PROCLAMATION 2020-02

WHEREAS, on March 13, 2020, Governor Pete Ricketts declared that a state of emergency exists within the State of Nebraska due to the spread of coronavirus disease 2019 (COVID-19) across the United States; and,

WHEREAS, coronavirus disease is highly contagious and known to cause serious illness and death and is a disaster and emergency under the Nebraska Emergency Management Act (*Neb. Rev. Stat. § 81-826.36 et seq.*); and,

WHEREAS, developing conditions within the City of Crete have deemed it necessary to declare a local emergency to protect the residents of the City from the imminent health threat arising out of the spread of coronavirus disease for the reason that it endangers the health, safety, and welfare of the residents of the City of Crete.

NOW THEREFORE, by virtue of the authority vested in the mayor by the Nebraska Emergency Management Act:

Dave Bauer, Mayor of the City of Crete, Nebraska, does hereby declare a state of emergency as of April 20, 2020 on behalf of the City of Crete and will execute for and on behalf of the City such orders as may be necessary or prudent due to the emergency including the expenditure of emergency funds from all available sources, the invoking of mutual aid agreements, applications to the State of Nebraska and the federal government for emergency assistance, and any other emergency actions deemed necessary in the fulfillment of his duties. This proclamation shall continue in effect until the disaster or emergency has been dealt with to the extent that the conditions endangering the health, safety, and welfare of the residents of the City of Crete no longer exist.

CLINE WILLIAMS

ENGAGEMENT AGREEMENT FOR LEGAL SERVICES

This Engagement Agreement for Legal Services (“Agreement”) confirms that City of Crete, Nebraska (“City of Crete”) hereby retains and employs the law firm of Cline Williams Wright Johnson & Oldfather, L.L.P. (“Cline Williams”) as its attorneys. Cline Williams’ representation of City of Crete will begin upon Cline Williams’ receipt of a signed copy of this Agreement.

Retention and Scope of Engagement. City of Crete retains Cline Williams to provide the following legal services: Labor and Employment Counseling. The legal services which Cline Williams will provide under this Agreement are limited to those services set forth in this paragraph, and will not include advice on tax-related or other issues or matters unless and to the extent specifically requested by City of Crete and included in the scope of Cline Williams’ representation as set forth above.

It is City of Crete’s responsibility to ascertain whether City of Crete is covered by any insurance for either liability or legal expenses. If so, City of Crete is responsible to notify City of Crete’s insurers of the claim or potential claim and Cline Williams’ involvement as soon as possible. It is also City of Crete’s responsibility to inform Cline Williams if City of Crete believes that City of Crete has insurance coverage for the specific matter for which Cline Williams has been retained.

Client Liaison and Cline Williams Liaison. Tom Ourada will be City of Crete’s primary client contact for Cline Williams in connection with the legal services provided by Cline Williams pursuant to this Agreement. Henry L. Wiedrich will be the Cline Williams attorney who will serve as the primary contact for City of Crete for the legal services provided by Cline Williams pursuant to this Agreement.

Fees for Legal Services. Cline Williams’ fees for legal services will be charged based upon the amount of time each attorney and paralegal expends on legal services provided pursuant to this Agreement multiplied by an hourly rate Cline Williams assigns annually to each attorney or paralegal.

The hourly rates assigned to each Cline Williams attorney and paralegal vary depending on the experience of the professional involved. The hourly rates for the attorneys and paralegals who, at this time, have been identified as likely

All billing statements not paid within forty-five (45) days of the billing statement date will be deemed to be past due and interest will accrue from the billing statement date on all amounts set forth in the statement at the rate of one percent (1%) per month.

If City of Crete has any questions about any invoice, City of Crete should raise them with Cline Williams as soon as possible. If any portion or element of an invoice is questioned, then the remainder of the invoice is to be paid within 30 days.

City of Crete further agrees that the proceeds of any recovery by City of Crete, whether by settlement, judgment, levy or otherwise, are available to satisfy the fees and expenses owing Cline Williams, and Cline Williams shall possess a lien upon all funds recovered to secure payment of fees and expenses.

