Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

- (1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and
- (b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;
- (2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and
- (3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

- (1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:
- (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;
- (b) Discussion regarding deployment of security personnel or devices;
- (c) Investigative proceedings regarding allegations of criminal misconduct;
- (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;
- (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or
- (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body.

Such notice shall be placed in the newspaper and on the websites by the newspaper.
- (ii) In the case of the governing body of a city of the second class or village, any advisory committee of such governing body, or the governing body of a rural or suburban fire protection district, such notice shall be given by:
 - (A)(I) Publication in a newspaper of general circulation within the public body's jurisdiction that is finalized for printing prior to the time and date of the meeting, (II) posting on such newspaper's website, if available, and (III) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers. Such notice shall be placed in the newspaper and on the websites by the newspaper;
 - (B)(I) Posting to the newspaper's website, if available, and (II) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers if no edition of a newspaper of general circulation within the public body's jurisdiction is to be

finalized for printing prior to the time and date of the meeting. Such notice shall be placed in the newspaper and on the websites by the newspaper; or

(C) Posting written notice in three conspicuous public places in such city, village, or district. Such notice shall be posted by the public body in the same three places for each meeting.

(iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(iv) In case of refusal, neglect, or inability of the newspaper to publish the notice, the public body shall (A) post such notice on its website, if available, (B) request the newspaper submit a post on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers, and (C) post such notice in a conspicuous public place in such public body's jurisdiction. The public body shall keep a written record of such posting pursuant to subdivision (1)(b)(iv)(A) and (C) of this section and a written record of the request to the newspaper pursuant to subdivision (1)(b)(iv)(B) of this section. The record of such posting shall be evidence that such posting was done as required and shall be sufficient to fulfill the requirement of publication.

(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

NCSA Ambassador Report for the ESUCC Board July 29, 2026

I hope everyone had a great summer! Hard to believe Administrator Days is here.

First - Thank you for allowing me to be part of your superintendent meetings this past year and for all of the story ideas you provided for Tyler.

1. Legislative Update

a. LB 966 - Hunger-Free Schools Act

i. By Justin Knight, Perry Law Firm

1. During the 2026 legislative session, the Nebraska Legislature passed LB 966 (the “Hunger-Free Schools Act”) near the close of the session. Although there was speculation that the Governor might veto the bill, he ultimately signed LB 966 into law.
2. At a high level, LB 966 (now Neb. Rev. Stat. §§ [79-10,139.01](#) through [79-10,139.09](#)) establishes the statutory framework for the Hunger-Free Schools Pilot Program, a meal reimbursement program funded through private donations and administered by the Nebraska Department of Education. Beginning with the 2026-2027 school year, qualifying public and private schools may apply to participate in the Pilot Program. From the pool of applicants, NDE will select participating schools. Those selected schools will then be eligible to receive reimbursement for the difference between the federal reimbursement rates for free meals and reduced-price meals. However, it appears that the reimbursements will be paid “during the second preceding school fiscal year,” so there may be some timing issues during the Program’s initial rollout.
3. The statute provides the overall framework for the Pilot Program but leaves many details and logistics unresolved. Instead of outlining any specific procedures or implementation requirements, the Legislature delegated substantial authority to NDE to develop and administer the Program, including establishing the application process and, presumably, the selection criteria.

NCSA

The Nebraska Council of School Administrators (NCSA) is an umbrella organization comprised of more than 2,800 school administrators who serve or once served in Nebraska schools.

We consider ourselves a partner in developing excellence in educational leadership, providing the "tools" necessary for administrators to be successful.

Although school administrators are more aware of problem areas in schools than anyone else, their voices can be drowned out by special interests in politics. NCSA provides strength in numbers to make our voices heard in educational matters in Nebraska.

NCSA Mission Statement

The mission of the Nebraska Council of School Administrators is to be a leader for quality education that results in learning for all children/youth and to enhance the professionalism of its members.

Umbrella Organization

NCSA is an umbrella organization representing six affiliate associations:

- *Nebraska Association of Elementary School Principals (NAESP)*
- *Nebraska Association of School Administrators (NASA)*
- *Nebraska Association of School Business Officials (NASBO)*
- *Nebraska Association of Special Education Supervisors (NASES)*
- *Nebraska State Association of Secondary School Principals (NSASSP)*
- *Nebraska Association of Retired School Administrators (NARSA)*

Who Can Belong?

