Watchfire Signs, LLC – SIGN TERMS OF SALE

These Sign Terms of Sale (these “Terms of Sale”) are subject to change without notice. All transactions for a System (as defined below) sold or otherwise provided by Watchfire Signs, LLC (“Watchfire”) are subject to the latest published terms and conditions (including, without limitation, these Terms of Sale and Equipment Financing Supplement, if any) which may be contained or incorporated in applicable Watchfire quotations (each, a “Quotation”), including, without limitation, each Digital Billboard Quote issued by Watchfire. Such Quotation from Watchfire to the applicable purchaser (“Buyer”), which Quotation was accepted by Buyer (whether by handwritten or electronic signature on behalf of Buyer, clicking or checking “accept” in digital format, or by other comparable manifestation of acceptance), and the Terms of Sale, Equipment Financing Supplement, Warranty Terms as in effect on the date of the Quotation (the “Warranty Terms”) (a copy of which is available at https://www.watchfiresigns.com/Standard_Warranty_Terms), and all other terms and conditions contained or incorporated therein collectively comprise the “Agreement.” In accepting a Quotation, Buyer acknowledges that it has read, understands, and agrees to the terms and conditions of the Agreement. In the event of any conflict or inconsistency between any document forming part of the Agreement, the following order of priority shall apply: (i) first, any addendum or amendment to the Quotation which is executed by each of Watchfire and Buyer; (ii) second, the Quotation; (iii) third, these Terms of Sale; and (iv) lastly, any other written agreement (including any “click through” agreement provided by Watchfire with respect to the software) executed by each of Watchfire and Buyer. Notwithstanding the foregoing, (1) Watchfire’s End-User License Agreement (“EULA”) shall control Buyer’s use of and Watchfire’s obligations related to any Watchfire software (a copy of which is available at <https://www.watchfiresigns.com/EULA>) and (2) the Warranty Terms shall control with respect to Buyer’s rights and Watchfire’s obligations related to any warranty.

For purposes of clarity, Watchfire rejects any and all modified or additional terms within Buyer’s purchase order or similar documents which are not executed and expressly accepted by Watchfire. A “System” means all products and services sold or otherwise provided by Watchfire to Buyer under the Agreement.

Quotation. A Quotation shall be valid and capable of acceptance and execution by Buyer for no more than fifteen (15) calendar days from its date of issuance by Watchfire, unless otherwise stated in the Quotation, at which point it shall automatically expire and be void. Without limiting the foregoing, any Quotation is subject to change or revocation by Watchfire at any time upon notice to Buyer prior to the later of (i) execution of the Quotation by Buyer or (ii) Buyer’s payment to Watchfire of the deposit contemplated below. Buyer is obligated to review the Quotation carefully and to immediately advise Watchfire of any discrepancies or errors. Changes to the System or any portion thereof after acceptance of a Quotation are valid only when in a writing executed by both Watchfire and Buyer.

Terms of Payment. Upon Buyer’s execution of a Quotation, Buyer shall make a non-refundable minimum deposit of one-half of the System Price reflected in such Quotation. The remainder of the System Price must be paid by Buyer no later than ten (10) Business Days prior to the Shipment Date. The System Price does not include any construction or installation of the System (unless otherwise contemplated by the Quotation and the Scope of Work (as defined below) incorporated therein), which are solely the responsibility of Buyer. An additional charge of \$100.00 shall be immediately due and paid by Buyer if any check, electronic check, or ACH transfer by Buyer is returned by Buyer’s bank as not honored for payment for any reason. In the event of any dishonored payment of Buyer, future checks, electronic checks, or ACH transfers from Buyer may not be accepted as payment for future orders, in Watchfire’s sole discretion. In the event Buyer fails to timely pay Watchfire any amount owing pursuant to the Agreement, Watchfire may, in its sole and absolute discretion, without limiting any other rights: (a) suspend its performance pursuant to the Agreement until all such payment obligations are fulfilled; (b) suspend or caused to be suspended System access, which may not be restored until all such payment obligations are fulfilled; (c) void and terminate the Agreement in the event of Buyer’s failure to pay all or any part of the non-refundable minimum deposit, while retaining any funded portion thereof; (d) charge to Buyer interest on any unpaid amount at the rate equal to the lesser of eighteen percent (18%) per annum or the maximum amount permissible pursuant to applicable law; and (e) recover any amounts owing to Watchfire by Buyer from any amounts paid by Buyer to Watchfire (including any down payment). Each of the foregoing remedies are cumulative and not exclusive of each other. In addition to amounts otherwise owing by Buyer (including any interest assessed by Watchfire pursuant to the Agreement), Buyer also agrees to pay all of Watchfire’s fees and costs of collection including, without limitation, Watchfire’s attorneys’ fees and costs.

Shipment Date; Delivery Date. Within ten (10) Business Days after Watchfire’s receipt of the deposit (such date of receipt of the deposit, the “Deposit Payment Date”), Buyer shall provide Watchfire with written notice of its requested date of shipment of the portions of the System which are tangible personal property, which requested date shall not be earlier than the date which follows the Deposit Payment Date by the Manufacturing Lead Time referenced on the Quotation unless Watchfire agrees to the contrary in writing. Watchfire will promptly respond to Buyer in writing to confirm the date of shipment of the portions of the System which are tangible personal property (such confirmed date of shipment, the “Shipment Date”). The Shipment Date shall have a corresponding date of delivery (the “Delivery Date”), which will be determined using the average transit time to destination determined by Buyer. Buyer must confirm to Watchfire in writing Buyer’s readiness for shipment of the System on the Shipment Date and, accordingly, readiness for delivery of the System on the Delivery Date no later than fifteen (15) Business Days prior to the Shipment Date. If (i) Buyer fails to timely confirm to Watchfire in writing no later than fifteen (15) Business Days prior to the Shipment Date Buyer’s readiness for shipment of the System on the Shipment Date and readiness for delivery of the System on the Delivery Date or (ii) there is a Buyer Delay (as defined below), then in either such event Watchfire reserves the right, without limiting its other rights (including the rights noted under the “Shipping and Delivery Delays” heading below), to suspend its performance pursuant to the Agreement until Buyer provides Watchfire with such written confirmation, and in such case the Agreement shall be subject to corresponding equitable adjustments to time periods and the adjustments to the System

Price contemplated herein. For purposes of clarity, the Shipment Date and the Delivery Date may not be amended to earlier dates without the prior written agreement of each of Watchfire and Buyer, which agreement may be withheld in either party's sole discretion.

Shipping and Delivery Delays. As an increase to the System Price, Buyer agrees to pay Watchfire an additional \$5,000 (the "Delay Payment") in the event Buyer provides Watchfire with written notice during the fifteen (15) Business Day period prior to the Shipment Date of a delay of more than one (1) Business Day in the Shipment Date (or the corresponding Delivery Date) (in any such case, a "Buyer Delay"), unless Buyer demonstrates to Watchfire's reasonable satisfaction that such rescheduling or delay was the result of a Buyer Force Majeure Event (as defined below) (in which case Buyer's obligation to pay the Delay Payment shall be waived). "Buyer Force Majeure Event" means any of the following acts, events or conditions beyond the reasonable control of Buyer which, despite Buyer's reasonable efforts to prevent, avoid, delay, or mitigate such acts, events or conditions, prevents or delays Buyer's performance and/or the Shipment Date: epidemic or pandemic not existing or of severity greater than as existing on the date of Buyer's execution of the Quotation, embargos, quarantines, viruses, strikes, material labor problems, governmental orders, acts of terrorism, parts or material unavailability, transportation failures, accidents, fires, war, natural disaster, and acts of God. The parties intend that the Delay Payment constitutes compensation, and not a penalty. The parties acknowledge and agree that Watchfire's harm caused by a Buyer Delay would be impossible or very difficult to accurately estimate at the time of the Quotation, and the Delay Payment is a reasonable estimate of the anticipated or actual harm that might arise from such a Buyer Delay, including for damages to Watchfire from increased manufacturing, shipping, material storage, and field rescheduling expenses. Buyer's payment of the Delay Payment is Buyer's sole liability and entire obligation and Watchfire's exclusive remedy for a Buyer Delay resulting in a delay in the initial, confirmed Shipment Date or the corresponding Delivery Date, subject to the remaining provisions under this "Shipping and Delivery Delays" heading. Further, if the System is substantially complete and, due to a Buyer Delay, is stored in Watchfire's facility beyond twenty (20) Business Days following the initial, confirmed Shipment Date, then Buyer shall thereafter pay on a monthly basis (and earlier upon the due date for the remainder of the System Price) a storage fee of \$500 per month in which the System is stored in Watchfire's facility. The foregoing storage fee obligation is in addition to the Delay Payment and Watchfire's right to terminate the Agreement upon the failure of the Shipment Date to occur within six (6) months after Buyer's execution of a Quotation.

