- September 30th: PTO Meeting @ 5:30 PM

Fall Assessments:

We are in the process of giving beginning of year assessments to our students at Seward Elementary. Students in grades K-4 will take (or have taken) a literacy screener called DIBELS, which is our screening tool for the Nebraska Reads Program. This year, we chose to wait and test kindergarten students a little later, so we can begin to work with them on the skills they will be tested on. In the past, we tested them with everyone else, but found that the kindergarten data was not great because students had not been exposed to instruction. We will see if this makes a difference! Students will also take NWEA reading and math (2nd-4th) and our all school writing assessment. We will have discussions surrounding this data at our PLC data day in late September. Instructional decisions will also be made with beginning of year data, including groupings for our WIN time (Whatever is Needed - intervention block) and enrichment groups.

Badge System:

This year, students will have the opportunity to earn excellence badges for their consistent work in an area over time. Badges include both academic areas (Language Arts, Math, Unit Studies, etc.) and character areas (kindness, leadership, collaboration, etc.). Teachers are introducing our badge system and it will officially roll out in September. At Seward Elementary, we strive to recognize students for doing well, both academically and behaviorally. The badge system is our opportunity to do so in a fun, camping themed, way! Classes will also be recognized weekly as Camp Champs for being excellent role models for others. We will look for classes that follow our common expectations well, help others, and work hard during their instructional time. They will get to hang a banner outside their classroom and will be recognized over the intercom each week!

3. Student Wellness Day. Scheduled for Friday, 27 September. This is a full day of activities with our entire student body. Students will walk from our building along the Plum Creek trail then back to Plum Creek Park and attend wellness clinics with CU coaches and students. Mr. Makey coordinates this activity and does a very nice job organizing everything. The day is designed to bring awareness of the importance for adolescents to establish healthy lifestyles. Again this year we scheduled it on the same day as the HS Homecoming so our kids will walk up to the elementary school at 1400 hrs. to watch the Homecoming parade.

4. Plum Creek Literacy Festival. This will take place Thursday, 3 October. Our students will be bussed to and from the high school (7/8 in the morning and 5/6 in the afternoon) with each group hearing two authors, Dusty Bowling and James Preller.

5. MAP (NWEA) Testing. These assessments took place in August, with only a few make-up tests remaining. We test every student in the middle school with students missing less than one day of instruction during the testing period.

6. Happenings at the Middle School.

1. After School Programs. No after school programs currently scheduled with UNL Extension in September.

7. Student Council. Our Student Council members have not yet been determined for this school year. Ms. Gannon is our Student Council supervisor. They will get the applications out in the next few days to start the election process for students to vote on their grade level representatives then organize the activities. Students only vote for those in their own grade.

The 2024-2025 is off to a great start! Students and teachers are getting settled into their schedules, fall sports are in full swing and we are doing great across the board in all activities. We are excited about the direction of the school year. Our student-led BlueJay Leadership team has made a huge impact with their hard work and leadership of the student body. We are proud of the students and how well they have done so far this school year.

We would encourage any board members to stop by the high school to see some of the exciting things going on in our classrooms or our extracurricular activities.

Fall Newsletter: <https://secure.smore.com/n/5asfb>

Congressman Mike Flood visited Seward High School on Tuesday, September 3rd. Representative Flood spent about an hour touring the building and spending some time speaking with one of our Government classes.

Farmers Luncheon: We will be hosting our annual farmer luncheon on Campus (Near the Greenhouse) on Friday, September 13th, from 11-1 p.m. We hope you can join us!

Safety Drills: We have completed two fire drills and a bus drill this school year. We do ten fire drills annually by law, one crisis drill per term, and one bus and tornado drill per semester. Our staff has done a very good job ensuring interior and exterior doors are always secure.

Parent-Teacher Conferences: We will host conferences on Wednesday, September 18th. We moved all of our parent-teacher conferences to Wednesday after positive feedback last year. This allowed parents and teachers/coaches not to miss conferences due to student activities.

Homecoming Week: Homecoming week is the week of September 23rd. The BlueJay Leadership Team is planning activities for the week and we have again been granted permission to start the game at 6:30 pm, this again will allow more time between the game and the dance.

Freshman Orientation: We had an extremely well-attended Freshman Orientation Event (all but 2 students attended). Feedback from parents and students indicated that the information and experiences provided as part of this orientation were very well received. Most attendees commented how they enjoyed the open house format and the goose chase game students and parents participated in as they made their way around SHS.

