    - **Student Activity Pass:** Increased from $40 to $50. This increase allows the district to expand pass utility.
- **Exclusions:** Dr. Jonas clarified that the activity pass will still *not* cover post-season events or tournaments (such as districts or sub-districts), per Nebraska School Activities Association (NSAA) regulations.

Dr. Jonas presented a hiring recommendation for the open 5th-grade teaching position at Dudley Elementary, which became available following Mr. Neels' transition into the elementary behavior support role.

- **Candidate Highlights:** Dr. Jonas recommended **Mrs. Anderson**, a familiar professional at Dudley Elementary who served in multiple long-term substitute teaching assignments during the past school year. She holds a bachelor's degree in human development and family relationships and has professional experience operating an in-home daycare.

- **Alternative Certification Pathway:** Dr. Jonas highlighted that Mrs. Anderson is being hired under the state's recent certification pathway changes, which allow school districts to hire talented individuals with non-education four-year degrees while they actively work toward full teacher certification. Dr. Jonas expressed strong support for these new pathways, noting they effectively address teacher shortages while maintaining high professional standards.

- **Discussion:** Mr. Fornoff called for questions regarding the recommendation. None were raised.

5.3. **Designate Superintendent Jonas as authorized district representative for federal and state programs for the 2026-2027 fiscal year.**

Dr. Jonas highlighted that for the 2026-2027 school year budget, there are three statutory limits ("lids") the district must observe.

- **Budget Lids:**
    - The standard **$1.05 levy limit**.
    - **Budget Authority:** A long-standing expenditure limit.
    - **Property Tax Request Authority:** A relatively new statutory limit implemented approximately four years ago.
- **Base Growth Percentage Increase:** Dr. Jonas explained that meeting the district's upcoming student obligations may require an increase in the base growth percentage used to determine the Property Tax Request Authority. Nebraska law permits a school board to increase this base growth percentage by up to 6%, provided it receives an affirmative vote from at least **70% of the board**.
- **Clarification on the 6% Cap:** Dr. Jonas emphasized that voting to approve this motion does not mean the district will utilize the full 6%. It acts strictly as a planning mechanism to maximize flexibility during budget drafting. For context, she shared historical data comparing the district's overall tax requests against the rate of inflation.
- **Budget Timeline & Variables:**
    - **October-February:** Personnel negotiations take place. Approved employment packages comprise approximately **85% of the overall budget**, giving the district early clarity on its largest expense.
    - **August 20:** The date certified property valuations are released. Dr. Jonas noted that local valuations remain in flux—partially due to the impact of recent wildfires—meaning estimates could adjust right up until the deadline, leaving a very limited window to finalize and approve the budget.
- **Board Discussion:** Mrs. Terrell asked for confirmation that the board approved the 6% planning cap last year but did not utilize all of it. Dr. Jonas confirmed that the district did not use the full amount last year, utilizing approximately 3%. Mr. Fornoff called for additional questions for Dr. Jonas or the Finance Committee; none were raised.

Signed resolution increasing the school district’s base growth percentage used to determine the school district’s property tax request authority by up to six percent (6%)

6. **Policy & Procedure**

6.1. **Discuss and consider approval of Policy 5045 Student Fees.**

Motion to approve the updated Student Fees Policy 5045 Passed with a motion by Ryan Sukraw and a second by Kelly Terrell.

Lisa Brass:	Yea
Matt Dalrymple:	Yea
Kyle Fornoff:	Yea
Becky Jobman:	Yea
Ryan Sukraw:	Yea
Kelly Terrell:	Yea

Dr. Jonas provided an update from the Policy Committee regarding the annual review and approval of Policy 5045 (Student Fees Policy).

- **Policy Summary:** As introduced earlier in the meeting, the policy incorporates two key updates for the upcoming school year: the previously approved school lunch price adjustments and a $10 increase to the student activity pass (raising it from $40 to $50).
- **Motion Intent:** Dr. Jonas clarified that because the lunch prices were formally approved at a prior meeting, this specific motion serves to officially approve the overarching policy text and the student activity pass fee increase.
- **Discussion:** Mr. Fornoff called for questions regarding Policy 5045. No questions or objections were raised by the board.

6.2. **Annual Review of Board Policy 5054 - Student Bullying.**

Dr. Jonas presented the annual review of the district's bullying prevention, reporting, and response policy. While this is an existing policy with no changes proposed at this time, state regulations require an annual board review.

- **Policy Scope:** The policy formalizes the district's strict prohibition of all forms of bullying, including cyberbullying, aligning local protocols with state and national definitions.
- **Key Protocols:**
    - **Reporting & Investigation:** Reinforces expectations for students to report incidents to teachers or administrators and mandates prompt district investigations.

- **Disciplinary Action:** Clarifies that consequences are based on the severity and impact of the behavior. Notably, the policy extends to off-campus bullying if the behavior substantially disrupts the school's educational environment.

- **Education:** Mandates ongoing student education regarding bullying prevention and digital citizenship.

- **Discussion & Status:** Dr. Jonas confirmed that this item was for review only and required no updates. Mr. Fornoff called for questions; none were raised.

Board Action: Review completed; no action taken.

6.3. **Annual Review of Policy 6025 Cell Phones**

Dr. Jonas presented the annual review of the policy governing student possession and use of cell phones and other electronic communication devices while on school grounds.

- **Policy Philosophy:** The policy permits students to possess and use electronic devices, provided usage is safe, responsible, and compliant with established school rules.

- **Two-Pronged Enforcement Approach:**

  - **Elementary Level:** Cell phones must be stored away entirely during the school day, unless explicitly required by a student's individual educational plan.

  - **Grades 7 through 12:** Students must place cell phones in designated classroom storage areas during instructional time. Devices may be retrieved at the conclusion of each class period.

- **Restrictions and Compliance:**

  - **Privacy & Conduct:** The policy strictly prohibits device usage in areas where privacy is expected (e.g., restrooms, locker rooms) and bans any use linked to bullying, harassment, or the creation/sharing of inappropriate content.

  - **Liability & Enforcement:** Students retain sole responsibility for their personal devices. The policy clarifies that devices may be searched when legally permitted, and violations will result in device confiscation and disciplinary consequences.

- **Discussion & Status:** Dr. Jonas noted this is a mandated annual review with no text changes proposed. Mr. Fornoff called for questions; none were raised.

Board Action: Review completed; no action taken.

6.4. **Discuss and consider policy updates for the 2026-2027 school year.**

Motion to approve the policy updates for 2026-2027 as presented Passed with a motion by Lisa Brass and a second by Matt Dalrymple.

Dr. Jonas presented the Policy Committee report, noting that this cycle was notably efficient. All proposed policy amendments are heavily driven by recent legislative changes, with full redlined versions linked in the board packet.

- **Policy 2008 (Board Meeting Notice & Advertising):** Represents a significant shift in operational practice. Under new state law, school boards are only required to publish their general meeting location notice in the newspaper four times per year, rather than monthly. Following KSB Legal Counsel's recommendations, the school website will be officially designated as the primary publication location.

- **Purchasing & Bid Thresholds (Policies 3003, 3003.1, & 3004.1):** Updates reflect increased statutory procurement thresholds:

    - **Standard Bidding:** Increased from $115,000 to **$136,000** for required competitive bids.

    - **Federal Micro-purchases:** Threshold raised from $10,000 to **$15,000**.

    - **Federal Simplified Acquisition:** Threshold raised from $250,000 to **$350,000**.

- **Policy 3048 (Communicable Diseases):** Establishes updated, step-by-step clinical response protocols for handling symptomatic communicable diseases, prompted by rising regional measles cases and declining vaccination rates.

- **Policy 4017 (Relations with Employee Collective Bargaining Associations):** Dictates equal access for all professional employee organizations. Any external collective bargaining entity must receive identical access to physical mailboxes, district email lists, and bulletin boards as currently afforded to the Gothenburg Education Association (GEA).

- **Policy 4019 (Workplace Injury Prevention and Safety Committee):** Strikes old statutory language that required the Safety Committee to be established specifically through the collective bargaining process.

- **Certificated Staff Resignation Policy:** Updates standard verbiage to redirect formal employment complaints straight to the Commissioner of Education, as the Professional Practices Commission has been dissolved.

- **Compulsory Attendance & Excessive Absenteeism Policy:** Clarifies processes for excusing absences due to physical or mental illness. Dr. Jonas emphasized that while medical notes excuse absences in a legal framework, they **still count toward chronic absenteeism rates** mandated by the Nebraska Department of Education (NDE).

- **Policy 5003 (Admission of Part-Time Students):** Amends entry criteria for part-time students based on new legislation, breaking eligibility into three distinct operational buckets:

    - *NSAA-Regulated Activities:* Student must be enrolled in at least 5 credit hours (equivalent to one class per semester).

    - *Other Governed Activities (e.g., FFA):* Eligibility automatically ties to the rules of the specific governing body, eliminating the need for future policy redrafts if their bylaws change.

    - *Non-NSAA Activities (e.g., Prom, Chess Club, Elementary Track):* The district will mirror NSAA rules, requiring a 5-credit-hour minimum enrollment.

- **Policy 5004 (Option Enrollment):** Alters the evaluation process to accommodate new sibling-preference laws. The district must now evaluate option enrollment applications based on the status of the entire household (automatically accepting siblings of existing option students), rather than reviewing students individually. An accompanying Option Resolution will be brought before the board at the July meeting.

- **Policy 5035 (Student Discipline):** Authorizes out-of-school suspensions for Pre-K through 2nd-grade students specifically in instances of violent behavior capable of causing physical harm. Additionally, the policy now statutorily mandates that parents receive both oral and written notification before an out-of-school suspension can begin.

- **Policy 5048 (Emergency Response to Life-Threatening Asthma/Anaphylaxis):** Formally updates policy text to codify the life-saving protocols and emergency administration practices already proactively implemented by District Nurse Mrs. Haas.

Board Discussion & Questions

- Mr. Sukraw requested clarification on how a "credit hour" is explicitly determined for part-time student eligibility.

- Dr. Jonas stated that credit hours are strictly governed by NDE Rule 10 guidelines—primarily calculated using instructional minutes spent in a classroom over a five-day cycle.

- ???????Mr. Fornoff called for additional questions for Dr. Jonas or the Policy Committee; none were raised.

6.5. **First reading of proposed new policies.**

Dr. Jonas introduced three new policies required for district compliance and operational oversight.

- **Policy 1: ACH Originator Policy**

  Because Gothenburg Public Schools acts as an Automated Clearing House (ACH) originator for electronic financial transfers, the district is now required to maintain a formal policy. The policy states that the district will strictly adhere to the operational guidelines and security requirements established by its partnering financial institutions.

- **Policy 2: Staff Use of Artificial Intelligence (AI) Tools**

  This policy regulates data privacy when staff utilize AI platforms. It clarifies that while general AI usage is highly encouraged to streamline workloads and prevent burnout, staff **must obtain explicit administrative permission before inputting any personally identifiable student information** (such as student ID numbers or assessment data) into an AI tool. This restriction ensures that the AI platform's data policies fully comply with federal Family Educational Rights and Privacy Act (FERPA) regulations.

