Mrs. Ratcliff:

After much reflection and with mixed emotions, I am submitting my formal resignation from my position as Library Media Specialist effective immediately.

Serving our school community over the past 4 years has been one of the greatest honors of my professional life. I have taken immense pride in building a space that supports the culture of literacy.

I am deeply grateful for the incredible colleagues that I've had the privilege to work alongside. The dedication, creativity, and resilience of our teachers and staff have continually inspired me.

This decision was not made lightly, but comes from a place of personal and family needs. Thank you for the opportunity to serve, to grow, and to make a meaningful impact on the students of Idabel Public Schools.

With gratitude and warmest regards,

Tanya Stuart

Re: 2025/2026 Workers' Compensation

Dear Alan Bryant,

We appreciate the opportunity to present your workers' compensation insurance quote for 2025/2026. The Beckman Company has maintained a low profile while putting together some of Oklahoma's most innovative and popular insurance products ever offered. Our quest is to always offer the best insurance coverage at the lowest cost with no future risk to the insured. This is why The Beckman Company now insures more public entities than any other firm in our state!

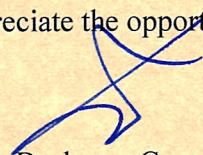

The Beckman Company has helped create both property and casualty insurance programs for public entities never seen before in Oklahoma or elsewhere. Currently The Beckman Company is the MGA (Managing General Agent) for insurance brokerage for some 500+ public schools, most of Oklahoma's Universities, as well as insuring the City of Edmond and Oklahoma County on all lines of coverage. The Beckman Company helped to create three insurance programs which are all designed to lower costs.

The Beckman Company, which began in 1960, has now grown into one of Oklahoma's largest insurance and brokerage full-service agencies. Our experience is vast and varied encompassing not only public entities but some of Oklahoma's more recognizable names in manufacturers, businesses, and many more. Re: 2025-2026 OSAG Workers' Compensation Insurance Quote

The policy will automatically renew on 7/1/25 – No action needed.

Dear Alan Bryant,

Thank you for helping to make OSAG the largest provider of workers' compensation to public schools in Oklahoma. Your 2025-2026 OSAG renewal quote is as follows:

**Total 2025-2026 OSAG Workers' Compensation
Renewal Premium including Dividend/Credits:**

\$44,948.00

Non-Auditable

**Your OSAG policy also contains Employers' Liability Limits of \$1,000,000/\$1,000,000/\$1,000,000*

Active membership in the Oklahoma School Assurance Group provides an array of benefits for your district, including continued membership *performance dividend awards*. The membership dividend is based on an overall favorable group loss ratio.

About the OSAG Proposal:

*The Membership Dividend is the maximum amount that may be awarded to an active member as a performance dividend. This figure is based on individual district loss performance.

*All members that renew with OSAG have a *Membership Dividend* associated with active membership.
To receive the Membership Dividend, a member must be active with paid premium.

**OSAG has awarded \$500,000 in Safety Equipment Grants, as well as a \$250,000 Shared Premium Credit awarded to all active members in 2024-2025. OSAG grants/credits are predicted to continue in the future for all active members.*

OSAG

Member Benefits of the Oklahoma School Assurance Group

The Oklahoma School Assurance Group (O.S.A.G.) is the largest provider of workers' compensation services to Oklahoma public schools, proudly serving 98% of Oklahoma schools & over 75,000 employees!

The OSAG motto is "to provide the most efficient and economical workers' compensation services to Oklahoma public schools."

Since 1994, member school districts have accumulated a total savings of \$109,705,968!

OSAG member benefits include the following:

- Insurance consulting services covering **MOST** lines of district insurance needs, i.e. workers' compensation, property, liability, etc. **NO COST** for this service.
- Training provided at Oklahoma ASBO spring & fall conferences at **NO COST**.
- Online safety training video program with 1,000+ videos provided at **NO COST** to membership. Accessible with assigned school-specific username and password. All videos are accessible through the OSAG webpage at www.okschoolassurancegroup.org, 24 hrs/day, 7 days/week.
- Monthly newsletter providing current safety training tips, OSAG board correspondence, & notifications of upcoming OSAG events.
- Discounted membership with the Oklahoma Safety Council of only \$99....just for being a member of OSAG!
- **Guaranteed annual premium! One premium quote for one year of coverage with absolutely no additional premium owed due to payroll auditing.**
- Premiums based on **individual** school district's workers' compensation claim performance and not based on group.
- **No risk policy!** OSAG, as well as its members, assume **ZERO** risk or liability for claims made. OSAG is a fully insured program. All OSAG funds belong to OSAG membership.

Potential dividend earnings!

- Individual district performance dividend used to reduce future premium costs! Since inception, approximately \$27,092,033 has been awarded to qualifying members as premium refunds, performance dividends, \$500,000 in Safety Equipment Grants, a \$250,000 Shared Premium Credit, and upfront premium savings.

OSAG's motto is not only "to provide the most efficient & economical workers' compensation services to Oklahoma schools", but to work as a team with our members to protect your district as a whole.

Protecting Your District

This time of year poses important decisions to be made by our members.....employment contracts, property & casualty insurance, workers' compensation needs. As your workers' compensation provider, we want you to know that we aren't solely concerned about your workers' compensation needs, but your district as a whole. The OSAG Board of Trustees each serve as district superintendents and know firsthand the challenges faced this time of year in making safe, protective decisions for the district.

- Be ***mindful*** of your **OWNERSHIP** of OSAG. No other providers exist like OSAG – ALL benefits are FREE to members; company is fully membership-owned.
- Be ***careful*** not to share your OSAG premium with other vendors. By doing this, short-lived outside quotes that seem more competitive result in substantial higher premiums the following renewal. Not only that but earned *Performance Dividends* are lost in the process that cannot be recaptured should your district join the OSAG family again.
- Be ***thoughtful*** of the membership benefits provided by OSAG. ALL safety training is FREE to members, i.e. online safety video library, onsite safety training, twice-annual training at Oklahoma ASBO, & discounted membership with Oklahoma Safety Council.