NWEA Testing: We complete fall NWEA testing for grades 9-10 students on October 9th. Students will be tested in math, reading, science, and language usage. The results of these assessments will be used to guide our instruction, and intervention practices, and provide students and parents with an indication of their growth and progress. NWEA assessment results serve as an important barometer within our comprehensive assessment system.

ACT Testing: All Juniors will be taking the ACT on October 29th. Thank you to the board for allowing us to continue to offer the ACT in the fall. We will be testing the students this year at Concordia which has agreed to let us use their two lecture halls.

School District of Seward
Board Report
Shannon Hall-Schmeckpeper, Director of Special Services
September 11, 2023

September is one of the busiest times in our department because of the number of state reports due.

ILCD Indicator 11, the state report where we document the number of special education evaluations that were completed within the 45 school day/60 calendar day timeline, was due on August 31st and has been submitted. We are currently working on the Final Flex Funding report which is due September 14th; Staff Reporting, which is due on September 15th; and High Ability Learners (HAL) is due September 15th. Then we will then start working on SPEDFURS, our final financial for special education.

We have also been busy making sure that all of the accommodations for students on IEPs and 504s are reported so that students can receive the appropriate accommodations for the beginning of the year NWEA assessments, the Pre-ACT, and the ACT.

We have had several new students move into our district. As of September 1, 7 new students with an IEP from their previous school district enrolled in Seward. We have 30 days from the first day of their enrollment to do any assessment that we need to do to determine eligibility for special education and to hold a new IEP if they are found eligible. We had 12 students on an IEP transfer to another school district before the start of the year.

Preschool is off to a good start! Students attend Monday through Friday, following the school calendar. Our morning program runs from 8:00-10:45, and our afternoon program runs from 12:15-3:15.

We currently have 120 HAL students for the 2024-2025 school year. We will be reviewing the third-grade students that have been recommended later this month. The budget for our High Ability Learner program is due on 9/15. Last year, we also used the funds to help pay for students' involvement in UNL Math Day, Hoby, Science Olympia, Quizbowls, and Academic Decathlon. We will review fall assessment data soon to see if there are other kids we need to consider for HAL.

September 2024 Board Report for Curriculum and Staff Development

Board Members,

We are back in the flow of school! I thanked all of the staff for their work in getting the school year started in our staff development newsletter. As I shared with them, there are hundreds if not thousands of components that go into getting a school year started. I have the privilege of seeing how each one of those components come together to create our tremendous system. Thank you to each of our employee groups and to each of you for creating a great start for our students.

Curriculum

The teachers had their social studies materials training during the Fall workshop. The teachers felt very confident about these materials and they are being used throughout the district. We will continue to monitor implementation and if the teachers feel they need more support with the materials, we will make that happen.

In September we will begin our Math Curriculum review process. Math is an area that impacts all levels and many courses. We are confident with our math instruction as it currently stands and we will be looking for materials that embed our current instructional model as well as the strategies we know have been effective in meeting the state standards.

Instruction

As you know, our strategic plan calls for us to expand our efforts in Multi-Tiered System of Supports (MTSS). This year we hope to implement and document many aspects of MTSS to create systems that work for each building while also creating some consistency as a school district. This work will cause us to make some changes and adjustments at each of our buildings and while change is difficult, we need to ensure that each student gets what they need for academic, behavior and mental health support.

Staff Development

Our September staff development day will have a variety of topics. We will be training around 40 coaches and Emergency Response Team Members on CPR. As a reminder we train all paid coaches, Emergency Response Team members, and preschool staff.

We will also dive into the math curriculum review, begin MTSS staff development, and have time for each of our Action Team's to meet. We will end the day with a District Wellness Committee Meeting.

Assessment

Beginning of year assessments have gone well. We are currently screening our students using the DIBELS (Grades K-4 Literacy) and NWEA(Grades 2-10 Literacy and Math) assessments. This data will inform teachers about where the students are beginning the year and where additional support or enrichment may be needed.

NSCAS and ACT scores from the 23-24 school year are currently in Embargo status, but in the coming months I will be able to share this information with the school board.

Thank you for your support.

Dr. Matt Dominy

September Staff Dev. Newsletter

September, 1, 2024

Thank you for a great start!

