Land O Lakes will be reformatting our flavored (chocolate and strawberry) milks for the 2011-12 school years and renaming it **TruMoo**.

Land O Lakes will be offering only Fat Free TruMoo Chocolate and Strawberry milk on our school bids, we will no longer be producing 2% or 1% flavored milk in half pints. With the USDA announcing new nutrition guidelines in the near future, Fat Free TruMoo Flavored Milk was designed to help schools meet their goals while also offering students a tasty and nutritious flavored milk they will want to drink.

TruMoo provides a great tasting, healthy solution for your students. It contains **NO** High Fructose Corn Syrup and **NO** Growth Hormones. (*All Land O Lakes milk is produced with no growth hormones.*) To create our Fat Free TruMoo Chocolate milk, we add pure cocoa and just enough 100% natural sugar to real, wholesome white milk to create a chocolate taste kids love. Since TruMoo is milk and not a "chocolaty drink" it contains eight essential nutrients every kid needs including calcium, protein, potassium, riboflavin, phosphorus and vitamins A, D and B12.

RE: Fund Raising Opportunity for Schools

Land O' Lakes Milk would like to make you aware of an opportunity for your school to help raise money for school activities or needs. It is called:

"SAVE FIVE FOR SCHOOLS"

It is the largest school and community program sponsored by Land O' Lakes Milk. The program is designed to provide a source of additional funding to assist community organizations and schools in planning, developing, and implementing innovative programs and creative opportunities which result in student achievement. It's a great way to raise money for proms and after graduation parties, so get your committees and PTA's involved with collecting caps.

It's as easy as 1, 2, 3!

1. Save your LAND O LAKES caps from Milk, Orange Juice and Chocolate Milk.

Students and parents collect caps with the **"SAVE \$.05 FOR SCHOOLS"** sticker from branded products of Land O' Lakes gallon milk, orange juice, and chocolate milk.

2. Bring the caps to schools.

Bring your caps to school and the school turns them into Land O' Lakes Milk. To help promote the program; Land O' Lakes requests that schools agree to incorporate information about the, **SAVE FIVE FOR SCHOOLS** program, as well as including articles and other explanatory pieces in the school and in school newspapers.

3. Your school will receive a check!

A check is written directly to the school for the total number of caps at .05 cents each per cap.

How does my school or organization enroll?

Go to www.savefiveforschools.com for detailed information and rules. Fill out the enrollment form and Taxpayer ID form and return to the address shown.

Look for "SAVE FIVE FOR SCHOOLS" caps in your local grocers and convenience stores and START SAVING!

All price changes will become effective on the 1st day of the month following the price announcement.

NASB MEDICAID CONSORTIUM MEMBERSHIP AGREEMENT

This Membership Agreement (the “Agreement”), is made and entered into pursuant to the Nebraska Interlocal Cooperation Act, Neb. Rev. Stat. 13-801 – 13-827 (Reissue 2007) effective as of September 1, 2011 by and between the undersigned Nebraska school district or educational service unit (the “Member”), a local intergovernmental entity known as the NASB Medicaid Consortium, which is composed exclusively of member school districts and educational service units and constitutes a separate public body corporate and politic of the State of Nebraska (“NASBMC”), and each other school district or educational service unit which is now or may in the future become a member of NASBMC.

WHEREAS, the Member participates in a Medicaid program commonly known at the federal level as Early Periodic, Screening, Diagnostic and Treatment (“EPSDT”), which program, as operated in Nebraska by the Nebraska Department of Health and Human Services (“DHHS”) pursuant to the State Medicaid Plan, is referred to as “Health Check” and is hereinafter referred to in this Agreement as “EPSDT/Health Check.”