In the event that, after the Shipment Date and prior to delivery, the Delivery Date (or the time of delivery on the Delivery Date) is delayed due to the request, action, or inaction of Buyer, then Buyer shall pay to Watchfire any costs or expenses incurred by Watchfire with respect to a System to the extent resulting from such delay in the Delivery Date (including, without limitation, delays at port, delays on the jobsite greater than 2 hours, delays at the terminal, etc.). Any such costs and expenses pursuant to the foregoing sentence must be paid by Buyer within five (5) Business Days of invoice by Watchfire to Buyer.

Cancellation. In the event Buyer requests or attempts to cancel or rescind acceptance of the Agreement (including the Quotation) at any time, Watchfire reserves the right to reject any such cancellation or rescission in its sole discretion. If Watchfire approves and accepts such a cancellation or rescission, then it may in its sole discretion, charge Buyer and Buyer shall pay Watchfire: (i) the full cost of all custom equipment and any costs or expenses incurred by or on behalf of Watchfire prior to such cancellation or rescission; and (ii) a cancellation and restocking fee equal to 50% of the System Price with respect to all standard equipment. Buyer expressly acknowledges that such charges are reasonable. Further, Watchfire shall have the right to terminate the Agreement (including the Quotation with respect to Buyer's order for the System) and retain the non-refundable deposit in the event the Shipment Date has not occurred and/or Buyer has failed to pay in full the remaining balance of the System Price and associated expenses within six (6) months after Buyer's execution of a Quotation. In the event of any such termination after title to the System has transferred in accordance with the Agreement, the title to the System shall automatically transfer back to Watchfire.

Taxes. Except with respect to the amounts of taxes set forth in the Quotation, the System Price is exclusive of all federal, state and local taxes including without limitation, sales, use, excise, privilege, transactional, gross receipts, ad valorem or any other transactional tax or customs or duties ("Tax" or "Taxes") under or in connection with the Agreement, which shall be the sole responsibility of Buyer. Buyer shall immediately pay upon demand the full amount of any such applicable Taxes and shall hold harmless and indemnify Watchfire from the claims of any governmental authority asserting any such Tax is due and payable.

Title; Risk of Loss; Delivery. Watchfire shall, at Buyer's sole cost, arrange for delivery of the System to Buyer. Without limiting the foregoing, Watchfire may estimate but Buyer shall be solely responsible for actual shipping and delivery costs. Shipping and delivery of the System is performed by third parties and Watchfire is not responsible for any delays in shipment that are beyond Watchfire's control. Title to the System (excluding software) and risk of loss of the System shall pass to Buyer upon the later of (x) the initial, confirmed Shipment Date (without giving effect to any Buyer Delay) or (y) Watchfire's completion of the manufacture of the System (excluding software). Buyer shall inspect the System within fourteen (14) calendar days after delivery of the System (the "Inspection Period"). Buyer will be deemed to have accepted the System unless it notifies Watchfire in writing of a Nonconforming System during the Inspection Period and furnishes such written evidence or other documentation as reasonably required by Watchfire. "Nonconforming System" means only the following: (i) product shipped, in whole or in part, is different than identified in the Quotation; or (ii) product's label or packaging incorrectly identifies its contents. If Buyer timely notifies Watchfire of any Nonconforming System, Watchfire shall, in its sole discretion, (i) replace such Nonconforming System, in whole or in part, with a conforming System or (ii) credit or refund the price, in whole or in part, for such Nonconforming System. If Watchfire exercises its option to replace the Nonconforming System, Watchfire shall deliver a conforming System to Buyer according to the delivery terms applicable to the original System. Buyer acknowledges and agrees that the remedies set forth in this paragraph are Buyer's exclusive remedies for the delivery of a Nonconforming System.

Watchfire Force Majeure. Watchfire shall not be liable for any damages as a result of any Watchfire Force Majeure Event (as defined below). In the event of any Watchfire Force Majeure Event, the Shipment Date and, accordingly, the Delivery Date shall be extended for a period of time reasonably necessary to cover the effect of such Watchfire Force Majeure Event. Further, in the event of the existence of a Watchfire Force Majeure Event which results in cost increases of the System of ten percent (10%) or more from the date of issuance of such Quotation, the System Price shall be equitably adjusted to reflect such cost increases. "Watchfire Force Majeure Event" means any acts, events, or conditions beyond the reasonable control of Watchfire, including, without limitation, telecommunications failures, technology attacks, instability and unavailability of the Internet, epidemic, pandemic, quarantines, viruses, strikes, material labor problems, embargos, tariffs, governmental orders, acts of terrorism, parts or material unavailability, transportation failures, accidents, fires, war, natural disaster, acts of God, or other acts, events, or conditions causing increase in cost of the System or delay in the ability to manufacture and ship the System.

Intellectual Property. Buyer acknowledges that Watchfire retains ownership of all Watchfire-owned intellectual property and Watchfire retains its other rights of all third party-owned intellectual property in any materials, goods, software and production process which may be developed or delivered under the Agreement. For purposes of clarity, all drawings, designs, and layouts of proposed builds (in any form, including print and digital) are deemed Watchfire-owned intellectual property. Buyer agrees to execute any documentation reasonably requested by Watchfire to memorialize the ownership by Watchfire of all such intellectual property rights. For the avoidance of doubt, in no case shall Buyer obtain any ownership or other rights to any software loaded into the System or otherwise delivered to Buyer beyond what is provided in the EULA or another limited license agreement between Buyer and an applicable third-party with respect to software loaded into the System or otherwise delivered to Buyer pursuant to the Agreement.

Use of System Image. Buyer agrees that Watchfire, without compensation to Buyer, may use Buyer's name along with photographs and images of the System in Watchfire's advertising and promotional materials in any media worldwide without the prior written consent of Buyer.

Third-Party Software. Operation of the sign equipment included in the System is supported only with Watchfire software and Watchfire qualified versions of approved third-party software. Installing un-supported software on sign controllers could lead to non-operational signs for which no warranty applies. Service charges for troubleshooting and returning to operation will apply.

General Representations and Warranties. Each party represents and covenants that: (a) it has obtained and shall maintain the power and authority to enter into the Agreement, to grant the rights herein granted and to undertake its obligations hereunder, without the further consent of any other person or entity; (b) it is not a party to any written agreement with a third party, the terms of which prohibit or restrict such party from performing its obligations hereunder; and (c) it is not a party to any pending litigation, the resolution of which is reasonably likely to adversely affect the ability of such party to fully perform its obligations hereunder, nor is any such litigation reasonably contemplated.

Limitations. Buyer's exclusive remedy for Watchfire's breach of the Agreement as to any term thereof (including, without limitation, the Warranty Terms), and Watchfire's only liability for any such breach, shall be replacement or repair of the System and its parts actually delivered to Buyer in Watchfire's sole discretion. **WATCHFIRE'S LIABILITY TO BUYER UNDER THE AGREEMENT (INCLUDING THESE TERMS OF SALE AND THE WARRANTY TERMS) OR FOR THE SYSTEM OR SOFTWARE IS LIMITED AS SET FORTH HEREIN AND IN THE EULA, WHETHER SUCH LIABILITY IS IN CONTRACT, TORT, OR ANY OTHER THEORY OF LIABILITY, INCLUDING BUT NOT LIMITED TO FRAUD, MISREPRESENTATION, BREACH OF CONTRACT, PERSONAL INJURY, PRODUCTS LIABILITY OR ANY OTHER THEORY. WATCHFIRE SHALL NOT BE LIABLE FOR ANY SPECIAL, INDIRECT, EXEMPLARY, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, OR DAMAGES FOR LOSS OF USE, LOSS OF ANTICIPATED PROFITS, INCOME, OR ECONOMIC LOSSES OF ANY KIND. BUYER MAY NOT BRING ANY ACTION UNDER THE AGREEMENT (INCLUDING IN CONNECTION WITH ANY BREACH OF WARRANTY, WHETHER PURSUANT TO THE WARRANTY TERMS OR OTHERWISE) MORE THAN ONE YEAR AFTER THE CAUSE OF ACTION HAS ACCRUED. Site Preparation. Without limiting other provisions of these Terms of Sale (including under the “Installation Assumptions” heading below), Buyer is responsible for the supply and provision of electrical, data, internet, and required conduit terminated in conformity with applicable laws, codes, regulations, and similar rules and requirements within fifteen (15) feet of the proposed installation. Structural provisions not shown in Watchfire drawings are required to be provided by Buyer. Control room set-up includes unpackaging and connection of Watchfire provided products. Standard Watchfire online product and software training is provided by Watchfire. All other control room hardware, organization, installation of conduit, and layout is required to be provided by Buyer. Buyer is responsible for obtaining product training, service, and support with respect to any hardware or software not branded as “Watchfire” directly from the manufacturer or owner of such hardware, software or other product.