1. *Those eligible for **Active membership** are practicing public and private school administrators.*
2. ***Associate membership** is available to faculty members in postsecondary institutions, employees in education-related agencies, district professional staff, and those who have administrative certificates who may not yet be practicing administrators. Associate members do not have voting privileges, but receive all publications and are eligible to attend all NCSA-sponsored events.*
3. ***Student membership** is available to individuals currently enrolled in an Educational Administration Graduate Program.*
4. ***NARSA (Nebraska Association of Retired School Administrators)** membership is available to retired administrators. NARSA members receive all publications and registration information, are encouraged to participate on committees and task forces, and are admitted to all NCSA-sponsored activities for the cost of the meals only. All registration fees are waived.*

3014. Coffee Act Policy (Reimbursable Expenses)

1. Workshops. Board members, employees and volunteers of the ESUCC are expected to maintain effectiveness by being well informed on educational and related issues and are encouraged to diligently perform their required duties, attend educational workshops, conferences, training programs, official functions, hearings or meetings which are necessary to perform required duties, sponsored by the ESUCC or State and national educational organizations or which are otherwise in the best interests of the ESUCC.
 - a. Approval to Attend. Staff designated by the ESUCC Chief Executive Officer, as well as Board members, are hereby given prior approval by the ESUCC Board to attend such functions within the State which are sponsored by this ESUCC, the Nebraska Association of School Boards, the Nebraska Council of School Chief Executive Officers, the Nebraska Rural Community Schools Association, Association of Educational Service Agencies, and similar organizations, without additional or further approval by the Board, unless otherwise so determined by the Chief Executive Officer and Board President. Upon approval by the Board or, in the case of in-state functions, by the Chief Executive Officer or designee, Board members are further authorized to attend other similar functions.

Employees and volunteers are authorized to attend such functions upon prior approval by the Chief Executive Officer or designee.

- b. Reimbursement of Expenses. The ESUCC will pay the registration costs, tuition costs, fees or charges for attendance by staff at such approved functions. The ESUCC will pay mileage at the rate allowed by law (the rate established by the Department of Administrative Services) or actual travel expenses if travel is authorized by commercial means. The ESUCC will pay for meals and lodging at a rate not exceeding the applicable federal rate, unless a fully itemized claim is submitted substantiating the costs actually incurred in excess of such rate and such additional expenses are expressly approved by the Board. **Notwithstanding anything to the contrary, when a meal is included in a conference registration fee or otherwise provided as part of the event, the ESUCC will not reimburse or separately pay for another meal during the same meal period unless extraordinary circumstances exist and are documented and approved in accordance with this policy.**

For employees and volunteers, the ESUCC will pay costs and make reimbursements in the same manner as provided above for Board member attendance, unless otherwise established by policy, Board action, or contract.

2. Working Meals. **The ESUCC recognizes that, in limited circumstances, official business may require Board members, employees, volunteers, or invited**

participants to conduct business during a meal period. Consistent with Nebraska law, the ESUCC may directly purchase or reimburse the reasonable cost of a working meal when the meal is necessary for official ESUCC business.

A working meal shall be reimbursable only when all of the following conditions are met: (1) the primary purpose of the meeting is for official ESUCC business; (2) the meeting occurs during a regular meal period; (3) conducting business during the meal is reasonably necessary due to scheduling, travel, and/or the length of the meeting; and (4) the cost of the meal is reasonable.

Each working lunch must include documentation to demonstrate compliance with this policy, including (when applicable): (1) a meeting agenda or description of the purpose of the working lunch; (2) the names of individuals attending the working lunch; (3) an itemized receipt; and (4) any notes taken during the meeting.

A working meal does not include a meal or gathering for personal convenience. No working meal may include alcohol or the purchase of any food or beverage for the spouse of any ESUCC staff member or board member.