City of Crete is ultimately responsible for payment of Cline Williams' billing statements, even though a third party may have agreed with City of Crete to do so on City of Crete's behalf. An attorney may accept payment for fees from someone other than a client so long as (1) the client consents after consultation and full disclosure, (2) the third party does not interfere with the attorney's independence of professional judgment or with the attorney-client relationship and (3) the attorney preserves client confidences in accordance with the ethical duty of confidentiality. To the extent a third party, such as a family member or an insurance company, will be paying City of Crete's legal expenses, City of Crete is Cline Williams' client and Cline Williams is performing services on City of Crete's behalf, not on the third party's behalf. City of Crete controls the decisions.

Insurance billing guidelines may require Cline Williams to provide some level of detail about the services provided to City of Crete. Insurance companies normally consider the billing information confidential.

Withdrawal from Representation. Cline Williams reserves the right to withdraw from representation under circumstances permitted by applicable rules of professional conduct. These situations include, but are not limited to: City of Crete's failure or refusal to carry out its promises in this Agreement; a conflict of interest that prevents Cline Williams' continued representation, or where City of Crete's conduct makes continued representation by Cline Williams unreasonably difficult.

Termination of Representation. When Cline Williams has completed the scope of work for which Cline Williams has been retained under this Agreement, Cline Williams will consider Cline Williams' representation of City of Crete pursuant to this Agreement to have ended.

City of Crete may terminate Cline Williams' representation at any time, with or without reason. City of Crete's termination of Cline Williams'

representation in no way relieves City of Crete of the obligation to pay for legal services that have been rendered and expenses incurred prior to the time of termination or that are necessitated to make an orderly transfer of Cline Williams' file materials.

In the last few days, League staff has fielded several questions about the authority of municipalities to close businesses. The following statutes give municipalities and their boards of health broad authority to create and enforce ordinances and regulations during a health crisis. The statutes listed below are not intended to be an exhaustive list but a starting point for reviewing these issues. The League encourages any municipality considering closing a business to review these statutes and consult with their city or village attorney.

A representative of Facebook contacted the League to let us know that various local governments, including municipalities, are eligible for free "Local Alerts." Apparently, a few municipalities in Nebraska already have already advantage of this free and easy way to get important information out to the public on Facebook using the municipality's government page: **Red Cloud, Seward, Tekamah, Valley and West Point.**

A few municipalities have contacted League staff regarding individuals who still wish to golf on public or private courses. In order to keep “social distance” and

adhere to other guidelines related to COVID-19, you may want to remind golfers of the following information.

COVID-19: Please email Nebraska's Congressional Delegation emphasizing that ALL municipalities need federal funds to offset the tremendous loss of revenue; THANKS to Rep. Don Bacon for his leadership on this issue!

Included with this *Bulletin* is a letter **Rep. Don Bacon** sent to other members of Nebraska's Congressional Delegation informing them of the need for ALL municipalities to receive federal funds to offset the projected dramatic loss revenue due to COVID-19 from March 1- Dec. 31, 2020. State governments also need to be able to offset the loss of revenue. Please forward to the League office any emails or letters that you receive from your Congressional Representative or U.S. Sens. Deb Fischer and Ben Sasse.

Time is of the essence! As noted in last week's *Bulletin*, there was \$150 billion in the "CARES Act" (**the third stimulus package**) recently appropriated by Congress for state and local governments relating to COVID-19. The League's website highlights some of the most important provisions of interest to cities and villages and provides a listing of coronavirus resources for local governments. The State of Nebraska will receive \$1.25 BILLION no later than April 24. This is the minimum amount based on population given to any state.

THANKS to the many municipalities that took the time to complete a survey conducted by the National League of Cities (NLC) to advocate for a **fourth stimulus package!** Most municipalities project at least a 10 percent loss of revenue between March 1-March 31. For example,

the **City of Omaha** projects a loss of revenue between \$125-\$130 million during this time period. The **City of Ralston** projects a loss of 2/3 of its monthly restaurant tax, 1/3 of its sales tax and \$400,000 in keno revenue over a two-month shutdown. In addition, it is projected that the Ralston Arena will lose \$3.5 million of the projected \$10 million for the current budget year. Ralston anticipates a \$4.6 million deficit for the 2019-2020 budget year as a result of COVID-19. The **City of Atkinson** projects a proportionate and dramatic \$300,000 loss of revenue for its budget. **The loss of revenue to municipalities across the state due to COVID-19 can not be overcome without deep cuts in funding for law enforcement, streets, libraries and other important municipal services.** Without federal assistance, budget cuts will need to be made in police departments and other essential services as well as paid fire departments in our larger cities, just when we need our first responders now more than ever!

