Early Withdrawal at Age Sixteen

A person who has legal or actual charge or control of a child who is at least sixteen years of age may withdraw the child from school if an exit interview is conducted as required below, or if a signed notarized release form is filed with the Commissioner of Education as required by law for a child enrolled in a school that elects not to meet accreditation or approval requirements.

The exit interview shall be conducted at the time and place selected by the superintendent or the superintendent's designee upon receiving the written request of any person who has legal or actual charge or control of a child who is at least sixteen years of age if the child is enrolled in a school operated by the school district or resides in the school district and is enrolled in a private, denominational, or parochial school.

The exit interview shall be personally attended by:

- The child, unless the withdrawal is being requested due to an illness of the child making attendance at the exit interview impossible or impracticable;
- the person who has legal or actual charge or control of the child who requested the exit interview;
- the superintendent or the superintendent's designee;
- the child's principal or the principal's designee if the child at the time of the exit interview is enrolled in a school operated by the school district; and
- any other person requested by any of the required parties who agrees to attend the exit interview and is available at the time designated for the exit interview which may include other school district personnel or the child's principal or such principal's designee if the child is enrolled in a private, denominational, or parochial school.

At the exit interview, the person making the written request shall present evidence that the person has legal or actual charge or control of the child and that the child would be withdrawing due to either:

- a) financial hardships requiring the child to be employed to support the child's family or one or more dependents of the child, or
- b) an illness of the child making attendance impossible or impracticable.

The superintendent or superintendent's designee shall identify all known alternative educational opportunities, including vocational courses of study, that are available to the child in the school district and how withdrawing from school is likely to reduce potential future earnings for the child and increase the likelihood of the child being unemployed in the future. Any other relevant information may be presented and discussed by any of the parties in attendance.

At the conclusion of the exit interview, the person making the written request may sign the withdrawal form provided by the school district agreeing to the withdrawal of the child or may rescind the written request for the withdrawal.

Any withdrawal form signed by the person making the written request shall be valid only if:

- a) the child signs the form unless the withdrawal is being requested due to an illness of the child making attendance at the exit interview impossible or impracticable, and
- b) the superintendent or superintendent's designee signs the form acknowledging that the interview was held, the required information was provided and discussed at the interview, and, in the opinion of the superintendent or the superintendent's designee, the person making the written request does in fact have legal or actual charge or control of the child and the child is experiencing either:
 - 1) financial hardships requiring the child to be employed to support the child's family or dependents of the child, or
 - 2) an illness making attendance impossible or impracticable.

STUDENT ATTENDANCE RECORDS

As part of the school district's records, the daily attendance of each student shall be recorded and maintained on file with the permanent records of the district. The district will collect information pertaining to secondary attendance at the beginning of each period to calculate the same to the nearest one-fourth (1/4) day. For the elementary students, attendance shall be collected on a daily basis and calculated to the nearest one half (1/2) day.

It shall be the responsibility of the principals to ensure that such reports contain all information required by law and are filed with the administrative office.

ADDRESSING BARRIERS TO ATTENDANCE

Regular attendance by the students at school is essential for students to obtain the maximum opportunities from the education program. Parents and students alike are encouraged to ensure an absence from school is a necessary absence. Students shall attend school unless excused by the principal of their attendance center. This policy, developed and annually reviewed in collaboration with the county attorney for the district's principal office location, is an attempt to address the barriers to student attendance. This policy shall include a provision indicating how the district and the county attorney will handle those cases in which excessive unexcused absences are not due to mental or physical illness and shall state the circumstances and number of other absences or hourly equivalent upon which the school shall render all services to address barriers to attendance.

Any superintendent, principal, teacher, or member of the school board who knows of any violation of the state school attendance laws (79-201) shall report that violation to the school attendance officer within 3 days.

The superintendent shall designate an attendance officer. The attendance officer will immediately investigate the report of any child who may be in violation of the state's compulsory attendance statutes.

If any student has exceeded the number of unexcused absences as defined in the student handbook, the school shall render all services to address barriers to attendance. These services shall include the following:

1. Verbal or written communication by school officials with the person or persons who have legal or actual charge or control of any child; and
2. A meeting or meetings between the school attendance officer, school social worker, a school administrator or designee, the person who has legal or actual control of the child, and the student (when appropriate) to address the barriers to attendance. The result of the meeting or meetings shall be to develop a collaborative plan to reduce barriers identified to improve regular attendance. The plan shall include, if agreed to by the person who is responsible for making educational decisions on behalf of the child, an educational evaluation to determine whether any intellectual, academic, physical, or social emotional barriers are contributing factors to the lack of attendance. The plan shall also consider, but not be limited to:
 - (i) Illness related to physical, mental, or behavioral health of the child;
 - (ii) Educational counseling;
 - (iii) Referral to community agencies for economic services;
 - (iv) Family or individual counseling; and
 - (v) Assisting the family in working with other community services.