3. Meeting Refreshments (Non-Working Meals). Non-alcoholic beverages may be provided to individuals attending public meetings. Meals may be provided to Board members, employees and volunteers attending joint meetings with other governing bodies **or as otherwise authorized under Section 2 of this policy**. When the Board President or Chief Executive Officer determines it to be in the best interests of the ESUCC and not in the form of a requirement, because of timing or duration of a meeting or ESUCC activity, or other factors, the Board authorizes other nutritional refreshments to be provided to persons attending public meetings or in other appropriate or necessary situations **consistent with this policy and applicable law**.
4. Spouses. This policy does not authorize the expenditure of public funds to pay for any expenses incurred by a spouse of a Board member, employee, or volunteer unless the spouse is also a Board member, employee or volunteer or unless the expenditure is otherwise permitted by law.
5. General. Payment or reimbursement for expenses incurred by Board members, employees or volunteers may be allowed to the extent otherwise specifically permitted by law. The authority necessary to carry out the provisions of this policy should be and is hereby delegated from the Board to the designated officials as indicated herein.

All expenditures authorized by this policy shall serve a public purpose, be reasonable and necessary under the circumstances, and be supported by documentation sufficient to demonstrate compliance with Nebraska law and this policy.

IMPORTANT INFORMATION

Finance Charge Calculation Methods and Computation of Average Daily Balance Subject to Finance Charge: The Finance Charge Calculation Method applicable to your account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified on the front side of this statement and explained below:

Method A - Average Daily Balance (including current transactions): The Finance Charge on purchases begins on the date the transaction posted to your account. The Finance Charge on Cash Advances begins on the date you obtained the cash advance, or the first day of the billing cycle within which it is posted to your account, whichever is later. There is no grace period.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of your account. To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method E - Average Daily Balance (excluding current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances if Method E is specified as applicable to cash advances) reflected on your monthly statement, you must pay the New Balance shown on your monthly statement on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day and subtract any payments, credits, non-accruing fees, and unpaid finance charges. We do not add in any new purchases or cash advances. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method G - Average Daily Balance (including current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances, if Method G is specified as applicable to cash advances) reflected on your monthly statement and, on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the New Balance, shown on your monthly statement, on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

Payment Crediting and Credit Balance: Payments received at the location specified on the front of the statement after the phrase "MAKE CHECK PAYABLE TO" will be credited to the account specified on the payment coupon as of the date of receipt. Payments received at a different location or payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting, but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request in writing, a full refund. Submit your request to the Account Inquiries address on the front of this statement.

By sending your check, you are authorizing the use of the information on your check to make a one-time electronic debit from the account on which the check is drawn. This electronic debit, which may be posted to your account as early as the date your check is received, will be only for the amount of your check. The original check will be destroyed and we will retain the image in our records. If you have questions please call the customer service number on the front of this billing statement.

Closing Date: The closing date is the last day of the billing cycle; all transactions received after the closing date will appear on your next statement.

Annual Fee: If your account has been assessed an annual fee, you may avoid paying this annual fee by sending written notification of termination within 30 days following the mailing date of this bill. Submit your request to the Account Inquiries address on the front of this statement. You may use your card(s) during this 30 day period but immediately thereafter must send your card(s), which you have cut in half, to this same address.

Negative Credit Reports: You are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations.

BILLING RIGHTS SUMMARY

In Case of Errors or Inquiries About Your Bill: If you suspect there is an error on your account or you need information about a transaction on your bill, send your written inquiry to the Account Inquiries address on the front of this statement within 60 days of the date of the statement containing the transaction in question. 4001. Hiring Personnel

ESU 17 provides staffing services to ESUCC pursuant to contract and will serve as ESUCC's Human Resources Division.

ESUCC personnel are employed in order to support the ESUCC and its mission to work toward statewide coordination to provide the most cost-effective services for the students, teachers, and school districts in each ESU. The Board delegates to the CEO the authority to interview and recommend the hiring by ESU #17 of all personnel in order to allow personnel to begin working as soon as the CEO determines that it would be in the best interests of ESUCC. The CEO will keep the ESUCC Executive Committee informed of any potential personnel changes and the possibility of any new hires. The CEO will report on all personnel hires to the ESUCC Board at the next regular board meeting. At that time, the ESUCC Board may affirm the CEO's hiring decisions or reject a hiring decision. If the Board rejects a hiring decision, then the ESUCC shall compensate ESU 17 for the time that the employee actually performed work for the benefit of ESUCC.