WHEREAS, the administration and operation of EPSDT/Health Check in Nebraska requires the availability of administrative outreach and case management services in order to aid EPSDT/Health Check eligible children to: (i) gain eligibility for and access to screening services; (ii) follow up on referrals to medical providers; (iii) establish a medical home for the child; (iv) develop and coordinate a service plan; (v) follow through on the case plan; and (vi) assist the child’s family in becoming able to meet the needs of the children in a way that permits the child to function at an optimal level with minimum intervention and with the least restrictive treatment methods possible (collectively, “Administrative Outreach and Case Management Services”);

WHEREAS, DHHS recognizes that school districts and educational service units have a unique relationship with EPSDT/Health Check eligible children and the families of EPSDT/Health Check eligible children who reside within the geographic areas they serve, and possess the expertise necessary to provide the requisite Administrative Outreach and Case Management Services;

WHEREAS, DHHS has determined that contracting with school districts and educational service units (either individually or through intergovernmental agreements with local intergovernmental entities sometimes referred to as consortia) for the provision of the Administrative Outreach and Case Management Services DHHS requires to operate and manage the EPSDT/Health Check program is an efficient

and effective method of assuring the availability and accessibility to and coordination of required health care services to EPSDT/Health Check eligible children;

WHEREAS, applicable state and federal laws permit DHHS to enter into intergovernmental agreements with local entities composed solely of school districts or educational service units (sometimes referred to as consortia) for the provision of the school-based Administrative Outreach and Case Management Services that are necessary to serve the EPSDT/Health Check eligible children who reside within the geographic areas served by the school districts and/or educational service units that are members of the contracting local entity;

WHEREAS, applicable state and federal laws permit DHHS to serve as a conduit for purposes of assisting local entities composed solely of school districts and educational service units that provide school-based Administrative Outreach and Case Management Services to DHHS in connection with its operation of the EPSDT/Health Check program to recover a portion of the actual and allowable costs they incur in connection with the provision of such services (“Claims”) upon and subject to the terms and conditions set forth in Medicaid School-Based Administration Claiming Guide (the “CMS Guide”) as published by the Center for Medicare & Medicaid Services (“CMS”) and the Nebraska Education-Based Medicaid Administration Claiming Guide as published by DHHS (the “NEBMAC Claiming Guide”) which reimbursement process as proscribed by applicable state and federal law and as described in the CMS Claiming Guide and the NEBMAC Claiming Guide is referred to herein as the “Administrative Claiming Process;”

WHEREAS, the Member desires to become a member of the NASBMC in order to permit the NASBMC, acting on the Member’s behalf: (i) to enter into an intergovernmental agreement with DHHS for the provision of Administrative Outreach and Case Management Services; (ii) to retain the services of a third party consultant to assist the Member in the timely preparation and submission of such Claims in compliance with the Administrative Claiming Process; (iii) to submit claims and obtain reimbursement pursuant to the Administrative Claiming Process for the actual and allowable costs which the Member incurs in connection with the provision of those Administrative Outreach and Case Management Services; and (iv) and upon payment of such Claims, to distribute said payments, net applicable operating expenses, to the Member as its interest may appear.

WHEREAS, the Member has received a copy of the Articles of Incorporation and Bylaws of NASBMC, is familiar with the terms thereof, and desires to become a member of the NASBMC under the provisions

set forth in said Articles of Incorporation, Bylaws, and this Membership Agreement;

NOW THEREFORE, the undersigned parties agree as follows:

Section 1. Membership. Subject to acceptance of this Membership Agreement by the Board of Directors of the NASBMC, the undersigned Member hereby agrees to become and remain a member of the NASBMC upon and subject to the terms and conditions of the Articles and Bylaws of the NASBMC and this Agreement for and during the term of this Agreement.

Section 2. Agreement with Respect to Formation and Existence of NASBMC. The Member acknowledges and agrees that the NASBMC is a joint entity that has been formed by its constituent members under the Nebraska Interlocal Cooperation Act, and as such, is and shall for all purposes be and remain a separate body corporate and politic of the State of Nebraska with such powers as are set forth in its Articles of Incorporation and Bylaws.