The school may report to the county attorney of the county in which the person resides when the school has documented the efforts it has made as required by statutes, that the collaborative plan to reduce barriers identified to improve regular attendance has not been successful, and that the child has been absent more than twenty days per school year. The school shall notify the child's family in writing prior to referring the child to the county attorney. Illness, either physical or mental, that makes attendance impossible or impracticable shall not be the basis for referral to the county attorney.

Students are subject to disciplinary action for excessive absenteeism including suspension and expulsion. It shall be within the discretion of the principal to determine, in light of the circumstances, whether a student may make up work missed because of excessive absenteeism. Disciplinary action for students receiving special education services will be assigned in accordance with the goals and objectives of the student's Individualized Education Program.

The superintendent shall report to the Commissioner of Education as directed by the commissioner regarding the number of and reason for any long-term suspension, expulsion, or excessive absenteeism of a student; referral of a student to the office of the county attorney for excessive absenteeism; or contacting of law enforcement officials other than school resource officers by the district relative to a student enrolled in the district. The superintendent shall report annually to the Commissioner the required data for the number of students who have dropped out of school.

It shall be the responsibility of the superintendent to implement this policy. The implementation may include regulations indicating the disciplinary action to be taken for excessive absenteeism.

STUDENT ABSENCES - EXCUSED

1. Statement of Philosophy

- 1.1 It is the philosophy of the board that it is the responsibility of the parent and/or guardian, the student, and the school to establish and maintain desirable habits of punctuality and attendance.
- 1.2 Parents and/or guardians are expected to account for student's absences.

2. Definitions

- 2.1 For the purpose of this policy the following definitions will be used;
 - 2.1.1 Elementary student will be a student enrolled in grades Kindergarten through grade five.
 - 2.1.2 Secondary student will be a student enrolled in grades 6 through 12.
 - 2.1.3 All students will be held accountable to all sections of this policy unless there is a designation of elementary or secondary.
 - 2.1.4 Pre-arranged absences are those absences for which the school and teachers are notified a minimum of one day in advance that the student will be absent.
 - 2.1.5 Any student whose absences exceeds ten (10) days or the hourly equivalent per semester may be in violation of state compulsory attendance laws. Additionally, those students jeopardize their opportunity to earn credits or be promoted to the next grade.
 - 2.1.6 School Excused- The parent must provide the school documentation to demonstrate the absence was beyond the control of the parent or child. This could include, but is not limited to illness documented by a doctor, college visits, court, death of a family member, or suspension.
 - 2.1.7 Not School Excused- Parent acknowledged absences that include but are not limited to illness, vacations, and other situations where the parent notifies the school that the child will be gone.

3. Notification of absence

- 3.1 The parent and/or guardians of each student are required to notify the school each day that a student is to be absent.
- 3.2 Parents are required to call the district office before 9:00 a.m. on the day their child is absent or the district will attempt to call the parent.
- 3.3 If advanced notice cannot be given, then a parent/guardian should call the school stating why their child is absent. The school will call parent(s)/ guardian(s) when a note or call has not been received to inquire the reason for the student's absence. If no contact was able to be made before the student returns to school, the student must bring a signed note by the parent/guardian explaining the absence.

4. Attendance and Excuses

- 4.1 District
- 4.2 Elementary
 - 4.2.1 The following schedule is used to determine if an absence is to be counted as a full or half day on a regular school day. Student absences will be categorized as either school excused, or as not school excused based on the situation. **Parent excused absences will count toward the 10-day limit.**
 - 4.2.1.1 Students need to be in their classrooms by 8:30 AM.
 - 4.2.1.2 If a student arrives at school after 8:30 AM and before 9:15 AM, it will be considered a tardy.