Installation Assumptions. All Work performed under the Agreement shall be subject to the assumptions and scope of work (the “Scope of Work”) incorporated into the Quotation or elsewhere in the Agreement. If no Scope of Work is provided, Watchfire will perform as a material supplier and provide reasonable product support and guidance only. For purposes of the Agreement, the “Project Site” shall mean the location of Buyer’s products being installed by or on behalf of Watchfire; the “Operations Area” shall mean the portion of the real property to which Watchfire shall have access in connection with the Work, whether more or less than the entirety of the Project Site; and the “Work” shall mean, if any, the installation and all related services to be performed by Watchfire or Watchfire’s contractor(s) under the Agreement. Each of the following are excluded from the Work and the quoted price unless specifically reviewed and listed in the Scope of Work and, accordingly, are Buyer’s responsibility (each of the following, collectively, “Excluded Scope and Costs”): (i) fabrication, construction, installation, or modification of any structure, adjacent signage, electrical service, overload protection devices, and any apparatus not manufactured and supplied directly by Watchfire; (ii) additional costs and efforts (beyond those reflected in the Scope of Work) to gain access beyond readily available standard personnel lifts and Watchfire’s ordinary course hand tools; and (iii) additional or ancillary services or requirements (beyond those reflected in the Scope of Work), including, but not limited to, lane closures, pedestrian protection, Project Site security or safety, permits, prevailing wage requirements, specific labor agreements, design services, stamped and approved engineering drawing costs, inspections, permitting, cranes, off-road material handling, additional labor for groundwork, landscaping, additional mounting, utility removal, tree trimming, utility location and connection, Project Site access costs, licenses or costs associated with requests for payment or software or other submission processes or requirements in connection with project documentation, computer aided design (CAD) files or materials, documentation required pursuant to federal, state, local or other laws, codes, regulations, or similar rules or requirements, disposal fees or services and hazardous waste fees. Additional trim, finish pieces to fit and match facility, or decorative materials are not included in the quoted price or the Scope of Work. Buyer will, at Buyer’s cost and expense, provide Watchfire and its contractor(s) with unfettered access to the Project Site for the duration of the performance of the Work by or on behalf of Watchfire, including the period from the commencement of the Work through completion of any punch list items. Such access will include, without limitation, adequate space on and around the Project Site for materials storage, lay-down and staging areas, toilet facilities, and loading and unloading areas. Unless otherwise depicted in the Scope of Work, the Operations Area will be the entirety of the Project Site and access will be during normal working hours (Monday thru Friday 7 a.m. to 5 p.m.). Upon Watchfire’s written request to Buyer, Buyer will also provide Watchfire and its contractor(s) with access to the Operations Area after completion of the Work to investigate any alleged defect. No later than commencement of the Work by Watchfire under the Agreement, Buyer will, at Buyer’s cost and expense, furnish all easements and other rights of way, which are reasonably necessary for Watchfire to perform such Work and access to the Project Site and Operations Area, including (a) all crane-swing and equipment easements and (b) all easements and approvals necessary for the installation and maintenance of utilities. The time for Watchfire’s performance and the System Price in connection with any Work will be increased as applicable to account for any increased costs and delays arising out of Buyer’s failure to comply with the foregoing obligations. Buyer represents and warrants to Watchfire that: (a) Buyer is the fee simple owner of, or has the legal right to use or occupy the Project Site and Operation Area; and (b) upon commencement of Work, there will be no encumbrances or restrictions applicable to the Project Site and Operation Area that will prevent or interfere with Watchfire’s performance of the Work and Watchfire’s use of the Project Site and Operation Area, except those, if any, specifically identified in the Scope of Work. In the event that Watchfire becomes subject to or incurs any Excluded Scope and Costs, without limiting any rights of Watchfire (including, without limitation, to suspend performance until Buyer performs and satisfies, as applicable, such Excluded Scope and Costs), Buyer shall pay to Watchfire any costs or expenses with respect thereto. Nothing herein shall require Watchfire to assume obligations with respect to any Excluded Scope and Costs or changes to the Scope of Work.

Unforeseen Conditions. “Unforeseen Conditions” are: (a) Project Site specific, or latent physical conditions at the Project Site (including, without limitation, conditions of any structure or improvement located at the Project Site onto which the Work is to be performed or any component part thereof is to be located, affixed, attached, or installed) differing or omitted from the Scope of Work, whether or not concealed or undisclosed; (b) conditions which are unusual in nature or differing from those ordinarily encountered and generally recognized as inherent in the Work; (c) differences or changes in the Project Site or Operations Area between the time of Watchfire’s issuance of the Quotation (or inspection by Watchfire, if earlier) and commencement of the Work; (d) electrical or electromagnetic issues,

conditions, or requirements at the Project Site, including, but not limited to, power fluctuations and harmonics and power surges or drops, in each case due to, caused by, resulting from or arising out of other electrical equipment, devices or facilities not a part of the Work, electromagnetic radio or other atmospheric interference or disturbance, Wi-Fi signal loss, hard wired data interference, onsite internet service loss, and/or any other electrical interference, damage or disturbance not caused by Watchfire or anyone for whom Watchfire is legally responsible; and (e) any hazardous substances encountered at the Project Site that were not brought to the Project Site by Watchfire or its contractors. If Watchfire encounters Unforeseen Conditions that affect the Work, Watchfire shall promptly notify Buyer in writing and the time of performance shall be equitably adjusted. If Watchfire incurs costs or expenses as a result of the Unforeseen Conditions, Buyer shall pay to Watchfire, as an increase to the System Price, any costs or expenses resulting from the Unforeseen Conditions. Notwithstanding anything to the contrary contained in the Agreement, BUYER UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT WATCHFIRE SHALL NOT BE OBLIGATED TO UNCOVER ANY CONCEALED OR UNDISCLOSED CONDITIONS AT THE PROJECT SITE OR ANY CONDITIONS THAT COULD HAVE BEEN REVEALED OR DISCLOSED BY BUYER HAD BUYER PROVIDED WATCHFIRE WITH COMPLETE AND CURRENT BUILDING PLANS AND SPECIFICATIONS, INVESTIGATIONS AND OTHER REPORTS CONCERNING SUCH PROJECT SITE BUT FAILED, FOR WHATEVER REASON, TO DO SO. FOR ALL PURPOSES HEREIN, "CONCEALED," "UNDISCLOSED" AND WORDS OF SIMILAR IMPORT SHALL MEAN THAT SUCH INFORMATION WAS NOT IDENTIFIED IN THE SCOPE OF WORK. WATCHFIRE IS RELYING SOLELY AND EXCLUSIVELY ON THE DOCUMENTATION, INFORMATION AND OTHER MATERIALS PROVIDED BY BUYER AND INCORPORATED IN THE SCOPE OF WORK REGARDING THE PROJECT SITE AND SHALL HAVE NO DUTY OR OBLIGATION TO DETERMINE THE ACCURACY, COMPLETENESS AND CORRECTNESS OF THE SAME. NO INVESTIGATION OR INSPECTION BY WATCHFIRE IN ADVANCE OF THE ISSUANCE OF THE QUOTATION SHALL IMPACT THE FOREGOING.

Notices. Except as otherwise provided in the Agreement (i.e., with respect to notices to Watchfire's Helpdesk contemplated by the Warranty Terms), all notices and other communications under the Agreement (each, a "Notice") shall be in writing and addressed to the applicable party at the physical or e-mail address set forth on the face of the Quotation or to such other physical or e-mail address that may be designated by the recipient in writing. Except as otherwise provided in the Agreement, a Notice is effective only (a) when delivered by hand (with written confirmation of receipt); (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (c) on the date sent by e-mail (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next Business Day if sent after normal business hours of the recipient; or (d) on the third calendar day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid.

Certain Definitions. For purposes of the Agreement, (i) "Business Day" means, individually, and "Business Days" means, collectively, any calendar day that is not a Saturday, a Sunday, or any other calendar day on which banks are required or authorized by law to be closed in Vermilion County, Illinois; and (ii) the "System Price" shall mean the purchase price reflected in such Quotation (including applicable taxes set forth in the Quotation, crating, transportation, delivery charges, and any other related expenses known to Watchfire at the time of such Quotation), as may be adjusted by Watchfire in accordance with these Terms of Sale.

Assignment. Buyer may not assign the Agreement, or any portion thereof, without the written consent of Watchfire. Watchfire reserves the right to, without consent of Buyer, assign any of its rights and delegate any of its duties under the Agreement to a successor, subsidiary, parent company, or affiliate of Watchfire, or in connection with a merger or sale or all of substantially all of Watchfire's assets relevant to the Agreement. The Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective permitted successors and assigns.

