## **Summary of State Actions to Lower Property Owners' Tax Burden**

State Legislature has passed some bills to help with tax relief in the last few years. During the 2023 session LB 243 was passed.

**LB243** amended the Property Tax Credit Act to increase, beginning in 2024, the maximum relief under the act granted from two hundred and seventy-five million dollars to seven hundred million dollars, with an allowable increase every year after 2024 equal to the percentage increase in total assessed value of all real property in the state over the past year.

**AM 940** added the following amounts in the following years

2024 \$388,000,000

2025 \$428,000,000

2026 \$468,000,000

2027 \$488,000,000

2028 \$515,000,000

2029 \$560,000,000 and then proceed to growth rate as stated

**LB242** amended the Nebraska Property Tax Incentive Act to eliminate the cap on allowable growth percentage and reset the credit percentage under the Act to allow a percentage that will allow for one billion dollars in credit under the Act in 2024.

**AM 956** removed the current five percent (5) cap on the allowable growth on the LB1107 (2020) refundable income tax credit.

**LB309** amended the NE Rev. Stat. Sec. 77-1736.06 regarding property tax refunds to increase the interest rate on refunds to fourteen percent (14%) from nine percent (9%).

**LB 589** (School Levy Authority) created a new mechanism to set out the percentage of an annual increase that a school district can request regarding their levying authority.

**LB783** ended the levying authority of Community Colleges with the fiscal year 2025-2026.