It is always impressive to me how the beginning of the school year comes together. I have the privilege at looking at multiple components of our incredible system. Each of these components have to be present in order for the system to move forward. It really is humbling when you consider the work of every employee group in ensuring that school starts smoothly.

Below you will see an article from Jon Gordon, those of you who have been here know that I like to share his work. He has helped me greatly, and my hope is that something I send along to all of you might resonate. This is one of his articles that I most resonate with, the ability to see greatness in others. Many of you know my story, the deck of cards I was given was Jackluster at best. The first person who took that deck of cards and threw them out was Mrs. Holly Mumm, my 4th grade teacher at Hebron Intermediate School. Mrs. Mumm saw way more in me than I could ever see in myself, she challenged me, gave me feedback, praised me and told me that I was going to achieve great things. I am forever indebted to her for this gift.

You all have this precious power as well to see the greatness in others. I hope that you will join me in articulating that greatness, you never know how far your impact may reach.

Thank you again for a great start to our school year!

Matt

See Greatness in Others- Jon Gordon

The other day I posted a graphic on social media that said, "If you want to be a great leader, start by seeing greatness in others, and then inspire, encourage, and coach them to achieve it." A number of people responded to me saying, "That's you Jon. You do this all the time. You see the best in people. That's your gift."

The truth is I didn't post that quote to generate those encouraging responses. I posted it because I wanted to encourage people to see the greatness in others and bring out the best in them.

Far too many people don't see the best in people and others are too focused on themselves to see anything in others. As Maya Angelou said, "You can't be a great leader if all you see is yourself."

I posted that quote because I want to help others become better leaders. And yet, as people responded with their kind comments I thought about my life and it's true that I do see the best in people. I see their potential and what they become. In fact, my co-author of *The Coffee Bean*, Damon West, tells me all the time that I didn't see him as an ex-convict who spent 7 years in jail. I saw him as someone who was going to impact the world with *The Coffee Bean* message and he has.

I really do see the greatness in others but that also means that sometimes I get burned.

Sometimes people don't live up to that belief. Sometimes people wrong me.

When this happens, I can allow these people and moments to make me cynical or I can choose to continue to see the best in people.

Over the years I have chosen to continue to see the best in more and more people.

Of course, it's important to have discernment and since I have been burned many times I have great discernment now. :)

But, even when my gut says "watch out" I still see what that person can become if they work hard, live with integrity and make good decisions.

I want to encourage you to see the greatness in others. See their potential and help them achieve it.

More often than not, they will rise up to your level of belief in them.

Have a great week!

Patriotic Holidays

PATRIOTIC HOLIDAYS

Nebraska Revised Statute 79-724 requires the following:

Appropriate patriotic exercises suitable to the occasion shall be held under the direction of the superintendent in every public, private, denominational, and parochial school on George Washington's birthday, Abraham Lincoln's birthday, Dr. Martin Luther King Jr.'s birthday, Native American Heritage Day, **Constitution Day**, Memorial Day, Veterans Day, and Thanksgiving Day, or on the day or week preceding or following such holiday, if the school is in session.

Constitution Day is September 17th, 2024.

Seward Public Schools

September School Board Report

BLT (Esten Johnsen): The Bluejay Leadership Team has been efficient and effective. During the summer, we had our own "Leadership Retreat" on July 1st and July 2nd where we met the incoming freshmen leaders, did some team bonding, and planned some major activities. We have started major productions in the Bluejay Store with getting cheer shirts, new teacher items, and spirit stickers all completed and currently selling. Freshmen Orientation was another event where we handed out the freshmen t-shirts and had an open booth. Ork Week also just occurred where BLT raised school spirit by hiding a rubber duck each day and the finder gets a prize. We also have decided on a Homecoming Theme with many different activities throughout the week! As the school year gets started, the Bluejay Leadership Team is growing school spirit and excited to see what this year has in store!

Girl's Golf (Jena Eberspacher): The girls golf team season is off to a great start. We hosted our Seward invite on Friday and ended up in fourth place. We've been practicing hard and are extremely excited to see where the season is going to take us. We have three returning varsity members and two new ones so we are excited to see how we can go together as a team this year. One of our big goals for the season is making it back to Scottsbluff like we did last year and we can't wait to see how everything will turn out later in the season.

