A. Minutes of the June 1, 2020, Special board meeting.

B. Discussion and possible action on new school calendar for school year 2020-2021.

The calendar revision serves many purposes

- Construction at Redstone has been delayed because of rain and shut down of production lines at companies because of Covid. This will give us a better opportunity to open the building if not in full, hopefully at least 4th and 5th grade ( we have made plans for 4th - 6th or just 6th to be in old 6th grade center if needed).
- With our new mandate to provide continuous learning even if we are not in school our staff needs more professional development days while on contract to learn the new program and begin the preparation of online lessons for students.
- This will also allow us a little of a buffer between the currently increasing number of cases daily and what we pray will be a decreasing trend by August.
- The end date of school does not change, it does however decrease the number of "extra" days we have available. In the case of extended weather or other somewhat predictable emergencies we will have the ability to use our learning management system and virtual classrooms to mitigate that loss of time.

C. Continuation of Jim Fenrick as Treasurer, Dayna Jones as Encumbrance Clerk, Brenda Smith as Deputy Treasurer, Deanne Rowe as Minute Clerk, and Amy Haberzettle as Deputy Minute Clerk for the 2020-2021 school year.

D. Renewal of the Sublease Agreement dated May 1, 2020, between the District and Canadian County Educational Facilities Authority for the fiscal year ending June 30, 2021, as required under the provisions of the agreement.

Cost analysis: \$16,960,000.00. There is no change in the sublease agreement or the cost of same.

E. Declare attached listed items as surplus

F. Renewal of Lifetouch contract for SY 20-21

The only change in the contract from last year is the addition of Redstone Intermediate School and zero cost to the district.

G. Discussion and possible action on new policies DA-R1, DA-R2, and DA-R3 initially posted at the June 1, 2020, board meeting. The full policies can be found by clicking on the

H. Contract renewals for OTIS

I. Continuing contract with CCEC for 18 alternative education spots for 7th through 12 graders.

Cost analysis: As in past years, the fee of \$3,500. per student for 18 students is waived for the 20-21 school year.

J. Renewal of contract with Core Counseling Mental Health Services

Cost analysis: No change in cost from last year.

K. Renewal of contract with Aspire.

Cost analysis: There is no change in this contract from last year.

- L. Renewal of contract with Big 5. The partnership allows YPS to provide enhanced PreK services to low income children and families and allows YPS to be reimbursed 50% of the cost of a PreK teacher and a PreK classroom aide.

Cost analysis: The invoiced amount to Big Five will allow for an increase in the amount due to YPS of \$1,541.14

- M. Discussion and possible action on activity funds for sites and departments

### 2. Reports/ Comments from Superintendent and Board Members

Dr. Simeroth - starting back to school on a small scale. Next week athletes will come back for outdoor work-outs. Nothing is being done including rentals indoors. We are being very cautious. Still planning to open school August 13. Planning for the worst and hoping for the best. July 25th graduation still on track. Virtual summer school is still on track. A parent called about Saturday school and this is a worst case scenario right now. It is just an option offered by the state department of education.

ACT is not currently rescheduled.

Mrs. Hawthorne - I enjoyed senior festivities.

Mr. Cunningham - No comment

Mr. Van Meter - My last meeting, I'd like to recognize the leadership at all levels, I've always been proud to say I'm on the Yukon Public School Board. It's been an honor to serve with my former board members.

Mrs. Cannon - Mr. Van Meter, we really appreciate your steady hand and your solution focused comments, ideas and service. Food service workers have really done a superb job under awful circumstances. The dedication, time, and efforts by all of our staff has been incredible.

Mr. Wells - This has been a disappointing year-end. Many things students worked towards and looked forward to were canceled and hopefully we will all get through it. All of the senior festivities and teacher send-off were spectacular. Mr. Van Meter, it has been a pleasure and your experience has been invaluable.

TO: MELISSA BARLOW  
YUKON BOARD OF EDUCATION  
FROM: DARNELL ZOOK, DIRECTOR OF BANDS  
RE: SURPLUS MATERIALS

WE WOULD LIKE TO REQUEST THAT THESE ITEMS BE DECLARED SURPLUS BY THE YUKON BOARD OF EDUCATION.