Relationship of Parties. The Agreement is only intended to create an independent contractor relationship and is not intended to create any other relationship such as a partnership, franchise, joint venture, agency or employment relationship. Neither party may act in a manner which expresses or implies a relationship other than that of independent contractor nor bind the other party.

Non-Exclusive Agreement. The Agreement does not grant to Buyer an exclusive right or privilege to receive from Watchfire any System or services. Watchfire reserves the right to contract with other parties for the sale and procurement of comparable products, services, or for the sale and performance of any other activities contemplated hereunder.

Export. The System and related technology and software are subject to U.S. export control laws and may be subject to export or import regulations in other countries. Buyer agrees not to export, reexport, or transfer, directly or indirectly, any software or technical data acquired from Watchfire, or any products incorporating such software or data, in violation of the United States export laws or regulations.

Counterparts. The Agreement may be executed in counterparts, each of which will constitute an original, and all of which will constitute one agreement. The parties agree that they will accept electronic signatures and signatures delivered electronically or by facsimile in lieu of original signatures, and the Agreement will have the same binding and enforceable effect as it would have with original signatures.

Severability; Governing Law; Venue; Arbitration. Should any part of the Agreement be found invalid, the other parts shall remain unaffected and shall be enforceable. The Agreement shall be governed by the laws of the State of Illinois, without regard to choice of law principles; provided, however, in the event Buyer is a Governmental Authority, this Agreement shall be governed by the laws of the State to which the System is to be shipped by Watchfire pursuant to the Agreement. In the event Buyer is not a Governmental Authority, any controversy or claim arising out of or relating to the Agreement, whether sounding in contract or tort, which cannot first be resolved amicably and satisfactorily between the parties, shall be resolved by arbitration in Vermilion County, Illinois administered by the American

Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction over the parties. Subject to the arbitration provision above, any litigation arising out of or relating in any way to the Agreement (including, without limitation, these Terms of Sale or the Warranty Terms), whether sounding in contract or tort, shall be exclusively in Vermilion County, in the State of Illinois or the U.S. District Court for the Central District of Illinois; provided, however, in the event Buyer is a Governmental Authority, any litigation arising out of or relating in any way to the Agreement shall be in the state or federal courts located in the State to which the System is to be shipped by Watchfire pursuant to the Agreement. Watchfire shall be entitled to recover all attorneys’ fees and costs should it prevail in any litigation, arbitration, or other dispute arising out of or relating in any way to the Agreement (including, without limitation, these Terms of Sale or the Warranty Terms).

Entire Agreement; Amendment. The Agreement is the complete and exclusive statement of the contract between Watchfire and Buyer with respect to the subject matter of the Agreement, and supersedes any prior written or oral agreement regarding the same subject matter. No waiver, consent, modification, amendment or change of the terms contained in the Agreement shall be binding unless in writing and signed by the duly authorized representatives of both Watchfire and Buyer.

In the event of such legal proceeding, the District shall give its full cooperation to and follow the advice and instructions of the BOCES and assigned defense counsel in the course of such proceedings.

Liability shall be assigned as follows:

- If the violation results from actions of SC-BOCES personnel, SC-BOCES shall assume responsibility.
- If the violation results from actions of District personnel, the District shall assume responsibility.

- Clarify priorities and establish a focused entry plan for the first 100 days and beyond.
- Strengthen communication, decision-making, and leadership presence during the transition period.
- Align early actions with district goals, culture, and long-term strategic direction

Engagement Structure

A typical six-month structure may include regular executive coaching sessions, scheduled consultation meetings, and responsive support as needed around key transition issues. FAQ

Understanding DTU Reciprocal Insurance and 2026 SSA Program Enhancements

2026 ENHANCEMENTS TO DTU SSA PROGRAM

New for 2026, DTU is updating and enhancing its SSA Program to be more responsive to the most recent results of its subscribers. We will continue to reward profitable and tenured Subscribers along with distributing a majority of SSA balances to active Subscribers with the 2026 policy renewals.

NEW SUBSCRIBERS

New to DTU with policy effective date January 1, 2026, and after.

Subscribers with more than \$50,000 in final audited premium will be eligible to participate in the Program through Award Plan B. Once 5 years of tenure is reached, Subscribers will be eligible for Award Plan A.

ACTIVE SUBSCRIBERS

Subscribers with a 2025 in-force policy and renew their policy in 2026.

Active Subscribers WITH an SSA balance as of 12/31/2025

Up to 95% of their SSA balance will be returned within approximately 120 days of their 2026 policy renewal date for regulatory purposes. (Exception is for SSA balances being held as collateral for loss sensitive programs). A small portion of SSA balances will be maintained to support pro rata Subscriber voting rights of the reciprocal. Interest will accrue on the SSA balances held. Subscribers renewing their 2025 policy in 2026, will then be governed by the 2026 DTU SSA Policies. Non-renewing Subscribers will continue to be governed by the 2025 DTU SSA Policies in effect as of their 2025 policy issuance date.

Renewing Subscribers will also be eligible to participate in the **NEW Subscriber Award Program ("Program")** beginning January 1, 2026. The Program is based on earned premium, direct incurred losses, and other eligibility requirements. The Program will also reward tenure for Subscribers insured at least 5 years with DTU and no longer has SSA excess loss offset components. **There are no Program minimum premium eligibility requirements for Active Subscribers with an SSA balance as of 12/31/2025.**

Subscribers having 5 or more consecutive years of tenure with DTU will be eligible for Award Plan A. Other Subscribers will be eligible for Award Plan B. Once 5 years of tenure is reached, Subscribers will be eligible for Award Plan A. [See Program Plans attached.](#)

Active Subscribers WITHOUT an SSA balance as of 12/31/2025

Subscribers may still be eligible for the Program but must meet Program eligibility requirements including annual premium of at least \$50,000. Those Subscribers with 5 or more years of tenure with DTU will be eligible for Award Plan A, while other Subscribers will be eligible for Award Plan B. Once 5 years of tenure is reached, Subscribers will be eligible for Award Plan A.

INACTIVE SUBSCRIBERS

Subscribers whose policy has either terminated or terminates on or before 12/31/2025.

Inactive Subscribers will continue to be governed by the approved DTU SSA Policy in effect as of December 31, 2025. If a Subscriber has contributed initial surplus, their initial surplus contribution is eligible for return in the year following termination. Any remaining SSA balance may be held for up to 5 years following the year-end of the year of termination pending final determination of loss ratio with final payouts not to extend longer than 10 years from the date of termination. During the 5-year holding period, DTU may make allocations to terminated Subscribers' SSA balances. SSA funds are also subject to offset for losses that exceed a 65% loss ratio (45% for large deductible accounts) and subject to any other Subscriber obligations to DTU.

What is Dakota Truck Underwriters (DTU) and who is RAS? DTU is a reciprocal insurance company owned by the policyholders known as Subscribers. DTU operates through Risk Administration Services, LLC ("RAS"), which serves as the attorney-in-fact as appointed by the Subscribers under the terms of the Subscriber Agreement & Power of Attorney.

What is the Subscriber Agreement? The Subscriber Agreement is entered into by a Subscriber upon binding their policy with DTU. Through the act of payment of policy premium, the Subscriber appoints RAS as its attorney-in-fact, sets the general authority for RAS over the reciprocal, provides RAS the authority to exchange insurance contracts among other Subscribers, and incorporates the DTU Operating Guidelines including the SSA Policies.

How is DTU governed? Annually, the Subscribers elect members to the Advisory Committee, which is responsible for overseeing the finances of the reciprocal and ensuring DTU is managed in accordance with the Subscriber Agreement and DTU Operating Guidelines. The DTU Operating Guidelines are the operational rules for DTU and RAS, provide guidance for the day-to-day management of DTU, and outline the general supervisory powers of the Advisory Committee of DTU.

What is a Subscriber Surplus and Savings Account ("SSA")? DTU is a reciprocal insurance company whose equity is mostly comprised of its Subscribers' surplus contributions and savings allocations.

Can I be assessed for losses of DTU? No. DTU is a non-assessable reciprocal insurance company.

All allocations and distributions of surplus and savings are subject to the terms and provisions of the Subscriber Agreement, DTU Operating Guidelines, and, where applicable, the approval of the South Dakota Division of Insurance.

Premium: 35486

PLEASE COMPLETE & RETURN BOTH PAGES OF THIS SURVEY WITHIN 10 DAYS FROM THE DATE RECEIVED BY ONE OF THE FOLLOWING METHODS:

Mail: PO Box 89310 Sioux Falls, SD 57109-9310

Email: polycyservices@RASCompanies.com

1. **Have you performed a hazard analysis of your job tasks to determine which specific safety policies and appropriate Personal Protective Equipment (PPE) are required to perform the task safely?** Yes No

SAFETY RECOMMENDATION:

Osha requires hazard analysis of each job to help determine the potential injury exposures and the protective equipment /procedures needed to protect the employee from the potential hazard(s). Example, are there potential exposures from falling items which would require a hard hat or steel toe shoes, exposures to flying particles or objects which would require safety glasses, or exposures to fumes that could be inhaled etc. which may require respiratory protection? The hazard analysis should be the basic foundation for your safety policies and training.

