ii. Upon determining that a person or group has engaged in, or is engaging in conduct that constitutes grounds for exclusion under this policy, the superintendent shall take such action as he or she determines appropriate, including directing the person to cease engaging in the conduct or to leave the school premises or activity immediately. The superintendent may request assistance from law enforcement authorities to remove an offending person from the school grounds. A person who enters school premises in violation of these conditions shall be deemed to be trespassing.

iii. The superintendent shall have the authority to fix the time when, and the conditions under which, the offending person may return to school premises.

6. Students, faculty, and community members may use or lease school equipment for non-school use only if they have received the prior permission of the superintendent.

#### 7. Proof of Insurance

a. When any non-curriculum related or non-student group utilizes school district facilities, the group submitting the facility use application may be asked to provide proof of insurance up to the current tort claims limits applicable to political subdivision in the State of Nebraska. Currently, those limits are \$1,000,000 per person for any number of claims arising out of a single occurrence and \$5,000,000 for all claims arising out of a single occurrence.

b. The district may require the non-curriculum related or non-student group to include the district as an additional insured on any such policies and may refuse access to its facilities until proof of satisfaction of this requirement is submitted to the superintendent.

#### 8. No Fees for Admission

a. Non-curriculum related and non-student groups may not charge a fee to participate in or be a spectator at any recreational activity, event, or other such gathering occurring on district grounds unless approved in

advance by the superintendent.

- b. If the district retains control over the area of the premises in which the non-curricular and non-student group desires to use, meaning the district provides supervision, staffing, custodial services, or otherwise maintains its control during the group's use of the facilities, the group may not charge a fee for admission under any circumstances.
- c. Non-curricular and non-student groups may charge for parking or vehicle entry onto the premises unless otherwise prohibited by the superintendent.

AGREEMENT ON TERMS AND  
CONDITIONS OF EMPLOYMENT  
BETWEEN  
CENTENNIAL SCHOOL DISTRICT 67R  
AND  
CENTENNIAL EDUCATION ASSOCIATION

This agreement is made and entered into by and between the Board of Education of the Centennial School District, Number 67R, of Seward County, Nebraska, (hereinafter referred to as the "Board") and the Centennial Education Association (hereinafter referred to as the "Association").

PHILOSOPHY

The Board and the Association firmly believe that the primary function of the Board and its professional staff is to assure each boy and girl attending the Centennial Public School an effective educational program. The Board recognizes that teaching is a profession. The Board and Association believe that the objectives of the educational program are realized to a high degree when mutual understanding, cooperation, and effective communications exist between the Board and its teaching staff.

PRINCIPLES

1. TEACHING PERSONNEL. It is recognized that members of the teaching staff require specialized qualifications and that the success of the educational program in Centennial Public School, District 67R, depends upon the maximum utilization of the abilities of teachers who are reasonably well satisfied with the conditions under which their services are rendered.
2. RIGHT TO JOIN OR NOT JOIN. It is further recognized that teachers have the right to join, participate in, and assist the Association, and the right to refrain from such, but membership shall not be a prerequisite for employment or continuation of employment of any employee.
3. RIGHTS OF MINORITIES AND INDIVIDUALS. The legal rights inherent in the State School Code and in the rulings and regulations of the Department of Education affecting certificated personnel are in no way abridged by this agreement.

AREAS FOR DISCUSSION AND AGREEMENT

This recognition constitutes an agreement between the Board and the Association to attempt to reach mutual understandings regarding salaries, fringe benefits, and related employment conditions. The Board and the Association recognize that the Board is the legally constituted body responsible for the determination of policies covering all aspects of the Centennial Public School system. The Board recognizes that it must operate in accordance with all statutory provisions of the state, and such other rules and regulations as are promulgated by the Department of Education in accordance with such statutes. The Board cannot reduce, negotiate, or delegate its legal responsibilities.

## IMPLEMENTATION

This recognition agreement shall supersede all previous recognition agreements and shall become effective upon its approval by the Association and the Board. Nothing contained in this agreement shall be construed to deny either party any constitutional or statutory rights.