  - *Superintendent Note:* Dr. Jonas commended a demonstration by Mr. Ryker earlier as an exemplary and encouraged use of AI to reduce administrative overwork (e.g., formatting and presentation formatting).

- **Policy 3: Right to Access School Library Materials**

  This policy codifies a system already in practice at the district level. Driven by recent legislative mandates, the policy formally establishes a parent's right to request automated notifications whenever their child checks out a book from the school library.

  - *Operational Note:* Dr. Jonas clarified that this process was successfully integrated into the student handbook last year and is executed via a simple toggle in the library system; this policy formalizes the structural requirement.

Board Discussion & Questions

Mr. Fornoff called for questions regarding the three new policies. No questions were raised.

6.6. **First reading of the proposed Student Handbook.**

Dr. Jonas led a brief planning discussion regarding upcoming revisions to the student handbook to ensure full alignment with the new statutory policies reviewed during this meeting.

- **Timeline & Coordination:** Dr. Jonas proposed highlighting and reviewing all specific student handbook updates at next month's board meeting to ensure everything is thoroughly finalized before publication. She assured the board that the adjustments perfectly mirror the policy updates presented tonight, meaning there will be no surprises in the final drafts.

- **Board Consensus:** The board collectively agreed to the proposed timeline to review the handbook next month.

Board Action: No formal action taken.

7. **Reports**

7.1. **Board of Education Reports**

- **Personnel Committee:** Mr. Fornoff confirmed the committee has not met recently. He noted that all contract negotiations with the various district bargaining parties have been officially concluded and wrapped up for the year.

- **Transportation and Facilities Committee:** Mr. Dalrymple confirmed that the committee has not met since the recent board retreat. He noted that the retreat served as an excellent opportunity to update the rest of the board members on the progress of the school's secure entry project.

- **Finance Committee:** Mrs. Jobman confirmed that all current financial items are on track and running as expected. She reported that the district is currently entering a standard seasonal lull for incoming revenue; consequently, while cash balances look strong right now, they will naturally draw down over the next few months. Additionally, she noted that the federal government has not yet released the updated allocations for Title or Special Education (SPED) funding. Last year, these numbers were submitted by June 1st, leaving the current status of these federal allocations ambiguous.

- **Committee on American Civics:** Mrs. Terrell reported that the committee has not met since their last meeting in the spring.

- **Policy Review Committee:** Mrs. Brass advised that the committee met recently to thoroughly review all of the policy updates and statutory changes presented and discussed during tonight's meeting.

7.2. **Administrative Reports**

See attached reports.

8. **Next Meeting**

The next meeting is scheduled for 07/13/2026 at 12:00 PM.

- **Getting Started:** Before the meeting begins, anyone wishing to address the board must sign in with their name, address, and any organizations they are representing. When recognized, please stand and state your name.

- **Time Limit:** The board will generally allow a total of 30 minutes for the presentation of all public comments. Individuals may speak only one time, and must limit comments to 5 minutes. 4. Hearings

Rationale:

Nebraska School Districts are required to have annual hearings for each of the following areas:

Budget (September)

Tax Request (September)

Student Fees Policy (June)

Parental Involvement Policy (June)

Other Hearings may be scheduled as needed.

4.1. Open Parental Involvement Hearing

4.1.1. Review Policy 5018 Parental Involvement

Rationale: Policy 5018 Parental Involvement
Policy 5018 outlines procedures for parents to review curriculum materials, observe instructional activities, access information about assessments, and request that their child be excused from certain instructional activities when appropriate. It also establishes expectations regarding parent notification and consent for student surveys involving sensitive topics and clarifies parental rights related to state assessments, the National Assessment of Educational Progress (NAEP), and access to student records.

The requirements outlined in this policy align with practices already in place at Gothenburg Public Schools, where parents have historically had access to educational materials and will continue to do so moving forward.

4.1.2. Public Comment

Rationale: An opportunity for the public to comment on Parental Involvement.

4.1.3. Close Parental Involvement Hearing

4.2. Open Student Fees Hearing

4.2.1. Review Policy 5045 Student Fees.

Rationale: The proposed changes include updated lunch prices that were approved last month and an increase in the student activities pass. This pass will increase from $40 to $50 and will now include multi-team invites.

4.2.2. Public Comment

4.2.3. Close Student Fees Hearing

5. Action Items

5.1. Consent Agenda

Rationale:

1. Approval of Previous Minutes

2. Approval of the Treasurer's Report

3. Approval of the Warrants / Bills

   a. Petty Cash

   b. Student Activity

   c. Hot Lunch

d. Bank Statement

e. Summary of Accounts and Receipts

f. Monthly Expenditure Report

g. Check Journal

4. Excuse Absent Board Members

5.2. Personnel

5.2.1. Consider approval of contract(s) for certificated staff.

Rationale: Sarah Anderson - Elementary Teacher (5th Grade)
Mrs. Anderson is already a familiar face at Dudley Elementary, having successfully served in several long-term substitute teaching assignments during the past school year. With a bachelor's degree in Human Development & Family Relationships and experience operating an in-home daycare, building positive relationships with children comes naturally to her.

We are excited to welcome Mrs. Anderson to this role and are grateful for recent certification pathway changes that allow schools to consider talented individuals with four-year degrees outside of education while they work toward full teacher certification. These pathways help address teacher shortages while maintaining high expectations for professional growth and development. Mrs. Anderson's experience, dedication to students, and commitment to earning her teaching credentials make her an excellent example of how these opportunities can benefit both students and schools.

5.3. Designate Superintendent Jonas as authorized district representative for federal and state programs for the 2026-2027 fiscal year.

Rationale: This designation is done on an annual basis prior to September of each year.

5.4. Discuss, consider, and take all necessary action to adopt resolution increasing the school district's base growth percentage used to determine the school district's property tax request authority by up to six percent (6%).

Rationale:

Schools have three lids they must observe when setting their budget:
1) $1.05 Levy Limit
2) Budget Authority (Expenditure Limit)
3) Property Tax Request Authority

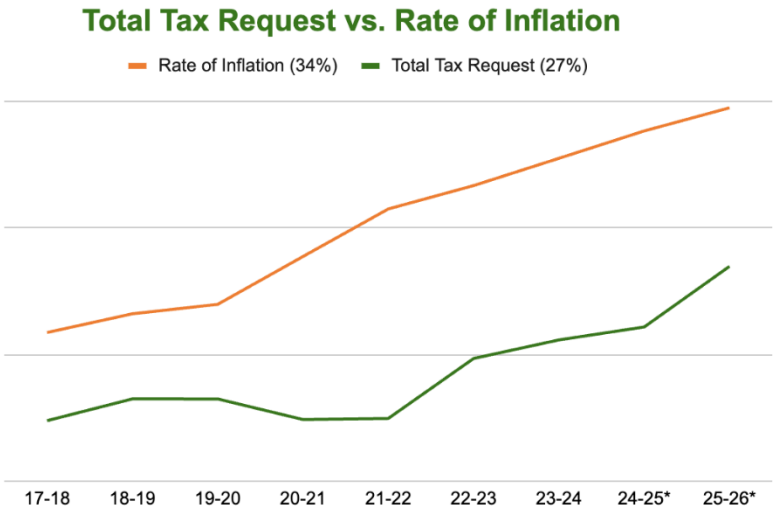
The funding needed for the School District to meet its obligations to its students may require an increase in the base growth percentage used to determine the School District's property tax request authority.

Nebraska law authorizes the Board, upon an affirmative vote of at least seventy percent (70%) of the Board, to increase such base growth percentage by up to six percent (6%).

A motion to approve this increase would increase the base growth percentage used to determine Gothenburg Public School's property tax request authority for the 2026-2027 budget by an amount of up to 6%.

A vote for this motion does not mean that Gothenburg Public Schools will access all six percent. Instead, it means that a number up to six percent may be used when planning the overall budget.

The image below shows how the Gothenburg Public School's overall tax request has fluctuated over the past several years compared to the Rate of Inflation (https://www.usinflationcalculator.com/inflation/current-inflation-rates/).



6. Policy & Procedure

6.1. Discuss and consider approval of Policy 5045 Student Fees.

Rationale: A Student Fees Hearing is required each year. If public input was given, take into consideration that input and consider this as a first reading. If no public input, consider a motion to approve the updated policy. School lunch prices were already approved at a prior meeting.

6.2. Annual Review of Board Policy 5054 - Student Bullying.

Rationale: Policy 5054 formalizes the district's expectations regarding bullying prevention, reporting, and response. It clearly prohibits all forms of bullying, including cyberbullying, and aligns district practice with state and national definitions.

The policy reinforces that students should report bullying to a teacher or administrator, outlines the district's responsibility to promptly investigate reports, and emphasizes that disciplinary consequences will be based on the severity and impact of the behavior. It also clarifies that bullying occurring off campus may still result in school discipline if it substantially disrupts the educational environment.

Additionally, the policy provides requires ongoing student education related to bullying prevention and digital citizenship. The policy will continue to be reviewed annually to ensure compliance and effectiveness.

There are no changes to this policy at this time. This is a review only. No action is required.

6.3. Annual Review of Policy 6025 Cell Phones

Rationale: Policy 6025 outlines the district's expectations for student use of cell phones and other electronic devices while at school. The policy permits students to possess and use electronic devices, provided they do so safely, responsibly, and in accordance with school rules.

At the elementary level, cell phones must be stored during the school day unless required by a student's educational plan.

For students in grades 7-12, cell phones are to be placed in designated classroom storage areas during instructional time and may be retrieved at the end of class.

The policy prohibits the use of electronic devices in areas where privacy is expected and prohibits their use for bullying, harassment, or the creation or sharing of inappropriate content. Additionally, the policy clarifies that students are responsible for their devices, that devices may be searched when permitted by law, and that violations may result in confiscation and disciplinary consequences.

As an annual review, there is no required action.

6.4. Discuss and consider policy updates for the 2026-2027 school year.

Rationale: Each year, KSB provides legally required updates to be made in policy and subsequent handbook references. A review of those updates can be found here.

6.5. First reading of proposed new policies.

Rationale: After reviewing existing policy, the following proposals for new policy are linked here for consideration of the Board.

As these are a first-reading, no action is required. Any feedback should be provided to Dr. Jonas before the next board meeting.

6.6. First reading of the proposed Student Handbook.

Rationale: The student handbook is a work in progress over the summer. The changes work to align our updated policies with our student handbook. We are still working on these but are providing an active link for review prior to the July board meeting. Timing of approval is important to ensure we can get the handbook to students in August.

The highlight of the presentation was the formal display of the **2026 Class C1 Speech State Championship award**. Following the student recognition, Mr. Mroczek shared a "Culture of Excellence" presentation, emphasizing the high standards of achievement and the positive environment fostered within the program and the district as a whole.

4.2. Personnel

4.2.1. Consider the resignation of certificated staff.

I make a motion to deny the request for release from contract submitted after the established deadline, in accordance with board policy and in consideration of the district's staffing needs for the upcoming school year. Passed with a motion by Lisa Brass and a second by Kelly Terrell.