2. **Do you have a written disciplinary policy?** Yes No

SAFETY RECOMMENDATION:

Unsafe behavior is often a pattern rather than a one-time event. Having a disciplinary procedure that is enforced can be a valuable tool to help ensure everyone is following the safe work practices. We recommend the development and implementation of a disciplinary policy that includes not only general behaviors such as showing up late to work but also safe work practices.

3. **Do you provide initial and ongoing safety training? If so, please indicate how often and list what topics are covered in the space provided.** Yes No Ongoing Safety Training: _____

SAFETY RECOMMENDATION:

Safety in the workplace should be an ongoing process rather than a product.

- A. We recommend routine safety reminder training for all employees. Generally, safety training is most effective if it occurs more frequently and covers only one to two topics. Short weekly or monthly meetings are typically more effective than a single large annual training session. Routinely ask your employees what can be done to make the job safer.
- B. Regular safety training and reminders can aid in reducing injuries by helping your employees to keep safety in mind while they work. Please feel free to contact RAS if you have any safety training needs.

4. **Do you provide and /or require Personal Protective Equipment? If so, please list the items in the space provided?** Yes No Items _____

SAFETY RECOMMENDATION:

As indicated above, all of your jobs should have a basic hazard analysis. Evaluate all of the jobs to determine what types of personal protective equipment (PPE) are needed. Employees should be provided the proper equipment and be trained on its use, care, and cleaning. Management is responsible for enforcing the use of PPE.

5. **Are you within 5 minutes of emergency service and/or do you have trained first responders?** Yes No

SAFETY RECOMMENDATION:

Quick medical attention can be a critical part of injury recovery. Workplaces that are outside of a 5-minute response time by an emergency service should have personnel trained in basic first aid and have basic first-aid supplies on hand. This will give the injured employee a better chance at a quick recovery and a little more time to get to a clinic.

6. Do you have a housekeeping policy? Yes No

SAFETY RECOMMENDATION:

Slips, trips, and falls are a leading cause of injury in the workplace. One of the best ways to avoid these injuries is to maintain good housekeeping. We recommend that you develop and enforce written housekeeping policies and make plans to deal with water, snow, ice, and other slip, trip, and fall concerns in or around your facility.

7. Do you have a comprehensive Return to Work Program? Yes No

SAFETY RECOMMENDATION:

We recommend an effective Stay at Work/Return to Work Program which can help you keep control of your injury and premium costs while helping your employees maintain a normal functional life. A comprehensive program begins with your commitment to establish and utilize a consistent approach. It also includes a company Stay at Work/Return to Work Policy, a list of company procedures, a primary contact for workers' compensation coordination within your company, establishing a relationship with a medical provider, and developing of a list of possible transitional work tasks.

8. Do you hire only out of your main office and interview in person? Yes No

SAFETY RECOMMENDATION:

- A. We recommend an in-person interview for all positions.
- B. We recommend that all new hires be trained on basic safety rules, expected work practices, and hazards of the job along with required protective equipment before being allowed to start their job. Employees should be trained on each piece of equipment before they are allowed to use it.

9. Do you test for alcohol/drugs? Yes No

SAFETY RECOMMENDATION:

Alcohol and drug testing can be an effective screening and hazard identification tool. We recommend performing pre-employment alcohol and drug testing. With a program in place, you will find that certain people will screen themselves out. As a second option, we recommend post-injury alcohol and drug testing as a way to encourage employees to avoid all alcohol and drugs during and prior to work. It is important that when an alcohol and drug testing program is put in place there is a written policy, training is performed, and the test is performed on a consistent basis with all affected employees.

10. Do you investigate all incidents and implement corrective actions to prevent the incident in the future?

Yes No

SAFETY RECOMMENDATION:

Accidents sometimes happen. Learning from those accidents is an effective method to reduce hazards in the future. All accidents should be investigated. The scene should be visited as soon as possible after the accident to identify the core causes of the accident before the area is cleaned-up or items moved. Making a change to eliminate those hazards will reduce potential for future injuries. Remember, the reason of the investigation is always to determine the cause of the accident, not to find blame. Focus on identifying and implementing corrective actions.

11. Do you have a written safety program? Yes No

SAFETY RECOMMENDATION:

We recommend that your safety rules be documented, communicated, and enforced. Safety rules should be short and simple.

GENERAL SECTION**A. The Policy**

This policy includes at its effective date the Information Page and all endorsements and schedules listed there. It is a contract of insurance between you (the employer named in Item 1 of the Information Page) and us (the insurer named on the Information Page). The only agreements relating to this insurance are stated in this policy. The terms of this policy may not be changed or waived except by endorsement issued by us to be part of this policy.

B. Who is Insured

You are insured if you are an employer named in Item 1 of the Information Page. If that employer is a partnership, and if you are one of its partners, you are insured, but only in your capacity as an employer of the partnership's employees.

C. Workers Compensation Law

Workers Compensation Law means the workers or workmen's compensation law and occupational disease law of each state or territory named in Item 3.A. of the Information Page. It includes any amendments to that law which are in effect during the policy period. It does not include any federal workers or workmen's compensation law, any federal occupational disease law or the provisions of any law that provide nonoccupational disability benefits.

D. State

State means any state of the United States of America, and the District of Columbia.

E. Locations

This policy covers all of your workplaces listed in Items 1 or 4 of the Information Page; and it covers all other workplaces in Item 3.A. states unless you have other insurance or are self-insured for such workplaces.

**PART ONE
WORKERS COMPENSATION INSURANCE****A. How This Insurance Applies**

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. Bodily injury by accident must occur during the policy period.
2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend

We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. reasonable expenses incurred at our request, but not loss of earnings;
2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance;
3. litigation costs taxed against you;
4. interest on a judgment as required by law until we offer the amount due under this insurance; and
5. expenses we incur.

E. Other Insurance

We will not pay more than our share of benefits and costs covered by this insurance and other

(Ed. 1-15)

insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. Payments You Must Make

You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:

1. of your serious and willful misconduct;
2. you knowingly employ an employee in violation of law;
3. you fail to comply with a health or safety law or regulation; or
4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

G. Recovery From Others

We have your rights, and the rights of persons entitled to the benefits of this insurance, to recover our payments from anyone liable for the injury. You will do everything necessary to protect those rights for us and to help us enforce them.

H. Statutory Provisions

These statements apply where they are required by law.

1. As between an injured worker and us, we have notice of the injury when you have notice.
2. Your default or the bankruptcy or insolvency of you or your estate will not relieve us of our duties under this insurance after an injury occurs.
3. We are directly and primarily liable to any person entitled to the benefits payable by this insurance. Those persons may enforce our duties; so may an agency authorized by law. Enforcement may be against us or against you and us.
4. Jurisdiction over you is jurisdiction over us for purposes of the workers compensation law. We are bound by decisions against you under that law, subject to the provisions of this policy that are not in conflict with that law.
5. This insurance conforms to the parts of the

workers compensation law that apply to:

- a. benefits payable by this insurance;
 - b. special taxes, payments into security or other special funds, and assessments payable by us under that law.
6. Terms of this insurance that conflict with the workers compensation law are changed by this statement to conform to that law.

Nothing in these paragraphs relieves you of your duties under this policy.

PART TWO

EMPLOYERS LIABILITY INSURANCE

A. How This Insurance Applies

This employers liability insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. The bodily injury must arise out of and in the course of the injured employee's employment by you.
2. The employment must be necessary or incidental to your work in a state or territory listed in Item 3.A. of the Information Page.
3. Bodily injury by accident must occur during the policy period.
4. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.
5. If you are sued, the original suit and any related legal actions for damages for bodily injury by accident or by disease must be brought in the United States of America, its territories or possessions, or Canada.

B. We Will Pay

We will pay all sums that you legally must pay as damages because of bodily injury to your employees, provided the bodily injury is covered by this Employers Liability Insurance.

The damages we will pay, where recovery is permitted by law, include damages:

1. For which you are liable to a third party by reason of a claim or suit against you by that third party to recover the damages claimed against

such third party as a result of injury to your employee;

2. For care and loss of services; and
3. For consequential bodily injury to a spouse, child, parent, brother or sister of the injured employee; provided that these damages are the direct consequence of bodily injury that arises out of and in the course of the injured employee's employment by you; and
4. Because of bodily injury to your employee that arises out of and in the course of employment, claimed against you in a capacity other than as employer.

