Discussion: RESOLUTION SETTING THE PROPERTY TAX REQUEST

Where as, Nebraska Revised Statute 77-1632 and 77-1633 provides that the Governing Body of Tekamah-Herman passes by a majority vote a resolution or ordinance setting the tax request; and

Where as, a special public hearing was held as required by law to hear and consider comments concerning the property tax request;

Now, therefore, the Governing Body of Tekamah-Herman resolves that:

1.The 2024-25 property tax request be set at:

General Fund: \$6,816,210.00

Bond Fund: \$954,949.00

Special Building Fund: \$600,000.00

2. The total assessed value of property differs from last year's total assessed value by 6.25 percent.

Staff and Student Recognition

- Students of the month for September were: Evian Eriksen, Annabelle Thiemann, Paola Barcenas, Colt Snow, Joanna Schuett, Rhett Danielsen, Zaidyn Gladwin, Brayten Metzler, Evelyn Brusegaard, Ellie Jones, Addie Abraham, Evelyn Nun, Sterling Satorie, Mason Langley, Sierra Hayworth
- We continue to have a strong paraprofessional team here at THS, and we are all so grateful for the support they provide for our staff and students. Our elementary paraprofessionals this year are: Rheanna Hayes, Amy Gill, Katie Rieck, Jackie Kellogg, Abby Sheets, Valerie Riofrio, Sarah Braniff, Tiffany Marquardt, Bridgette Braymen, Laken Danielsen, Sara Schmidt, Kelsey Lewis, Mandyn Pruess, and Mary Oliver.

These staff members play a vital role from supervision at lunch, before and after duty to Life Skills classrooms and academic interventions for students. Thank you!

Principal's Report

- Our enrollment for September was 284 students PK-6. We had a student return to our district and is now in third grade.
- Expanding and enhancing our preschool programming for Tekamah-Herman Schools continues to be a priority for me. Early intervention and high quality preschool programming moves the meter and WILL increase student outcomes! Brad, Jason, and I continue to have administrative discussions about the logistics of making this happen for our district. Considerations at this time include:
 - Space to move 6th grade to the secondary side of the building (while maintaining them as elementary students for now)
 - The shifting of rooms for my current staff to better use our limited classroom bathrooms
 - Staffing an additional pre-school teacher and paraprofessional(s)
 - Transitioning preschool to multi-age rooms with an all-day schedule

4057 Superintendent Evaluation

The board shall observe and evaluate the superintendent based upon actual classroom observations for an entire instructional period at least twice during his first year of employment and at least once each year thereafter. Additional evaluations may be conducted at the discretion of the board. For the purposes of this policy, "actual classroom observation" shall mean observing the superintendent performing activities that are typical of his or her position. An "entire instructional period" for administrators cannot be defined in terms of an instructional period and shall be satisfied by the actual observation of some aspect of the superintendent's work during the semester for no less than 40 minutes.

Purpose. The purposes of the formal job evaluation are:

1. To provide a means of rational, structured communication between the board and superintendent to create a more constructive and effective working relationship.
2. To provide a basis for commending, rewarding and reinforcing good work, as well as identifying areas where the superintendent needs to improve.
3. To clarify the superintendent's role and inform the superintendent of the board's expectations.

Dates. Unless otherwise provided for in the superintendent's employment contract, the first year evaluations should take place (1) at or prior to the October board meeting, and (2) at or prior to the January board meeting. Annual evaluations shall take place at a board meeting held during the month before the date in the superintendent's employment contract by which the board must notify the superintendent of its intention to consider the nonrenewal or amendment of the contract. In the absence of such a contract provision, the annual evaluation should take place at or prior to the March board meeting. The Superintendent shall remind the Board members in writing at least 45 days before the date of each upcoming evaluation and shall make his evaluation an agenda item for the board meeting.

Evaluation Document. The superintendent shall submit a recommended evaluation document to the board. The board shall meet and discuss the proposed document with the superintendent. The board may amend and adopt the proposed evaluation document. The board may amend the document or adopt a new document without amending this policy. The superintendent shall submit the evaluation document to the Nebraska Department of Education.

Evaluation Procedures. Each board member shall have the opportunity to complete a draft evaluation document. The board president shall compile the individual draft evaluations into a single and final evaluation, provide a copy to the superintendent, and discuss it with him or her. The superintendent's evaluation may be conducted in closed session if it is necessary to prevent needless injury to the superintendent's reputation and if he or she has not requested it be done in open session.

Deficiencies. If deficiencies are noted in the superintendent's work performance, the board shall provide the superintendent at the time of the observation with a list of deficiencies and a list of suggestions for improvement and assistance in overcoming the deficiencies. The board shall also provide the superintendent with follow-up evaluations and assistance when deficiencies remain, a timeline for improvement, and sufficient time to improve. In the alternative, the board may rely upon the superintendent's education, training, and expertise and require him or her to submit a "list of suggestions for improvement" or plan of improvement for the board's consideration.

Personnel File. The evaluation shall be signed by the board president (or other member of the board) and the superintendent. The superintendent shall place a copy of the evaluation in his or her personnel file. The superintendent may provide a written response to the evaluation to the board. A copy of the response shall also be placed in the superintendent's personnel file. The board may meet with the superintendent to discuss the written response.

Policy Limitation. The evaluation procedures are included in this policy as a result of the board's statutory obligation to evaluate the superintendent and do not give the superintendent any rights not provided by statute. The board's failure to comply with any procedures provided in this policy but not required by law shall not prohibit the board from taking any action regarding the superintendent's employment, up to and including the nonrenewal, amendment, or cancellation of the employment contract.

Principal's Report

- Our enrollment for September was 284 students PK-6. We had a student return to our district and is now in third grade.
- Expanding and enhancing our preschool programming for Tekamah-Herman Schools continues to be a priority for me. Early intervention and high quality preschool programming moves the meter and WILL increase student outcomes! Brad, Jason, and I continue to have administrative discussions about the logistics of making this happen for our district. Considerations at this time include:
 - Space to move 6th grade to the secondary side of the building (while maintaining them as elementary students for now)
 - The shifting of rooms for my current staff to better use our limited classroom bathrooms
 - Staffing an additional pre-school teacher and paraprofessional(s)
 - Transitioning preschool to multi-age rooms with an all-day schedule