Any new job position that would be paid for, in whole or in part, by ESUCC funds must be approved by the ESUCC Board before the CEO may offer the job to any person.

EMPLOYMENT CONTRACT FOR STAFF ASSIGNED TO ESUCC PROJECTS

This employment agreement is made by and between Educational Service Unit No. 17, referred to herein as "ESU #17," and Zoe Shankland, referred to herein as the "Employee."

WITNESSETH: ESU #17 agrees to employ the Employee and the Employee agrees to accept such employment subject to the terms and conditions set forth below:

1. Term of Employment. The term of this agreement shall be indefinite. It shall commence on the 1st day of July, 2026 and end on the 30th day of June, 2027. During this period the Employee shall render at least 220 working days of service, as that term is defined herein, in the performance of his/her duties. Appropriately claimed and approved "sick leave" days will count toward the days of service requirement. The Employee shall cooperate with ESU #17 in keeping complete and accurate records of his/her working days.

2. At-Will Nature of Employment; Duties of Employee. The Employee is hired as an "at will" employee and accepts employment on that basis. The Employee's assignment shall be working as the PowerSchool Cooperative Director at the Educational Service Unit Coordinating Council (ESUCC). The Employee acknowledges and understands that a determination by ESUCC that the Employee's services are no longer needed may result in the immediate termination of the Employee's employment. The enumeration of the annual working days of service expected under this agreement does not change the term of this contract or the at-will nature of the parties' relationship.

3. Supervision and Direction of Employee. The Employee's ultimate supervisor will be the CEO of the ESUCC, but the Employee shall also be subject to the supervision and direction of the ESU Administrator. The Employee acknowledges the CEO's authority over the Employee and agrees to carry out his directives to the best of the Employee's ability. The Employee agrees at all times to perform all of his or her duties faithfully, industriously, and to the best of his or her ability, experience and talents. The Employee agrees to devote full time, skill, labor and attention to these duties throughout the term of this contract.

4. Professional Status. The Employee affirms that he/she is not under contract with another school board, board of education, or educational service unit

governing board covering any part of or all of the same terms provided in this contract.

5. Right to Reassign. The Employee understands and agrees that the ESUCC's Executive Committee and/or CEO, in consultation with ESU #17, has the right to assign the Employee to a position different from that originally assigned.

6. Days and Hours of Employment. The days and hours of employment shall be as assigned by the ESUCC CEO.

7. Compensation. The Employee shall be paid an annual salary of forty-one thousand sixty-one dollars (\$41,061.00) and an additional compensation package will be paid to the employee which is located in Exhibit B of the negotiated agreement and shall be subject to applicable deductions and federal and state withholding. The salary shall be paid in twelve (12) equal monthly payments in accordance with ESU #17's payment practices for professional staff members.

8. Fringe Benefits. The Employee will be allowed to participate in ESU 17's AFLAC 125 plan, ESU 17's 125 plan and vision care plan (VSP). Employees will have the option to purchase health and dental insurance either as a member of ESU #17 insurance group or as a participant in any other plan for which the Employee is otherwise qualified to participate.

9. Policies, Rules and Regulations. The Employee agrees to be governed by the policies rules and regulations of ESU #17 and the ESUCC as well as the directives of the ESUCC's CEO. The Employee agrees that the policies, rules and regulations of ESU #17 and/or ESUCC may be changed at any time, with or without notice to the Employee.

10. Termination of Employment. This agreement creates no property right in continued employment and may be terminated by either party, with or without cause and without a hearing, upon giving written notice. The ESU #17 Administrator, acting upon his or her own initiative, may terminate the Employee's employment, and such termination will be effective upon the date of the issuance of the notice.

11. Paid Leave. The Employee shall receive the following paid leave for the term of this contract:

a. **Sick Leave.** The Employee shall receive paid sick leave as described in ESU #17's Staff Handbook, policies and/or the negotiated agreement with the certificated employees' association. Upon the termination of the employment relationship by either party, the Employee ***shall not*** be compensated for any unused sick leave.