Football (Hayden Burhoop): The boys football team is off to an amazing start. On August 30th, the team went up to Gretna to play Gretna East. Seward won 41-22 in their opening game. Our team is very good at playing through adversity! We started down 14-0 in the beginning of the first quarter and fought our way back to a Bluejay victory. I am excited to see how the rest of the season goes and for the hard work we put in at practice to start paying off!

Volleyball (Abby Covalt): The volleyball team is off to a great start. We worked very hard over the summer doing numerous camps and workouts. We have a 3-1 record. We opened our season up at Milford and came out with a four-set win. The student section and environment in that gym was so exciting. We went to the Plattsmouth tournament and came out the runner up. We came out with dominant wins over Nebraska City and Raymond Central. We played hard in the championship and fell to Norris after taking the second set. We are excited to play our games this week and have our first home game next week on the 10th!! Hope to see everyone there!!!!

Cheer (Addyson Rohde): The Cheer team is super excited for both volleyball and football season! We have set up both our JV and Varsity squads. Our team had practiced throughout the summer and even went to an NCA, National Cheer Association, camp to enhance our skills. We aim to have a very spirited year and support our Jays. Our team has upcoming efforts to get more outreach within our community so we can show our BlueJay Pride. Our main goal this season is to work towards State competition with a Gameday and Tumbling category for competition.

Girl's Cross Country (Tessa Greisen): The Girl's Cross Country Team is excited and patiently anticipating our upcoming season. This Saturday, August 31, is our time trial for the season and acts as a teaser for our race next week on that course for the Charlie Thorell Invite. The Girl's Team has been putting in the work through workouts, long runs, and weights. With lots of incoming Freshman who have experience racing from middle school, we are excited to see what the team can do this year. Positive attitudes and the will to work has been a present theme on the Girl's Cross Country Team.

Boy's Cross Country (Jack Schulz): The Boy's Cross Country team is fired up and ready to roll. We have been training hard all summer and look forward to success coming from that hard work. Our team gained a lot of new freshmen who put forth maximum effort and are ready to compete with upperclassmen. This year should be one to remember in the history of Seward Boy's Cross Country.

Quiz Bowl (Abby Moore): Quizbowl has yet to have a competition; however, our first one will be on September 14th. So far we have had our initial meeting to get our new members ready for the year ahead of us as well as sent out schedules for future competition dates. We expect practices for our first competition to be scheduled and carried out soon.

FFA (Bryn Christensen): FFA has had a fantastic time preparing and organizing for this year. This summer we had an officer retreat where we planned our POA and discussed our goals for the chapter. We added a lot of new and fun events for our members to enjoy. We also held our annual kickoff party for returning and new members to learn all about what we have planned for the year along with learning what FFA is all about. We have weekly officer meetings to ensure we stay up to date and understand what is going on, and we have monthly meetings for all of our members.

FBLA (Addilyn Sugden): FBLA has had a very productive summer and we expect to have a competitive school year! Our biannual stock market challenge begins soon, and our Fall Leadership Conference is coming up as well. The Officer team met over the summer and organized our calendar with many exciting events for the school year! For our first official fundraiser over the summer, we helped out at a successful Becknology Day. We met with interested members at our kickoff meeting August 27th, and already have had volunteers help with our first school-year event that took place on Saturday, August 31st. It is sure to be a very successful year!

Skills USA (Avery Rodocker): SkillsUSA is off to a strong start! We began the year with a couple officer meetings to come up with ideas for fundraising and set up the agenda for our first chapter meeting. We had our first meeting on Tuesday, August 27 to invite any newcomers and discuss a timeline of due dates and fundraising for this fall. A new aspect we are implementing this year are officer chairs. One incoming freshman is set up with each one of our seven officers to learn the ropes of who we are as the Seward SkillsUSA Chapter. I and all the fellow officers are excited for our year!

Show Choir (Madison Sides): Both the Blue and Gold Show Choir groups are off to a great start this year! Both groups have already put in countless hours of hard work and you can see dedication in each individual. We have had many morning and late-night rehearsals and we plan to have many more as we are preparing for opening night, the Christmas program, and our competition season! With the addition of another group this year we are able to have more people get an experience and be involved in the Show Choir, which is great! Singing and dancing on stage is not always the easiest but it is something that both groups excel in. We are looking forward to a great performance season and can't wait for everyone to see what we have in store!

