Superintendent Strom and Members of the Board of Education:

Please accept this letter as my formal resignation from my position as a teacher and coach with Bloomfield Community Schools, effective immediately. I will return all district property, including keys, technology, athletic equipment and any other school-issued items, before my departure.

I am thankful for the opportunity I have had to serve students at Bloomfield Community Schools. It has been a privilege to be part of their academic and athletic growth, and I am grateful for the opportunity to have encouraged and supported them both in the classroom and through athletics. I wish each of them continued success in the future.

Sincerely,