Kyle Fornoff:	Yea
Becky Jobman:	Yea

Dr. Jonas opened the discussion by outlining the district's established March 15th contract deadline, which serves as a critical safeguard for ensuring appropriate staffing and instructional continuity for the upcoming school year. She explained that resignations submitted after this date create significant recruitment challenges and threaten the stability of student programming. Dr. Jonas advised the Board that while they have the authority to consider late requests, they must weigh the operational impact on the district and ensure that policy is applied consistently across all cases. She emphasized that the district's responsibility is to prioritize the needs of the students and the organization over the individual circumstances of a specific teacher. Consequently, she recommended the denial of Mr. Nolan Sughroue's resignation request to uphold these professional standards.

During the discussion, Mrs. Jobman asked for a detailed explanation of the procedural outcomes should the Board choose to deny the request. Dr. Jonas clarified that if a resignation is denied, the teacher is legally expected to retain their position within the district. If the individual attempts to take a different educational position elsewhere, the district's primary recourse is to file a report with the Professional Practices Committee regarding the abrogation of the contract. Dr. Jonas noted that by demonstrating the employee failed to report for work, the district can move to have the teacher's certificate suspended for one year.

Following this explanation, Mr. Fornoff invited further questions or comments from the Board and the Personnel Committee. With no further inquiries, Mrs. Brass moved to deny the request for release from the contract, citing the need to adhere to established Board policy and the specific staffing requirements for the upcoming school year.

4.3. Surplus

Motion to authorize the sale or disposal of the specified items as presented Passed with a motion by Matt Dalrymple and a second by Lisa Brass.

Dr. Jonas initiated a discussion regarding the annual "spring cleaning" process, where the district identifies equipment, furniture, and materials that are no longer functional, safe, or aligned with current instructional and operational needs. A primary focus of this year's surplus declaration is the disposal of old English Language Arts (ELA) materials. Dr. Jonas explained that with the recent arrival of a new ELA curriculum, it is vital to maintain "instructional fidelity" by removing outdated materials so that the effectiveness of the new set can be accurately evaluated.

Logistically, she noted that the new materials have already arrived and are currently staged in the hallways, necessitating the immediate removal of the old sets to clear necessary storage space.

Regarding the disposal process, Dr. Jonas detailed that Mrs. Tiller has already reached out to other schools utilizing these materials. If no buyer is found through those professional connections, the items will be discarded.

Additionally, Dr. Jonas requested that certain low-value items be approved for inclusion in the citywide garage sale. Examples of these items include cycled-out weight room equipment and "big books" from older classroom sets that, while no longer useful for district instruction, may still hold value for local daycares or preschools. In response to a clarification from Mr. Fornoff, Dr. Jonas confirmed that the citywide garage sale is scheduled for June 20th. She noted that the district's cheerleading squad typically organizes this event to take advantage of the high volume of visitors in town for the citywide sale.

Following the presentation, Mr. Fornoff asked if there were any further questions. No additional questions.

4.4. Discuss and consider approval of lunch prices for 2026-2027 school year.

Motion to approve the meal prices as presented Passed with a motion by Becky Jobman and a second by Kelly Terrell.

Dr. Jonas presented a proposal to adjust meal prices for the upcoming school year, citing federal lunch program requirements. She explained that the federal government requires districts to gradually move meal prices toward the reimbursement rate, which currently stands at $5.08 per meal. In reviewing a comparative array of similar-sized and geographically nearby districts, Dr. Jonas noted that while the district's breakfast prices are currently in the middle of the range, its lunch prices are tied with Cozad for the lowest in the area.

Dr. Jonas emphasized that while low prices benefit consumers, the lunch account is currently showing a monthly deficit because the billing rate is significantly lower than the actual $5.08 cost of a reimbursable meal. To maintain a healthy balance and ensure long-term sustainability, she recommended the following price adjustments:

- Elementary and Junior/Senior High Breakfast: An increase of $0.05, bringing the price to $2.00.
- Elementary and Junior/Senior High Lunch: An increase of $0.15.

During the discussion, Mr. Fornoff inquired about the percentage of the student population receiving free or reduced-price lunches. Dr. Jonas confirmed that approximately 33% of the K-12 population qualifies, with the elementary building seeing a higher rate of about 48% and the secondary building a slightly lower rate.

Mrs. Terrell asked if potential changes to federal nutritional guidelines (the "food pyramid") would increase costs. Dr. Jonas confirmed that a shift toward whole foods, while nutritionally ideal, would likely be more expensive than the processed foods currently served as a result of legislation. She expressed support for a return to recognizable whole foods should legislative backing become available.

Mr. Fornoff concluded the discussion by stating that the proposed increases are reasonable given the current economic state and the district's position in the comparative array. No further questions were raised by the Board.

4.5. Consider Engagement with Abby Janzing, LLC for District Audit Services

Motion to approve formal engagement with Abby Janzing, LLC as presented Passed with a motion by Ryan Sukraw and a second by Matt Dalrymple.

Dr. Jonas presented the formal engagement letter from Abby Janzing LLC, the firm selected to conduct the district’s upcoming audits. She reminded the Board that this transition was necessitated by the district’s previous firm, KSO CPAs, exiting the school audit field. In response, the Finance Committee issued a Request for Proposals (RFP). After a thorough evaluation of two high-quality submissions—specifically reviewing costs, services, and client satisfaction—the committee determined that Abby Janzing LLC would be the most effective fit for the district.

During the discussion, Mrs. Jobman, representing the Finance Committee, noted that the firm’s approach is much better tailored to the specific needs of the district. She highlighted that their services are specifically designed to align with Nebraska-based requirements and standards, making them a superior choice for the district's compliance needs.

Mr. Fornoff thanked the Finance Committee for their due diligence in vetting the proposals. No further questions or comments.

5. Informational Items

5.1. Strategy 1 Update

Dr. Jonas opened the presentation by highlighting that the district is currently completing its five-year strategic plan. Strategy 1, which focuses on fostering the social-emotional well-being of staff and students, was a community-driven priority. Dr. Jonas noted that the district has moved from the planning phases to being "operational" and "highly functional" across all three sub-strategies.

Strategy 1.1: Community Collaboration

Mrs. McKenna and Mrs. Floyd detailed the initiatives used to bridge the gap between the school and the community:

- Engagement Events: The district's "Back-to-School Night" and "Family Nights" have become cornerstones for relationship building, featuring unplugged activities and shared meals to foster family connections.
- Mentorship & Literacy: The New Teacher Mentoring program has become a model for other districts in the state. Additionally, the TeamMates program remains one of the largest in Nebraska. Literacy-focused initiatives like "One School, One Book" have successfully engaged families in shared reading.
- Financial Literacy: The Swede Branch Bank has operated for three years, teaching sixth graders financial responsibility. Over this period, participating students have processed approximately $4,000 in checks.

Strategy 1.2: Staff Well-Being and Empowering Culture

The presenters emphasized that a school cannot be the best place for students to learn unless it is the best place for teachers to work. Key highlights included:

- Culture & Connection: The "Culture Club" and "Woot Woot Wagon" provide staff with regular recognition and morale boosts. New initiatives like "Tell Us Something Good" and "Meet the Teacher" profiles help staff and community members connect on a personal level.
- Professional Wellness: Staff have participated in self-defense classes, end-of-year celebrations (such as "Axes and Aces"), and the EHA wellness program through Blue Cross Blue Shield, which offers wellness challenges and financial incentives.
- Professional Development: The district has increased training opportunities for paraprofessionals and recently completed a voluntary book study on educator wellness with nearly 40 staff members.

Strategy 1.3: Systems and Programs for School-Wide Fidelity

The final component of the strategy focuses on the integration of mental health and behavioral systems:

- Curriculum & Training: The district utilizes "Character Strong" for K-8 character development and "Classroom 180" for trauma-informed care. A grant through the NDE School Mental Health Project enabled the creation of "calming corners" in classrooms across the district.

- Behavioral Support: The Swede Way Committee has established common expectations across the buildings. Positive reinforcement is prioritized through "Super Swede" recognitions and a record-high number of positive office referrals this year.

- Health and Wellness Innovations: The junior and senior high schools held a successful Health and Wellness Day featuring art, dog, and equine therapy. Additionally, the district has promoted the "Wait Until 8th" initiative to help families navigate social media and cell phone usage.

Conclusion

Mrs. McKenna noted that while the five-year strategic window for Strategy 1 is closing, these practices have become "how the district does business every day" and will continue indefinitely. Dr. Jonas concluded by commending the staff for the immense amount of work accomplished over the last five years and announced that the Strategy 2 update would be presented next month.

5.2. American Civics Report

Dr. Jonas presented the annual American Civics Report, a document required by state statute to ensure the district is providing proper instruction in American civics, social studies, and government. She emphasized that this report serves as a formal update to the Board, confirming that Gothenburg Public Schools remains in full compliance with state law and maintains its commitment to preparing students for active participation in democracy.

To meet the state's statutory requirements, the district has selected the Citizenship Test option. Dr. Jonas reviewed the data from the current school year's required American Government classes:

- First Semester: 30 students were enrolled in Mr. Scott’s course.

- Second Semester: 27 students were enrolled.

Dr. Jonas provided the Board with the distribution of passing scores for these cohorts, demonstrating that students are successfully meeting the criteria. Following the presentation, Dr. Jonas asked if there were any questions regarding the choice of the citizenship test or the student results. No questions were raised by the Board.

5.3. Computer Science Standards Report

Dr. Jonas provided a report on the district’s compliance with new state requirements regarding computer science standards. She noted that Gothenburg Public Schools was "ahead of the curve"

in this area, as computer science and personal finance have been established graduation requirements within the district for several years.

The report detailed the implementation timeline and the specific essential standards included in the curriculum. Dr. Jonas provided a status update on the **Class of 2027 (current juniors)** to demonstrate the effectiveness of the district's tracking:

- Out of 46 students, 42 have already completed the required course.
- Two students are finishing the requirement this year.
- The remaining two students are enrolled for the upcoming academic year.

Dr. Jonas highlighted the "two-pronged" approach used by the district, where students satisfy requirements through a combination of personal finance and computer science options. She also commended **Mrs. Baker** for her proactive auditing process, which ensures that all incoming ninth graders include computer science in their long-term graduation plans. No questions were raised following the report.

5.4. Financial Literacy Status Report

Dr. Jonas explained that this report outlines the "essential learnings" integrated into the district's curriculum, which, like the computer science standards, are a foundational requirement for graduation.

Dr. Jonas detailed that the primary objective of the course is to equip students with the skills necessary to make informed financial decisions as they transition into adulthood. The curriculum covers practical, real-world financial concepts, including:

- Debt Management: Understanding the long-term impact of making only minimum payments on credit cards.
- Home Ownership: Educational components regarding how mortgages function and the long-term cost benefits of paying down principal balances early.
- Formalized Instruction: Providing a structured environment for conversations about money that students may or may not be exposed to at home.

Dr. Jonas noted that by reinforcing these concepts in a classroom setting, the district provides a critical "second voice" to the financial advice students receive from their parents, ensuring they are well-prepared for the economic realities of life after graduation.

5.5. FAFSA Report

Dr. Jonas presented the final required statutory report regarding the **Free Application for Federal Student Aid (FAFSA)**. She noted that new legislation enacted last year now requires school districts to report these figures and mandates that students either complete the FAFSA or formally opt out as part of their graduation requirements.