Section 3. Services Provided by the NASBMC. For and during the Term of this Agreement, the NASBMC, acting as the agent for and on behalf of its Members, hereby agrees as follows:

(i) to enter into one or more intergovernmental agreements with DHHS for the provision of Administrative Outreach and Case Management Services by the Member within the geographic areas that are served by its Members within the State of Nebraska and to provide the Member with a copy of each said intergovernmental agreement and all amendments thereto as soon as is reasonably possible following their complete execution;

(ii) to contract with one or more third party consultants for the provision of the consulting services necessary to assure the timely preparation and submission of Claims pursuant to the Administrative Claiming Process;

(iii) to submit Claims through DHHS on its Members' behalf in conformity with the Administrative Claiming Process;

(iv) to receive and hold payments for such Claims on behalf of its Members;

(v) upon receipt of payment, to distribute the amounts so received in connection with such Claims, net applicable operating expenses, which shall include without limitation all required

payments to DHHS and contractual payments to consultants, to its Members, as their interests may from time to time appear, and in all events in conformity with the terms of this Agreement and the Administrative Claiming Process; and

(vi) with respect to Claims which have previously been filed with DHHS and for which funds are now available, to promptly request payment of said Claims and to the extent the same are received, to distribute said amounts to its Members in conformity with Section 3(v) above.

Section 4. Member Obligations. For and during the Term of this Agreement, the Member agrees as follows:

(i) to maintain its status as a duly organized and validly existing school district or educational service unit pursuant to the laws of the State of Nebraska;

(ii) to maintain its status as a member in good standing of the Nebraska Association of School Boards;

(iii) to comply with the provisions of the Articles of Organization and Bylaws of the NASBMC as the same now exist or may from time to time hereinafter be amended;

(iv) to familiarize itself with the provisions of all applicable intergovernmental agreements which the NASBMC may enter into with DHHS during the Term of this Agreement;

(v) to perform and provide the Administrative Outreach and Case Management Services that are necessary to permit DHHS to operate the EPSDT/Health Check program within the geographic boundaries served by the Member in conformity with the requirements of the Intergovernmental Agreement between NASBMC and DHHS as the same now exists or may from time to time hereinafter be amended;

(vi) to provide any and all data, documents and information which NASBMC or its consultants may from time to time require in order to permit NASBMC to prepare and file Claims for reimbursement with DHHS pursuant to the Administrative Claiming Process;

(vii) to authorize the NASBMC to act as a single claiming unit for the purpose of filing Claims with DHHS on behalf of its Members; and

(viii) to the extent claims are approved and paid, to authorize NASBMC to act as the exclusive agent for its members for purposes of receiving such payments and distributing the amounts so received to its Members in conformity with this Agreement.

Section 5. Obligations with Respect to Records and Audits. For and during the Term of this Agreement, the Member agrees as follows:

(i) That all books, records, and documents of the Member, regardless of physical form, and including data maintained in computer files or on magnetic, optical or other media; relating to work performed or monies received under this Agreement shall be subject to audit at any reasonable time upon the provision of reasonable notice by DHHS, and that all such records shall be maintained as follows: all records shall be maintained for five (5) years from the date of final payment and all records that fall under the provisions of HIPAA shall be maintained for six (6) full years from the date of final payment. In addition to the foregoing retention periods, all records which pertain to or are the subject of any audit litigation or other action shall be maintained until all issues related to the audit, litigation or other action are resolved to the reasonable satisfaction of DHHS;

(ii) That the Member will provide DHHS with copies of any and all written communications they may receive from an auditor insofar as such communications relate to their internal control over financial reporting requirements and communication with those charged with governance including those in compliance with or related to Statement of Auditing Standards (SAS) 112 Communicating Internal Control related Matters Identified in an Audit and SAS114 The Auditor's Communication With Those Charged With Governance and that the Member will provide DHHS with a copy of all such written communications immediately upon receipt or instruct any auditor they employ to deliver copies of such written communications to DHHS at the same time copies are delivered to the Member, in which case the Member agrees to verify that DHHS has received a copy;

