3. Items of Business

3.A. Review and consider a recommendation for the City Council on the SCAT request for fiscal year 2022 funding.

Scott Bartels with Saline County Area Transit (SCAT) attended the meeting requested \$17,248 from the city for funding. City Administrator Tom Ourada let the committee know that the city no longer has an agreement of any kind with SCAT for funds. Different ways for SCAT to raise funds were brought up and discussed, including raising transportation rates, applying for any grants available, and talking with Farmland and other industries whose employees use SCAT to get to and from work about possibly getting funding from them. The committee suggested that we provide the base amount of \$8,382 and reconvene in two weeks, at the next meeting, to assess if Mr. Bartels has found or attempted to find any other way to receive funding.

Recommend to the council to accept SCAT's request for \$8,382 for fiscal year 2022 funding and revisit the Crete survey request in two weeks. Carried with a motion by Kyle Frans and a second by Dan Papik.