Dr. Jonas provided the following data for Gothenburg Public Schools for the current academic year:

- **Instruction:** 56 students were provided with formal instructions and guidance on how to complete the FAFSA in accordance with state law.
- **Completions:** 38 students successfully completed the FAFSA application.
- **Opt-outs:** 18 students utilized the official opt-out form to satisfy the requirement.

This report confirms the district's compliance with the new legislative mandate aimed at increasing financial aid awareness and college accessibility for graduating seniors.

5.6. Discuss open coaching positions.

Dr. Jonas provided a general overview of the district's coaching and activity sponsorship roster. She noted that the list of coaches is extensive, reflecting the high level of student participation and the numerous accomplishments of student-athletes and activity participants mentioned earlier in the meeting.

Regarding the staffing of these positions, Dr. Jonas highlighted the district's recruitment philosophy:

- **Internal Priority:** The district operates with a "teacher-first" mentality. While teachers are encouraged to coach and are viewed as a significant benefit to both the students and the athletic programs, their primary responsibility remains in the classroom.
- **Recruitment Process:** All coaching and sponsorship positions are first opened to internal staff members.
- **External Candidates:** Dr. Jonas acknowledged that it would be a significant challenge to fill every position using only internal staff. Consequently, when a role cannot be filled by a teacher, the district explores "creative avenues" to recruit qualified individuals from the community or outside the organization to ensure all programs remain fully staffed and operational.

Following the overview, **Mr. Fornoff** asked if there were any questions regarding the staffing process or the current roster. No questions or concerns were raised by the Board.

6. Reports

6.1. Board of Education Reports

1. Personnel Committee - Mr. Fornoff, confirmed they have not met.
2. Transportation and Facilities - Mr. Dalrymple provided an update on the progress of the district's construction and design planning. He reported that the committee recently met with the architects to review several potential design options. Through this collaborative process, the committee is narrowing the selection down to a single design that prioritizes

cost-effectiveness while meeting the district's needs. The project is currently in the stage where the architects are finalizing the formal concept renderings based on that feedback.

3. Finance - Mrs. Jobman provided the monthly financial update, noting that she had reviewed the current numbers and activity budgets. She expressed appreciation for Mr. Mroczek's diligent oversight of these accounts over the last two years, highlighting that departments have done an excellent job of adhering to their established budgets. The committee also discussed the secure entry project, specifically the planned utilization of Qualified Capital Purpose Undertaking Fund (QCPUF) resources, which the district has been strategically allocating for several years. Regarding upcoming revenue, Mrs. Jobman noted that tax receipts are expected to pick up significantly next month, marking one of the district's largest receipt periods of the year. Additionally, she shared an update from Dr. Jonas regarding federal grant funds. While an update or opening of these funds typically occurs in April, the district has not yet received word from the federal level and will continue to monitor the situation for further information.
4. Committee on American Civics - Mrs. Terrell confirmed they have not met.
5. Policy Review Mr. Fornoff confirmed no policy updates.

4. Review and discussion of district priorities.
The Board of Education began the evening with a facilities update from Wilkins ADP. Representatives provided an overview of Areas C and D, including a presentation illustrating the evolution of the floor plan discussions and refinements made throughout the process to ensure taxpayer dollars are utilized as effectively as possible. The primary goal of the project is to create a secure building entry while maintaining fiscal responsibility. After reviewing several options, the Facilities Committee believes the chosen concept best addresses the district's priorities, including a secure and contained entryway, shared proximity for administrators and the secretary, and controlled building access while remaining fiscally responsible.

The Board then moved into committee updates, beginning with **Personnel and Negotiations**. The committee discussed staffing changes resulting from Paul Hamilton's move into the 7-12 Business position. Tony Neals will transition into the MTSS Behavioral Support role, and John McKenna was hired as the Assistant Behavioral Support staff member in an hourly position. The newest development in this staffing transition is the recommendation to hire Sarah Anderson as

the new fifth grade teacher, pending board approval. Ms. Anderson holds a bachelor's degree and is eligible to pursue an alternative teaching certificate through the Nebraska Department of Education. She expressed excitement about the opportunity to work full-time at Gothenburg Public Schools.

The **Transportation and Facilities Committee** reviewed ongoing and upcoming projects. Previously approved Suburbans are expected to arrive in June, and the previously approved Impala replacement is anticipated to arrive in August. Summer classroom updates are well underway, including five classroom refresh projects and updates to the high school media center. The district will also complete repairs to the greenhouse screen, which was previously approved.

The committee also discussed prioritization of three similarly priced projects: replacement of the north gym screen at approximately $30,000, new north gym chairs at approximately $27,000, and acoustic panels for the music classroom at approximately $30,000. After discussion, the Board prioritized the projects in the following order: acoustic panels first, gym screen second, and chairs third. The Board agreed the acoustic panels should be completed this summer due to the daily instructional impact on both students and staff.

The Board also discussed the failed boiler system serving the locker room area. While this space remains part of a future phased facilities update planned within the next five to six years, replacement of the boiler is necessary in the interim. A full HVAC replacement would cost approximately $270,000. The Board felt it was important to engage an engineer before pursuing a project of that scale. Dr. Jonas will work with Wilkins ADP regarding the boiler replacement to ensure the district selects the most financially responsible option that will adequately serve the district until larger renovations occur.

Discussion also occurred regarding the property located near the school. With approximately 12 students currently exploring construction-related pathways, including HVAC, electrical, and construction trades, Mr. Bartels identified potential educational opportunities connected to the property. After discussion, the Board agreed the overall concept had merit but expressed concern about the condition of the house, including possible asbestos and mold concerns and the lack of a functioning heating system. Ultimately, the Board decided not to pursue the opportunity at this time while expressing appreciation to Mr. Bartels for his innovative thinking and encouragement to continue exploring future project-based opportunities for students.

The **Finance Committee** reviewed current revenue and expenditure trends and reported that district finances remain on track. Cash reserves currently sit at approximately three months, and the activities budget also remains on target. Dr. Jonas provided preliminary forecasting information regarding potential reductions in federal funding for IDEA and Title programs next year. The federal grant application system, which typically opens in April, has not yet opened, so official figures are unavailable; however, decreases in federal revenue are anticipated. Dr. Jonas also shared preliminary information suggesting that state special education reimbursement funding may have reached its maximum threshold and could potentially decrease moving forward.

Dr. Jonas presented a draft budget and discussed projected district valuations. She recently participated in a Zoom meeting discussing fire impacts to acreage in Dawson and Lincoln Counties, where it was estimated that approximately 4-7% of grass acres were impacted. Discussion centered on how this may affect valuations moving forward. Dr. Jonas is currently estimating approximately 4% valuation growth and has prepared a preliminary budget draft budget. The current draft projects an increase of approximately $471,835 in the general fund tax asking while maintaining the special building fund at approximately $500,000. These figures will continue to evolve throughout the summer, with finalized valuations unavailable until approximately August 20 when the district receives certified valuations.

Dr. Jonas also provided an update regarding Loop Group discussions, which focused heavily on option enrollment and overall enrollment trends. She will work to prepare an infographic highlighting enrollment trends over the past several years and illustrating where students are enrolling.

Under the **American Civics Committee**, Dr. Jonas provided a brief update regarding current student performance data. While official assessment data remains embargoed until approximately Thanksgiving, she expressed excitement regarding preliminary performance indicators.

The **Policy Committee** discussed Policy 5066 regarding early graduation. Dr. Jonas reviewed the requirements and considerations the Board must evaluate when reviewing early graduation applications.

The Gothenburg Improvement Company had asked that the board consider the possibility of entering into an interlocal agreement with the GIC to support a paid coordinator position. After discussion, the Board determined it did not currently have an appetite for an additional interlocal agreement and felt the district is already significantly invested and engaged in the Impact Center.

Dr. Jonas shared that the administrative team will meet with Lunchtime Solutions on Thursday to discuss areas of opportunity for the upcoming school year. She also presented a mascot proposal from Ginny and the cheerleading program. The proposal includes supervision of a student mascot, storage, and maintenance of the mascot suit, with costs estimated at approximately $6,500 to be split evenly among the cheerleaders, the activities fundraising account, and the activities general fund. The Board felt the proposal was reasonable and expressed excitement regarding the potential for increased school engagement through the mascot program.

Dr. Jonas also noted that the district's new bus will arrive this summer to replace the MCI bus. The Board expressed interest in allowing staff to participate in naming the new bus.

5. Review upcoming meetings. Declare meeting adjourned.
President Fornoff reminded the board that the next meeting will be held at NOON on Monday, June 8th in the High School Conference Room. The meeting adjourned at 8:00PM.

****Effective July 1, 2026** we are increasing our non-sufficient funds (NSF) paid item charge(s), returned item charge(s) and continuous overdraft charge to $35.00 per item.**

The categories of transactions for which an overdraft fee may be imposed are those by any of the following means: checks, in-person withdrawal, ATM withdrawal, ACH or other electronic means. A non-sufficient funds (NSF) fee will be accessed each time the same item is resubmitted against insufficient funds.

As part of our continued commitment to supporting our customers, we have also extended the timeframe for continuous overdraft charge from **3 days to 7 days**, giving you more time to return your account to a positive balance.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

(1) Tell us your name and account number (if any).
(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
(3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

YOUR HOME EQUITY LINES OF CREDIT SUMMARY OF RIGHTS IS OUTLINED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you upon request and in response to a billing error notice.

Your Home Equity Lines of Credit is operated in conjunction with your Demand Deposit Account. Any charges for your checking account will be made to the Demand Deposit Account and they will be the same charges as are made for Demand Deposit Accounts not operated in conjunction with Home Equity Lines of Credit. The following information thus applies only to loans made to you under your Home Equity Lines of Credit line of credit.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR DEMAND DEPOSIT LOAN

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

(1) Your name and account number.
(2) The dollar amount of the suspected error.
(3) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

We figure a portion of the **FINANCE CHARGE** on your Home Equity Lines of Credit by applying the daily periodic rate(s) to the "Daily Balance" of your account for the billing cycle. To get the "Daily Balance" we take the beginning balance of your account each day, add any new advances, and subtract any payments or credits and unpaid **FINANCE CHARGES**. This gives us the daily balance.

The minimum periodic payment required is shown on the front of this bill. You may pay off your Home Equity Lines of Credit loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Home Equity Lines of Credit. Periodic statements may be sent to you at the end of each billing cycle showing your Home Equity Lines of Credit loan transactions.

Policy Changes

REVISION OF POLICY 2008: MEETINGS

LB 596 eliminates the requirement to publish notice of meetings in a newspaper. Instead, the board selects the method. Four times per year, in a newspaper of general circulation in the district, we will publish the following:

> *Gothenburg Public Schools generally schedules regular board meetings for the second Monday of each month. Regular meetings are typically held in the High School Media Center. Official meeting notices for each regular and special meeting, including the date, time, and location, will be posted on the school district's website. Please check our website for all meeting notices as the date, time, or location may change.*

This will appear in the July board meeting as a standalone informational item to ensure the change is reflected in our minutes.

This revision is required.