- 4.2.1.3 If a student arrives after 9:15 AM, but by or before 11:00 AM, the absence will be counted as ½ (one-half) day.
- 4.2.1.4 Entry after 11:00 AM will be counted as a full-day absence.
- 4.2.1.5 If a student leaves before 11:00 AM and does not return, the absence is counted as a full day
- 4.2.1.6 If a student leaves after 11:51 AM and does not return, the absence is counted as ½ (one-half) day.
- 4.2.1.7 No absence is counted if a student leaves after 2:57 PM.
- 4.2.2 Special allowances may be made on days with late starts or early dismissals.
- 4.3 Secondary
 - 4.3.1 Student absences will be categorized as either school excused, or as not school excused based on the situation. When possible, students shall notify their teachers in advance of pending absences by completing a pre-arranged absence sheet to the attendance secretary prior to the absence. **Parent excused absences, other than college visits arranged through the guidance office, will count toward the 10-day limit.**
 - 4.3.2 Students participating in school sponsored activities under the direction of a school approved sponsor during the school day will not be counted as absent. In order to practice or participate in any activity the student must be in attendance all day on the day of the activity. Students arriving to school after the first 15 minutes will be considered absent rather than tardy. An exception to this rule would be a pre-arranged absence approved by the Principal. Extenuating circumstances must be approved by the administration.
 - 4.3.3 If the principal suspends a student, the days for which the student is suspended shall not be counted in the total of ten (10) days of allowable absences per semester.
 - 4.3.4 Secondary students arriving to class after the bell rings and before the first 15 minutes will be considered tardy.
 - 4.3.5 Exceptions may be made to the attendance policy with the approval of the secondary principal.
- 4.4 Notification of Student Attendance by the School
 - 4.4.1 Upon reaching the following limits during a semester, the parent and/or guardian will be notified as follows:
 - 4.4.1.1 On the 4th ‘not school excused absence’ a notification letter, e-mail, or phone call will be sent to the parent and/or guardian.
 - 4.4.1.2 On the 6th ‘not school excused absence’ a notification letter will be sent to the parent and/or guardian.
 - 4.4.1.3 On the 8th ‘not school excused absence’ a Barrier to Attendance letter outlining the attendance policy and consequences for additional absences will be mailed to the parent and/or guardian. A meeting will be scheduled, per board policy 503.04, to determine the barriers leading to the attendance issue.
- 4.5 Loss of Credit
 - 4.5.1 Ten (10) days of ‘not school excused absences’ from a class during any one (1) semester will constitute justification for an incomplete or the loss of credit for that semester in that class. Parent excused absences, unexcused absences, or truancies, will be counted toward the ten day

limit. Students who miss the equivalency of ten (10) full days of school per semester are subject to consequences relating to Nebraska compulsory attendance law.

4.6 Reinstatement of Credit/Appeals

4.6.1 When a student has lost credit for a class, the student has two procedures from which to regain the credit.

4.6.1.1 Procedure 1 – In cases of extreme hardship (accidents, extended illness, or other exceptional health related problems such as therapy on a weekly basis) or extenuating circumstances, a student may appeal, in writing, to the Principal for reinstatement of credit.

4.6.1.2 Procedure 2 – When a student is notified of a loss of credit due to absences, an appeal may be made to the Attendance Review Committee. At least four (4) members of the committee need to be present to each meeting. The committee will have the authority to reinstate credit if a majority of the committee agrees sufficient reason for a waiver of the policy exists, place the student's credit on hold based on an attendance improvement plan outlined by the committee, or deny the appeal. The purpose of the meeting is to allow the student and parents/guardian(s) the opportunity to present any information or argument as to why the attendance policy provisions should be waived. A tie vote will result in a decision in the student's favor.

4.6.2 If the student and/or parent/guardian is unsatisfied with the decision of the attendance committee, they will have seven (7) calendar days to appeal the decision to the Superintendent. The Superintendent will conduct a review and within five (5) calendar days will provide a written response to the student. The Superintendent has the authority to reinstate credit, or uphold the decision of the committee. A final appeal may be made to the board within seven (7) calendar days of the Superintendent's decision. The board will have forty five (45) calendar days to provide a written response. The decision of the board is final.

5. Make-up Work

5.1 Elementary

5.1.1 Elementary students will have two (2) school days from the date of their return to school following an absence to make-up the work missed.

5.1.2 If the work is not made up within two (2) school days, a zero (0) will be entered into the grade book for all work missed and not made-up.

5.1.3 Any student who has make-up work may appeal the amount of time to make up the work to the Elementary Principal.

5.1.3.1 The Elementary Principal's decision is final.

5.2 Secondary

5.2.1 Secondary students are to complete all pre-arranged "make-up" work before the absence, or by the due date set by the teacher. Teachers are not required to allow students the opportunity to earn credit for assignments that are not completed prior to the due date set for absences classifying as pre-arranged.

5.2.2 If a secondary student is absent on the day that an assignment is due, the student will be required to turn in the assignment on the first day of his/her return to school. If the student fails to turn in the assignment, the instructor

will enter a grade of zero for that assignment.

5.2.3 Students will have two (2) days from the date of their return to school following an absence to make up work missed as a result of the absence. Students may ask for and receive extra time from their teachers should extenuating circumstances exist.

