4. Roll call
5. Action Items
6. Approve Board Members Who are Absent
7. Adjournment

**Student Learning and Achievement Leadership**

- Interpret data to identify low performing curricular areas, identify strategies to improve test scores and boost student learning and achievement
- Prepare students for college or career and provide offerings to meet the needs of all students
- Provide leadership skills to assist with student discipline issues and hold students accountable
- Be proactive in retaining high quality staff to provide a consistent environment for student learning

**Board and Administrative Team Leadership**

- Lead the board with confidence and integrity while encouraging proper roles, responsibilities, and collaboration
- Utilize proven leadership skills to hold administration and staff accountable while being held accountable to the board
- Model professionalism, mentor, and set the expectation for administrators to rise to high standards and foster a positive culture where all students and staff are valued

**Budget and Facilities Leadership**

- Demonstrate strong budget skills to operate the district within tight budget constraints and potential shortfalls in funding without sacrificing the quality of education
- Continue to maintain and update facilities to sustain a safe learning environment for staff and students

**District Planning and Community Leadership**

- Engage staff and stakeholders in strategic planning to move toward a goal of being the best school district in the area
- Commit to the district by residing in the district and being involved in school and community activities
- Utilize strong communication skills and interpersonal abilities to build relationships, earn trust, and gain respect while creating a friendly environment