NLC and other national organizations like the National Conference of State Legislatures and the National Governors Association are advocating that the U.S. Department of the Treasury develop FLEXIBLE guidelines about the definition of "necessary expenditures" relating to how municipalities and states

can use Coronavirus Relief Funds in the third stimulus package as well as the fourth stimulus package being developed. The League has been informed by NLC and other organizations that the U.S. Department of the Treasury will be issuing guidelines about the definition of "necessary expenditures" early next week.

Please continue emphasizing with our Congressional Delegation that municipalities and states NEED to have the flexibility to use these funds from the "CARES Act" (Third stimulus package) and the fourth stimulus package being drafted NOW to offset the tremendous loss of revenue to municipalities and states due to COVID-19! Several municipalities and states will NOT be able to use all (or even a significant percentage) of the federal funds from the "CARES Act," much less funds from the 4th stimulus package, **IF THE FUNDS CANNOT BE USED TO OFFSET LOST REVENUE**, which is the primary financial COVID-19 related concern of municipalities and most states. **Please also emphasize to members of our Congressional Delegation that ALL municipalities should receive funds based on a per capita distribution, NOT just those with a population of 500,000 and higher.** Nebraska does not have one municipality with a

population of 500,000; only three cities in our state have a population greater than 50,000!

Thanks to House Member Joe Nuguse of Colorado who introduced the “**Coronavirus Community Relief Act**” last week to provide a separate \$250 billion stand-alone fund for COVID-19 related expenses for municipalities with a population less than 500,000. As of the date of this publication, there were 78 original cosponsors. This legislation is critically important since the “CARES Act” (Third stimulus package) only provided funds to municipalities with a population greater than 500,000. Please encourage your House Representative (Bacon, Fortenberry or Smith) and U.S. Senators Fischer and Sasse to support the “**Coronavirus Community Relief Act**” as well as the fourth stimulus package.

Thanks to **Mark Dreiling**, Chief of Staff to Con. Don Bacon, who has done an outstanding job communicating with the League and municipal leaders in the second congressional district. On April 9, the League had ongoing discussions with **Mark Dreiling** and **Tim Kenny** of the Nebraska Investment Finance Authority regarding a new program, the “**Municipal Liquidity Facility**” (MLF), announced yesterday by the U.S. Department of the Treasury. It was announced that the Treasury will make a \$35 billion equity investment in the MLF to authorize up to \$500 billion in direct financ-

ing to municipalities, counties and states to provide financial assistance for essential public services due to COVID-19. The MLF also will help offset the loss of revenue resulting from reduced business and consumer activity due to COVID-19. Municipalities, counties and states will be able to sell new municipal notes directly to the MLF to get the funds quickly and efficiently. Although there was great excitement on April 9 across Nebraska about the possibility of the MLF assisting our municipalities and state, the “term sheet” expressly states that

the MLF is only for municipalities with a population exceeding one million residents and counties with a population exceeding two million residents. In addition, the State of Nebraska is constitutionally prohibited from going into debt, except for a constitutional provision which allows our state to issue a limited amount of bonds for highway construction. Notwithstanding, the League continues working with Mark Dreiling and Tim Kenny to determine if there is any way our state and municipalities can take advantage of this program.

Thanks to Gov. Pete Ricketts for providing weekly briefings for municipal officials

Thanks to **Gov. Pete Ricketts** for coordinating with the League to provide weekly updates for Mayors and Village Board Chairs regarding the state's coordinated response to the coronavirus (COVID-19), including efforts to protect citizens from being exposed to this disease. These briefings will be held every Wednesday in April and May. The League staff will send a reminder each week even though the times and call-in numbers will be the same for Village Board Chairs, Mayors of Cities of the Second Class and Mayors of Cities of the First Class. Other municipal officials are welcome to participate in these informative conference calls.