REVISION OF POLICY 3003: BIDDING FOR CONSTRUCTION, REMODELING, REPAIR, OR SITE IMPROVEMENT

In general, when a school district "expends public funds for the construction, remodeling, or repair of any school-owned building or for site improvements," the school district is required to advertise for and solicit competitive bids. However, the law provides an exception to this competitive bidding requirement when the "contemplated expenditure for the complete project" will not exceed a specific dollar amount. This statutory dollar amount is subject to adjustment by the State Board of Education every fifth year. In August 2025, the State Board updated the dollar amount of this threshold to $136,000. Our recommended changes to Policy 3003 reflect this higher dollar amount for the projects that are exempt from the competitive bidding requirements.

This change is required.

REVISION OF POLICY 3003.1: BIDDING FOR CONSTRUCTION REMODELING REPAIR OR RELATED PROJECTS FINANCED WITH FEDERAL FUNDS

Effective October 1, 2025, the federal government updated the dollar thresholds for micro-purchases (from $10,000 to $15,000) and for purchases made pursuant to the simplified acquisition procedures (from $250,000 to $350,000). This policy has been updated to reflect these new dollar thresholds. We also updated some regulatory citations.

This change is required.

REVISION OF POLICY 3004.1: FISCAL MANAGEMENT FOR PURCHASING AND PROCUREMENT USING FEDERAL FUNDS

The federal government changed the micro-purchase (from $10,000 to $15,000) and simplified acquisition (from $10,000 to $15,000 and from $250,000 to $350,000) dollar amounts. In addition, NDE conducted desk audits and concluded that travel costs must now be included in this policy. The policy has been updated to reflect these changes.

This change is required.

REVISION OF POLICY 3048: COMMUNICABLE DISEASE

The revisions give staff clearer steps to assess and respond to signs and symptoms of communicable disease.

This change is required.

REVISION OF POLICY 4017: RELATIONS WITH EMPLOYEE COLLECTIVE BARGAINING ASSOCIATIONS

LB 429 requires schools to treat all "professional employee organizations" equally. They must have equal access to things like physical mailboxes, email, and bulletin boards.
This change is required.

REVISION OF POLICY 4019: WORKPLACE INJURY PREVENTION AND SAFETY COMMITTEE

Every public employer subject to the Nebraska Workers' Compensation Act is required to establish a safety committee that must adopt and maintain an effective written injury prevention program. This requirement has not changed. Previously, schools were required to establish the safety committee through the collective bargaining process. **LB 397** changes this requirement and now allows, but does not require, that the safety committee be established through the collective bargaining process. Policy 4019 has been updated to reflect this change.

This change is required.

REVISION OF POLICY 4056: RESIGNATION OF CERTIFICATED STAFF

This revision replaces an outdated reference to the Professional Practices Commission to the Commissioner of Education.

This change is required.

REVISION OF POLICY 5001: COMPULSORY ATTENDANCE AND EXCESSIVE ABSENTEEISM

LB 937 provides more concrete processes for the excusal of absences for physical or mental illness.

This change is required.

REVISION OF POLICY 5003: ADMISSION OF PART-TIME STUDENTS

LB 937 revised the part-time enrollment statute for the third year in a row. This year, the Unicameral divided sports and activities into 3 buckets, with each bucket having a different number of minimum credit hours required to participate as a part-time enrollee. This policy establishes the following:

(1) Activities regulated by an athletic/activities association (like NSAA): 5 credit hours;

(2) Activities regulated by some other governing body (like FFA): the number of credit hours the school offers based on what the governing body requires; and

(3) Activities not regulated by any governing body or athletic/activities association (like prom and chess club): the board will require 5 credit hours.

This change is required.

REVISION OF POLICY 5004: OPTION ENROLLMENT

LB 653 revised the option enrollment laws. Starting July 17, 2026, the law now requires school districts to "automatically accept" option enrollment applications of "siblings of options students enrolled in the option school district without regard to capacity limitations." This updated policy specifies that the school district will consider whether admitting the student's siblings (even if not applying at the moment) will exceed any capacity limitations.

An Option Resolution will appear in the July board meeting to accompany this policy change.

This change is optional and brings our policy in line with practice**.**

REVISION OF POLICY 5035: STUDENT DISCIPLINE

LB 653 revised the Student Discipline Act to allow schools to suspend pre-K through second-grade students for violent behavior "capable" of causing physical harm.

Additionally, schools must now provide oral *and written* notice to the student and their parent, guardian, or educational decisionmaker *before* the suspension begins.

This change is required.

REVISION OF POLICY 5048: EMERGENCY RESPONSE TO LIFE THREATENING ASTHMA OR SYSTEMIC ALLERGIC REACTIONS (ANAPHYLAXIS)

LB 457 required slight tweaks to the policy, including (1) that a general response protocol does take the place of existing self-management plans, 504 plans, or IEPs already in place for specific students; and (2) that a copy of the policy and the protocols be included in every school handbook.

This policy revision (and updated protocol form) is required.

Elementary Track & Field Days:
Our K-6th Track & Field Day was held on Monday, May 8th. Something new this year was having it on a Friday and we received a lot of positive feedback from parents, grandparents, and staff. Our plan is to follow this format again next year! Having all students participating on the same day has now become our norm in our 5th year and we were thankful for beautiful weather! The SPECIALS team did a great job preparing the students for their events and signing students up for events. This was a fun day for students and families!

5th & 6th Band Concert:
Congratulations to our 5th and 6th grade bands on an nice performance on May 14th! A special thanks to Mr. Johnson for his time and dedication in helping our Dudley students learn and grow as musicians.

Backpack Program:
The Backpack Program has completed another outstanding year of serving our community. During the 2025–2026 school year, the program supported 57 families (approximately 266 individuals)—an increase of 6 families and 33 students from last year.

A huge thank you to the Student Council officers, Mrs. Long, and Mrs. Meisinger for delivering the backpacks to our Dudley classrooms each week. We also extend our deepest gratitude to Kendra Boyd, Wenda Keiser, and the many volunteers who gather food and prepare the backpacks. It truly takes a village, and your dedication makes a profound difference for our Gothenburg families!

Camp Dudley (Summer School) 2026:
We have a great lineup of staff to facilitate Camp Dudley this summer which will be held July 13th-31st with one session being offered this year from 8:00-11:00. The following individuals will be part of the program:

NSCAS Celebration:

On May 14, our 3rd–6th grade students enjoyed a special celebration following the NSCAS state testing. While the official data is currently embargoed, our staff and students worked diligently all year during Tier I instruction and the Intervention/Extension (I/E) block to drive growth in reading and math.

To celebrate their hard work, our 3rd graders headed to the YMCA for an afternoon of fun and snow cones. Meanwhile, the 4th–6th graders took over the south playground and southeast courtyard for music, games, hot dogs, and drinks!

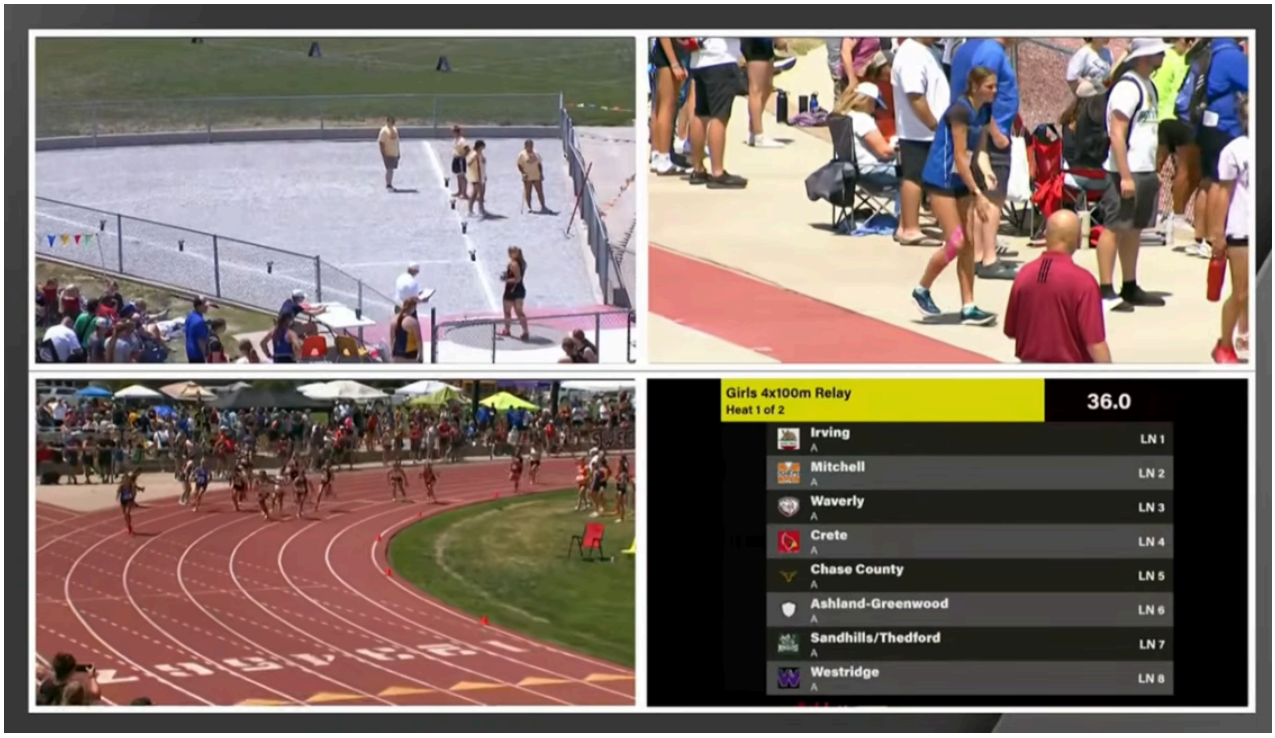
Legislative Update

KSB School Law conducted its annual policy update webinar on June 2. Following the webinar, the Policy Committee met on June 4 to review recommended policy renewals as well as new policies required as a result of the recent legislative session.

All proposed changes were reviewed with the committee. New policies are being presented for first reading, and revisions to existing policies are being considered as part of the district's ongoing policy review and update process.

JH State Track Meet

A huge shout out to Jim Clark, Mr. Mroczek, Mr. Frickenstein, and the many other volunteers it takes to pull off the Jr. High state track meet. News Channel Nebraska does a great job of highlighting this event! The Nebraska Championship Meet annually features 600 of the state's top junior high track athletes representing more than 150 middle schools throughout Nebraska.



Weather conditions became challenging as a thunderstorm moved into the area near the conclusion of the event. While members of our administrative team were present, this meet was

organized and operated by an outside entity and is not an NSAA-sanctioned event, meaning event decisions were made by the meet organizers.

Regardless of event sponsorship, student safety remains our highest priority. We will use this experience as an opportunity to review expectations and work collaboratively with event organizers to ensure future third-party events align as closely as possible with the safety practices and protocols our students, families, and staff expect.

4.2. Personnel

4.2.1. Consider the resignation of certificated staff.

I make a motion to deny the request for release from contract submitted after the established deadline, in accordance with board policy and in consideration of the district's staffing needs for the upcoming school year. Passed with a motion by Lisa Brass and a second by Kelly Terrell.