WE WILL ATTEMPT TO SELL ALL ITEMS TO OTHER BAND PROGRAMS WITH THE EXCEPTION OF A PORTION OF THE UNIFORM JACKETS, WHICH OUR BOOSTERS HAVE AN INTEREST IN POSSIBLY MAKING INTO PILLOWS/BLANKETS, ETC. WHICH MIGHT POSSIBLY BE ABLE TO BE SOLD.

IN THE VERY LIKELY EVENT THAT WE ARE UNABLE TO FIND AN INTERESTED BUYER FOR THE SHAKOS, SHAKO BOXES, GAUNTLETS, AND REMAINING JACKETS WE WOULD LIKE TO SEEK TO DONATE THEM TO A SMALL PROGRAM IN NEED.

FULL ITEMIZATION APPEARS ON PAGE 2.

THANK YOU FOR YOUR CONSIDERATION. PLEASE LET ME KNOW IF YOU HAVE ANY QUESTIONS OR CONCERNS.

DZ

Deanne-  
I wasn't sure  
if Darnell had  
sent you a copy  
of this as well.

**Proposal for Yukon Public Schools and Core Counseling Mental Health Services, PLLC Mental Health Collaboration  
2020-21 School Year**

**Objective:** For Yukon Public Schools and Core Counseling Mental Health Services, PLLC to partner together in order to provide quality mental health counseling and supplemental mental health services for Yukon Public Schools' students 4th through 12th grade.

**Rationale:** According to the National Alliance on Mental Illness, mental health conditions most often begin in adolescence with onset usually occurring by the age of 14. Many children experience trauma and mental health issues much earlier making intervention prior to age 14 necessary. There are one in five youth living with a mental illness with less than half of these receiving needed mental health services.

In a given year 13%-20% of children meet criteria for a mental disorder, but less than 12% receive any services to address this. Students challenged with mental health concerns are at very high risk for disruption in their learning, family, and peer relationships. We know that when students are able to receive appropriate services and treatment, they are able to more effectively learn, grow, develop and be successful. Schools can play an important role in identifying the early warning signs and link students and their families to quality services and supports.

**Interventions:** Mental health counseling will be provided by Core Counseling Mental Health Services, PLLC in the form of psychoeducational or processing groups and same day Crisis Assessment Intervention. Psychoeducation are groups are grounded in learning. Using Cognitive Behavioral therapy a student will learn to connect thoughts, feelings, and actions based on the group topic. Processing groups allow the students to explore their emotions as they are controlling behaviors. While processing students will have the opportunity to get more in depth to the triggers in their environment and how those are affecting their ability to function in their identified role.

**Benefits for Yukon Public Schools:**

- YPS will control the referrals of its students.
- YPS will receive the mental health services of licensed clinicians who will see students with mental health needs by conducting psychoeducational and processing groups and will provide same day crisis assessment intervention services when needed.
- As many as 7 hours of face-to-face group counseling will be provided weekly at no cost to YPS students.
- Core Counseling will create data for YPS to identify the number of students receiving services over the 2020-21 school year. The data will show what type of services were utilized by YPS students.

### **Yukon Public Schools Identified Mental Health Needs for Students:**

Core Counseling Mental Health Services would like to enter into an agreement with Yukon Public Schools to provide the following services by Licensed Professional Counselors (LPC) and Licensed Marriage and Family Therapists (LMFT) for the 2020-21 school year at a rate of \$25,000 per year.

- Core Counseling Mental Health Services will conduct Crisis assessments and follow-up for suicide/homicide ideation
  - Assessments must be performed on the same day, preferably at the school site.
  - Appropriate educational materials, documentation and confidentiality protocols will be provided to YPS.
  - Communication with designated YPS contact.
  
- Groups – 7 hours per week
  - Continue successful onsite groups at the middle school (MS) level (7-8th-grade students). High school groups (9-12) may be started as needed.
  - Develop and implement onsite groups at the intermediate level (4-6) at three sites.
  - Sign-in sheets collected at the end of each group for attendance and invoicing purposes.
  - Appropriate educational materials, documentation and development of confidentiality protocols.
  - Demonstrate appropriate group management skills needed for facilitation.
  - Communicate with a designated YPS contact in the case of suicidal/homicidal ideation, cutting or other concerns as needed.
  - Communicate with parents, if necessary, in collaboration with the designated YPS contact.
  - Potential types of groups:
    - Anxiety and Depression
    - Grief
    - Life Skills
    - Anger management
    - Students with Incarcerated parents
    - Coping skills
    - LGBTQ+
    - Support groups for students returning to school after being absent for mental health treatment or inpatient services.