## GRIEVANCE PROCEDURE

**DEFINITION OF GRIEVANCE.** A grievance is an allegation by an employee or group of employees that there has been a violation of a provision of the negotiated agreement or a policy of the board of education.

**PROCEDURAL STEPS.** The procedure for handling grievances is as set forth below.

**STEP 1 - NOTICE TO PRINCIPAL.** The grievant shall initiate the grievance by presenting it to his or her principal or immediate supervisor in writing within ten (10) days from the date that the grievant knew or should have known of the incident giving rise to the grievance. The written notice must include the description of the facts of the grievance, a list of witnesses, relevant documents and the requested resolution.

**STEP 2 - WRITTEN GRIEVANCE TO THE PRINCIPAL.** If the grievance is not resolved to the satisfaction of the grievant within five (5) days of the meeting with the principal, the grievant representative may present the grievance in writing to the principal. The failure to present the grievance within five (5) days shall result in the waiver of the grievance.

The principal shall schedule a meeting within three (3) days of the receipt of the written grievance to discuss the elements of the grievance. The principal shall submit his or her determination in writing to the grievant within five (5) days of the meeting.

**STEP 3 - WRITTEN APPEAL TO THE SUPERINTENDENT OF SCHOOLS.** If the determination of the principal is not satisfactory to the grievant, the grievant may appeal it to the superintendent of schools or his or her designated representative. Said appeal shall be presented, in writing, to the office of the superintendent of schools within five (5) days of receipt of the principal's determination. The appeal shall be based on, and limited to, the facts produced at Step 1 and 2..

The superintendent of schools or a designee shall hold a formal meeting within seven (7) days of receiving the written appeal. The superintendent of schools or a designated representative shall make a written determination regarding the grievance within five (5) days of the date of the meeting.

**STEP 4 - APPEAL TO THE BOARD OF EDUCATION.** If the determination of the superintendent of schools is not satisfactory to the grievant, the grievant may appeal it to the board within five (5) days of receipt of the superintendent's decision. The appeal shall be based on, and limited to, the facts produced at Step 1 and 2. The board shall hear the grievance within thirty (30) days in open or closed session in accordance with the law. The board shall notify the grievant of its decision within five (5) days of hearing the grievance.

**WRITTEN PRESENTATION.** All grievances presented at Step 2 and subsequent steps of the procedure shall set forth in writing all facts giving rise to the grievance, the provision(s) of the Agreement or policy alleged to have been violated, the names of the grievant(s), the names of all

**ASSOCIATION REPRESENTATION.** A grievant shall have the right to have an Association representative present to represent the grievant at each level of the grievance procedure.

**REPRISALS.** No reprisals of any kind shall be taken against any employee who uses this grievance procedure in good faith.

**WITHDRAWAL OF A GRIEVANCE.** A grievant may withdraw his or her grievance at any level of the procedure without fear of reprisal from any party

**ADVANCED STEP FILING.** A grievance shall be filed initially at the level at which the decision resulting in the grievance was made.

**TIME LIMITATIONS.** Time limitations herein are critical. All references to days are to contract days. No grievance shall be accepted by the district unless it is submitted or appealed within the time limits set forth in this Agreement. If at any time during the grievance process, it is discovered that the grievance was not filed or appealed in a timely manner, the grievance shall be dismissed. If the grievance is not submitted in a timely manner at Step 1 or Step 2, it shall be deemed to be waived. If the grievance is not appealed to Step 3 in a timely manner, it shall be deemed to have been settled in accordance with the district's Step 2 determination. If the district fails to answer within the time limits set forth in this Agreement, the grievance shall automatically proceed to the next step.

When the deadline for taking an action falls on a Saturday, a Sunday or a legal holiday, the time for taking the action shall be extended to the next working day.

