I. Call the meeting to order.

II. The Board will review and discuss Sapulpa's digital future. This will be a working and study session.

McGraw Hill Representative, Scott Foresman, presented information on District Digital Conversion. This is a program where teachers use a structured digital course integrated with a real-time Digital Teaching Platform. Teachers can set individual lesson plans to fit their students'™ abilities. Every teacher and student, 3rd-12th grade, would have digital resources to utilize this program. The Board is considering this program for a possible bond project.
