ITEM FOR CONSIDERATION
Board of Education Meeting
June 3, 2024

TOPIC: Random Drug and Alcohol Testing Services for CDL License Holders

ADMINISTRATIVE RECOMMENDATION: The Administration recommends the approval of a contract between Compliance Resource Group and Yukon Public Schools.

RATIONALE FOR RECOMMENDATION: The purpose of this agreement is to comply with requirements to participate in a random drug and alcohol testing program for our bus drivers and also employees who meet all requirements to drive a school bus.

Currently, we contract with Compliance Resource Group to provide random drug testing.

OPTIONS:

1. Approve this contract with the Compliance Resource Group for the 2024 - 2025 school year.
2. Do not approve this contract with the Compliance Resource Group for the 2024 - 2025 school year.

FISCAL NOTE: Compliance Resource Group will charge \$50 for a DOT Urine Drug Screen. Compliance Resource Group will charge \$25 for each Breath Alcohol Test with Confirmation. The annual enrollment fee per driver, which is the administrative fee for managing the random pool, is \$7.50 per driver (approximately 110 drivers for a cost of \$825 annually). The requirements from the Department of Transportation are to test 25% of the driver pool annually for drugs/urinalysis and 10% of the driver pool for alcohol. The former requirement was 50% of the pool for drugs/urinalysis and Yukon has maintained this same standard of 50% for drugs/urinalysis testing and 10% for alcohol testing, despite the federal government lowering the standard.

Based on 120 drivers, the cost impact is as follows:

- \$7.50/driver random pool administration = \$ 900.00
- 50% of pool drug testing (60 drivers @ \$50) = \$ 3,000.00
- 10% of pool alcohol testing (12 drivers @ \$25) = \$ 300.00
- New hire drug testing (15 @ \$50) = \$ 750.00
- Total Cost = \$ 4,950.00

The total cost increase represents an increase of 10 drivers from school year 23-24. The total price increase costs will be related to the total number of tests we administer during the year.

YPS GOALS: Select the goal(s) that aligns with your item for consideration:

- **Personnel** - We will recruit, retain, and compensate highly motivated educators that are committed to professional growth and excellence.
- **Communication** - We will develop a communication plan that provides transparent, accurate, and timely information to meet the needs of our District stakeholders, including employees, parents, students, and community members.

ITEM FOR CONSIDERATION
Board of Education Meeting
June 3rd, 2024

TOPIC: Employee Assistance Program

ADMINISTRATIVE RECOMMENDATION: The Administration recommends approval of a contract with Community Care from July 1st, 2024 through June 30th, 2025.

RATIONALE FOR RECOMMENDATION: To provide an Employee Assistance Program for all contracted employees (minimum of 4 hours per day, 172 days) for Yukon Public Schools.

Community Care is the current provider of our Employee Assistance Program and has submitted a quote with a very minor increase in pricing (\$0.02 per employee) while maintaining the same level of service.

OPTIONS:

1. Approve the contract with Community Care for the 2024-2025 school year.
2. Do not approve the contract with Community Care for the 2024-2025 school year.

FISCAL NOTE: Will not exceed **\$12,540** to provide 950 employees with access to an Employee Assistance Program. This expense represents \$1.10 per employee per month times 950 employees. This is an increase of \$0.02 per employee for a total increase of \$228 for the year. We have not had a rate increase since 2019. In the event of an emergency, there are individual services that may be billed as needed.

YPS GOALS: Select the goal(s) that aligns with your item for consideration:

- **Personnel-** We will recruit, retain, and compensate highly motivated educators that are committed to professional growth and excellence.
- **Communication** – We will develop a communication plan that provides transparent, accurate, and timely information to meet the needs of our District stakeholders, including employees, parents, students, and community members.
- **Professional Development** – We will create and implement professional development that is relevant and applicable to meet the needs of all educators.

ITEM FOR CONSIDERATION
Board of Education Meeting
June 3rd, 2024

TOPIC: Workers' Compensation Insurance Coverage

ADMINISTRATIVE RECOMMENDATION: The Administration recommends approval of the agreement between Yukon Public Schools and CompSource Mutual through BancFirst Insurance Services..