12. Compensation Upon Termination. The Employee agrees that, upon termination of employment for any reason, any portion of compensation, whether in the form of wages or fringe benefits, paid or provided but not earned prior to the date of termination of this contract shall be refunded to ESU #17 by the Employee and may be withheld by ESU #17 from any payments to the Employee.

13. Deductions. The Employee authorizes ESU #17 to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Employee or the value of property or money entrusted to the Employee or owed by the Employee to ESU #17 and/or ESUCC during the course of the Employee's employment, if such property or money have not properly been returned to ESU #17 and/or ESUCC.

14. Entirety of Agreement and Amendments. The Employee certifies that he or she has read the foregoing Employment Agreement, fully understands its terms and conditions, and agrees that the foregoing Employment Agreement constitutes the entire agreement and that no representations, promises, agreements or undertakings, written or oral, not herein contained shall be of any force or effect. It is specifically agreed that this Employment Agreement shall be subject to modification only by a written instrument signed by the Employee and the Administrator of ESU #17.

15. Applicable Law. This agreement shall be governed by and construed in accordance with the laws of the State of Nebraska.

16. Severability. If any portion of this contract shall be declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforceability of the remaining provisions of this contract.

4001. Hiring Personnel

ESU 17 provides staffing services to ESUCC pursuant to contract and will serve as ESUCC's Human Resources Division.

ESUCC personnel are employed in order to support the ESUCC and its mission to work toward statewide coordination to provide the most cost-effective services for the students, teachers, and school districts in each ESU. The Board delegates to the CEO the authority to interview and recommend the hiring by ESU #17 of all personnel in order to allow personnel to begin working as soon as the CEO determines that it would be in the best interests of ESUCC. The CEO will keep the ESUCC Executive Committee informed of any potential personnel changes and the possibility of any new hires. The CEO will report on all personnel hires to the ESUCC Board at the next regular board meeting. At that time, the ESUCC Board may affirm the CEO's hiring decisions or reject a hiring decision. If the Board rejects a hiring decision, then the ESUCC shall compensate ESU 17 for the time that the employee actually performed work for the benefit of ESUCC.

Any new job position that would be paid for, in whole or in part, by ESUCC funds must be approved by the ESUCC Board before the CEO may offer the job to any person.

Date of Adoption:	April 14, 2025

EMPLOYMENT AGREEMENT FOR STAFF ASSIGNED TO ESUCC PROJECTS

This employment agreement is made by and between Educational Service Unit No. 17, referred to herein as "ESU #17," and Matt Marron, referred to herein as the "Employee."

WITNESSETH: ESU #17 agrees to employ the Employee and the Employee agrees to accept such employment subject to the terms and conditions set forth below:

1. Term of Employment. The term of this agreement shall be indefinite. It shall commence on the 3rd day of August 2026 and end on the 30th day of June 2027. During this period the Employee shall render at least 219 working days of service, as that term is defined herein, in the performance of his/her duties. Appropriately claimed and approved "paid leave" days will count toward the days of service requirement. The Employee shall cooperate with ESU #17 in keeping complete and accurate records of his/her working days.

2. At-Will Nature of Employment; Duties of Employee. The Employee is hired as an "at will" employee and accepts employment on that basis. The Employee's initial assignment shall be working as a Level 3 Software Developer/Integrator of the Educational Service Unit Coordinating Council (ESUCC). The Employee acknowledges and understands that a determination by ESUCC that the Employee's services are no longer needed may result in the immediate termination of the Employee's employment. The enumeration of the annual working days of service expected under this agreement does not change the term of this contract or the at-will nature of the parties' relationship.

3. Supervision and Direction of Employee. The Employee's ultimate supervisor will be the Chief Executive Officer of the ESUCC, but the Employee shall also be subject to the supervision and direction of the ESU Administrator and the Employee's direct supervisor. The Employee acknowledges the Chief Executive Officer's authority over the Employee and agrees to carry out his directives to the best of the Employee's ability. The Employee agrees at all times to perform all of his or her duties faithfully, industriously, and to the best of his or her ability, experience and talents. The Employee agrees to devote full time, skill, labor and attention to these duties throughout the term of this contract.

4. Professional Status. The Employee affirms that he/she is not under contract with another school board, board of education, or educational service unit governing board covering any part of or all of the same terms provided in this contract.