## PROVISIONS FOR LEAVE

### A. SICK LEAVE AND PERSONAL LEAVE

1. Each certified employee shall be granted 11 days of sick/personal leave each year. First year certificated employees shall be granted eleven (11) days of sick/personal leave the first day of their employment. Proper leave requests forms must be completed. The general reason for the leave must be specified on the form (personal, illness, etc.) as the district is required to report types of teacher leave to NDE.

- a. Leave requests must be taken in full or half day increments. Early leave requests or requests to leave for short periods of time shall accrue toward used leave time.
- b. Adequate notice: employees must submit a leave request form a minimum of 5 working days in advance of the leave date for professional and personal leave, as well as for other types of leaves. In the case of an emergency or illness, the employee shall contact their principal directly.
- c. Leave requests are subject to: availability of substitute teachers, adequate notice to employers, restrictions on use of leave to extend vacations, and providing enough non-substitutes in the building to maintain an orderly environment. If four or more teachers are absent from the building on any given day for pre approved leaves or activities, personal leaves will be denied. Also, additional leave requests may be granted within reason at the discretion of the superintendent.
- d. No personal leave may be taken the first or last day of school, or to extend a vacation period, or on scheduled days of parent-teacher conferences or full day in-services. Teachers will be docked the equivalent of the daily substitute pay rate for these days.
- e. Staff members are strongly encouraged not to take leave during the first two or last two weeks of a school year. However, leave may be granted at the discretion of the superintendent.
- f. Unused leave shall be accumulated from year to year to a limit of 50 days. Once leave is accumulated, the leave can only be used for accident, illness, medical emergencies, or bereavement (after the current year's days are exhausted) of the immediate family. Immediate family is defined as: husband, wife, children, parents, grandparents, grandchildren, brothers, sisters, or in-laws of the same.
- g. An employee who is absent from work beyond the amount of their annual sick/personal leave plus their accumulated sick leave days shall have one day of their salary deducted for each day that the employee is absent beyond total leave days available at their daily rate of pay. The superintendent has the authority to grant additional leave at full pay deduction (1/185 of contracted amount, if the calendar calls for 185 contract days) if they feel it is a warranted leave request.
- h. Teachers contracted to teach a minimum of .5 FTE will receive a prorated leave benefit. Temporary employees and part time employees (less than ½ time) shall not be entitled to leave privileges unless specifically stated.

2. In any case of Sick leave, the Board and/or Administration may require a physician's statement attesting that the teacher is not medically able to carry out regularly assigned duties. If the administration has reasonable cause to believe that a teacher who is performing or attempting to perform his/her regular assigned duties is not medically able to do so, the administration may require that teacher to obtain a physician's statement that the teacher is medically able to carry out his/her regular assigned duties. If a teacher can anticipate the need for Sick leave, it is requested that the teacher notify the administration as soon as possible and attempt to reach agreement on the time and duration of the leave.

3. Any teacher who has fewer than twenty (20) days of available leave at the beginning of any contract year shall have available the necessary advance credit Sick leave, consisting of

Sick leave days to be earned in the next year of employment, to bring the available leave up to twenty (20) days (including the ten (10) days available for that contract year). No more than ten (10) days may be advanced from a future year. If a teacher uses advance credit Sick leave and then leaves the employment of the district prior to such time that the normal accumulation of the ten (10) annual days shall have eliminated the deficit, the Board, at its discretion, may require monetary reimbursement for the Sick leave advanced but not earned at a rate of 1/185 of the salary of the latest teaching contract for each such day. When the "excess" days involve extra duty missed, the reimbursement shall include that portion of the pay for that extra duty that has the same ratio to the total pay as the days missed bears to the total duty days for that extra duty assignment. Such reimbursement shall be deducted from the final salary check.

5. UNUSED SICK/PERSONAL LEAVE DAYS.

In the event that teachers have unused sick/personal days they will be: transferred to the sick bank, or turned in for reimbursement at the rate of \$30 per day.