(iii) To the extent required by law or upon request of the NASBMC, the Member, at its sole cost and expense, agrees to follow the applicable cost principles set forth in OMB Circular A-87 for State, Local and Indian Tribe Governments or A-122 for Non-Profit Organizations, and to retain an independent certified public accountant to prepare and issue an annual audit in accordance

with federal and state law including, if applicable or upon the request of NASBMC, OMB Circular A-133. A copy of any such annual financial reviews or audits, including certification, shall be made electronically available or sent to: Nebraska Department of Health and Human Services, Financial Services, P.O. Box 95026, Lincoln, NE 68509-5026;

(iv) The Member agrees to immediately correct any material weakness or condition reported to the DHHS in the course of an audit and notify the DHHS that the corrections have been made;

(v) In addition to, and not in limitation of any other obligation in this Agreement, the Member agrees that it will assume sole responsibility and be individually liable for any audit exceptions to the extent the same apply to amounts that have actually been received by the Member pursuant to the Administrative Claiming Process, and that the Member will immediately return to DHHS all payments they have received pursuant to this Agreement for which an exception has been taken.

Section 6. Term and Termination.

6.1 Term. Subject to any Renewal Term(s) and unless sooner terminated as provided below, this Agreement shall be for a term of three (3) years, commencing on September 1, 2011, and continuing thereafter until August 31, 2014 (the "Initial Term"). This Agreement shall renew automatically for subsequent three (3) year terms (the "Renewal Term(s)") unless and until terminated as provided herein, or notice of non-renewal is provided in accordance with Section 6.2 of this Agreement. The Initial Term and any Renewal Term(s) shall be referred to collectively herein as the "Term" or the "Terms."

6.2 Notice of Non-Renewal. Notwithstanding anything herein to the contrary, the Member may preclude the automatic renewal described in Section 6.1 of this Agreement by providing written notice to NASBMC at least one hundred and eighty (180) days prior to the commencement of the Renewal Term.

6.3 Termination. This Agreement may be terminated during its Term as follows:

A. Termination by Mutual Consent. At any time by mutual written consent of each of the parties;

B. Immediate Termination in Certain Events. At any time upon the affirmative vote of at least 51% of the members of NASBMC's Board of Directors in the event the Member: (i) ceases to be a duly organized and validly existing school district under the laws of the State of Nebraska; (ii) ceases to be a member in good standing of the Nebraska Association of School Boards; or (iii) is disqualified from or is for any reason otherwise not eligible to participate in Medicaid or receive reimbursement for Claims under the Administrative Claiming Process;

C. Termination for Breach. Except in the circumstances described in Section 6.3B above, which shall be governed exclusively by the provisions of Section 6.3B, at any time by either party upon prior written notice to the other party in the event the other party has failed or refused to observe or perform any obligation, undertaking or agreement that such other party is required to observe or perform pursuant to the terms of this Agreement in any material respect (a "breach") and has failed to cure such breach to the reasonable satisfaction of the party giving the notice within thirty (30) days following the date on which notice was received or such shorter period as is specified in such notice, if the party giving the notice reasonably believes that the breach in question is likely to result in their incurring irreparable harm or imminent and material financial loss.

6.4 Effect of Termination or Expiration on Submission and Payment of Claims. Except where this Agreement has been terminated pursuant to Section 6.3B above, to the extent Claims have been filed with DHHS by the NASBMC on the Member's behalf and relate to Administrative Outreach and Case Management Services provided by the Member during the Term of this Agreement, the NASBMC agrees that to the extent it receives payment for such Claims, the NASBMC will, notwithstanding the fact that this Agreement has been terminated or expired, nevertheless distribute the amounts so received, net expenses, to the Member in conformity with this Agreement.

Section 7. Indemnification. The Member hereby agrees to indemnify and hold the NASBMC and its officers, directors, employees, agents and representatives harmless from any and all liabilities, losses, damages, penalties, fines, costs or expenses (including without limitation court costs and reasonable attorneys fees) to the extent the same are

incurred in connection with any demand, suit, audit, investigation or other proceeding and arise out of or relate in whole or in part to: (i) any act or omission of the Member or any of its board members, officers, employees, agents or representatives which occurs in the course of the Member's performance of this Agreement; or (ii) failure by the Member to observe or perform any obligation, undertaking or agreement required to be observed or performed by the Member pursuant hereto.