RATIONALE FOR RECOMMENDATION: Through a competitive process during which we provided multiple vendors with the opportunity to compete for our business, we received the following quotes:

CompSource Mutual (Current Provider) - \$213,641

Comp Risk - \$232,164

Zenith Insurance - \$235,000

Summit- \$261,307 (audit required)

LUBA - \$212,317 (\$1000 deductible per claim)

Stonetrust- \$250,000

Accident Fund - Pending Loss Control Visit before offering quote

Liberty Mutual - Not Competitive

Travelers- Declined to Quote

CompSource Mutual is our current provider. We have again had a tremendously successful year thus far in respect to claims costs and claims resolution, as well as collaborating with both CompSource and BancFirst to continue monthly safety walkthroughs and continue to work toward resolution on our existing claims.

The consultant assigned to our account, courtesy of BancFirst, has 25 years of experience handling workers' compensation claims, including 4 years as the director of claims with CompSource. We have worked very closely with him beginning in FY19 and have found him to be a tremendous asset and advocate. In comparison, we have previously employed a safety consultant via a rebate program through OSAG and we have for years used a third party claims management company. The experience we have had with BancFirst and CompSource leads us to believe that we are in the continuing stages of a partnership to impact our claims in a positive direction on a long-term basis.

We also believe this is the best possible partnership to impact our Experience Modification Rate (EMod) in a positive manner, something that is critical for our future premium quotes. This year's EMod is 0.87. A 1.0 EMod is the goal, which we have surpassed in collaboration with CompSource.

Previous Year Premiums:

- FY 17 - \$378,328 (Note: This is the year many districts saw a premium decrease as a result of changing worker's compensation laws. We saw an increase.)
- FY 18 - \$185,262 (Note: This quote was the result of a substantial "performance based" dividend)
- FY19 - \$236,523
- FY 20 - \$233,627.76 (This includes a consulting fee of \$17, 305.76).
- FY21 - \$310,459
- FY22 - \$246, 385 (a savings of \$64,074 for FY 22)
- FY23- \$176,947 (a savings of \$69,438 for FY 23)
- FY 24- \$188,695

OPTIONS:

1A. Approve agreement between Yukon Public Schools and CompSource Mutual through BancFirst Insurance Services to provide Workers' Compensation Insurance Coverage effective July 1st, 2024 through June 30th, 2025.

1B. Do not approve agreement between Yukon Public Schools and Compsource Mutual through BancFirst Insurance Services to provide Workers' Compensation Insurance Coverage effective July 1st, 2024 through June 30th, 2025.

FISCAL NOTE: The cost for the annual premium for FY 25 will be \$213,641. The cost for our FY24 premium was \$188,695. This represents an increase of \$24,946 which is largely based on our increased payroll of approximately \$5.4 million, which includes the pay raise (both certified and support) and additional positions.

YPS GOALS:

- **Personnel-** We will recruit, retain, and compensate highly motivated educators that are committed to professional growth and excellence.
- **Facilities-** Provide efficient, cost effective facilities that address the learning needs of our students and enhance instruction.
- **Finance-** Our District will establish a financial plan that will inform and benefit all stakeholders.

This amendment is to renew the 2023-24 (original year) food service management company (FSMC) contract between Yukon Public Schools (district) and Sodexo Operations, LLC (FSMC) for renewal year 2024-2025.

The parties desire to amend the contract on June 3, 2024 (date). The term of this contract shall be for one (1) year beginning on July 1, 2024, and continuing until June 30th, 2025, unless terminated by either party.

The Fixed-Priced per Lunch Equivalency rate for the 2024-2025 school year is \$ 3.45.

The SFA and the FSMC Agreed [X] Did Not Agree [] on a labor transaction fee in the original RFP. If it was agreed by both parties, the amount the FSMC will charge the district if an employee leaves is \$ 0.06 per employee with a maximum charge of \$ n/a (if applicable, if no max type N/A) if all or most employees leave the district.