C. Exclusions

This insurance does not cover:

1. Liability assumed under a contract. This exclusion does not apply to a warranty that your work will be done in a workmanlike manner;
2. Punitive or exemplary damages because of bodily injury to an employee employed in violation of law;
3. Bodily injury to an employee while employed in violation of law with your actual knowledge or the actual knowledge of any of your executive officers;
4. Any obligation imposed by a workers compensation, occupational disease, unemployment compensation, or disability benefits law, or any similar law;
5. Bodily injury intentionally caused or aggravated by you;
6. Bodily injury occurring outside the United States of America, its territories or possessions, and Canada. This exclusion does not apply to bodily injury to a citizen or resident of the United States of America or Canada who is temporarily outside these countries;
7. Damages arising out of coercion, criticism, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination against or termination of any employee, or any personnel practices, policies, acts or omissions;
8. Bodily injury to any person in work subject to the Longshore and Harbor Workers' Compensation Act (33 U.S.C. Sections 901 et seq.), the Nonappropriated Fund Instrumentalities Act (5 U.S.C. Sections 8171 et seq.), the Outer Continental Shelf Lands Act (43 U.S.C. Sections 1331 et seq.), the Defense Base Act (42 U.S.C. Sections 1651–1654), the Federal Mine Safety and Health Act (30 U.S.C. Sections 801 et seq. and 901–944), any other federal workers or workmen's compensation law or other federal occupational disease law, or any amendments to these laws;

9. Bodily injury to any person in work subject to the Federal Employers' Liability Act (45 U.S.C. Sections 51 et seq.), any other federal laws obligating an employer to pay damages to an employee due to bodily injury arising out of or in the course of employment, or any amendments to those laws;

10. Bodily injury to a master or member of the crew of any vessel, and does not cover punitive damages related to your duty or obligation to provide transportation, wages, maintenance, and cure under any applicable maritime law;

11. Fines or penalties imposed for violation of federal or state law; and

12. Damages payable under the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. Sections 1801 et seq.) and under any other federal law awarding damages for violation of those laws or regulations issued thereunder, and any amendments to those laws.

D. We Will Defend

We have the right and duty to defend, at our expense, any claim, proceeding or suit against you for damages payable by this insurance. We have the right to investigate and settle these claims, proceedings and suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance. We have no duty to defend or continue defending after we have paid our applicable limit of liability under this insurance.

E. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding, or suit we defend:

1. Reasonable expenses incurred at our request, but not loss of earnings;
2. Premiums for bonds to release attachments and for appeal bonds in bond amounts up to the limit of our liability under this insurance;
3. Litigation costs taxed against you;
4. Interest on a judgment as required by law until we offer the amount due under this insurance; and
5. Expenses we incur.

(Ed. 1-15)

F. Other Insurance

We will not pay more than our share of damages and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self-insurance will be equal until the loss is paid.

G. Limits of Liability

Our liability to pay for damages is limited. Our limits of liability are shown in Item 3.B. of the Information Page. They apply as explained below.

1. **Bodily Injury by Accident.** The limit shown for “bodily injury by accident—each accident” is the most we will pay for all damages covered by this insurance because of bodily injury to one or more employees in any one accident.

A disease is not bodily injury by accident unless it results directly from bodily injury by accident.

2. **Bodily Injury by Disease.** The limit shown for “bodily injury by disease—policy limit” is the most we will pay for all damages covered by this insurance and arising out of bodily injury by disease, regardless of the number of employees who sustain bodily injury by disease. The limit shown for “bodily injury by disease—each employee” is the most we will pay for all damages because of bodily injury by disease to any one employee.

Bodily injury by disease does not include disease that results directly from a bodily injury by accident.

3. We will not pay any claims for damages after we have paid the applicable limit of our liability under this insurance.

H. Recovery From Others

We have your rights to recover our payment from anyone liable for an injury covered by this insurance. You will do everything necessary to protect those rights for us and to help us enforce them.

I. Actions Against Us

There will be no right of action against us under this insurance unless:

1. You have complied with all the terms of this policy; and

2. The amount you owe has been determined with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability. The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

PART THREE OTHER STATES INSURANCE

A. How This Insurance Applies

1. This other states insurance applies only if one or more states are shown in Item 3.C. of the Information Page.
2. If you begin work in any one of those states after the effective date of this policy and are not insured or are not self-insured for such work, all provisions of the policy will apply as though that state were listed in Item 3.A. of the Information Page.
3. We will reimburse you for the benefits required by the workers compensation law of that state if we are not permitted to pay the benefits directly to persons entitled to them.
4. If you have work on the effective date of this policy in any state not listed in Item 3.A. of the Information Page, coverage will not be afforded for that state unless we are notified within thirty days.

B. Notice

Tell us at once if you begin work in any state listed in Item 3.C. of the Information Page.

PART FOUR YOUR DUTIES IF INJURY OCCURS

Tell us at once if injury occurs that may be covered by this policy. Your other duties are listed here.

1. Provide for immediate medical and other services required by the workers compensation law.
2. Give us or our agent the names and addresses of the injured persons and of witnesses, and other information we may need.
3. Promptly give us all notices, demands and legal

papers related to the injury, claim, proceeding or suit.

4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.
5. Do nothing after an injury occurs that would interfere with our right to recover from others.
6. Do not voluntarily make payments, assume obligations or incur expenses, except at your own cost.

PART FIVE—PREMIUM

A. Our Manuals

All premium for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications

Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration

Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis. This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:

1. all your officers and employees engaged in work covered by this policy; and
2. all other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

D. Premium Payments

You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.
2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force, and increased by our short-rate cancellation table and procedure. Final premium will not be less than the minimum premium.

F. Records

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. Audit

You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

PART SIX—CONDITIONS**A. Inspection**

We have the right, but are not obliged to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws, regulations, codes or standards. Insurance rate service organizations have the same rights we have under this provision.

B. Long Term Policy

If the policy period is longer than one year and sixteen days, all provisions of this policy will apply as though a new policy were issued on each annual anniversary that this policy is in force.

C. Transfer of Your Rights and Duties

Your rights or duties under this policy may not be transferred without our written consent.

If you die and we receive notice within thirty days after your death, we will cover your legal representative as insured.

D. Cancellation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.
2. We may cancel this policy. We must mail or deliver to you not less than ten days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1 of the Information Page will be sufficient to prove notice.
3. The policy period will end on the day and hour stated in the cancellation notice.
4. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with the law.

E. Sole Representative

The insured first named in Item 1 of the Information Page will act on behalf of all insureds to change this policy, receive return premium, and give or receive notice of cancellation.

NOTIFICATION ENDORSEMENT OF PENDING LAW CHANGE TO TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT OF 2015

This endorsement is being attached to your workers compensation and employers liability insurance policy. This endorsement does not replace the separate Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement (WC 00 04 22 B) that is attached to your current policy and which remains in effect as applicable.

The Terrorism Risk Insurance Act of 2002 (TRIA), as previously amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2015 (TRIPRA 2015), provides for a program under which the federal government will share in the payment of insured losses caused by certain acts of terrorism. In the absence of affirmative US Congressional action to extend, update, or otherwise reauthorize TRIPRA 2015, in whole or in part, TRIPRA 2015 is scheduled to expire on December 31, 2020.

Since the timetable for any further Congressional action regarding TRIPRA 2015 is presently unknown, and exposure to acts of terrorism remains, we are providing policyholders with relevant information concerning their workers compensation policies in the event of the TRIPRA 2015's expiration.

Your policy provides coverage for workers compensation losses caused by acts of terrorism, including workers compensation benefit obligations dictated by state law, except in Pennsylvania, where injuries or deaths resulting from certain war-related activities are excluded from workers compensation coverage. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy.

The premium charge for the coverage that your policy provides for terrorism losses is shown in Item 4 of the policy Information Page or the Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement (WC 00 04 22 B) Schedule that is attached to your policy. This amount may continue or change for new, renewal, and in-force policies in effect on or after December 31, 2020, in the event of TRIPRA 2015's expiration, subject to regulatory review in accordance with applicable state law.

You need not do anything further at this time.

This endorsement changes the policy to which it is attached and is effective on the date issued unless otherwise stated.

Change in ownership includes sales, purchases, other transfers, mergers, consolidations, dissolutions, formations of a new entity, and other changes provided for in the applicable experience rating plan. Experience rating is mandatory for all eligible insureds. The experience rating modification factor, if any, applicable to this policy, may change if there is a change in your ownership or in that of one or more of the entities eligible to be combined with you for experience rating purposes.

Failure to report any change in ownership, regardless of whether the change is reported within 90 days of such change, may result in revision of the experience rating modification factor used to determine your premium.

This reporting requirement applies regardless of whether an experience rating modification is currently applicable to this policy.