FCCLA (Maya Hubach): FCCLA had our kick-off during the first week of school with hot dogs and games. We have had three officer meetings to discuss plans for the upcoming year, including activities for members, leadership conferences, and fundraiser ideas. Our first official member meeting is on September 5th. We are looking forward to a great year!

Key Club (Grace Matulka): Key club just kicked off the year with an all around agenda meeting. We discussed different activities that are coming up as well as club dues and officer application due dates. One thing that we are doing differently this year is that we will have an officer committee instead of a board to divide the tasks among ourselves, and we will be providing t-shirts for members who have paid their club fees. We are currently looking for volunteers for our UNICEF trick or treat and our concession dates. We are excited for a fun year full of earning our hours and serving our community!

Marching Band (Marisa Schmeckpeper): this year marching man has kicked off its program by being a part of the Fourth of July parade, as well as our band expedition at the end of our band camp. Our marching band kids have been working extremely hard this year and making sure that our sets are looking super good and we're really excited to debut it at the first couple home games before we step off onto the competition field September 28. The culture and attitude of our band members has been so much more positive this year. I think that's really reflective of our leadership team and how hard we're working to really cultivate a family and a community there.

Softball (McKenna Sides): Softball has been off to a good 6-2 start! We have been having intense practices and our team is eager and excited to compete more. We have two games this week, one being a conference opponent and the other being a very good team. These two games will be another good test of how the rest of our season is going. We are pretty upperclassman-heavy but have a lot of younger girls who are playing and practicing well which is exciting to see for this year and years to come. We are looking forward to playing more games and getting to compete against some of the best teams in Class B! Our main goal, once again, is to make it back to state and I think we are on the right track to be in a good position to compete for a district final and hopefully come out on top and back at state this year!

**RESOLUTION OF THE BOARD OF EDUCATION TO
INCREASE BASE GROWTH PERCENTAGE TO
DETERMINE ITS PROPERTY TAX REQUEST AUTHORITY**

WHEREAS, the Board of Education ("Board") for **Seward County School District 80-0009**, commonly known as **Seward Public Schools** (the "School District"), is planning the School District's annual budget for the 2024-2025 school year; and

WHEREAS, the funding needed for the School District to meet its obligations to its students will require an increase in the base growth percentage used to determine the School District's property tax request authority under NEB. REV. STAT. § 79-3403; and

WHEREAS, Nebraska law authorizes the Board, upon an affirmative vote of at least seventy percent (70%) of the Board, to increase such base growth percentage by up to 6 %.

BE IT THEREFORE RESOLVED that, pursuant to NEB. REV. STAT. § 79-3405(2), the Board hereby increases the base growth percentage used to determine its property tax request authority for the 2024-2025 budget in an amount of ____%.

Said Resolution was adopted by the Board of Education by a vote of ____ to ____ on the 9th day of September, 2024.

President of the Board of Education

ATTEST:

Secretary of the Board of Education

NOTICE OF BUDGET HEARING AND BUDGET SUMMARY

Seward Public Schools (80-0009) in Seward County, Nebraska

PUBLIC NOTICE is hereby given, in compliance with the provisions of State Statute Sections 13-501 to 13-513, that the Seward Public Schools Board of Education will meet on the 9th day of September, 2024, at 6:30 pm o'clock, at District Office 410 South Street Seward, Nebraska 68434 for the purpose of hearing support, opposition, criticism, suggestions or observations of taxpayers relating to the following proposed budget and to consider amendments relative thereto. The budget detail is available at the office of the Superintendent during regular business hours. SCHOOL DISTRICT OF SEWARD BUDGET

2024-2025

Mission of Seward Public Schools

Seward Public Schools - a district rooted in excellence - in cooperation with family and community members is committed to the development of the whole student and affirms that all students will have the skills to become productive, resilient, and contributing members of their community.