5.2.4 Any student who has make-up work may appeal the amount of time to make up the work to the teacher or the Secondary Principal.

5.2.4.1 The Secondary Principal's decision is final.

6. College Visitation

6.1 Seniors are allowed two (2) days for college visitation, per school year, if the Guidance Office coordinates the visitation and the parent accompanies the student on the visit. Juniors are allowed one (1) during the second semester for a college visitation. Additional days for college visits must be requested and approved by the principal.

7. Extra-Curricular Participation:

7.1 In order to practice or participate in any activity held outside of school hours the student must be in attendance all day on the day of the activity. The only exception to this section would be a pre-arranged absence approved by the principal.

8. Truancy

8.1 Truancy will be defined as any absence without prior knowledge and/or permission of the school and/or parents. Under these circumstances, a student will be considered truant, whether the absence is for a full day or more, part of the day, or all or part of any class. Truancy will not be tolerated. Truant students will be subject to appropriate disciplinary action. See Board Policy 504.03, The Code of Conduct.

9. Physical Education

9.1 Excuses from home to keep a student out of physical education must be on a day-to-day basis unless accompanied by a doctor's written excuse.

10. Tardy to School

10.1 Elementary

10.1.1 Students are considered tardy when school begins at 8:30 AM and they are not in their assigned rooms. Any time a student enters the building after 8:30 AM they must report first to the office for a pass to class. Additional definitions of being tardy are outlined in the Student Handbook.

10.2 Secondary

10.2.1 For the purpose of this policy, a student reporting to school within the first fifteen (15) minutes of the first period of the school day without a pre-excused absence will be considered to be tardy. A student that is more than fifteen (15) minutes late for the first period will be considered to be absent or truant for that period. See the Student Handbook for additional definition of tardy.

10.2.2 The make-up time will be at the discretion of the Principal.

11. Admit Slips

11.1 The office will collect attendance through Power School.

11.2 Students must have an admit slip/planner signed when arriving late to first period class.

12. Late Enrollment

12.1 Students entering school after the third week of the semester will be prorated on the number of days of allowed absences. Instead of ten (10) days for the

semester, students will have one-half (1/2) day for each week of school left in the semester.

13. Withdrawing from School

- 13.1 Any student who has withdrawn from school and has re-entered, shall not gain nor lose days, but will be reinstated with the same number of days of approved absences as they processed at the time of withdrawal.

PRINCIPAL'S CONTRACT OF EMPLOYMENT SHELBY-RISING CITY PUBLIC SCHOOLS

THIS CONTRACT is made by and between the **Board of Education of Shelby-Rising City Public Schools**, legally known as **Polk County School District No. 72-0032**, and referred to as "the Board" and "the School District" respectively, and **Heather Thompson**, referred to herein as "the Principal". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Principal, and the Principal agrees to accept such employment, subject to the terms and conditions set forth herein.

Section 1. Term of Contract. The Principal shall be employed for 1 year beginning on/around August 1, 2024, and expiring on/around JUNE 30, 2025. During this and any subsequent year under this contract, the Principal shall render at least **210** working days of service in the performance of her duties as Principal. References to "working days" shall mean the period from August 1st through June 30th and shall consist of all days except those on which: are scheduled school holidays and teachers and/or staff are not required to be at school; school is canceled; the Principal's illness makes attendance impossible or impracticable; the Principal's presence is not necessary to fulfill her contractual duties; or the Board otherwise excuses the Principal. The Principal agrees to work sufficient hours and days to satisfactorily complete the duties of this contract. The Principal shall keep complete and accurate records of her working days and shall provide the Superintendent with a report of her accumulated working days.

Section 2. Renewal of Contract. Unless the Superintendent recommends the nonrenewal, termination, amendment, and/or cancellation of this contract by April 15th, the contract will automatically renew for a period of **one contract year**, as defined in Section 1, from and after the expiration date provided in Section 1 of this contract.

Section 3. Salary. The Principal's salary for the contract year shall be **\$111,788** (includes \$7,313) for *SPED Director Duties- 7% of 2024-25 Principal Base Salary of \$104,475*) which shall be paid in 12 equal monthly installments beginning in the month of August. The Board shall not reduce the Principal's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

Section 4. Deductions. This contract shall conform to the statutes and regulations governing deductions from compensation. The Principal

authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Principal or the value of property or money entrusted to the Principal or owed by the Principal to the District during the course of or as a result of the Principal's employment, if such property or money have not properly been returned to the District. The school district shall withhold other deductions as the Principal and Board may agree.