Finally, OSAG has provided savings of \$109,705,968 to membership since 1994. This savings includes over \$27 million dollars in refunds & dividends, premium savings compared to other carriers, equity ownership in OSAG, Safety Equipment Grants & a Shared Premium Credit award.

Treasurer
Superintendent:
Peggs Schools

We are very pleased to provide you with the attached proposal for insurance coverages with Oklahoma Schools Insurance Group (OSIG).

Shelley Free,
Secretary
Superintendent:

Center

OSIG is not a conventional insurance program. We are a public entity in the state of Oklahoma formed by an Interlocal Agreement and made up of member public school districts. Our organization is non-profit, **member owned** and controlled by a board of your peers. Our sole mission is to serve our member schools. Our promise is to provide quality insurance coverage and superior service at stable pricing. We are pleased that 538 school districts are members of OSIG. Our membership is strong and committed.

Jeremy Hogan,
Member
Superintendent:
Collinsville Schools

OSIG's financial position is excellent. Our organization is continuously growing, improving and looking for new ways to serve Oklahoma schools. The group purchasing power of OSIG and a non-profit structure provides competitive insurance rates even in tough financial times.

Jeff Daugherty,
Member
Superintendent:
Merritt Schools

Included in this proposal is information on OSIG's financial condition and summaries of enhanced coverages that only OSIG provides.

Jason Lindley,
Member
Superintendent:
Hartshorne Schools

For the 07/01/2025 to 7/1/2026 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG before close of business June 27, 2025 in order to bind coverage effective July 1, 2025. **Coverage will not be bound if resolution is not received by June 27, 2025.**

Overview

Background

The Oklahoma Schools Insurance Group (OSIG) is a public entity of the State of Oklahoma, formed as an Interlocal Agreement in accordance with 74 O.S. 1004(f), for the purpose of joining together a group of Oklahoma public school districts. OSIG allows member districts to more efficiently and more economically obtain and manage their insurance programs.

OSIG obtained approval to operate from the Oklahoma Attorney General on June 28, 2001. Effective July 1, 2002, OSIG began full operation by providing its member districts with **broad insurance coverage through "A" rated insurance carriers and professional risk management services**. Over the past 23 years, OSIG's membership has grown to 538 and the program insures more than \$30 Billion in school property across Oklahoma.

Structure

OSIG is a non-profit, member-owned, public entity program whose management is completely controlled by a Board of your peers.

"The mission of Oklahoma Schools Insurance Group (OSIG) is to provide quality, cost effective risk management products and services to member schools".

The group purchases reinsurance from "A" rated carriers. OSIG's reinsurance providers are long term partners and committed to OSIG and Oklahoma schools.

OSIG has contracted with Risk Program Administrators in Tulsa to administer the program. RPA is one of the largest insurance brokers in the world and manages programs similar to OSIG across the country.

It is important to know that the insurance coverage provided by OSIG was specifically tailored to meet the needs of Oklahoma schools. The coverage is what you need to protect your schools' property, your students, and patrons.

Losses are a part of life. Only OSIG has the collective strength and staying power to provide the protections you need. By remaining together as a group, OSIG will be able to continue to provide you with the quality, fair-priced insurance, risk management and the added value services you need to protect your schools' assets, your board, your staff and most importantly your children.

Financial Strength

OSIG is financially strong and we have the funds (cash) we need to pay your claims. OSIG has returned more than \$9 million to our members over the years as distributions. Surplus at year ended 6/30/24 was more than \$7.8 million and our assets were more than \$39 million.

We believe in complete transparency. We submit to an annual financial audit each year end and share the operating results at our annual members meeting held each year.

The financial condition of an insurance interlocal should be of utmost importance to you when choosing an insurance partner for your district.

Important Plan Information

It is important to understand that OSIG is not an insurance company, but rather a non-profit, cooperative risk management program owned and directed by Oklahoma Schools. Its mission is to reduce insurance costs and stabilize rates by aggregating purchasing power with an intense focus on controlling member losses. When losses are controlled, OSIG's member schools retain the underwriting profit and investment income thereby increasing fund reserves for future years. OSIG purchases per occurrence and liability aggregate protection for its member schools. The per occurrence insurance protects member schools up to \$1,500,000,000 for property losses and \$1,000,000 for liability claims in each and every occurrence subject to a \$10M annual aggregate limit. The aggregate insurance protection is purchased in the unlikely event that sum total of all OSIG losses are significantly more than actuarially projected. Additional excess liability limits are available for members requiring higher limits.

This proposal is an outline of the coverages proposed by insurers based on the information provided by your school district. It does not include all the terms, coverages, exclusions, limitations, and conditions of the actual contract language. Please refer to the plan document for the details.

Actuarial Review

An independent actuary has been retained by OSIG to make projections as to anticipated claims and losses the program should expect on an annual basis. The OSIG actuary has relied on the historical loss experience and exposures provided to OSIG by the member **school districts to make projections of OSIG's expected losses. OSIG adequately funds to,** or in excess of, the expected loss projections through member contributions (insurance cost) and our own surplus.

Membership contributions are used to buy insurance, pay administrative expenses, and fund for members' claims. Similar successful programs throughout the country for schools and municipalities are protected using the same insurance structure as OSIG has deployed. As with any insurance mechanism, OSIG does not guarantee full funding in the event unimaginable losses would materialize that are many times greater than what is indicated by past history. The OSIG board is charged with developing a plan to address under funding in this unlikely event.
