## **GRADUATION REQUIREMENTS**

The Centennial Board of Education believes the many benefits of a high school education cannot be fully realized in less than four years. Further, it views the entire senior year as an important period during which the student should be able to enjoy many experiences providing academic growth and enrichment, exploration of new areas, and social growth and maturity.

All students (grades 9-12) are required to register for and complete a minimum of 60 hours of credit each year. Exception: (Students enrolled in vocal music may register for 56 hours of credit.) All seniors are required to successfully complete a minimum of 45 hours of credit in their fourth year of high school.

Mr. Tim DeWaard  
Superintendent  
Centennial Public School  
1301 Centennial Ave.  
Utica, NE 68456

Dear Mr. DeWaard and School Board members,

I am writing to notify you that I am retiring from my position as the high school Special Education teacher effective at the end of the 2014-2015 school year. I have attached a copy of the Early Retirement Incentive form that has been completed and signed by me.

I appreciate the opportunities and the professional guidance and support with which you, the school board, and other administrators have provided me over the years I have taught here. This was a difficult decision to make because I will miss the students a great deal, but I feel the time has come for me to pursue other endeavors.

If I can be of any assistance during the transition, please do not hesitate to ask.

Best Regards,

Barbara Barth

## EARLY KINDERGARTEN ENTRANCE

~~Commencing in the 2012-13 school year, a~~ A child must be five years of age as of July 31 of the year of entry into kindergarten. The School District ~~may~~ shall admit a child to kindergarten who will reach age of five years on or after August 1 and on or before October 15 of such school year if the parent or guardian requests such entrance and provides an affidavit stating that (i) the child attended kindergarten in another jurisdiction that would allow admission within the current year, (ii) the family anticipates relocation to another jurisdiction that would allow admission within the current year, or (iii) the child had demonstrated through the recognized assessment procedure outlined below and approved by the Board of Education that he or she is capable of carrying the work of kindergarten.

Early kindergarten enrollment exceptions may be made for younger children who are intellectually advanced. At a minimum, eligibility for the exception shall be based upon an analysis of the child's (1) mental ability, (2) emotional/social development, (3) pre-academic skills, and (4) fine motor skills.

The kindergarten early entrance assessment procedures are designed to identify and place those children in kindergarten who:

- a. Will turn 5 years of age between August 1 and October 15 (as verified by birth certificate);
- b. Are deemed by parents or guardians as being intellectually advanced and likely to benefit from advanced grade placement; and
- c. Are selected on the basis of testing by professionals trained and certified to administer the assessments that will produce evidence of strength in:
  1. Mental ability defined as scoring 84<sup>th</sup> percentile or above on a standardized assessment of cognitive ability such as the Wechsler Pre Primary Scale of Intelligence III, or the Stanford-Binet V,
  2. ~~A test of emotional/social development such as the Behavior Assessment System for Children, Second Edition (BASC-2);~~
  3. 75<sup>th</sup> percentile or greater on a two tests of pre academic skills, one in reading and one in math, such as the Woodcock Johnson IV Letter-Word Identification and Applied Problems subtests, and
  4. A test of fine motor ability, scoring 75<sup>th</sup> percentile or above on a standardized measurement such as the Beery VMI.

A student must meet the above criteria in all areas to be considered eligible.

~~The decision regarding early entrance to kindergarten requires careful consideration of all factors that affect kindergarten success with final determination to be made based on the recommendation of the District Evaluation Team. The academic, social, and emotional readiness, as well as the student's physical development and well-being, must be weighed~~

Approved 12-12-11 Reviewed \_\_\_\_\_ Revised \_\_\_\_\_

~~with institutional factors also considered. Sound decision making in the area of early entrance to kindergarten is dependent upon reliable information regarding a student's readiness and a thoughtful balancing of the myriad of factors implicated by the decision.~~ Parents will be notified in writing of the results of the Early Kindergarten Entrance assessment and the determination of the District Evaluation Team in a timely fashion; not to exceed three weeks after the assessments are completed.

It is the presumption of the Board of Education that students will enter kindergarten at the age prescribed by state regulation. The Board of Education understands that students whose birth dates closely miss the cutoff date for school attendance may have educational needs or demonstrated capabilities that warrant early admission to kindergarten.

Families who seek early admission of their child into kindergarten must obtain an *Early Entrance to Kindergarten Packet* from the Elementary School Office located at 1301 Centennial Ave. Utica, NE 68456 or telephone (402) 534-2321.

Parents must fill out the early entrance application forms, which include a parent questionnaire ~~and obtain and attach a reference letter from someone who is well acquainted with the child but not related to any family member.~~ The person providing this reference should know the child well enough that they can speak with some expertise about the child's attributes and abilities. ~~The reference letter should indicate whether this person recommends the child be schooled with children who will be a year older than he/she is; if yes, what evidence would this person provide about the child that speaks to his/her mental ability, pre-academic skills, fine motor ability, and emotional/social development.~~

~~Suggestions for this reference letter are a preschool teacher, a Sunday School teacher, a day care provider, or a physician.~~

~~The assessment request, reference letter and parent questionnaire must be completed and returned to the District no later than May 25<sup>th</sup> of the spring before fall enrollment to allow summer assessment to be completed. Fees for the assessment are the responsibility of the child's family payable to the School District.~~

Decisions regarding early kindergarten entrance must include consideration of the above regardless of race, color, gender, religion, ancestry, national origin, marital status, age, disability, or sexual orientation of children or their families. Institutional factors, such as capacity, may also be considered.