Section 5. Professional Status. The Principal affirms that she is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, she will hold a valid and appropriate certificate to act as a principal in the State of Nebraska which she will register and maintain on file in the school district's central administrative office. This contract shall not be valid and the Board will not compensate the Principal for any service performed prior to the date that she registers her certificate.

Section 6. Principal's Duties. The Principal's duties shall be as prescribed by statute and by Board policies, rules, regulations and directives. The Principal agrees to devote her time, skill, labor and attention to her duties throughout the contract term. She shall be subject to the direction and control of the Superintendent at all times and shall perform such administrative duties as the Superintendent or Board assigns to her. By agreement with the Superintendent, she may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out her duties and obligations to the school district. The Board of Education recognizes the building principal as the chief educational leader in her building. The Principal will be responsible for the organization and administration of the building, all phases of the instructional program, and the direction of personnel and school management. These are to be in harmony with the standards and goals for the schools and the District as directed by and in cooperation with the Superintendent of Schools.

Section 7. Nonrenewal, Termination, Cancellation or Mid-Term Amendment. Nonrenewal, termination, cancellation, or amendment of this contract shall be in accordance with state statutes. During any applicable probationary period, the Board may non-renew or amend this contract for any reason so long as it is not unconstitutional. At all other times, the Board may terminate, cancel or amend this contract for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Principal's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the

breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Principal's continued performance of her duties; (m) any arrest, criminal charge, or criminal conviction of Principal or the failure to report the same; (n) any filing against the Principal under Neb. Section 8. Disability. If the Principal is unable to perform her duties by reason of illness, accident or other disability beyond her control, and the disability continues for a period of more than 60 calendar days or if the disability is permanent, irreparable, or of such a nature as to make performance of her duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Principal under any insurance coverage furnished by the district.

Section 9. Transportation. The Principal shall be provided use of a school vehicle for necessary transportation for professional duties or attendance. When no district vehicles are available the Principal will be compensated the District rate for mileage.

Section 10. Fringe Benefits. The Board shall provide the Principal with the following fringe benefits:

- c. Sick Leave.** The Principal shall be entitled to eleven (11) days of leave per year which may accumulate to a total of

thirty (30) sick days. Sick leave may only be used for personal/family illness once yearly leave is exhausted or as otherwise provided in District policy. If the Principal qualifies for disability pay under a long-term disability policy, she shall be required to take the disability pay instead of sick leave pay. The Principal shall keep complete and accurate records of her leave/sick days and complete required leave forms. The Principal shall not be compensated for unused days of sick leave upon the ending of her employment with the District.

- d. Disability Insurance.** The Principal shall purchase long-term disability insurance from the school district's carrier at her own expense.
- e. Professional Development.** The Principal is expected to continue her professional development and to participate in relevant learning experiences. With the approval of the Superintendent or Board, she may attend appropriate professional meetings at the local, state, regional and national level; and the Board will pay for valid expenses of attendance. If the Principal attends a national convention and does not return following the initial year of employment as Principal, the Principal agrees to repay the District in full for national convention expenses paid by the District.
- f. Professional Dues.** The school district will pay the annual dues for the Principal's membership in the following organizations: Nebraska Council of School Administrators or one sub organization not to exceed \$500 total.
- g. Bereavement Leave.** The Principal shall be permitted bereavement leave as provided in District policy. In the event that the District does not have a bereavement leave policy, the Principal will be allowed up to **3** days of paid bereavement leave per year.
- h. Cell Phone.** The Principal shall be required to purchase and maintain a cellular phone so that she can be reached at all times for work-related emergencies or while away from school grounds during the work day. The School District will reimburse the Principal for costs related to employment that exceed the regular monthly fees paid.

- i. **Expense Reimbursement.** The Board shall pay or reimburse the Principal for expenses that are actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions, hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (Neb. Rev. Stat. § 13-2201 *et seq.*) or some other provision of law, and (2) the Principal shall secure the prior approval of the Board or Superintendent before incurring any such expense when the anticipated aggregate expense of any single event is \$100.00 or more.

Section 11. Residence/Domicile in School District. The Principal shall have her domicile and principal residence within the boundaries of the District as they exist on the first duty day for the Principal under the terms of this contract; and, the Principal shall maintain her domicile and residence within the boundaries of the District during the term of this agreement, or any renewal, amendment, or continuation thereof, except as otherwise provided herein. If the Principal is in her first year of employment with the District and does not have her domicile and principal place of residence within the District at the time of her employment, the Principal shall move her domicile and principal place of residence into the corporate limits of the District before the expiration of the first six months from the Principal's first duty day under this contract. It is the purpose of this paragraph to require the Principal to, at all times during such employment, live and maintain her domicile and principal place of residence in the District to encourage the Principal: (1) to be highly motivated and deeply committed to the District's educational system; (2) to speak to and vote on ballot issues affecting the district as a legal voter of the school district; (3) to be involved in school and community activities bringing her in contact with parents and community leaders and be committed to the future of the district and its schools; (4) to be accessible to parents and students, and allow parents and students to become personally acquainted with the Principal; and, (5) to gain sympathy and understanding for the cultural basis of the community, and the social, economic, and environmental problems of the children of the school community and are thus less likely to be considered isolated from the community in which she is the educational leader.