Section 8. Budgeting and Finance. The Board of Directors of NASBMC will establish a budget covering the operations of NASBMC each year, on an annual basis. To the extent the costs and expenses of operating NASBMC are not otherwise paid or provided by outside sources, including, without limitation, the Nebraska Association of School Boards, said costs and expenses will be financed by the Members and, unless otherwise agreed in writing, will be pro-rated based on the ratio which the paid Claims that are distributed to each Member by the NASBMC for the immediately preceding calendar year bear to the aggregate Claims paid to all of the Members by NASBMC for such year.

Section 9. Levying, Collecting and Accounting of Tax. NASBMC will not levy or collect any taxes authorized under Nebraska law.

Section 10. Amendment. This Agreement may be modified only by a written amendment duly executed by both the Members and the NASBMC. No alteration or variation of the terms and conditions of the Agreement shall be valid or binding unless made in writing and signed by both the Members and the NASBMC. Every amendment shall specify the date on which its provisions shall be effective.

Section 11. Assignment. Neither the Member nor the NASBMC may assign or transfer any of its or their interest, rights, or duties under this Agreement to any person, firm or entity without prior written consent of the other party to this Agreement, which consent may be granted or withheld by the other party in its sole discretion. In the absence of such written consent, any such assignment or attempted assignment shall be invalid and shall constitute a breach of this Agreement.

Section 12. Governing Law. This Agreement shall be subject to, governed by, and construed according to the laws of the State of Nebraska, without regard to principles of conflicts of laws.

Section 13. Entire Agreement. This written Agreement and the Intergovernmental Agreements and consulting contracts contemplated herein represent the entire agreement of the parties with respect to the subject matter hereof, and any prior or contemporaneous

representations, promises, or statements by the parties that are not expressly incorporated herein or therein shall not serve to vary, contradict, augment, modify or supplement the terms set forth in this Agreement.

Section 14. Survival. All rights, remedies, obligations, and all covenants and agreements set forth in this Agreement which by their terms require or contemplate performance which is to extend or occur after the expiration or termination of the Agreement shall survive the termination or expiration of the Agreement and shall remain in effect and be enforceable as between the parties hereto in accordance with the terms.

Section 15. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original, and all shall constitute one and the same instrument.

IN WITNESS WHEREOF, the undersigned have signed this Agreement fully intending the same to be binding upon themselves and their respective trustees, receivers, successors and permitted assigns.

Dear Tim:

It is once again time to verify the information upon which the NASB Awards of Achievement as well as the Outstanding Board Awards are based. Enclosed are the NASB records of your board's participation in 2010-2011 board development activities. **It would be greatly appreciated if you would have your board members review this information, make corrections and/or additions where necessary, and return the forms with additions or corrections to me by July 29. Only forms that have changes made to them need to be returned.**

You may refer to the program information to determine points for each event attended and for the points needed to qualify for the various levels of awards. It is very important that the point totals be accurate since these figures are the basis for the awards, which will be presented at our fall Area Membership Meetings. Please note if any of your board members have had previous years of service on your board or on another board, indicate the timeframe and school district on their individual sheets so any past award points can be added to their beginning balance.

The District Award Certificate will be available only upon request. The Certificate will list all of your board members with the level of achievement each has earned. If you would like a District Award Certificate for display in your boardroom, please e-mail me at zmcmaman@nasbonline.org.

Thank you for taking the time to help us with this project. If you have any questions, please contact me at 402-423-4951 or 800-422-4572.

Sincerely,

Zoe McManaman

Monthly re: Minder

A monthly electronic update for school leaders of
the Nebraska Association of School Boards

July 2011

We realize that July 1 is a time of transition in many school districts as they welcome new superintendents for the 2011-12 school year. Please make sure to update NASB's database online to reflect the new contact information for your district's chief administrator. This will help us keep everyone updated with the latest information about NASB's programs, services, and advocacy efforts.