6. SICK LEAVE DONATION

During the school year any teacher may, at the teacher's discretion, donate not more than two (2) days, nor less than one-half (½) day of Sick leave to another employee who is in need and has exhausted all of his/her Sick leave due and personal leave due to an illness or other extreme circumstances. These extreme circumstances are subject to the approval of the superintendent and the Centennial Education Association President. The maximum total number of days any teacher can donate in a school year is two (2) days. The total of such donated Sick Leave to the employee needing Sick leave shall not exceed that total of the accumulated Sick leave of that employee at the beginning of the school year (including those days for the current school year.) The total available Sick leave may not exceed an accumulated amount of 50 days (this includes both the employee's Sick days and donated days) unless approved by the Board of Education. Donated Sick leave must be submitted on a school district request form and filed in the superintendent's office no later than five (5) working days after that recipient has returned to work. Donated Sick leave shall be drawn in the order of the date received in the superintendent's office. A drawing shall be conducted to determine the order of usage if the donations are received on the same day and fit the criteria listed herein.

C. PROFESSIONAL LEAVE

It is recognized that attendance at professional meetings in a staff member's subject area is beneficial. It is also recognized that school district funds are limited. All professional leave requests must be approved by the principal or superintendent. Reimbursement for the above will be provided as follows:

- \*1. Scheduled mileage rate
- 2. Registration cost
- \*3. Meal reimbursement with receipts
- \*4. Lodging reimbursement with receipts

\*Mileage rate and allowances will be determined by the Board of Education for each school year.

Coaches attendance at state competitions when Centennial is not competing shall be considered professional leave when their teams are not competing in the competition. Head varsity activity coaches will be granted leave, without loss of pay, to attend state tournament contests in their coaching activity. All assistant varsity activity coaches may be granted one day of leave, without loss of pay, to attend state tournament contests in their coaching activity providing adequate substitutes can be found. (for example

assistant coaches might be required to stagger their days so that not all coaches are absent from their duties on the same day.) Coaches attendance at state competitions do not qualify for any reimbursements.

D. BEREAVEMENT OR FUNERAL LEAVE

Employees shall be entitled to leave with pay for a maximum of five (5) contract days per event of the death of the employee's spouse, child, parent, mother/father-in-law, grandparent, sibling, sister/brother-in-law, or any other family member who resides in the same home as the employee.

Certified Staff will be granted two days for other requested bereavement leave during the contract period. If more than two days are needed, the leave may be extended by using sick/personal leave.

## SALARY SCHEDULE POLICY

- A. SALARY BASE. . . . . \$38,200
- B. VERTICAL INCREMENT . . . . . 4 Percent
- C. HORIZONTAL INCREMENT . . . . . 5 Percent
- D. SALARY SCHEDULE PLACEMENT

Upon their initial hire, employees new to the school system shall be credited with all of their acceptable prior years of teaching experience.

- E. SALARY SCHEDULE ADVANCEMENT

Teachers will advance one vertical step per full time year until they reach the maximum number of steps in the column.

Any teacher reaching the maximum step on the salary schedule, either horizontally or vertically, will remain there until approved horizontal movement is achieved. Any teacher within the system who has reached such "frozen" status at the bottom of a column will not be permitted to advance more than one step vertically as a result of horizontal movement.

In order to obtain credit for horizontal advancement on the salary schedule beyond the BA degree, a teacher must, with prior administration approval, present credit hours earned as a part of a planned graduate program at an institution whose graduate program is approved by the state in which the institution is located and leading to a Master's degree within an area to which the teacher is assigned.

Any teacher in the system may ask for prior administration approval for any course he/she feels would be of benefit to the school district. If approval is granted for any undergraduate credits, said credit will be allowed only up to and including the BA +27 column. Any further advancement must be with an accumulated total of approved graduate hours. (In order to reach the BA +36 or Master's step, all 36 hours must be approved graduate hours.)

Any teacher who is asked to take any course by the administration or Board of Education will be given horizontal advancement credit for said course or courses for the duration of the teacher's tenure in the school system.

