Stepp asked her what information she would like that he could help her out. Stepp told the committee that it's a project being donated by a local oncologist and they don't need to wait another month. Hamby asked if he was donating all the funds. Stepp said yes. Hamby then made the motion to approve. There was no second on the motion.

4. Policy Committee-Mrs. Rebecca Hamby

4.A. *Approval of Minutes

4.B. District Recommended Policies Policy 1.200-Method of Election of Officers-Hamby opened the policy portion of the meeting letting everyone know that this was put on the agenda because last year they ended up with no chairman or vice chairman when new board members came on/current board members left, and they would also be in the same situation again this year. She recommended the changes to make the policy more clear and the board could move forward the first week of September when this occurs. Nichols said that Robert Rules of Order said the board is to nominate temporary officers. Stout and Hamby said yes they could. Hamby said there's not a reason to do that since board members leave the end of August and officers are elected the first week of September. Nichols asked what changed in the policy. Hamby read the portion that was recommended that stated if vacancies occur in both the chair and vice chair positions and leave the board with no executive committee, a special called meeting will be held the first of September to elect the officers. Stout said that previously they decided that they would elect the positions at the first board meeting. She had checked with other districts' policies and that is how theirs read. Hamby said after last year's issue, a policy had been revised to add wording so they didn't have this issue again. She said again that from the end of August until the end of September, which is the board meeting, that they would have no executive committee in place again this year. Stout said she would suggest electing a pro-temp the end of August to be in place until the September meeting since this is not a usual occurrence. Hamby asked for Patton's advice. Patton said if the Board has interest in electing a chair, he doesn't know if there's a preference for that as long as someone is in place. He said that was the difficulty last time-not having anyone to fill in last time when both positions became vacant and there just needs to be something in place. Hamby said she doesn't understand why they need to do a pro-temp just for a month, just fix the problem and let the Board run smoothly. Stout said she gets where Hamby is coming from but not to change and override policy for a situation that doesn't happen often and may not occur for many more elections. Hamby said she understood that the parliamentarian opens the meeting if no chair and vice chair and Stout and Nichols said they read where the secretary opens meetings if no chair and vice chair. King verified this per Robert's Rules of Order and said after meeting came to order that the secretary would elect a chair pro-temp for that meeting only. Patton said the bigger issue he's hearing is not so much running a meeting, but rather having no executive committee in place. Hamby said yes,

that's her concern. King said if the need arose they could call a meeting just for that purpose. Stepp asked Patton if the Robert's Rules of Order not their safety net. Patton said sure, but Robert's Rules or Order is a policy and it doesn't prescribe a method to create an executive committee without a chairman or vice chair in place. Hamby said since it seems there can't be an agreement, she is just going to table this and move on.

- 4.C. TSBA Recommended Policies Hamby told everyone that these were all policies recommended by TSBA due to new legislation dropping.
- 1.500-Hamby presented-no discussion.

 - 3.400-Hamby presented-and asked for it to be tabled, so Patton could look at it more. Stepp said he will talk to Patton about it.
 - 4.201-Hamby presented-no discussion.
 - 4.213-Hamby presented-no discussion.
 - 4.215-Hamby presented and told the committee that this is a brand-new policy. She asked Stepp how line 6 should read. Stepp said Director or designee. Hamby told every one that more policies would be coming regarding AI. Hamby asked what Stepp would suggest for local expectations. He said they are working on it and it will be a process. Hamby said they will table this until Stepp can put more information together to present to board.
- Hamby made the motion to pass 1.500, 1.800, 2.403, 2.806, 3.202, 3.205, 4.201, 4.213 to the bull board for first and second reading. She made the motion to table 3.400 and if Patton and Stepp come up with how the certificate should read, they can present to full board. She recommended to table 4.215 until July policy meeting. 1.D. Funding for Construction of Homestead Elementary Fencing Project-Safdie introduced this item to the committee. He told everyone that it had been brought up to add fencing for the protection of the students at Homestead Elementary. Stepp gave the quote to the committee and told them it could be upward of \$140,000-\$190,000 and with gates they could be looking at \$241,000. He said that Edmonds is always looking at mitigating risks. Hamby asked if anything had been done towards the safety film. Stepp said no, just the quote he gave the board. He said he believed Martin had spent some of their capital outlay for safety film. Safdie had previously asked the director to provide the egress from Rector Rd, and he wanted to know the cost of putting up a fence from hwy 68 to Rector Rd. Stepp said roughly \$13,000 for regular fencing. After several numbers were given on how many feet from point to point, he said the budget can decide if a full fence or partial is in the budget. Safdie made a motion to send the fencing on to the budget committee for them to review. Hamby with the second.

1.F. Status of Tennis Courts and Construction Cost Estimates-Safdie asked for an update and Stepp told everyone that SMHS is currently using 4 courts that have been patched. Chamberlin told him that 6 courts were going to run around \$500,000. He said no breaks in more courts, just adding \$83-85,000 per court. He told everyone to hold a district tournament there has to be 8 courts. Boston asked about reorientation but Stepp said they would be one behind the other and not side by side. Boston asked if it was required to hold tournaments and Stepp said no. Safdie said this was a large expense and whatever decision the budget committee made, he will support. Hamby made the motion to move this item on to the budget committee. Safdie with the second.

1.D. Policy 5.6001 County-Wide Employee Dress Code-Hamby told everyone that this was coming up again after being tabled more than once. She said that not all counties have a dress code policy and Stepp had recommended doing administrative procedures. Hamby asked what that would look like. Stepp said they would work directly with principals and teacher leaders to see what exactly was required for professional attire. He said some are removing the policy or editing it and several counties are modifying it. Stepp said they would decide what professional standards would be. Hamby asked if it would be principal decision per building. Stepp said it would be a county- wide procedure. Hamby said she looked at Putnam Co and Stepp said their recommendations came from their collaborative conference. Hamby said she was ok with having a procedure instead of policy as long as every building was not different and did not want it principal controlled. She preferred it to be district wide. Hamby said they would have to come up with what "district expectations" would say if they removed the dress code policy. Stout said she would like to see a draft of the procedures before they completely do away with the policy. Boston said she liked the idea of collaborative conferencing making the determination. Stull said the decision needs to be county-wide, the same all across the board. Hamby asked if they didn't like what the collaborative conference came up with, they could deny the recommendations. Stepp said the board approves all policies. Stout asked when they would see the recommended changes coming back to the committee. Timson said they should be ready by the next month. Hamby made a motion to turn this policy over to collaborative conferencing. Stull with the second.