Section 12. No Penalty for Release or Resignation. There shall not be a penalty for the release or resignation of the Principal from this contract; provided no resignation shall become effective until the expiration of the

contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

Section 13. Compensation Upon Termination. Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Principal shall refund any portion of the salary she was paid but had not earned prior to the date of termination of this contract.

Section 14. Evaluation. The Superintendent shall evaluate the Principal as required by state statute. The Principal agrees that the full instructional/observational evaluation period, as required by section 79-828, shall mean any observation of the Principal's duties for at least 40 minutes, whether consecutive or as aggregated throughout the period applicable to the evaluation. The Principal agrees that time spent working in conjunction with the Superintendent on school-related matters may be counted toward observation for a full instructional period.

Section 15. Legal Actions. The Board will support the Principal if there is a legal dispute caused by her carrying out her duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Principal as a result of her performance of her duties or her position as Principal of the district, the Board will provide her with a legal defense to the maximum extent permitted by law so long as she acted in good faith and in a manner which she reasonably believes to be in or not opposed to the best interests of the district and, with respect to any criminal action or proceeding, had no reasonable cause to believe that her conduct was unlawful.

Section 16. Physical or Mental Examination. The Principal agrees that, at the request of the Board or Superintendent, she will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this Contract. In deference to the requirements of the Americans with Disabilities Act and HIPAA, the physician's report to the Board and/or Superintendent must address whether the Principal is able to perform the "essential functions" of her position.

Section 17. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contract.

Section 18. Amendments to be in Writing. This contract may be modified or amended only by a writing duly authorized and executed by the Principal and the Board.

Section 19. Severability. If any portion of this contract is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this contract.

IN WITNESS WHEREOF, the parties have executed this contract on the dates indicated below.

PRINCIPAL'S CONTRACT OF EMPLOYMENT SHELBY-RISING CITY PUBLIC SCHOOLS

THIS CONTRACT is made by and between the **Board of Education of Shelby-Rising City Public Schools**, legally known as **Polk County School District No. 72-0032**, and referred to as "the Board" and "the School District" respectively, and **Marcus Donner**, referred to herein as "the Principal". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Principal, and the Principal agrees to accept such employment, subject to the terms and conditions set forth herein.

Section 1. Term of Contract. The Principal shall be employed for 1 year beginning on/around August 1, 2024, and expiring on June 30, 2025. During this and any subsequent year under this contract, the Principal shall render at least **210** working days of service in the performance of his duties as Principal. References to "working days" shall mean the period from August 1st through June 30th and shall consist of all days except those on which: there are scheduled school holidays and teachers and/or staff are not required to be at school; school is canceled; the Principal's illness makes attendance impossible or impracticable; the Principal's presence is not necessary to fulfill his contractual duties; or the Board otherwise excuses the Principal. The Principal agrees to work sufficient hours and days to satisfactorily complete the duties of this contract. The Principal shall keep complete and accurate records of his working days and shall provide the Superintendent with a report of his accumulated working days.

Section 2. Renewal of Contract. Unless the Superintendent recommends the nonrenewal, termination, amendment, and/or cancellation of this contract by April 15th, the contract will automatically renew for a period of **one contract year**, as defined in Section 1, from and after the expiration date provided in Section 1 of this contract.

Section 3. Salary. The Principal's salary for the contract year shall be **\$92,000** which shall be paid in 12 equal monthly installments beginning in the month of August. This includes duties listed below but also as acting District Assessment Contact and 504 coordinator. The Board shall not reduce the Principal's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

Section 4. Deductions. This contract shall conform to the statutes and regulations governing deductions from compensation. The Principal

authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Principal or the value of property or money entrusted to the Principal or owed by the Principal to the District during the course of or as a result of the Principal's employment, if such property or money have not properly been returned to the District. The school district shall withhold other deductions as the Principal and Board may agree.

Section 5. Professional Status. The Principal affirms that they are not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, they will hold a valid and appropriate certificate to act as a principal in the State of Nebraska which they will register and maintain on file in the school district's central administrative office. This contract shall not be valid and the Board will not compensate the Principal for any service performed prior to the date that he registers his certificate.