It is the teacher's responsibility to furnish the superintendent of schools with evidence of additional graduate and/or undergraduate hours that will allow for horizontal movement on the salary schedule by August 15 of the approaching school year. May 15 is the eligibility deadline for teachers to advise the superintendent of plans to move horizontally on the salary schedule for the following school year.

- F. EXTENDED DUTY ASSIGNMENT

Any teacher with assigned duties beyond the normal number of contract days (extended contract), not covered on the extra duty schedule, shall be paid additional compensation that shall be mutually agreed upon between teacher and Board, not to exceed that teacher's daily rate

G. LENGTH OF CONTRACT PERIOD

Any change in the number of teacher duty days in the contract period shall be set and announced prior to the conclusion of the negotiations for that year.

H. TEACHER LOAD

Secondary teachers shall ordinarily have one of the regularly scheduled class periods free for planning purposes. If by mutual agreement between a teacher and the administration that teacher agrees to teach the remaining period, there shall be additional compensation to be mutually agreed upon, not to exceed fourteen (14) percent of the amount indicated for that teacher's position on the salary schedule.

Elementary teachers shall have an amount of planning time approximately equal to the amount of time given to secondary teachers. Elementary teachers who, by mutual agreement with the administration, accept duties that would be considered extra or beyond a normal elementary duty load shall receive additional compensation to be mutually agreed upon, not to exceed an amount that has the same ratio to the amount indicated for that teacher's position on the salary schedule as the amount of extra duty time per week has to the amount of duty time in a normal teaching week. Teaching duty time is defined as that time between the beginning of classes in the morning and the dismissal of classes in the afternoon, excluding the time provided for lunch.

Coverage Time Compensation - When a Certified Contracted Employee is asked to and agrees to cover another Certified Contracted Employee's class(es) during their plan period, the Certified Contracted Employee shall be compensated \$10 per class period.

I. SALARY PAYMENTS

All salaries shall be paid in twelve (12) equal payments on the 15th of each month beginning in September. If the 15th falls on a weekend or on a school holiday, payment shall be on the last school day prior to the 15th.

J. CERTIFICATE REGISTRATION

Teachers must have a current certificate registered in the office of the superintendent. A photo-copy of the certificate shall be placed in the teacher's permanent file. Both must be accomplished in order for the teacher to receive a paycheck.

K. HEALTH INSURANCE

The board shall, at district's expense, provide for all teachers a health care program as provided by the Educators Health Alliance under its \$0 Deductible Alternative Network Health Coverage and also single dental for the PPO – 80% A & B with 50% C dental coverage, or shall in its discretion provide coverage which matches in all respects.

Part Time Teachers: For any teacher who works less than full time but at least half time will receive the same ratio to the full premium as the portion of time worked has to full time. (Example: For a ½ time teacher the Board will reduce its participation in the premium to ½ the full appropriate premium.) The part time teacher shall elect to pay the remainder of the premium by payroll deduction or to waive the insurance benefits entirely.

When both spouses are employed by Centennial Public School, they may elect one of the

above health plans plus dental coverage to match that plan. (Example: If the employees select the plan covering Employee, Spouse and Children they will receive dental coverage for Employee, Spouse & Children.)

L. LONG TERM DISABILITY INCOME PROTECTION INSURANCE

The District will pay all teachers the amount of LTD premium cost: this amount will then be deducted from all teachers' checks to pay the LTD premium. By doing this, any benefits received will be non-taxable to the employee.

M. REDUCTION-IN-FORCE POLICY

Any change in the reduction-in-force policy to be used in a succeeding year shall be established and announced prior to the conclusion of the negotiations for that year.

N. SAFETY COMMITTEE

The Superintendent or his/her designee will select staff members as needed and appropriate to serve on the Safety Committee.