GOALS FOR THE EVENING

1. Describe our past and present financial situation along with some comparable data.
2. Describe the effect this proposed budget would have on local property taxes
3. Expenditures/increased costs
4. Receive feedback from Board Members on any proposed changes

BUDGET PROCESS

- Fiscal Year for Schools – Sept. 1 to Aug. 31
- Budget must be adopted and submitted to the state by September 30.
- The discussion we have tonight does not constitute a hearing, and no action will be taken on the budget.
- Pink Postcard September 23, 2024 at 7:00 pm
Harvest Hall
- Budget Hearing, Tax Request Hearing? Will depend upon our discussion tonight-

Other Information

- NDE Budget
- Budget Authority- The total amount of funds that can be budgeted and or expended- We would not spend that amount.
- Revenue/Tax Authority- Board Discussion
- Access to prior year's unused budget authority- 2% of the prior years adjusted general fund expenditures or prior year's unused budget authority

Cash Reserve General Fund

- 35%- General Fund
- 2-3 months in our low month which is normally April
- 1.8 million a month on average in spending
- Roughly 4 million at the end of this fiscal year
- Could have over 8 million in Cash Reserves account

Cash Reserves

- \$5,400,000 would give us the 3 months during our low month of the year
- We do not utilize a cash reserves account it is in the budget.

HISTORICAL INFORMATION AND
PROPOSED BUDGET FIGURES FOR
THE 2024-2025 BUDGET

THERE IS A LOT OF DISCUSSION ABOUT PROPERTY TAXES – THERE HAS BEEN FOR YEARS

- Historic state aid for SPS for the first time in 20 years
- Special Ed. Reimbursement about 80% for the coming school year.
- Quick explanation of how the TEEOSA Works and the changes this year with foundation aid.
- TEEOSA was set up to level the playing field in terms of tax levies--there are still obvious discrepancies.

Why behind expenditures

- Decrease because we are out of ESSER Dollars
- I also stopped furniture purchases because of the unknown for the special session
- For a point of reference- a bus 5 years cost 89K and now that same bus is around 110K
- Salaries/Benefits- Increase
- Inflation- Paper, Gas, Shipping

PROPOSED BUDGET OF EXPENDITURES

- The vast majority of the increases are increased staffing costs
- Cost of materials, gas, insurance, etc.
- Math Adoption next year estimated cost is \$250,000

GENERAL FUND CASH

GENERAL FUND CASH

- We have always maintained the goal of keeping 3 months of cash in reserve to help smooth out the peaks and valleys. In years when we lost a lot of state aid, this cash on hand helped us maintain a constant levy. In the future it could help us if property values decline.
- We were right at \$3,409,101 in our lowest point of the year (December). We spend right at \$1.7-7.8 million a month, so we are at 2 months in reserve at our low point in the past we were at 3 months.

OTHER FUNDS

BOND Fund

- For 2024-25 I'm asking for \$ 1,616,162 we will get (\$1,600,00) in property taxes and our payments will be \$1,555,366. The bond levy would be a at .080- Our reserves did not have a lot of room for error in our bond fund so I thought it would be best to add a little more like we did this year. We will also need this budget to reflect a higher payment next December 2025.
- Our last bond payment is set for December 2027. So we will need two more years of including the bond in the budget after this budget. 25-26-26-27.

-

QUALIFIED CAPITAL PURPOSES UNDERTAKING FUND

- Options- Do we look at another QCPUF bond?
- Our last QCPUF bond was 1.2 million- 10 year bond with \$176,000 payments.
- I do have to count dollars toward safety ect. If we don't have a QCPUF bond.
- We can tax up to \$0.03

COOPERATIVE FUND

- The Cooperative Fund is a pass through account for Sixpence. We are the fiscal agent so the money will run through our budget. If we use this fund, it has no impact on our state aid, or levy/expenditure limits for any of the three school districts. We did receive a grant again this year so we will need to budget again. We increase the amount because when we get paid may not fall in line with our budget year.

SPECIAL BUILDING FUND

- Last year we levied \$171,000 almost .01.
- From our discussion at the board meeting I have set it at .02 which will generate \$400,000.
- Could lower for our revenue authority and use depreciation or leave at the \$.02 and approve the authority up to 6%

PROPERTY TAX AND LEVY IMPACT

Why approve the revenue authority

- Will need it to make the budget work and for the special building fund.
- With the legislature changing this may be the last year we can even use it or approve it.
- Similar to budget authority

Discussion Numbers

Revenue Authority will be an issue for us.

\$12,882,775 is the total we could ask for without a vote of the board to exceed the tax authority. General Fund and Special Building Fund

Last year we asked for \$13,522,222 with general fund and special building

With the additional 6% we could ask for a total \$14,027,083

We don't even have the revenue authority to make to go to the pink postcard bill which would be \$14,029,305

Continued Discussion

Each percent equals \$190,718-

My proposal with special building at \$400,000.