Lisa Brass:	Yea
Matt Dalrymple:	Yea
Kyle Fornoff:	Yea
Becky Jobman:	Yea

Ryan Sukraw:	Yea
Kelly Terrell:	Yea

Dr. Jonas opened the discussion by outlining the district's established March 15th contract deadline, which serves as a critical safeguard for ensuring appropriate staffing and instructional continuity for the upcoming school year. She explained that resignations submitted after this date create significant recruitment challenges and threaten the stability of student programming. Dr. Jonas advised the Board that while they have the authority to consider late requests, they must weigh the operational impact on the district and ensure that policy is applied consistently across all cases. She emphasized that the district's responsibility is to prioritize the needs of the students and the organization over the individual circumstances of a specific teacher. Consequently, she recommended the denial of Mr. Nolan Sughroue's resignation request to uphold these professional standards.

During the discussion, Mrs. Jobman asked for a detailed explanation of the procedural outcomes should the Board choose to deny the request. Dr. Jonas clarified that if a resignation is denied, the teacher is legally expected to retain their position within the district. If the individual attempts to take a different educational position elsewhere, the district's primary recourse is to file a report with the Professional Practices Committee regarding the abrogation of the contract. Dr. Jonas noted that by demonstrating the employee failed to report for work, the district can move to have the teacher's certificate suspended for one year.

Following this explanation, Mr. Fornoff invited further questions or comments from the Board and the Personnel Committee. With no further inquiries, Mrs. Brass moved to deny the request for release from the contract, citing the need to adhere to established Board policy and the specific staffing requirements for the upcoming school year.

4.3. Surplus

Motion to authorize the sale or disposal of the specified items as presented Passed with a motion by Matt Dalrymple and a second by Lisa Brass.

Kelly Terrell:	Yea

Dr. Jonas initiated a discussion regarding the annual "spring cleaning" process, where the district identifies equipment, furniture, and materials that are no longer functional, safe, or aligned with current instructional and operational needs. A primary focus of this year's surplus declaration is the disposal of old English Language Arts (ELA) materials. Dr. Jonas explained that with the recent arrival of a new ELA curriculum, it is vital to maintain "instructional fidelity" by removing outdated materials so that the effectiveness of the new set can be accurately evaluated.

Logistically, she noted that the new materials have already arrived and are currently staged in the hallways, necessitating the immediate removal of the old sets to clear necessary storage space.

Regarding the disposal process, Dr. Jonas detailed that Mrs. Tiller has already reached out to other schools utilizing these materials. If no buyer is found through those professional connections, the items will be discarded.

Additionally, Dr. Jonas requested that certain low-value items be approved for inclusion in the citywide garage sale. Examples of these items include cycled-out weight room equipment and "big books" from older classroom sets that, while no longer useful for district instruction, may still hold value for local daycares or preschools. In response to a clarification from Mr. Fornoff, Dr. Jonas confirmed that the citywide garage sale is scheduled for June 20th. She noted that the district's cheerleading squad typically organizes this event to take advantage of the high volume of visitors in town for the citywide sale.

Following the presentation, Mr. Fornoff asked if there were any further questions. No additional questions.

4.4. Discuss and consider approval of lunch prices for 2026-2027 school year.

Motion to approve the meal prices as presented Passed with a motion by Becky Jobman and a second by Kelly Terrell.

Lisa Brass:	Yea
Matt Dalrymple:	Yea
Kyle Fornoff:	Yea
Becky Jobman:	Yea
Ryan Sukraw:	Yea
Kelly Terrell:	Yea

Dr. Jonas presented a proposal to adjust meal prices for the upcoming school year, citing federal lunch program requirements. She explained that the federal government requires districts to gradually move meal prices toward the reimbursement rate, which currently stands at $5.08 per meal. In reviewing a comparative array of similar-sized and geographically nearby districts, Dr. Jonas noted that while the district's breakfast prices are currently in the middle of the range, its lunch prices are tied with Cozad for the lowest in the area.

Dr. Jonas emphasized that while low prices benefit consumers, the lunch account is currently showing a monthly deficit because the billing rate is significantly lower than the actual $5.08 cost of a reimbursable meal. To maintain a healthy balance and ensure long-term sustainability, she recommended the following price adjustments:

- Elementary and Junior/Senior High Breakfast: An increase of $0.05, bringing the price to $2.00.
- Elementary and Junior/Senior High Lunch: An increase of $0.15.

During the discussion, Mr. Fornoff inquired about the percentage of the student population receiving free or reduced-price lunches. Dr. Jonas confirmed that approximately 33% of the K-12 population qualifies, with the elementary building seeing a higher rate of about 48% and the secondary building a slightly lower rate.

Mrs. Terrell asked if potential changes to federal nutritional guidelines (the "food pyramid") would increase costs. Dr. Jonas confirmed that a shift toward whole foods, while nutritionally ideal, would likely be more expensive than the processed foods currently served as a result of legislation. She expressed support for a return to recognizable whole foods should legislative backing become available.

Mr. Fornoff concluded the discussion by stating that the proposed increases are reasonable given the current economic state and the district's position in the comparative array. No further questions were raised by the Board.

4.5. Consider Engagement with Abby Janzing, LLC for District Audit Services

Motion to approve formal engagement with Abby Janzing, LLC as presented Passed with a motion by Ryan Sukraw and a second by Matt Dalrymple.

Lisa Brass:	Yea
Matt Dalrymple:	Yea
Kyle Fornoff:	Yea
Becky Jobman:	Yea
Ryan Sukraw:	Yea
Kelly Terrell:	Yea

Dr. Jonas presented the formal engagement letter from Abby Janzing LLC, the firm selected to conduct the district’s upcoming audits. She reminded the Board that this transition was necessitated by the district’s previous firm, KSO CPAs, exiting the school audit field. In response, the Finance Committee issued a Request for Proposals (RFP). After a thorough evaluation of two high-quality submissions—specifically reviewing costs, services, and client satisfaction—the committee determined that Abby Janzing LLC would be the most effective fit for the district.

During the discussion, Mrs. Jobman, representing the Finance Committee, noted that the firm’s approach is much better tailored to the specific needs of the district. She highlighted that their services are specifically designed to align with Nebraska-based requirements and standards, making them a superior choice for the district's compliance needs.

Mr. Fornoff thanked the Finance Committee for their due diligence in vetting the proposals. No further questions or comments.

5. Informational Items

5.1. Strategy 1 Update

Dr. Jonas opened the presentation by highlighting that the district is currently completing its five-year strategic plan. Strategy 1, which focuses on fostering the social-emotional well-being of staff and students, was a community-driven priority. Dr. Jonas noted that the district has moved from the planning phases to being "operational" and "highly functional" across all three sub-strategies.

Strategy 1.1: Community Collaboration

Mrs. McKenna and Mrs. Floyd detailed the initiatives used to bridge the gap between the school and the community:

- Engagement Events: The district's "Back-to-School Night" and "Family Nights" have become cornerstones for relationship building, featuring unplugged activities and shared meals to foster family connections.
- Mentorship & Literacy: The New Teacher Mentoring program has become a model for other districts in the state. Additionally, the TeamMates program remains one of the largest in Nebraska. Literacy-focused initiatives like "One School, One Book" have successfully engaged families in shared reading.
- Financial Literacy: The Swede Branch Bank has operated for three years, teaching sixth graders financial responsibility. Over this period, participating students have processed approximately $4,000 in checks.

Strategy 1.2: Staff Well-Being and Empowering Culture

The presenters emphasized that a school cannot be the best place for students to learn unless it is the best place for teachers to work. Key highlights included:

- Culture & Connection: The "Culture Club" and "Woot Woot Wagon" provide staff with regular recognition and morale boosts. New initiatives like "Tell Us Something Good" and "Meet the Teacher" profiles help staff and community members connect on a personal level.
- Professional Wellness: Staff have participated in self-defense classes, end-of-year celebrations (such as "Axes and Aces"), and the EHA wellness program through Blue Cross Blue Shield, which offers wellness challenges and financial incentives.
- Professional Development: The district has increased training opportunities for paraprofessionals and recently completed a voluntary book study on educator wellness with nearly 40 staff members.

Strategy 1.3: Systems and Programs for School-Wide Fidelity

The final component of the strategy focuses on the integration of mental health and behavioral systems:

- Curriculum & Training: The district utilizes "Character Strong" for K-8 character development and "Classroom 180" for trauma-informed care. A grant through the NDE School Mental Health Project enabled the creation of "calming corners" in classrooms across the district.

- Behavioral Support: The Swede Way Committee has established common expectations across the buildings. Positive reinforcement is prioritized through "Super Swede" recognitions and a record-high number of positive office referrals this year.

- Health and Wellness Innovations: The junior and senior high schools held a successful Health and Wellness Day featuring art, dog, and equine therapy. Additionally, the district has promoted the "Wait Until 8th" initiative to help families navigate social media and cell phone usage.

Conclusion

Mrs. McKenna noted that while the five-year strategic window for Strategy 1 is closing, these practices have become "how the district does business every day" and will continue indefinitely. Dr. Jonas concluded by commending the staff for the immense amount of work accomplished over the last five years and announced that the Strategy 2 update would be presented next month.

5.2. American Civics Report

Dr. Jonas presented the annual American Civics Report, a document required by state statute to ensure the district is providing proper instruction in American civics, social studies, and government. She emphasized that this report serves as a formal update to the Board, confirming that Gothenburg Public Schools remains in full compliance with state law and maintains its commitment to preparing students for active participation in democracy.

To meet the state's statutory requirements, the district has selected the Citizenship Test option. Dr. Jonas reviewed the data from the current school year's required American Government classes:

- First Semester: 30 students were enrolled in Mr. Scott’s course.

- Second Semester: 27 students were enrolled.

Dr. Jonas provided the Board with the distribution of passing scores for these cohorts, demonstrating that students are successfully meeting the criteria. Following the presentation, Dr. Jonas asked if there were any questions regarding the choice of the citizenship test or the student results. No questions were raised by the Board.

5.3. Computer Science Standards Report

Dr. Jonas provided a report on the district’s compliance with new state requirements regarding computer science standards. She noted that Gothenburg Public Schools was "ahead of the curve"

in this area, as computer science and personal finance have been established graduation requirements within the district for several years.

The report detailed the implementation timeline and the specific essential standards included in the curriculum. Dr. Jonas provided a status update on the **Class of 2027 (current juniors)** to demonstrate the effectiveness of the district's tracking:

- Out of 46 students, 42 have already completed the required course.
- Two students are finishing the requirement this year.
- The remaining two students are enrolled for the upcoming academic year.

Dr. Jonas highlighted the "two-pronged" approach used by the district, where students satisfy requirements through a combination of personal finance and computer science options. She also commended **Mrs. Baker** for her proactive auditing process, which ensures that all incoming ninth graders include computer science in their long-term graduation plans. No questions were raised following the report.

5.4. Financial Literacy Status Report

Dr. Jonas explained that this report outlines the "essential learnings" integrated into the district's curriculum, which, like the computer science standards, are a foundational requirement for graduation.

Dr. Jonas detailed that the primary objective of the course is to equip students with the skills necessary to make informed financial decisions as they transition into adulthood. The curriculum covers practical, real-world financial concepts, including:

- Debt Management: Understanding the long-term impact of making only minimum payments on credit cards.
- Home Ownership: Educational components regarding how mortgages function and the long-term cost benefits of paying down principal balances early.
- Formalized Instruction: Providing a structured environment for conversations about money that students may or may not be exposed to at home.