O. REIMBURSEMENT FOR COMPLETING GRADUATE HOURS TO TEACH DUAL CREDIT COURSES

In the event that the district requests that a teacher get certified to teach dual credit, the district will reimburse the teacher's tuition at the tuition rate for a Nebraska public college or university for courses needed to qualify as a dual credit teacher upon successful completion of each course. If the courses necessary to qualify to teach dual credit courses are not available at a public institution the teacher may apply for reimbursement at the private college rate. Tuition reimbursement for courses taken through a private college or university must be approved in writing in advance. If the teacher is in a program that reimburses all or part of the tuition for these, Centennial will reimburse the teacher the unpaid balance of the tuition.

If the teacher elects to use dual credit qualifying college credit for movement on the salary schedule, the district will reimburse the teacher for 75% of the tuition needed upon successful completion of each course. If the teacher is in a program that reimburses the teacher, the district will reimburse the teacher for tuition the difference.

If a teacher leaves the district before the end of the three years, the district will be reimbursed one-third of the tuition per year not served. (i.e. If a teacher left after one year, he or she would be required to reimburse the district for two-thirds of the tuition that was paid them.)

Each dual credit teacher will be paid a \$500 stipend per dual credit class taught. The stipend will be paid in the July paycheck.

P. SUMMER HOURS FOR COACHES

Coaches will receive the following amounts for summer work with student athletes. All hours must be **pre** approved by the Activities Director. This does not include supervising the weightroom.

Head Coaches

20 - 39 Hours                      1% of base

40 - 59 Hours	2% of base
60+ Hours	3% of base

Assistant Coaches

S. MANAGEMENT RIGHTS

Anything herein to the contrary notwithstanding, the Board, except as is expressly provided in this Agreement, reserves exclusively unto itself all the rights, powers, discretion, authorities, and prerogatives vested in it, whether exercised or not; and nothing herein shall be construed in any manner as constituting a delegation or waiver of any rights, powers, discretion, authority or prerogative so vested in the Board its designees.

T. WAIVER OF BARGAINING RIGHTS AND AMENDMENT TO AGREEMENT

During the negotiations resulting in this Agreement, the District and the Association each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter as to which any state or federal law imposes an obligation to bargain, including but not necessarily limited to, the Industrial Relations Act (NEB. REV. STAT. §§ 48-801 through 48-839). Except as specifically set forth elsewhere in this Agreement, the District expressly waives its right to require the Association to negotiate, and the Association expressly waives its right to require the District to negotiate over all matter as to which state or federal law imposes an obligation to bargain, whether or not: (a) such matters are specifically referred to in this Agreement; (b) such matters were discussed between the District and the Association during the negotiations which resulted in this Agreement; or (c) such matters were within the contemplation or knowledge of the District or the Association at the time this Agreement was negotiated and executed. ## 4003 Drug Policy Regarding Drivers

**Policy Statement.** Drivers for the school district must be free from drug and alcohol abuse, and the use of illegal drugs or improper use of alcohol is prohibited. The overall goal of drug and alcohol testing is to insure a drug-free and alcohol-free transportation environment, and to reduce accidents, injuries and fatalities.

**Designated Contact.** The school district has designated the Superintendent as the individual any driver may contact with questions about this policy or the school district's drug testing program and procedures for drivers. This individual further maintains and will provide drivers informational materials concerning the effects of alcohol and controlled substances use on an individual's health, work, and personal life; signs and symptoms of an alcohol or a controlled substances problem (the driver's or a co-worker's); and available methods of intervening when an alcohol or controlled substances problem is suspected, including confrontation, referral to any employee assistance program and/or referral to management.

**Covered Drivers.** Any person who operates a commercial motor vehicle on behalf of the school district is covered by this policy and the school district's drug testing program and procedures for drivers. All covered drivers must provide the school district a signed statement certifying that he or she has received a copy of this policy and related materials.