\$13,855,555- 5% using the revenue authority

What does a Penny Generate?

Last year a penny will generate \$189,687

This year a penny will generate \$ 200,000

Depreciation

- SPS added \$100,000 to their depreciation account for the 2024-2025 School Budget

SUMMARY

- General Fund –This a small increase to our general fund tax asking of 100,000 As a reminder salary/insurance increase will be around \$ 650,000 for staff
- Bond Fund – I feel very comfortable with my proposal.
- Special Building Fund: I have it at .02 to keep the overall ask at \$404,0000
- Total tax asking 2.54%
- QCPUF- I could still do some work on the budget count toward tax asking but would not count on Revenue/tax authority

QUESTIONS AND/OR COMMENTS

- Again, this is a proposal. If you want clarification or if you want to recommend changes, now is the time to do so. I want to know what your support is tonight, rather than wait until our September 11 board meeting to find out you disagree.
- Again: \$.01 levy = \$200,000 in terms of property taxes requested.

RESOLUTION SETTING THE PROPERTY TAX REQUEST

RESOLUTION NO. 2024

WHEREAS, Nebraska Revised Statute 77-1632 and 77-1633 provides that the Governing Body of Seward Public Schools passes by a majority vote a resolution or ordinance setting the tax request; and

WHEREAS, a special public hearing was held as required by law to hear and consider comments concerning the property tax request;

NOW, THEREFORE, the Governing Body of Seward Public Schools resolves that:

1. The 2024-2025 property tax request be set at:

General Fund:	\$ 13,451,515.00
Bond Fund:	\$ 1,616,162.00
Special Building Fund:	\$ 404,040.00
Qualified Capital Purpose Undertaking Fund:	\$ -

2. The total assessed value of property differs from last year's total assessed value by 5.86 percent.

3. The tax rate which would levy the same amount of property taxes as last year, when multiplied by the new total assessed value of property would be 0.753943 per \$100 of assessed value.

4. Seward Public Schools proposes to adopt a property tax request that will cause its tax rate to be 0.770549 per \$100 of assessed value.

5. Based on the proposed property tax request and changes in other revenue, the total operating budget of Seward Public Schools will increase (or decrease) last year's budget by 6.18 percent.

6. A copy of this resolution be certified and forwarded to the County Clerk on or before October 15, 2024.

SCHOOL DISTRICT OF SEWARD BUDGET

2024-2025

Mission of Seward Public Schools

Seward Public Schools - a district rooted in excellence - in cooperation with family and community members is committed to the development of the whole student and affirms that all students will have the skills to become productive, resilient, and contributing members of their community.

GOALS FOR THE EVENING

1. Describe our past and present financial situation along with some comparable data.
2. Describe the effect this proposed budget would have on local property taxes
3. Expenditures/increased costs
4. Receive feedback from Board Members on any proposed changes

BUDGET PROCESS

- Fiscal Year for Schools – Sept. 1 to Aug. 31
- Budget must be adopted and submitted to the state by September 30.
- The discussion we have tonight does not constitute a hearing, and no action will be taken on the budget.
- Pink Postcard September 23, 2024 at 7:00 pm
Harvest Hall
- Budget Hearing, Tax Request Hearing? Will depend upon our discussion tonight-

Other Information

- NDE Budget
- Budget Authority- The total amount of funds that can be budgeted and or expended- We would not spend that amount.
- Revenue/Tax Authority- Board Discussion
- Access to prior year's unused budget authority- 2% of the prior years adjusted general fund expenditures or prior year's unused budget authority

Cash Reserve General Fund

- 35%- General Fund
- 2-3 months in our low month which is normally April
- 1.8 million a month on average in spending
- Roughly 4 million at the end of this fiscal year
- Could have over 8 million in Cash Reserves account

Cash Reserves

- \$5,400,000 would give us the 3 months during our low month of the year
- We do not utilize a cash reserves account it is in the budget.

HISTORICAL INFORMATION AND
PROPOSED BUDGET FIGURES FOR
THE 2024-2025 BUDGET

THERE IS A LOT OF DISCUSSION ABOUT PROPERTY TAXES – THERE HAS BEEN FOR YEARS

- Historic state aid for SPS for the first time in 20 years
- Special Ed. Reimbursement about 80% for the coming school year.
- Quick explanation of how the TEEOSA Works and the changes this year with foundation aid.
- TEEOSA was set up to level the playing field in terms of tax levies--there are still obvious discrepancies.