OFFICE OF THE GOVERNOR
LINCOLN

EXECUTIVE ORDER NO. 20-15
CORONAVIRUS—HEALTH INFORMATION DISCLOSURES

WHEREAS, a state of emergency was declared in Nebraska on March 13, 2020, to control the spread of the coronavirus known as COVID-19;

WHEREAS, social distancing and deliberately increasing the physical space between people decreases the likelihood of transmitting COVID-19;

WHEREAS, Nebraska's first responders, including but not limited to paramedics and emergency medical technicians, may have contact with persons who have tested positive for COVID-19 in the course of performing their duties;

WHEREAS, family members, friends, and others involved in an individual's care, as well as members of the general public, may also have contact with persons who have tested positive for COVID-19;

WHEREAS, Nebraska statutes and regulations require that reports of cases of communicable diseases be made in such a way as to ensure that an individual's identity cannot be ascertained, even if only through indirect and openly accessible information;

WHEREAS, the federal Health Insurance Portability and Accountability Act is less restrictive than Nebraska law and permits the disclosure of identifiable health information to first responders who may be at risk of infection; and

WHEREAS, the federal Health Insurance Portability and Accountability Act also permits the disclosure of identifiable health information to family, friends, others involved in an individual's care and anyone who is in a position to prevent and lessen a serious and imminent threat to the health and safety of a person or the public.

NOW THEREFORE, I, Pete Ricketts, Governor of the State of Nebraska, by virtue of the authority vested in me by the Constitution and laws of Nebraska, hereby issue this suspension of specific state statutes and their implementing regulations to ensure that first responders and other affected individuals, including members of the public, can be adequately informed in order to lessen the serious threat of COVID-19 to the public health and safety of all Nebraskans.

Pursuant to this declaration, I hereby order and direct the following:

1. The provisions of Neb. Rev. Stat. § 71-503.01(1),(2), & (3) and its implementing regulations which prohibit the disclosure of reports or information about cases of communicable diseases in such a way that an individual's identity could be ascertained are temporarily suspended **solely** in order to permit the Department of Health and Human Services and the local public health departments to use or disclose identifiable health information when they have a good faith belief that such use or disclosure would prevent and lessen a serious and imminent threat to the health or safety of a person or the public arising from or related to COVID-19; and
2. The Nebraska Department of Health and Human Service shall establish and publish guidance and information regarding when and how reports and information about cases of communicable diseases may be used and disclosed so that individually identifiable health information is limited to the minimum information necessary for the purpose of preventing and lessening a serious and imminent threat to the health or safety of a person or the public arising from or related to COVID-19; and
3. This Executive Order shall become effective immediately and shall remain in effect until 30 days after the lifting of the COVID-19 state of emergency.

IN WITNESS THEREOF, I have hereunto set my hand and caused the Great Seal of the State of Nebraska to be affixed on this 7th day of April, 2020.

Attest:

The Honorable Keven McCarthy

Dear Speaker Pelosi and Leader McCarthy,

I want to thank you for your recent work on the three packages of bipartisan legislation aimed at helping Americans combat COVID-19, protect our frontline healthcare workers, and ensure our economy recovers from these unprecedented times. While these packages seek to provide immediate relief to millions of distressed Americans, I firmly believe an emphasis on helping our local governments recover from this pandemic is both necessary and urgent.

After speaking with all the mayors and civic leaders in my district, it is evident that due to the sudden and extensive economic impacts of COVID-19 mitigation, local governments will see a significant loss in revenues, particularly those revenues associated with economic activity, tourism, cultural activities, and events. In particular, local governments are likely to see drops in sales tax revenues, lodging taxes, motor vehicle fuel tax (MVFT) distributions, admissions taxes, and other related revenue sources. The lost revenue in tax receipts to local government budgets will be a challenge to providing essential services that are critical to many Nebraskans.

The largest city in my district, the City of Omaha, in the second quarter of 2020 was scheduled to be host to the NCAA Men's College World Series, U.S. Olympic Swim Trials, Berkshire Hathaway Stockholders Meeting, and other events that attract thousands of people into restaurants and bars to generating critical revenue. Without these events, and with restaurants, bars, and shops closed, the City of Omaha is estimated to lose millions this year in tax revenue. The loss of this money in Omaha's city budget will negatively impact the city's operations. The Omaha Police Department and the Omaha Fire Department will be forced to make budget cuts and layoffs at a time when we need our first responders more than ever.