**Covered Workday.** A driver is required to comply with this policy and the terms of the school district's drug testing program and procedures for drivers at all times they are assigned, or may be assigned, to perform safety-sensitive functions. This includes all time from the time a driver begins to work or is required to be in readiness to work until the time he/she is relieved from work and all responsibility for performing work. Safety-sensitive functions include: (1) all time at a school district facility or property, contractor facility or property, or on any public property, waiting to be dispatched, unless the driver has been relieved from duty by the school district; (2) all time inspecting equipment as required by state or federal law or regulation and any and all other time inspecting, servicing, or conditioning any commercial motor vehicle; (3) all time spent at the driving controls of a commercial motor vehicle in operation; (4) all time, other than driving time, in or upon any commercial motor vehicle; (5) all time loading or unloading a vehicle, supervising, or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle, or in giving or receiving receipts for shipments loaded or unloaded; and (6) all time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

**Prohibited Conduct.** No driver shall: (1) report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater; (2) use alcohol while performing safety-sensitive functions; (3) perform safety-sensitive functions within four hours after using alcohol; or (4) refuse to submit to a pre-employment controlled substance, a post-accident alcohol or controlled substance test, a random alcohol or controlled substances test, a reasonable suspicion alcohol or controlled substance test, a return-to-duty alcohol or controlled substances test, or a follow-up alcohol or controlled substance test required under state or federal law or this policy. No driver required to take a post-accident alcohol test shall use alcohol for eight hours following the accident, or until he/she undergoes a post-accident alcohol test, whichever occurs first.

No driver shall: (1) report for duty or remain on duty requiring the performance of safety sensitive functions when the driver uses any drug or substance identified in 31 CFR 1308.11 Schedule 1; (2) report for duty or remain on duty requiring the performance of safety-sensitive functions when the driver uses any non-Schedule I drug or substance that is identified in the other Schedules in 21 CFR part 1308 except when the use is pursuant to the instructions of a licensed medical practitioner who is familiar with the driver's medical history and has advised the driver that the substance will not adversely affect the driver's ability to safely operate a commercial motor vehicle; or (3) report for duty, remain on duty or perform a safety-sensitive function, if the driver tests positive or has adulterated or substituted a test specimen for controlled substances.

**Types of Testing.** Pursuant to regulations promulgated by the Department of Transportation (DOT), the district has implemented four types of testing: (1) pre-employment testing, (2) reasonable cause testing, (3) post-accident testing and (4) random testing.

**Refusal to Submit to Testing.** A driver shall not refuse to submit to testing. A driver will be considered to have refused to submit to testing if the driver fails to provide a sample or specimen necessary for testing upon a lawful request, consistent with the required testing protocols. The refusal to submit to the testing used by the district will be grounds for refusal to hire driver applicants and to terminate the employment of existing drivers.

**Consequences for Violations.** Any driver who becomes unqualified on the basis of violation of the terms of this policy will be subject to disciplinary action which may include termination of the driver's employment, and shall include the immediate removal from safety-sensitive functions in compliance with federal law. No driver tested pursuant to this policy and the school district's

drug testing program and procedures who is found to have an alcohol concentration of 0.02 or greater but less than 0.04 shall perform or continue to perform safety-sensitive functions until the start of the driver's next regularly scheduled duty period, but not less than 24 hours following administration of the test.

**Return to Duty Process.** A driver who has violated this policy or the school district drug testing program and procedures cannot again perform any safety-sensitive functions until and unless the employee completes the return-to-duty process, including the substance-abuse professional's (SAP) evaluation, referral, and recommended education or treatment. The school district will provide employees the relevant contact information for available and acceptable SAPs as necessary, but the school district is not required under the law to provide a SAP evaluation or any subsequent recommended education or treatment for a driver. Any driver completing the return-to-duty process must complete a return-to-duty test and test negatively.

**Disqualification.** Any applicant who tests positive for the presence of the following drugs is medically unqualified to drive and will not be considered for the position of driver: (1) marijuana, (2) cocaine, (3) opiates, (4) amphetamines, or (5) phencyclidine (PCP). Any district driver who tests positive shall be medically unqualified and removed from service immediately.

**Pre-employment Testing.** All applicants for employment must submit to drug and alcohol tests as a condition of being considered for employment.