Section 6. Principal's Duties. The Principal's duties shall be as prescribed by statute and by Board policies, rules, regulations and directives. The Principal agrees to devote their time, skill, labor and attention to their duties throughout the contract term. They shall be subject to the direction and control of the Superintendent at all times and shall perform such administrative duties as the Superintendent or Board assigns to them. By agreement with the Superintendent, they may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out their duties and obligations to the school district. The Board of Education recognizes the building principal as the chief educational leader in his/her building. The Principal will be responsible for the organization and administration of the building, all phases of the instructional program, and the direction of personnel and school management. These are to be in harmony with the standards and goals for the schools and the District as directed by and in cooperation with the Superintendent of Schools.

Section 7. Nonrenewal, Termination, Cancellation or Mid-Term Amendment. Nonrenewal, termination, cancellation, or amendment of this contract shall be in accordance with state statutes. During any applicable probationary period, the Board may non-renew or amend this contract for any reason so long as it is not unconstitutional. At all other times, the Board may terminate, cancel or amend this contract for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Principal's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the

breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Principal's continued performance of his duties; (m) any arrest, criminal charge, or criminal conviction of Principal or the failure to report the same; (n) any filing against the Principal under Neb. Rev. Stat. Section 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying school district records or documents; (p) misrepresentation of fact to the district and its personnel in the conduct of the district's official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the district except as prescribed by a physician.

Section 8. Disability. If the Principal is unable to perform their duties by reason of illness, accident or other disability beyond their control, and the disability continues for a period of more than 60 calendar days or if the disability is permanent, irreparable, or of such a nature as to make performance of his duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Principal under any insurance coverage furnished by the district.

Section 9. Transportation. The Principal shall be provided use of a school vehicle for necessary transportation for professional duties or attendance. When no district vehicles are available the Principal will be compensated the District rate for mileage.

Section 10. Fringe Benefits. The Board shall provide the Principal with the following fringe benefits:

- a. Health Insurance.** Family health insurance that is provided to certificated staff through the District's health insurance carrier.
- b. Dental Insurance.** Family dental insurance that is available to certificated staff through the District's health insurance carrier.
- c. Sick Leave.** The Principal shall be entitled to eleven (11) days of leave per year. Unused annual leave may

accumulate to a total of thirty (30) sick days. Sick leave may only be used for personal/family illness once yearly leave is exhausted or as otherwise provided in District policy. If the Principal qualifies for disability pay under a long-term disability policy, they shall be required to take the disability pay instead of sick leave pay. The Principal shall keep complete and accurate records of their leave/sick days and complete required leave forms. The Principal shall not be compensated for unused days of sick leave upon the ending of his employment with the District.

- d. Disability Insurance.** The Principal shall purchase long-term disability insurance from the school district's carrier at his own expense.
- e. Professional Development.** The Principal is expected to continue their professional development and to participate in relevant learning experiences. With the approval of the Superintendent or Board, they may attend appropriate professional meetings at the local, state, regional and national level; and the Board will pay for valid expenses of attendance. If the Principal attends a national convention and does not return following the initial year of employment as Principal, the Principal agrees to repay the District in full for national convention expenses paid by the District.
- f. Professional Dues.** The school district will pay the annual dues for the Principal's membership in the following organizations: Nebraska Council of School Administrators or others as approved by Superintendent.
- g. Bereavement Leave.** The Principal shall be permitted bereavement leave as provided in District policy. In the event that the District does not have a bereavement leave policy, the Principal will be allowed up to **3** days of paid bereavement leave per year.
- h. Cell Phone.** The Principal shall be required to purchase and maintain a cellular phone so that he can be reached at all times for work-related emergencies or while away from school grounds during the work day. The School District will reimburse the Principal for costs related to employment that exceed the regular monthly fee's paid.

- i. **Expense Reimbursement.** The Board shall pay or reimburse the Principal for expenses that are actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions, hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (Neb. Rev. Stat. § 13-2201 *et seq.*) or some other provision of law, and (2) the Principal shall secure the prior approval of the Board or Superintendent before incurring any such expense when the anticipated aggregate expense of any single event is \$100.00 or more.