5. Right to Reassign. The Employee understands and agrees that the ESUCC's Executive Committee and/or Chief Executive Officer, in consultation with the ESU, has the right to assign the Employee to a position different from that originally assigned.

6. Days and Hours of Employment. The days and hours of employment shall be as assigned by the Administrator, the ESUCC Chief Executive Officer, or the Employee's direct supervisor.

7. Compensation. The Employee shall be paid a prorated salary of sixty-eight thousand one hundred fifty-three dollars (\$68,153.00). A prorated additional compensation package will be paid to the employee, which is exhibit B of the Negotiated Agreement. The salary shall be paid in eleven (11) equal monthly payments in accordance with ESU #17's payment practices for professional staff members.

8. Fringe Benefits. The Employee will be allowed to participate in ESU 17's AFLAC 125 plan, ESU 17's 125 plan and vision care plan (VSP). Employees will have the option to purchase health and dental insurance either as a member of ESU #17 insurance group or as a participant in any other plan for which the Employee is otherwise qualified to participate.

9. Policies, Rules and Regulations. The Employee agrees to be governed by the policies rules and regulations of ESU #17 and the ESUCC as well as the directives of the ESUCC's Chief Executive Officer. The Employee agrees that the policies, rules and regulations of ESU #17 and/or ESUCC may be changed at any time, with or without notice to the Employee.

10. Termination of Employment. This agreement creates no property right in continued employment and may be terminated by either party, with or without cause and without a hearing, upon giving written notice. The ESU #17 Administrator, acting upon his or her own initiative, may terminate the Employee's employment, and such termination will be effective upon the date of the issuance of the notice.

11. Paid Leave. The Employee shall receive the following paid leave for the term of this contract:

- a. **Paid Holidays.** The Employee shall receive the following paid holidays: Labor Day, Fall Break (2), Thanksgiving Break (3), Christmas Break (8), Spring Break (2), Easter Break (2), and Memorial Day.
- b. **Sick Leave.** The Employee shall receive paid sick leave as described in ESU #17's Staff Handbook, policies and/or the negotiated agreement with the certificated employees' association. Upon the termination of the employment relationship by either party, the Employee ***shall not*** be compensated for any unused sick leave.
- c. **Vacation Leave.** The Employee will be awarded 18 days of paid vacation leave on the date of execution of this contract. Vacation days will be prorated based upon the number of contract days worked. Vacation days may be used at the Employee's sole discretion, provided that he/she makes reasonable efforts not to use them when such use would interfere with the operation of the project to which the Employee is assigned. The Employee will be allowed to carry over unused vacation days based on the following criteria. The Employee may carry forward any vacation days through the anniversary date of this agreement, with the maximum number of accumulated vacation days for the Employee being the number of days granted from the previous contract year plus the number of days awarded in the current contract. The official vacation leave time is calculated and maintained in the ESU 17 accounting software. Upon separation, staff will be paid for unused vacation days at a rate of \$50 per day up to \$2,000.00.

12. Compensation Upon Termination. The Employee agrees that, upon termination of employment for any reason, any portion of compensation, whether in the form of wages or fringe benefits, paid or provided but not earned prior to the date of termination of this contract shall be refunded to ESU #17 by the Employee and may be withheld by ESU #17 from any payments to the Employee.

13. Deductions. The Employee authorizes ESU #17 to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Employee or the value of property or money entrusted to the Employee or owed by the Employee to ESU #17 and/or ESUCC during the course of the Employee's employment, if such property or money have not properly been returned to ESU #17 and/or ESUCC.

14. Entirety of Agreement and Amendments. The Employee certifies that he or she has read the foregoing Employment Agreement, fully understands its terms and conditions, and agrees that the foregoing Employment Agreement constitutes the entire agreement and that no representations, promises, agreements or undertakings, written or oral, not herein contained shall be of any force or effect. It is specifically agreed that this Employment Agreement shall be subject to modification only by a written instrument signed by the Employee and the Administrator of ESU #17.

15. Applicable Law. This agreement shall be governed by and construed in accordance with the laws of the State of Nebraska.

16. Severability. If any portion of this contract shall be declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforceability of the remaining provisions of this contract.