**Reasonable Cause Testing.** The district shall have reasonable cause to require a driver to submit to drug testing when a driver manifests physical or physiological symptoms or reactions commonly attributed to the use of controlled substances or alcohol.

**Post-Accident Testing.** A driver who has been involved in a reportable accident must submit to drug and alcohol testing as soon as possible. A reportable accident includes any accident in which there is a fatality, a person is injured and must be treated away from the accident site, the driver receives a citation for a moving violation, or a vehicle is towed from the scene. The driver must notify the district immediately regarding any reportable accident.

**Serious Injury to the Driver.** If a driver is so seriously injured that he or she cannot submit to testing at or immediately after the time of the accident, the driver must provide the necessary authorization for the district to obtain hospital reports or other documents that would indicate whether there were controlled substances or alcohol in the driver's system.

**Random Testing.** All drivers will be subject to unannounced random testing for drugs and alcohol. The district or its agents will periodically select drivers at random for testing. A district official will notify a driver when his or her name has been selected and will instruct the driver to report immediately for testing. By its very nature, random selection may result in one driver being tested more than once in a 12-month period, while another driver may not be selected at all during the same 12 months.

**Frequency of Random Testing.** Under DOT regulations, the district must test at least 50 percent of its average number of driver positions for drugs and 25 percent of its average number of driver positions for alcohol each year. The tests must be unannounced and spread evenly throughout the year. DOT regulations also require that every driver selected at random must have his or her name placed back in the random pool for the next selection period.

**Testing Procedure.** All urine and blood specimens collected under the policy will be submitted to an approved laboratory for testing. Specimens that initially test positive for drugs will be subjected to a subsequent confirmation test before being reported by the laboratory as positive. All such specimens collected and submitted will be maintained securely to safeguard the validity of the test results and maintain the integrity of the testing process while ensuring the results are attributed to the correct driver.

**Medical Resource Officer.** All laboratory test results will be reported by the laboratory to a medical review officer (MRO) designated by the district. Negative test results will be reported as such by the MRO to the district. Before reporting a positive test result to the district, the MRO will attempt to contact the driver to discuss the test result. If the MRO is unable to contact the driver directly, the MRO will contact a district official designated in advance by the district, who shall in turn contact the driver and direct the driver to contact the MRO. Upon being so directed, the driver shall contact the MRO immediately or, if after the MRO's business hours and the MRO is unavailable, at the start of the MRO's next business day. If required by DOT regulations, personal information collected and maintained pursuant to this policy shall be reported to the Clearinghouse by the MRO in the event of: (1) a verified positive, adulterated, or substituted drug test result; (2) an alcohol confirmation test with a concentration of 0.04 or higher; (3) a refusal to submit to any test required by this policy and the school district's drug testing program and procedures; (4) an employer's report of actual knowledge that a driver has used alcohol or controlled substances based on the employer's direct observation of the employee, information provided by the driver's previous employer(s), a traffic citation for driving a CMV while under the influence of alcohol or controlled substances or an employee's admission of alcohol or controlled substance use; (5) on duty alcohol use as prohibited

above; (6) pre-duty alcohol use as prohibited above; (7) alcohol use following an accident as prohibited above; (8) controlled substance use as prohibited above; (9) a substance abuse professional report of the successful completion of the return-to-duty process; (10) a negative return-to-duty test; and (11) an employer's report of completion of follow-up testing.

**Confidentiality.** Pursuant to DOT regulations, individual test results for applicants and drivers will be released to the district and will be kept confidential unless the tested individual consents to their release or release is required by law (such as the release of information to the Clearinghouse.) Any person who has submitted to drug testing in compliance with this policy is entitled to receive the results of such testing upon timely written request.

**Retesting.** An individual who tested positive for the presence of drugs may request that the original sample be retested. The request for a retest must be submitted in writing on a form provided by the district within 3 working days of the district's notification to the individual that he or she has a positive test result. The individual making the request must pay all costs associated with the retest and transfer of the sample to another laboratory before the retest will be performed.