The lunch equivalency rate listed above shall not go over the March CPI of 4.2% and will remain unchanged for the 2025 school year. The FSMC will not and cannot change the rate before June 30, 2025, or directly bill the district at any time. Any other amendments or changes to the original contract will need to be sent to the State Agency on school letterhead. If applicable, a transition plan will be sent to the State Agency each month the FSMC takes a new employee.

The price of the meal equivalency rate will change for nonprogram revenue annually. This will always be the current school year free reimbursement rate + meal performance incentive rate + value of USDA Foods.

Verbiage/Clarification/Updates for all RFP's**

The 2024-25 FSMC RFP has been updated to reflect the following verbiage. The page numbers referenced and the information below were added to the 2024-25 RFP. The verbiage below will also apply to all FSMC RFP's currently being used. All annual FSMC renewals must include this three-page document, signed by both the SFA and FSMC, as well as the Annual Renewal.

- Page 8, E-1: Added: The district has the option to either submit a copy of their 2022-2023 Detailed Expenditure, Detailed Revenue report, **AND** a copy of their October 2023 claim **OR** complete pages 32-40 in the RFP.
- Page 10, H-2: Added: The FSMC cannot attach or add anything to the RFP once State Agency approval has been granted.
- Page 10, J: Added: Bid Protest verbiage in the case that a protest is requested by a FSMC. In the event of a protest, the SFA shall follow their Bid Protest Procedures in their current Child Nutrition Procurement Plan.
- Page 11, D: Added: This contract constitutes the entire agreement between the SFA and the FSMC and may not be changed, extended orally, or altered by cause of conduct.
- Page 11, E: Added: No provision of this contract shall be assigned or subcontracted without prior written consent of the SFA.
- Page 11, F: Added: Any agreement between the SFA and the FSMC shall be subject to State agency approval.
- Page 12, O: Added: Information regarding the FSMC must annually provide information on food costs and revenues. This includes nonprogram food information per 7 CFR 210.14(f) and the USDA Guidance Contracting with FSMC, Guidance for School Food Authorities. This will be captured on the Attachment M each month and is required. The Attachment M has been updated to reflect this addition.
- Page 13, Q: Added: Information regarding the SFA will determine collection procedures for delinquent student accounts. The FSMC employees may not refuse a child a meal regardless of their ability to pay.
- Page 13, R: Added: The Meal Equivalency Rate includes the Free Rate, Performance Incentive Rate, and the USDA Value of Commodities. This rate will change every year to match the rate in Schedule B Adult/Contract price in CARS. (The meal

equivalency rate will change every year based on the increase to any of the three items mentioned above).

Page 17, VII B: Added: That daily records must be available to support the invoice charges. Breakfast, lunch, and snacks will be listed separately on the invoice. If an itemized invoice is requested by the SFA, but not provided within forty-five (45) days, the SFA has the right to delay payment for non-compliance until received. The Attachment M is required to be submitted with the SFA monthly invoice. The FSMC must use the OSDE approved Attachment M each month.

Page 18, VIII A 1-3: **This is the only part that will not change for any current RFPs, only the 2024-25 RFP.** The employee selection changed to three items instead of four. They are retained only by the SFA, retained only by the FSMC, and once they leave the SFA, the FSMC will rehire the employee. *Now you can select all the box(es) that apply.* If the district has both SFA and FSMC employees, you will select box 1 and 2.

Note: Transition plan for employees leaving the district and being paid for by the FSMC has been removed from the 2024-25 RFP. A FSMC can no longer charge an extra price per meal fee for those employees. The FSMC can never directly bill an SFA.

Page 19, B: Added: Clarification regarding background checks to meet State statute for employees paid for by the FSMC.

Page 19, C: Added: Clarification regarding employees working for the FSMC and/or the SFA and after-hours for outside entities.

Page 20, R: Added: Information regarding Professional Development to align with 7 CFR 210.30 and USDA Memo SP 05-2020.

Page 23, XIII D: Added: The SFA reserves the right to receive additional grant money and purchase additional items for the Child Nutrition programs with the grant money, with appropriate crediting procedures applied.