Many of the tools and resources allocated by Congress at this point are not tailored in a fashion that allows local governments to address these specific impacts. For this reason, it is important that local governments can access funds provided in Title VI, Section 601 of the CARES Act in order to offset their lost tax revenue. This will help ensure essential services can continue to be provided during this crisis. Additionally, should further stimulus legislation be deemed

necessary, I urge you to consider the impact COVID-19 is having on local government budgets due to the loss of tax revenue.

Sincerely,

Municipal Equalization Fund Update

This week, the Nebraska Department of Revenue reached out to the League to discuss the Municipal Equalization Fund (MEF) estimates. As you remember in March, the League sent municipalities a link to the preliminary MEF estimates for FY 2020-2021. As part of that information, a forecasted aid column was added this year because the Nebraska Department of Revenue is estimating a \$2 million funding shortfall. The Department of Revenue is now expressing concerns about May and June receipts and that there may be a larger shortfall than previously estimated. They indicated they will send the League updated MEF estimates in June. The League will distribute that information to municipalities as soon as we receive it.

Information from the Governor

COVID-19: NLC and USCM release important survey results!

On April 13, the National League of Cities (NLC) and the U.S. Conference of Mayors (USCM) released a joint survey of more than 2,400 cities, towns and villages across the nation. **THANKS TO THOSE MUNICIPALITIES IN NEBRASKA WHICH PARTICIPATED IN THIS IMPORTANT SURVEY.**

In summary, the survey indicated:

- 88 percent said they anticipated a revenue decline specifically because of COVID-19;
- In response, more than half indicated that public services will be impacted;
- A number of cities are considering furloughing employees or even laying them off.

THE UNITED STATES
CONFERENCE OF MAYORS

April 16, 2020

President Donald Trump
The White House
1600 Pennsylvania Avenue, N.W.
Washington, DC 20500

Dear President Trump:

On behalf of the National League of Cities (NLC), the National Association of Counties (NACo), and The United States Conference of Mayors (USCM), thank you for your tireless efforts to support local governments and the extraordinary measures that local leaders are enacting to protect households and residents from the ill effects of the COVID-19 pandemic.

Our associations strongly support efforts to include \$250 billion in robust, dedicated, and flexible funding for all local governments in any interim emergency coronavirus package currently being negotiated. Local governments at the county and municipal level are fighting this pandemic as partners to provide unique and non-duplicative services to protect public health and economic stability, despite significant losses of revenue as a result of public health measures requiring a pause on most economic activity.

Local elected officials are working on the front lines of the emergency response. County governments are responsible for emergency operations centers, human services, jail management, 911 services, coroners, and medical examiners. Counties also operate nearly 1,000 public hospitals, 1,900 local public health departments, more than 800 long-term care facilities and 750 behavioral health departments. Municipal governments are responding daily to the crisis with our first responders (fire, EMS, and police), coordinating regionally with one another across jurisdictional lines, enacting difficult and fiscally challenging emergency measures to slow the coronavirus epidemic, passing ordinances to limit the worst economic outcomes for residents and small businesses on the margins, and spending such sums as necessary to protect public health and the economy in this extraordinary time.

An USCM/NLC survey of more than 2,100 local officials shows that nearly 100% of communities with populations above 50,000 will see a revenue decline this year, and more than half report that revenue declines will impact core functions including police hiring and retention, and public safety.

At the local level, the battle to contain COVID-19 is crisis-management beyond anything in recent memory. Both counties and cities are expending an unprecedented amount of resources while losing historic amounts of revenue. And for most communities, the peak of the pandemic has yet to be reached. All local governments, regardless of population, urgently need direct federal funding to help us continue to fight COVID-19 and protect our residents through the summer and beyond.

For us to continue to protect our communities and save lives, we propose that ALL of America's cities and counties be allocated at least \$250 billion in dedicated funding in a way that takes into account each level of

governments' role in responding to the pandemic. This will allow America's hardest hit communities to deal with the enormous challenges we are facing while fairly distributing relief to all local governments.

The relief that we desperately need also needs to be flexible. We strongly urge that funding provided in the interim package allow for local governments to make up for lost revenue, and further that there be language in the interim package clarifying that CARES Act funding can be used for the same purpose.

Local governments and our elected mayors, county officials, and council members thank you for your swift action during this truly unique moment in American history. As partners working hand-in-hand both within our communities and also with the federal government and states, we are ready to continue to ensure that America emerges from this pandemic stronger than we were before.