Dr. Jonas noted that by reinforcing these concepts in a classroom setting, the district provides a critical "second voice" to the financial advice students receive from their parents, ensuring they are well-prepared for the economic realities of life after graduation.

5.5. FAFSA Report

Dr. Jonas presented the final required statutory report regarding the **Free Application for Federal Student Aid (FAFSA)**. She noted that new legislation enacted last year now requires school districts to report these figures and mandates that students either complete the FAFSA or formally opt out as part of their graduation requirements.

Dr. Jonas provided the following data for Gothenburg Public Schools for the current academic year:

- **Instruction:** 56 students were provided with formal instructions and guidance on how to complete the FAFSA in accordance with state law.
- **Completions:** 38 students successfully completed the FAFSA application.
- **Opt-outs:** 18 students utilized the official opt-out form to satisfy the requirement.

This report confirms the district's compliance with the new legislative mandate aimed at increasing financial aid awareness and college accessibility for graduating seniors.

5.6. Discuss open coaching positions.

Dr. Jonas provided a general overview of the district's coaching and activity sponsorship roster. She noted that the list of coaches is extensive, reflecting the high level of student participation and the numerous accomplishments of student-athletes and activity participants mentioned earlier in the meeting.

Regarding the staffing of these positions, Dr. Jonas highlighted the district's recruitment philosophy:

- **Internal Priority:** The district operates with a "teacher-first" mentality. While teachers are encouraged to coach and are viewed as a significant benefit to both the students and the athletic programs, their primary responsibility remains in the classroom.
- **Recruitment Process:** All coaching and sponsorship positions are first opened to internal staff members.
- **External Candidates:** Dr. Jonas acknowledged that it would be a significant challenge to fill every position using only internal staff. Consequently, when a role cannot be filled by a teacher, the district explores "creative avenues" to recruit qualified individuals from the community or outside the organization to ensure all programs remain fully staffed and operational.

Following the overview, **Mr. Fornoff** asked if there were any questions regarding the staffing process or the current roster. No questions or concerns were raised by the Board.

6. Reports

6.1. Board of Education Reports

1. Personnel Committee - Mr. Fornoff, confirmed they have not met.
2. Transportation and Facilities - Mr. Dalrymple provided an update on the progress of the district's construction and design planning. He reported that the committee recently met with the architects to review several potential design options. Through this collaborative process, the committee is narrowing the selection down to a single design that prioritizes

cost-effectiveness while meeting the district's needs. The project is currently in the stage where the architects are finalizing the formal concept renderings based on that feedback.

3. Finance - Mrs. Jobman provided the monthly financial update, noting that she had reviewed the current numbers and activity budgets. She expressed appreciation for Mr. Mroczek's diligent oversight of these accounts over the last two years, highlighting that departments have done an excellent job of adhering to their established budgets. The committee also discussed the secure entry project, specifically the planned utilization of Qualified Capital Purpose Undertaking Fund (QCPUF) resources, which the district has been strategically allocating for several years. Regarding upcoming revenue, Mrs. Jobman noted that tax receipts are expected to pick up significantly next month, marking one of the district's largest receipt periods of the year. Additionally, she shared an update from Dr. Jonas regarding federal grant funds. While an update or opening of these funds typically occurs in April, the district has not yet received word from the federal level and will continue to monitor the situation for further information.
4. Committee on American Civics - Mrs. Terrell confirmed they have not met.
5. Policy Review Mr. Fornoff confirmed no policy updates.

The Board of Education began the evening with a facilities update from Wilkins ADP. Representatives provided an overview of Areas C and D, including a presentation illustrating the evolution of the floor plan discussions and refinements made throughout the process to ensure taxpayer dollars are utilized as effectively as possible. The primary goal of the project is to create a secure building entry while maintaining fiscal responsibility. After reviewing several options, the Facilities Committee believes the chosen concept best addresses the district's priorities, including a secure and contained entryway, shared proximity for administrators and the secretary, and controlled building access while remaining fiscally responsible.

The Board then moved into committee updates, beginning with **Personnel and Negotiations**. The committee discussed staffing changes resulting from Paul Hamilton's move into the 7-12 Business position. Tony Neals will transition into the MTSS Behavioral Support role, and John McKenna was hired as the Assistant Behavioral Support staff member in an hourly position. The newest development in this staffing transition is the recommendation to hire Sarah Anderson as

the new fifth grade teacher, pending board approval. Ms. Anderson holds a bachelor's degree and is eligible to pursue an alternative teaching certificate through the Nebraska Department of Education. She expressed excitement about the opportunity to work full-time at Gothenburg Public Schools.

The **Transportation and Facilities Committee** reviewed ongoing and upcoming projects. Previously approved Suburbans are expected to arrive in June, and the previously approved Impala replacement is anticipated to arrive in August. Summer classroom updates are well underway, including five classroom refresh projects and updates to the high school media center. The district will also complete repairs to the greenhouse screen, which was previously approved.

The committee also discussed prioritization of three similarly priced projects: replacement of the north gym screen at approximately $30,000, new north gym chairs at approximately $27,000, and acoustic panels for the music classroom at approximately $30,000. After discussion, the Board prioritized the projects in the following order: acoustic panels first, gym screen second, and chairs third. The Board agreed the acoustic panels should be completed this summer due to the daily instructional impact on both students and staff.

The Board also discussed the failed boiler system serving the locker room area. While this space remains part of a future phased facilities update planned within the next five to six years, replacement of the boiler is necessary in the interim. A full HVAC replacement would cost approximately $270,000. The Board felt it was important to engage an engineer before pursuing a project of that scale. Dr. Jonas will work with Wilkins ADP regarding the boiler replacement to ensure the district selects the most financially responsible option that will adequately serve the district until larger renovations occur.

Discussion also occurred regarding the property located near the school. With approximately 12 students currently exploring construction-related pathways, including HVAC, electrical, and construction trades, Mr. Bartels identified potential educational opportunities connected to the property. After discussion, the Board agreed the overall concept had merit but expressed concern about the condition of the house, including possible asbestos and mold concerns and the lack of a functioning heating system. Ultimately, the Board decided not to pursue the opportunity at this time while expressing appreciation to Mr. Bartels for his innovative thinking and encouragement to continue exploring future project-based opportunities for students.

The **Finance Committee** reviewed current revenue and expenditure trends and reported that district finances remain on track. Cash reserves currently sit at approximately three months, and the activities budget also remains on target. Dr. Jonas provided preliminary forecasting information regarding potential reductions in federal funding for IDEA and Title programs next year. The federal grant application system, which typically opens in April, has not yet opened, so official figures are unavailable; however, decreases in federal revenue are anticipated. Dr. Jonas also shared preliminary information suggesting that state special education reimbursement funding may have reached its maximum threshold and could potentially decrease moving forward.

Dr. Jonas presented a draft budget and discussed projected district valuations. She recently participated in a Zoom meeting discussing fire impacts to acreage in Dawson and Lincoln Counties, where it was estimated that approximately 4-7% of grass acres were impacted. Discussion centered on how this may affect valuations moving forward. Dr. Jonas is currently estimating approximately 4% valuation growth and has prepared a preliminary budget draft budget. The current draft projects an increase of approximately $471,835 in the general fund tax asking while maintaining the special building fund at approximately $500,000. These figures will continue to evolve throughout the summer, with finalized valuations unavailable until approximately August 20 when the district receives certified valuations.

Dr. Jonas also provided an update regarding Loop Group discussions, which focused heavily on option enrollment and overall enrollment trends. She will work to prepare an infographic highlighting enrollment trends over the past several years and illustrating where students are enrolling.

Under the **American Civics Committee**, Dr. Jonas provided a brief update regarding current student performance data. While official assessment data remains embargoed until approximately Thanksgiving, she expressed excitement regarding preliminary performance indicators.

The **Policy Committee** discussed Policy 5066 regarding early graduation. Dr. Jonas reviewed the requirements and considerations the Board must evaluate when reviewing early graduation applications.

The Gothenburg Improvement Company had asked that the board consider the possibility of entering into an interlocal agreement with the GIC to support a paid coordinator position. After discussion, the Board determined it did not currently have an appetite for an additional interlocal agreement and felt the district is already significantly invested and engaged in the Impact Center.

Dr. Jonas shared that the administrative team will meet with Lunchtime Solutions on Thursday to discuss areas of opportunity for the upcoming school year. She also presented a mascot proposal from Ginny and the cheerleading program. The proposal includes supervision of a student mascot, storage, and maintenance of the mascot suit, with costs estimated at approximately $6,500 to be split evenly among the cheerleaders, the activities fundraising account, and the activities general fund. The Board felt the proposal was reasonable and expressed excitement regarding the potential for increased school engagement through the mascot program.

Dr. Jonas also noted that the district's new bus will arrive this summer to replace the MCI bus. The Board expressed interest in allowing staff to participate in naming the new bus.

5. Review upcoming meetings. Declare meeting adjourned.
President Fornoff reminded the board that the next meeting will be held at NOON on Monday, June 8th in the High School Conference Room. The meeting adjourned at 8:00PM.

****Effective July 1, 2026** we are increasing our non-sufficient funds (NSF) paid item charge(s), returned item charge(s) and continuous overdraft charge to $35.00 per item.**

The categories of transactions for which an overdraft fee may be imposed are those by any of the following means: checks, in-person withdrawal, ATM withdrawal, ACH or other electronic means. A non-sufficient funds (NSF) fee will be accessed each time the same item is resubmitted against insufficient funds.

As part of our continued commitment to supporting our customers, we have also extended the timeframe for continuous overdraft charge from **3 days to 7 days**, giving you more time to return your account to a positive balance.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

(1) Tell us your name and account number (if any).
(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
(3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

YOUR HOME EQUITY LINES OF CREDIT SUMMARY OF RIGHTS IS OUTLINED BELOW.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you upon request and in response to a billing error notice.

Your Home Equity Lines of Credit is operated in conjunction with your Demand Deposit Account. Any charges for your checking account will be made to the Demand Deposit Account and they will be the same charges as are made for Demand Deposit Accounts not operated in conjunction with Home Equity Lines of Credit. The following information thus applies only to loans made to you under your Home Equity Lines of Credit line of credit.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR DEMAND DEPOSIT LOAN

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

(1) Your name and account number.
(2) The dollar amount of the suspected error.
(3) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

We figure a portion of the **FINANCE CHARGE** on your Home Equity Lines of Credit by applying the daily periodic rate(s) to the "Daily Balance" of your account for the billing cycle. To get the "Daily Balance" we take the beginning balance of your account each day, add any new advances, and subtract any payments or credits and unpaid **FINANCE CHARGES**. This gives us the daily balance.

The minimum periodic payment required is shown on the front of this bill. You may pay off your Home Equity Lines of Credit loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second the principal loan balance outstanding in your Home Equity Lines of Credit. Periodic statements may be sent to you at the end of each billing cycle showing your Home Equity Lines of Credit loan transactions.