Why behind expenditures

- Decrease because we are out of ESSER Dollars
- I also stopped furniture purchases because of the unknown for the special session
- For a point of reference- a bus 5 years cost 89K and now that same bus is around 110K
- Salaries/Benefits- Increase
- Inflation- Paper, Gas, Shipping

PROPOSED BUDGET OF EXPENDITURES

- The vast majority of the increases are increased staffing costs
- Cost of materials, gas, insurance, etc.
- Math Adoption next year estimated cost is \$250,000

GENERAL FUND CASH

GENERAL FUND CASH

- We have always maintained the goal of keeping 3 months of cash in reserve to help smooth out the peaks and valleys. In years when we lost a lot of state aid, this cash on hand helped us maintain a constant levy. In the future it could help us if property values decline.
- We were right at \$3,409,101 in our lowest point of the year (December). We spend right at \$1.7-7.8 million a month, so we are at 2 months in reserve at our low point in the past we were at 3 months.

OTHER FUNDS

BOND Fund

- For 2024-25 I'm asking for \$ 1,616,162 we will get (\$1,600,00) in property taxes and our payments will be \$1,555,366. The bond levy would be a at .080- Our reserves did not have a lot of room for error in our bond fund so I thought it would be best to add a little more like we did this year. We will also need this budget to reflect a higher payment next December 2025.
- Our last bond payment is set for December 2027. So we will need two more years of including the bond in the budget after this budget. 25-26-26-27.
-

QUALIFIED CAPITAL PURPOSES UNDERTAKING FUND

- Options- Do we look at another QCPUF bond?
- Our last QCPUF bond was 1.2 million- 10 year bond with \$176,000 payments.
- I do have to count dollars toward safety ect. If we don't have a QCPUF bond.
- We can tax up to \$0.03

COOPERATIVE FUND

- The Cooperative Fund is a pass through account for Sixpence. We are the fiscal agent so the money will run through our budget. If we use this fund, it has no impact on our state aid, or levy/expenditure limits for any of the three school districts. We did receive a grant again this year so we will need to budget again. We increase the amount because when we get paid may not fall in line with our budget year.

SPECIAL BUILDING FUND

- Last year we levied \$171,000 almost .01.
- From our discussion at the board meeting I have set it at .02 which will generate \$400,000.
- Could lower for our revenue authority and use depreciation or leave at the \$.02 and approve the authority up to 6%

PROPERTY TAX AND LEVY IMPACT

Why approve the revenue authority

- Will need it to make the budget work and for the special building fund.
- With the legislature changing this may be the last year we can even use it or approve it.
- Similar to budget authority

Discussion Numbers

Revenue Authority will be an issue for us.

\$12,882,775 is the total we could ask for without a vote of the board to exceed the tax authority. General Fund and Special Building Fund

Last year we asked for \$13,522,222 with general fund and special building

With the additional 6% we could ask for a total \$14,027,083

We don't even have the revenue authority to make to go to the pink postcard bill which would be \$14,029,305

Continued Discussion

Each percent equals \$190,718-

My proposal with special building at \$400,000.

\$13,855,555- 5% using the revenue authority

What does a Penny Generate?

Last year a penny will generate \$189,687

This year a penny will generate \$ 200,000

Depreciation

- SPS added \$100,000 to their depreciation account for the 2024-2025 School Budget

SUMMARY

- General Fund –This a small increase to our general fund tax asking of 100,000 As a reminder salary/insurance increase will be around \$ 650,000 for staff
- Bond Fund – I feel very comfortable with my proposal.
- Special Building Fund: I have it at .02 to keep the overall ask at \$404,0000
- Total tax asking 2.54%
- QCPUF- I could still do some work on the budget count toward tax asking but would not count on Revenue/tax authority

QUESTIONS AND/OR COMMENTS

- Again, this is a proposal. If you want clarification or if you want to recommend changes, now is the time to do so. I want to know what your support is tonight, rather than wait until our September 11 board meeting to find out you disagree.
- Again: \$.01 levy = \$200,000 in terms of property taxes requested.
