B. PROJECT INFORMATION:

Please provide a Brief Project Summary Description:

The Crete Housing & Community Development Corporation proposes to apply for a Nebraska Department of Economic Development Rural Workforce Housing Fund Grant. As a private non-profit entity under the auspices of the City of Crete, we are uniquely positioned to promote positive housing projects through the revolving fund that would be established by a successful application of this program in conjunction with the NDED grant. The result of this LB840 award would have the effect of 100% leverage of funds from the afore mentioned grant program, thus yielding a total of almost \$600,000 if we take into account the other partners offerings. I need to point out that the other partnerships are predicated on the successful award of this LB840 application.