CATASTROPHE (OTHER THAN CERTIFIED ACTS OF TERRORISM) PREMIUM ENDORSEMENT

This endorsement is notification that we are charging premium to cover the losses that may occur in the event of a Catastrophe (Other Than Certified Acts of Terrorism) as that term is defined below. Your policy provides coverage for workers compensation losses caused by a Catastrophe (Other Than Certified Acts of Terrorism). Coverage for such losses is subject to all terms, definitions, exclusions, and conditions in your policy, and any applicable federal and/or state laws, rules, or regulations. This premium charge does not provide funding for Certified Acts of Terrorism contemplated under the Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement attached to this policy.

For purposes of this endorsement,

Catastrophe (Other Than Certified Acts of Terrorism) is defined as: A single event or peril resulting in a group of claims with aggregate workers compensation losses in excess of \$50 million. This \$50 million threshold applies per occurrence, across all states for which claims arise from a single event or peril.

The premium charge for the coverage your policy provides for workers compensation losses caused by a Catastrophe (other than Certified Acts of Terrorism) is shown in Item 4 of the Information Page or in the Schedule below.

Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement

This endorsement addresses the requirements of the Terrorism Risk Insurance Act of 2002 as amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2019. It serves to notify you of certain limitations under the Act, and that your insurance carrier is charging premium for losses that may occur in the event of an Act of Terrorism.

Your policy provides coverage for workers compensation losses caused by Acts of Terrorism, including workers compensation benefit obligations dictated by state law. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy, and any applicable federal and/or state laws, rules, or regulations.

Definitions

The definitions provided in this endorsement are based on and have the same meaning as the definitions in the Act. If words or phrases not defined in this endorsement are defined in the Act, the definitions in the Act will apply.

“Act” means the Terrorism Risk Insurance Act of 2002, which took effect on November 26, 2002, and any amendments thereto, including any amendments resulting from the Terrorism Risk Insurance Program Reauthorization Act of 2019.

“Act of Terrorism” means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States, as meeting all of the following requirements:

- a. The act is an act of terrorism.
- b. The act is violent or dangerous to human life, property, or infrastructure.
- c. The act resulted in damage within the United States, or outside of the United States in the case of the premises of United States missions or certain air carriers or vessels.
- d. The act has been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

“Insured Loss” means any loss resulting from an act of terrorism (and, except for Pennsylvania, including an act of war, in the case of workers compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if the loss occurs in the United States or at the premises of United States missions or to certain air carriers or vessels.

“Insurer Deductible” means, for the period beginning on January 1, 2021, and ending on December 31, 2027, an amount equal to 20% of our direct earned premiums during the immediately preceding calendar year.

(Ed. 01-2021)

Limitation of Liability

The Act limits our liability to you under this policy. If aggregate Insured Losses exceed \$100,000,000,000 in a calendar year and if we have met our Insurer Deductible, we are not liable for the payment of any portion of the amount of Insured Losses that exceeds \$100,000,000,000; and for aggregate Insured Losses up to \$100,000,000,000, we will pay only a pro rata share of such Insured Losses as determined by the Secretary of the Treasury.

Policyholder Disclosure Notice

1. Insured Losses would be partially reimbursed by the United States Government. If the aggregate industry Insured Losses occurring in any calendar year exceed \$200,000,000, the United States Government would pay 80% of our Insured Losses that exceed our Insurer Deductible.
2. Notwithstanding item 1 above, the United States Government will not make any payment under the Act for any portion of Insured Losses that exceed \$100,000,000,000.
3. The premium charge for the coverage your policy provides for Insured Losses is included in the amount shown in Item 4 of the Information Page or in the Schedule below.

For and in consideration of the benefits to be derived therefrom, Subscriber agrees with Dakota Truck Underwriters (**DTU**) and other subscribers of DTU through their common attorney-in-fact, Risk Administration Services, Inc. (herein **AIF**), to exchange with all other subscribers policies of insurance or reinsurance containing such terms and conditions therein as may be specified by AIF and approved by DTU's Advisory Committee (**Committee**) for any loss insured against. Subscriber hereby designates, constitutes and appoints the above-named AIF to be and act as attorney-in-fact for Subscriber with the power to issue policies on behalf of Subscriber. AIF shall also have the power to do all things necessary or appropriate in the judgment of AIF to issue policies of insurance on behalf of all DTU's subscribers, and also to cancel or non-renew any such policies, collect and receive all monies due to DTU from whatever source, pay claims and losses under any policies of insurance issued by DTU and pay expenses associated therewith, effect reinsurance, accept service of process on behalf of DTU, authorize the director of the Division of Insurance of its domiciliary state to receive service of process on behalf of DTU and do and perform all other acts incidental to the management of DTU and the business of inter-insurance. Subscriber agrees that for the initial insurance provided by DTU, as well as for any renewal term thereof, it shall pay to DTU a premium deposit (**Deposit**), any required membership fees and surplus contributions all of which to be determined and agreed to by the Committee as well as in accordance with the policies and operating procedures of DTU (**Operating Guidelines**), which are incorporated herein by this reference for all purposes and as may be amended from time to time mutually by Committee and AIF. Additionally, DTU shall provide to AIF, for expenses incident to becoming and acting as attorney-in-fact, an amount to be determined annually by the Committee which shall not exceed one percent (1%) of all Deposits received from all subscribers. Subscriber agrees that AIF acting on behalf of DTU may designate, appoint and, utilizing such Deposits, compensate additional parties and agents to do and perform all acts material and incidental to the management of DTU and the business of inter-insurance as outlined herein. Accordingly, DTU may appoint a managing general agent, namely Insurance Alternatives, LLC, and compensate it through a provisional commission amount stated as a percentage of Deposits which shall be annually approved by the Committee and as may be amended from time to time by the parties; provided that, in the event the parties cannot mutually agree upon an amended commission amount, the then-current commission amount shall remain in effect.

The remaining portion of the above DTU funds, and of any renewal term payments made by or on behalf of the subscriber to DTU, may be applied by AIF to the payment of losses, expenses and to the establishment of reserves and general surplus. Such reserves and surplus may be invested and reinvested by AIF and Committee. The AIF, or other agent or agency appointed by written authority of Committee, shall have the power to negotiate purchases, sales, trades, exchanges, and transfers of investments, properties, titles, securities and assets of DTU, together with full powers to execute all necessary instruments. The above-mentioned expenses shall include all taxes, license fees, attorneys' fees and adjustment expenses and charges, expenses of subscribers' and Committees' meetings, and such other specified fees, dues and expenses as may be authorized by the Committee. All expenses incurred in connection with the conduct of DTU and such of the above-mentioned expenses as shall from time to time be agreed upon by and between AIF and Committee shall also be borne by DTU.

Subscriber, together with other subscribers of DTU, shall elect Committee members pursuant to the applicable provisions of the Operating Guidelines. Committee acting as a whole shall have the powers granted to it within the applicable provisions of the Operating Guidelines and pursuant to South Dakota law.

This agreement may be executed upon any number of counterparts with the same effect as if all subscribers by their actions executed one and the same instrument, and such agreement shall be binding upon the parties thereto, severally and ratably as provided in policies issued. Wherever the word "subscriber" is used the same shall mean members of DTU, the subscriber hereto, and all other subscribers to this or any other like agreement. Any policy issued by DTU shall be non-assessable. This agreement may only be modified or amended by the joint approval of Committee and AIF, subject to the approval of the Director of the South Dakota Division of Insurance. All rights and obligations of the parties hereunder, including all provisions of the Operating Guidelines, shall be governed by the laws of the State of South Dakota.

BDA - Board Organizational Meeting

Within 15 days after the school district receives the official abstract of votes, the Board shall meet in an organizational session at a regular or special meeting for the purpose of selecting officers.

The incumbent president of the Board shall preside until a successor is elected, whereupon the successor will assume the chair.

Following the swearing in of the newly elected Board member or members, the following officers, in order, shall be elected or appointed: president, vice president, secretary, and treasurer.

Nominations for president and vice president shall be made from the floor, and voting shall be by roll call or secret ballot. Should no nominee receive a majority vote of Board members, the election shall be declared null and void, further nominations may be made, and the roll call or secret ballot vote shall be retaken.

The president and vice president shall serve two-year terms and shall hold office until their successors are elected.

The Board shall then appoint a secretary and treasurer who may or may not be members of the Board. The secretary and treasurer shall hold their offices for terms at the pleasure of the Board.

Following the election and appointment of the officers, the Board shall appoint the staff members who will fill the offices of secretary to the Board and assistant treasurer.

Then, such other items of business shall be considered by the Board as are scheduled on the agenda.