Policy Changes

REVISION OF POLICY 2008: MEETINGS

LB 596 eliminates the requirement to publish notice of meetings in a newspaper. Instead, the board selects the method. Four times per year, in a newspaper of general circulation in the district, we will publish the following:

> *Gothenburg Public Schools generally schedules regular board meetings for the second Monday of each month. Regular meetings are typically held in the High School Media Center. Official meeting notices for each regular and special meeting, including the date, time, and location, will be posted on the school district's website. Please check our website for all meeting notices as the date, time, or location may change.*

This will appear in the July board meeting as a standalone informational item to ensure the change is reflected in our minutes.

This revision is required.

REVISION OF POLICY 3003: BIDDING FOR CONSTRUCTION, REMODELING, REPAIR, OR SITE IMPROVEMENT

In general, when a school district "expends public funds for the construction, remodeling, or repair of any school-owned building or for site improvements," the school district is required to advertise for and solicit competitive bids. However, the law provides an exception to this competitive bidding requirement when the "contemplated expenditure for the complete project" will not exceed a specific dollar amount. This statutory dollar amount is subject to adjustment by the State Board of Education every fifth year. In August 2025, the State Board updated the dollar amount of this threshold to $136,000. Our recommended changes to Policy 3003 reflect this higher dollar amount for the projects that are exempt from the competitive bidding requirements.

This change is required.

REVISION OF POLICY 3003.1: BIDDING FOR CONSTRUCTION REMODELING REPAIR OR RELATED PROJECTS FINANCED WITH FEDERAL FUNDS

Effective October 1, 2025, the federal government updated the dollar thresholds for micro-purchases (from $10,000 to $15,000) and for purchases made pursuant to the simplified acquisition procedures (from $250,000 to $350,000). This policy has been updated to reflect these new dollar thresholds. We also updated some regulatory citations.

This change is required.

REVISION OF POLICY 3004.1: FISCAL MANAGEMENT FOR PURCHASING AND PROCUREMENT USING FEDERAL FUNDS

The federal government changed the micro-purchase (from $10,000 to $15,000) and simplified acquisition (from $10,000 to $15,000 and from $250,000 to $350,000) dollar amounts. In addition, NDE conducted desk audits and concluded that travel costs must now be included in this policy. The policy has been updated to reflect these changes.

This change is required.

REVISION OF POLICY 3048: COMMUNICABLE DISEASE

The revisions give staff clearer steps to assess and respond to signs and symptoms of communicable disease.

This change is required.

REVISION OF POLICY 4017: RELATIONS WITH EMPLOYEE COLLECTIVE BARGAINING ASSOCIATIONS

LB 429 requires schools to treat all "professional employee organizations" equally. They must have equal access to things like physical mailboxes, email, and bulletin boards.
This change is required.

REVISION OF POLICY 4019: WORKPLACE INJURY PREVENTION AND SAFETY COMMITTEE

Every public employer subject to the Nebraska Workers' Compensation Act is required to establish a safety committee that must adopt and maintain an effective written injury prevention program. This requirement has not changed. Previously, schools were required to establish the safety committee through the collective bargaining process. **LB 397** changes this requirement and now allows, but does not require, that the safety committee be established through the collective bargaining process. Policy 4019 has been updated to reflect this change.

This change is required.

REVISION OF POLICY 4056: RESIGNATION OF CERTIFICATED STAFF

This revision replaces an outdated reference to the Professional Practices Commission to the Commissioner of Education.

This change is required.

REVISION OF POLICY 5001: COMPULSORY ATTENDANCE AND EXCESSIVE ABSENTEEISM

LB 937 provides more concrete processes for the excusal of absences for physical or mental illness.

This change is required.

REVISION OF POLICY 5003: ADMISSION OF PART-TIME STUDENTS

LB 937 revised the part-time enrollment statute for the third year in a row. This year, the Unicameral divided sports and activities into 3 buckets, with each bucket having a different number of minimum credit hours required to participate as a part-time enrollee. This policy establishes the following:

(1) Activities regulated by an athletic/activities association (like NSAA): 5 credit hours;

(2) Activities regulated by some other governing body (like FFA): the number of credit hours the school offers based on what the governing body requires; and

(3) Activities not regulated by any governing body or athletic/activities association (like prom and chess club): the board will require 5 credit hours.

This change is required.

REVISION OF POLICY 5004: OPTION ENROLLMENT

LB 653 revised the option enrollment laws. Starting July 17, 2026, the law now requires school districts to "automatically accept" option enrollment applications of "siblings of options students enrolled in the option school district without regard to capacity limitations." This updated policy specifies that the school district will consider whether admitting the student's siblings (even if not applying at the moment) will exceed any capacity limitations.

An Option Resolution will appear in the July board meeting to accompany this policy change.

This change is optional and brings our policy in line with practice**.**

REVISION OF POLICY 5035: STUDENT DISCIPLINE

LB 653 revised the Student Discipline Act to allow schools to suspend pre-K through second-grade students for violent behavior "capable" of causing physical harm.

Additionally, schools must now provide oral *and written* notice to the student and their parent, guardian, or educational decisionmaker *before* the suspension begins.

This change is required.

REVISION OF POLICY 5048: EMERGENCY RESPONSE TO LIFE THREATENING ASTHMA OR SYSTEMIC ALLERGIC REACTIONS (ANAPHYLAXIS)

LB 457 required slight tweaks to the policy, including (1) that a general response protocol does take the place of existing self-management plans, 504 plans, or IEPs already in place for specific students; and (2) that a copy of the policy and the protocols be included in every school handbook.

This policy revision (and updated protocol form) is required.

Elementary Track & Field Days:
Our K-6th Track & Field Day was held on Monday, May 8th. Something new this year was having it on a Friday and we received a lot of positive feedback from parents, grandparents, and staff. Our plan is to follow this format again next year! Having all students participating on the same day has now become our norm in our 5th year and we were thankful for beautiful weather! The SPECIALS team did a great job preparing the students for their events and signing students up for events. This was a fun day for students and families!

5th & 6th Band Concert:
Congratulations to our 5th and 6th grade bands on an nice performance on May 14th! A special thanks to Mr. Johnson for his time and dedication in helping our Dudley students learn and grow as musicians.

The Backpack Program has completed another outstanding year of serving our community. During the 2025–2026 school year, the program supported 57 families (approximately 266 individuals)—an increase of 6 families and 33 students from last year.

A huge thank you to the Student Council officers, Mrs. Long, and Mrs. Meisinger for delivering the backpacks to our Dudley classrooms each week. We also extend our deepest gratitude to Kendra Boyd, Wenda Keiser, and the many volunteers who gather food and prepare the backpacks. It truly takes a village, and your dedication makes a profound difference for our Gothenburg families!

NSCAS Celebration:

On May 14, our 3rd–6th grade students enjoyed a special celebration following the NSCAS state testing. While the official data is currently embargoed, our staff and students worked diligently all year during Tier I instruction and the Intervention/Extension (I/E) block to drive growth in reading and math.

To celebrate their hard work, our 3rd graders headed to the YMCA for an afternoon of fun and snow cones. Meanwhile, the 4th–6th graders took over the south playground and southeast courtyard for music, games, hot dogs, and drinks!

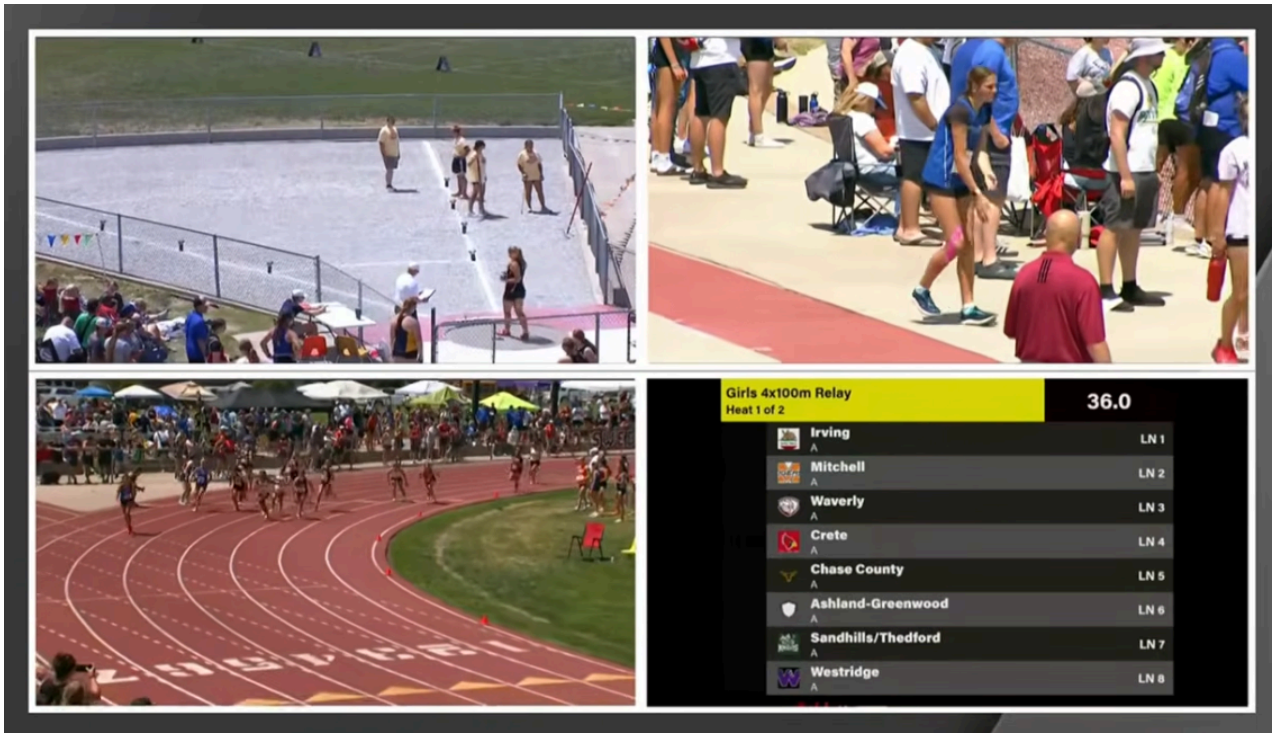
Legislative Update

KSB School Law conducted its annual policy update webinar on June 2. Following the webinar, the Policy Committee met on June 4 to review recommended policy renewals as well as new policies required as a result of the recent legislative session.

All proposed changes were reviewed with the committee. New policies are being presented for first reading, and revisions to existing policies are being considered as part of the district's ongoing policy review and update process.

JH State Track Meet

A huge shout out to Jim Clark, Mr. Mroczek, Mr. Frickenstein, and the many other volunteers it takes to pull off the Jr. High state track meet. News Channel Nebraska does a great job of highlighting this event! The Nebraska Championship Meet annually features 600 of the state's top junior high track athletes representing more than 150 middle schools throughout Nebraska.



Weather conditions became challenging as a thunderstorm moved into the area near the conclusion of the event. While members of our administrative team were present, this meet was

organized and operated by an outside entity and is not an NSAA-sanctioned event, meaning event decisions were made by the meet organizers.

Regardless of event sponsorship, student safety remains our highest priority. We will use this experience as an opportunity to review expectations and work collaboratively with event organizers to ensure future third-party events align as closely as possible with the safety practices and protocols our students, families, and staff expect.