Now that the 2011 Legislature has adjourned for the year, it is time to turn our attention to the 2012 legislative agenda for NASB. The May *NASB School Leaders' Bulletin* contains a request for proposals for next year's legislative resolutions and standing positions. That proposal form is on the NASB website under "Government Relations." The Legislation Committee will meet on July 16 to begin sorting through member proposals and will ultimately forward its proposals to the NASB Board of Directors. The membership will get a final say on the shape of the NASB positions at the Delegate Assembly, which is scheduled on Friday, Nov. 18 at the La Vista Embassy Suites Conference Center. **The deadline for submitting a legislative resolution or standing position proposal is July 8.**

The NASB School Finance Workshop is being planned for July 20. It will originate from ESU 10 in Kearney, but be broadcast to several locations throughout the state on the ESU Videoconference network. The evening workshop will include a thorough discussion with NDE Finance experts Bryce Wilson and Russ Inbody, and will include a panel discussion with school business officials about strategies to manage a school budget in a time of state aid stagnation and tight spending limitations. Registration forms have been sent to all members, and online registration is now available at www.nasbonline.org. This is the first workshop for which members may redeem the NASB Rewards certificates for a free workshop registration.

Do you know a board member whose service deserves statewide recognition? The Ann Mactier Award is jointly sponsored by the Nebraska Association of School Boards (NASB) and the Nebraska State Board of Education to recognize local school board members for their policy leadership and contributions to curriculum and instruction in Nebraska public schools. The Ann Mactier Leadership for Learning Award Selection Committee will review all applications and select an honoree. The deadline for nominations is Sept. 1 and the winner will be recognized at the NASB/NASA State Education Conference in November. **Nomination forms are available in the "Board Development" section of the NASB website.**

Looking ahead, please take the time to visit the NASB website and review the dates for the 2011 NASB Area Membership Meetings. The NASB staff and President Richard Zimmerman will be hitting the road in August and September to present nine meetings across the state. As always, we will have skill-building sessions, a General Session with the members of the NASB Board of Directors, and an awards presentation. Perhaps most valuable to many is the opportunity to visit with other school board members and superintendents from your area of the state. Registration forms have been sent to all NASB members and is available online at www.nasbonline.org. Districts may also redeem their NASB Rewards certificates for free registration to these meetings.

Please make sure to complete your review the Awards of Achievement accounting sheet that we sent to all NASB members over the past month. This form reflects the records we have for board member activities which qualify them for Award of Achievement points, and are the basis for the awards which are presented as part of Area Membership Meetings. Make sure your board members are getting full recognition for all of their efforts to develop their board skills. If you have questions about the Awards of Achievement process contact Zoe McManaman at zmacmanaman@nasbonline.org.

July 6, 2011

From the Executive Directors of the NASB, the NCSA, and the NSEA:

The Educator's Health Alliance has announced a "premium holiday" for the month of December 2011 which, with some exceptions, will allow school districts and ESUs having an EHA group health and dental insurance plan to forego payment of the December premium - a substantial savings. In these tight economic times, this is a good thing for both employers and employees.

EHA requires that employer districts or ESUs submit an approval form (found on the EHA website) in order to participate in the premium holiday. That form requires the signature of both a representative of the school district/ESU and a representative of the bargaining unit or units recognized by the school district covered by the EHA group plan. The school districts/ESUs and local bargaining unit(s) will likely want to meet, confer, and reach agreement on how to take advantage of the premium holiday.

Discussions in individual school districts/ESUs on how best to use the savings from this premium holiday will depend in part on the structure of compensation negotiated for the 2011-2012 contract year, and the educational and financial circumstances and goals of the school district/ESU and the bargaining units, with the caveat that any such agreement should reflect the one-time nature of the premium holiday.

We urge you to take advantage of this unique opportunity.

Sincerely,

Michael Dulaney
NCSA Executive Director