### **Potential additional services that may be determined as needed by YPS:**

- Ability to provide individual counseling services if needed onsite.
- Additional group hours as needed.
- Staff training - trauma, basic mental health.

### **Plan:**

- Crisis Assessment: A Yukon Public Schools counselor or other designated faculty member will initiate contact with Core Counseling Mental Health Services for a same-day assessment. Core Counseling Mental Health Services will communicate that same day with the YPS designee with an action timeline for the assessment and steps to take if the assessment cannot be performed for some reason that same day on site. Core

Counseling will keep a record of Crisis Intervention Services provided throughout the year and this report will be included with the invoice each month for payment.

Core Counseling will provide recommendations based on assessment that the child be sent for inpatient assessment or if the child does not meet criteria. YPS will receive a copy of this report to identify that students are being assessed by proper medical facilities or if a DHS report for medical neglect need to be made. This will be a collaborative effort by YPS and Core Counseling.

- Group Counseling: A Yukon Public Schools counselor or other designated faculty member will make a referral to Core Counseling for a student to participate in either a psychoeducational group or processing group. The YPS School Counselor or designee will work with the parent to receive a signed consent form for participation before beginning group. The YPS School Counselor or designee will coordinate the schedule of groups with contacts at Core in addition to make arrangements for students the day of each group session. A student sign-in sheet will be collected for each group, each week and will be included with the invoice each month for payment. At the conclusion of each psychoeducational or processing group, Core Counseling will report the progress made by students in the groups as indicated by pre and post group assessment.
- School Calendar: Core Counseling will be aware our school calendar and know when school is out of session. School may also be cancelled due to weather or other events that cannot be predicted. In these cases, groups will not be able to meet.

**Documents Core Counseling Group will Provide:** Core Counseling will provide the following documentation for each counselor that is contracted:

- Copy of license or supervision agreement
- Copy of malpractice insurance
- Copy of OSBI background check (performed within the last 12 months)
- Signed Release of Liability
- Signed understanding of child abuse reporting
- Core Counseling liability insurance
- Core Counseling release of liability (YPS not responsible for any workman's compensation claims)

**Expenses:**

- Core Counseling is proposing \$25,000 for the 2020-2021 school year based on the administrative and professional costs associated with providing a licensed therapist for group therapy weekly. The cost includes clinical record keeping, collaboration, and follow up with YPS on services provided. This cost also includes Core Counseling keeping a licensed therapists on-call to provide suicide risk assessments as needed by YPS. Core Counseling will invoice YPS at the end of each month for 9 months making the monthly responsibility of YPS \$2777.77
- Expenses will be itemized and billed on or before the last Friday of the month.

*Core Counseling would like to offer, at no cost to YPS, trauma informed in-service training for identifying crisis and verbal de-escalation, twice yearly.*

COVID Considerations: As children return to school mental health needs will have changed. We must all address the trauma that we have all experienced. Using a professional counseling staff, it is important to use group and individual experiences to process the pandemic experience and traumas alike. Research is showing the suicide rate has already increased. Counselors will offer opportunities to generate hope, using therapeutic encounters to create an optimistic mood and a sense of excitement as everyone heals. (School Mental Health Project, UCLA)

Suspension of Contract: This contract may be suspended in the event of a pandemic, State of General Emergency, or Act of Nature beyond either party's control which results in any school closure(s) for over 14 days. This suspension will be determined at the time of each incident and locations may be considered separate based on closures and catastrophes.

July 7th, 2020

**TOPIC:** Big Five Community Services, Inc.

**RATIONALE FOR RECOMMENDATION:** This is a continuing contract. The cost is based on the District paying the full cost (salary and benefits) of one Pre-K certified classroom teacher and one pre-k classroom aide. Big Five Community Services then reimburses Yukon Public Schools 50% of the total salary costs for the two employees. The Big-5 is a continuing program, housed in Parkland, but serving our entire district. This is a valuable partnership that provides enhanced services to students and families who meet certain income criteria.

**FISCAL NOTE:** The total salary and benefits cost, based on the currently assigned classroom teacher and classroom aide is \$88,616.45. Big Five Community Services will be invoiced to reimburse Yukon Public Schools in the amount of \$44,308.22, thus the net cost to Yukon Public Schools will be \$44,308.23.

This represents a net cost increase of \$1,541.14 to YPS when compared to the FY20 contract expense.
