*The Essential Kit, designed for collaborative, student-centered classrooms, contains smaller quantities of the most frequently used manipulatives that can be shared by pairs or groups of students.

**The Premium Kit contains commonly used math manipulatives in quantities for the classroom for each grade level.

Quantities are determined in a manner to keep cost as low as possible. Dependent upon the task, students will work in groups, pairs, or individually with the manipulatives. In some cases, there is a single item provided for teacher demonstration.

The approved quantities meet the CPSIA standards.

Prohibition Against Employment of Board Members

Nebraska statutes prohibit board members from serving as a teacher on a regular teaching contract.

The board will allow a member of the board of education to be employed by the school district as a _____. Board members who are also employed by the district are strictly prohibited from discussing any issue with students, staff or parents in their capacity as an employee that may come before the board.

This policy does not prohibit the board from contracting with members of the board for services or products when the relationship is not one of employer/employee and such contracts are in compliance with the requirements of statute and board policy regarding conflicts of interest.
