4. Board Member Communications and Announcements

4.A. Individual Board Member Comments

Mr. Rowe: Evan Duncan lost his battle with cancer this weekend. I got to volunteer at YMS and had a great visit helping prepare for the snow storm.

Mr. Wells: Kaylie has proved that not only are our girls smart, but they are tough too. COVID has made it a tough year for extra-curriculars this year. The bands submission for the first virtual Southwestern Oklahoma State Jazz Festival competition was played as background music entering the room tonight. The swim team had a great showing considering the difficulties this year has dealt them. They are improving and will do even better next year. Thanks to the district for offering COVID vaccinations.

Mr. Coulson: No comments

Mr. Cunningham: Every month I learn so much as a board member. Last month I was at two of the intermediate schools, the principals were amazing in sharing information about bond issue monies being used to remodel the facilities. It is important as a voter to understand that your vote allowed that update to happen - including the murals. I was able to sub and sit in on some classes and am amazed at the work that was being done in those rooms. Project graduation tee shirts are for sale.

Mrs. Cannon: I find it interesting that people are yelling at and demanding things of our school secretaries that these people are not at

liberty to do. These ladies do amazing things for our schools and students. Please take a minute to thank a site secretary and treat them with dignity and respect.

9.F. TLE Qualitative Evaluation Waiver and Assurances

The OSDE is allowing districts to request a waiver of certified staff evaluations for the remainder of this school year. Even with the waiver, we are obligated to continue to provide feedback to our certified staff by performing walkthrough observations and feedback. If there are performance concerns, we will address those on an individual basis through supports, Plan for Improvement, etc.

Attachment A & B are rosters we are required to submit to the OSDE prior to February 12th, which indicates we are participating in the state approved waiver. Providing every teacher on Attachment A continues to perform in a satisfactory manner, Attachment A as listed will be on the May board agenda in the form of a "petition" to allow the teachers on Attachment A to still have the opportunity to earn career status without an evaluation score this year. We will do the same thing for Attachment B in May of 2022.

9.G. Lease Agreement for two FFA trucks

To provide safe and reliable transportation to support the activities of our students and teachers who participate in leadership and development activities through the Yukon FFA Program. This is part of an extensive evaluation and process we began three years ago. Our FFA trucks, due to the high mileage, were placed on three year leases. Our remaining leases for student transportation vehicles are four year leases.