Section 11. Residence/Domicile in School District. The Principal shall have their domicile and principal residence within the boundaries of the District as they exist on the first duty day for the Principal under the terms of this contract; and, the Principal shall maintain their domicile and residence within the boundaries of the District during the term of this agreement, or any renewal, amendment, or continuation thereof, except as otherwise provided herein. If the Principal is in his first year of employment with the District and does not have their domicile and principal place of residence within the District at the time of their employment, the Principal shall move their domicile and principal place of residence into the corporate limits of the District before the expiration of the first six months from the Principal's first duty day under this contract (Amendment: the principal shall move their domicile and place of residence into the corporate limits of the District before the beginning of the next school year (24-25) if not possible for 23-24). It is the purpose of this paragraph to require the Principal to, at all times during such employment, live and maintain his domicile and principal place of residence in the District to encourage the Principal: (1) to be highly motivated and deeply committed to the District's educational system; (2) to speak to and vote on ballot issues affecting the district as a legal voter of the school district; (3) to be involved in school and community activities bringing them in contact with parents and community leaders and be committed to the future of the district and its schools; (4) to be accessible to parents and students, and allow parents and students to become personally acquainted with the Principal; and, (5) to gain sympathy and understanding for the cultural basis of the community, and the social, economic, and environmental problems of the children of the school community and are thus less likely to be considered isolated from the community in which he is the educational leader.

Section 12. No Penalty for Release or Resignation. There shall not be a penalty for the release or resignation of the Principal from this contract;

provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

Section 13. Compensation Upon Termination. Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Principal shall refund any portion of the salary he was paid but had not earned prior to the date of termination of this contract.

Section 14. Evaluation. The Superintendent shall evaluate the Principal as required by state statute. The Principal agrees that the full instructional/observational evaluation period, as required by section 79-828, shall mean any observation of the Principal's duties for at least 40 minutes, whether consecutive or as aggregated throughout the period applicable to the evaluation. The Principal agrees that time spent working in conjunction with the Superintendent on school-related matters may be counted toward observation for a full instructional period.

Section 15. Legal Actions. The Board will support the Principal if there is a legal dispute caused by his carrying out his duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Principal as a result of his performance of his duties or his position as Principal of the district, the Board will provide him with a legal defense to the maximum extent permitted by law so long as he acted in good faith and in a manner which he reasonably believes to be in or not opposed to the best interests of the district and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful.

Section 16. Physical or Mental Examination. The Principal agrees that, at the request of the Board or Superintendent, he will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this Contract. In deference to the requirements of the Americans with Disabilities Act and HIPAA, the physician's report to the Board and/or Superintendent must address whether the Principal is able to perform the "essential functions" of his position.

Section 17. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contact.

Section 18. Amendments to be in Writing. This contract may be modified or amended only by a writing duly authorized and executed by the Principal and the Board.

Section 19. Severability. If any portion of this contract is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this contract.

Nothing in this paragraph, however, shall be construed to entitle the school district to abrogate this contract or declare it void. The district shall be obligated to pay all sums specified by this contract as due and owing the ESU 7 regardless of changes in circumstances within the district during the course of this contract. The ESU 7 shall, however, be obligated to meet with the school district and discuss in good faith alternatives to mitigating expense, reallocating staff, and other resources within the bounds of the law and as the ESU 7 may

in its sole discretion determine to be in the best interest of ESU 7 and the school district. Any and all changes or expenses incurred by ESU 7 in the course of performing its obligations pursuant to this agreement, or in preparing to do so, shall become due and payable by school district to ESU 7 upon billing in a manner consistent with the billing provision of this agreement.

10. If, for any reason the District does not pay as agreed, the Servicing Agency may cancel this contract and forthwith, without notice, refuse further services, without notice, to said district, but the District shall not be relieved from paying for services rendered by the Servicing Agency to the said District to date of termination of service. The District hereby expressly agrees, acknowledges and affirms that its refusal to pay for services rendered will result in the Servicing Agency refusal to render services in the future and that, by refusing to pay, the District does not and will not expect the Servicing Agency to provide services of any kind to the District until payment has been made in full.

11. The School District agrees that its payments will be made upon receipt of billing from the Servicing Agency. If the District refuses to make payment within sixty(60) days upon its receipt of billing, the outstanding amounts owed shall accrue in interest of the 1.25% per month or the maximum permitted by law, whichever is less, plus the expenses of collection.

12. It is understood and agreed, that in the event of any reason this contract does not comply with the State's requirement, it will be changed in accordance therewith, upon written notice by the Servicing Agency to the District and advising the District of the required changes to meet State requirements.

13. It is agreed this contract between the Servicing Agency and district must be signed by the District Board or Representative and returned to the Servicing Agency by **March 29, 2024**. The Servicing Agency's Board will then sign and return a copy of the contract to the District.

This agreement shall be binding upon the parties hereto and their successors. The persons executing this Agreement on behalf of the respective parties specifically acknowledge and represent that they have value authority to bind the party to whose benefit this Agreement had been executed.