Officer resignation

Should one or more officers of the Board resign, the Board shall select another member or members to fill the vacant office or offices as provided by law, using the procedures described above. A newly-selected officer shall assume the duties immediately upon selection. Since the selection of a new officer on a four-officer, five-member board frequently requires a shifting of officers, it shall be permissible for a member to be nominated for another office without resigning the current office. Upon acceptance of the nomination and election to the new office, the former office shall be declared vacant and another member elected to fill that position.

JICJ - Student Use of Cell Phones and Other Personal Technology Devices

The Board of Education believes personal technology devices may be useful tools for students in the educational environment and can play a vital communication role during emergency situations. However, use of personal technology devices in school situations must be regulated to assure that the use of such devices does not disrupt or interfere with the educational process or school operations. Therefore, students may only use PTDs on district property, on a district vehicle, or at a district or school-sponsored activity or event in accordance with this policy.

For purposes of this policy, "personal technology device" (PTD) includes any privately-owned portable technology device, including but not limited to ear buds, cell phones, pagers, tablets, laptops, cameras, audio and/or video recorders and players, and all other hand-held electronic communication and data storage devices.

Students may use PTDs as a designated tool for learning if authorized by the student handbook and the student's teacher. It is the student's responsibility to ensure that the PTD is turned off or placed in silent mode during unauthorized times.

Student use of PTDs with cameras and/or video recording capabilities is prohibited in locker rooms, bathrooms, or any other location where such use could violate another person's reasonable expectation of privacy.

Students shall not use PTDs to engage in, promote, or facilitate any other conduct that violates the student handbook, the extracurricular code of conduct, other Board policies or regulations, or state or federal law.

Violation of this policy or any other district, school, or classroom rule or regulation on student use of PTDs may result in disciplinary measures and/or temporary confiscation of the PTD. Confiscated devices shall be returned to the student only after a conference with the parent/guardian, student, and school personnel. In some cases, parents/guardians may be required to pick up confiscated devices from the office. If the building principal or designee believes a student's possession or use of a PTD may involve a violation of the law, the building principal or designee may also refer the matter to law enforcement.

The district shall not be responsible for loss, theft, or destruction of PTDs brought onto school or district property or while the student is attending district or school-sponsored activities or events.

Further regulations regarding PTDs can be found in the student handbook.

IKA - Grading/Assessment Systems

The Board believes that students will respond more positively to the opportunity for success than to the threat of failure. The district seeks, therefore, in its instructional program to make achievement both recognizable and possible for students. It emphasizes achievement in its processes of evaluating student performance.

State assessment system

State and federal law require district students to take standardized assessments in the instructional areas of English language arts, math, and science. State law also requires students in elementary and middle school to take standardized assessments in the instructional area of social studies. Accordingly, the district will administer standardized assessments pursuant to these state and federal legal requirements.

State law also requires the district to adopt policies and/or procedures concerning the use of pencil and paper on the computerized portion of state assessments; parent requests to excuse their children from taking state assessments; and the district's assessment calendar. This policy and its accompanying regulation represent the district's processes to address these requirements.

1. Pencil and paper testing option

The district may determine that a specific classroom or school within the district will use pencil and paper to complete the computerized portions of a state assessment. Factors that will be considered in making this determination include:

- the technological capacity and resources of the particular school/classroom;
- students' previous experience with computerized and written assessments;
- whether the instructional methodology of the particular school/classroom is consistent with the use of computerized assessments or written assessments; and
- the logistics of administering the state assessment in different formats at a particular school or schools.

Prior to making this determination, the superintendent or designee must consult with the school principal(s) affected by this determination as well as parents/guardians of students enrolled in the district.

For students with disabilities, the use of pencil and paper instead of a computer to complete a state assessment will be determined by the student's

Individualized Education Program (IEP) team or Section 504 team, in accordance with applicable law.

2. Parent/guardian request for exemption

A parent/guardian who wishes to exempt their child from a particular state assessment or assessments must make this request in accordance with this policy's accompanying regulation.

In accordance with state law, the district will not impose a negative consequence upon a student whose parent/guardian has requested an exemption from a state assessment or assessments. Students excused by their parents/guardians from participating in a state assessment or assessments will not be prohibited from participating in an activity or from receiving any other form of reward that the district provides to students for participating in the state assessment.

This policy's exemption process applies only to state assessments administered pursuant to C.R.S. [22-7-1006.3](#) and does not apply to district or classroom assessments.

3. Sharing of student state assessment results with parents/guardians

The Colorado Department of Education is required to provide diagnostic academic growth information for each student enrolled in the district and for each public school in the district based on the state assessment results for the preceding school years. Appropriate school personnel, including those who work directly with the student, will have access to the student's state assessment results and longitudinal academic growth information and must share with and explain that information to the student's parent/guardian.

District assessment system

In addition to the state assessment system, the district has developed a comprehensive assessment system that:

- challenges students to think critically and apply what they have learned and gives them the opportunity to demonstrate their skills and knowledge;
- includes "early warning" features that allow problems to be diagnosed promptly to let students, teachers, and parents/guardians know that extra effort is necessary;
- provides reliable and valid information on student and school performance to educators, parents/guardians, and employers; and
- provides timely and useful data for instructional improvement and improved student learning, including feedback useful in determining whether the curriculum is aligned with the district's academic standards.

In accordance with applicable law, the district's assessment system will accommodate students with disabilities and English language learners.

The district's assessment results, in combination with state assessment results, will be used as the measurement of student achievement. It is believed these results will provide reliable and valid information about student progress on the district's academic standards.

Additional assessment information for parents/guardians

In accordance with state law and this policy's accompanying regulation, the district will distribute an assessment calendar and related information to parents/guardians on an annual basis to inform them about the state and district assessments that the district plans to administer during the school year.

Classroom assessment system

Classroom assessment practices will be aligned with the district's academic standards and assessment program. Assessment is an integral part of the teaching and learning process that should occur continuously in the classroom. The primary purpose of classroom assessment is to enable teachers to make instructional decisions for students on a continual basis.

Students are encouraged to engage in informal self-assessments as they study and attempt to solve problems, monitor their own progress, and improve their learning.

Grading system

The administration and professional staff will devise a grading system for evaluating and recording student progress and to measure student performance in conjunction with the district's academic standards. The records and reports of individual students will be kept in a form meaningful to parents/guardians as well as teachers. The grading system will be uniform district-wide at comparable grade levels. Peer grading of student assignments and classroom assessments is permissible. The intent of this practice is to teach material again in a new context and to show students how to assist and respect fellow students.

The Board will approve the grading, reporting, and assessment systems as developed by the professional staff, upon recommendation of the superintendent.

The Board recognizes that classroom grading and/or assessment systems, however effective, are subjective in nature but urges all professional staff members to conduct student evaluations as objectively as possible.

by action at its meeting on (date) June 23rd 2026, provides the following assurances to the Colorado Department of Education.

The LEA assures that it is, or will take action to become, in compliance with the following:

- The LEA will administer each program covered by the ESEA application in accordance with all applicable statutes, regulations, program plans, and applications (§8306(a)(1)), including but not limited to federal education program laws, the Title regulations in 34 CFR Part 200, the General Education Provisions Act (GEPA), and the Education Department Federal Administrative Regulations (EDGAR) in 34 CFR Parts 76, (except for 76.650-76.662), 77, 79, 81, and 82, 2 CFR 3485, and the Uniform Grants Guidance in 2 CFR 200 and 3474.

- The LEA will adopt and use proper methods of administering each program, including the enforcement of any obligations imposed by law on agencies, institutions, organizations, and other recipients responsible for carrying out each program and the correction of deficiencies in program operations that are identified through audits, monitoring, or evaluation. (§306(a)(3)(A&B)).
- The LEA will cooperate in carrying out any evaluation of each such program conducted by or for the SEA, the Secretary, or other Federal officials (§8306(a)(4)).
- The LEA will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, Federal funds paid to that agency under each program (§8306(a)(5)).
- The LEA will submit such reports to the State educational agency (which shall make the reports available to the Governor) and the Secretary as the State educational agency and Secretary may require to enable the State educational agency and the Secretary to perform their duties under each such program (§8306(a)(6)(A)).
- The LEA will maintain such records, provide such information, and afford such access to the records as the State educational agency (after consultation with the Governor) or the Secretary may reasonably require to carry out the State educational agency's or the Secretary's duties (§8306(a)(6)(B)).
- The LEA afforded a reasonable opportunity for public comment on the application and considered such comment before the application was submitted (§8306(a)(7)).
- The LEA will provide, on a request made by military recruiters or an institution of higher education, access to the name, address, and telephone listing of each secondary school student served by the LEA, unless the parent of each student has submitted the prior consent request which, upon receiving, prohibits the LEA from releasing such information without the prior written consent of the parent (§8528).

(34 C.F.R. Part 100)
- To the extent applicable, the LEA will include in its local application a description of how the LEA will comply with the requirements of section 427 of GEPA (20 U.S.C. 1228a).
