Ms. Delaware inquired whether the district has a policy regarding social media posts and activity. She referenced policies at her place of employment that prohibit social media posting during work hours and regulate content shared online. Board President Greg Delaney confirmed that the district does have a social media policy in place. Ms. Wolfe commented that she believes the district's social media policy should be more stringent.

Ms. Lamar expressed disappointment regarding staff conduct and stated that she feels there is a lack of murals or visible representation for Native students within the district. Jacey Lamar stated that she had been in the process of

completing a substitute teacher packet but no longer feels that staff and/or students are safe. Superintendent Mr. McCormick responded by assuring her that the district prioritizes safety and that both staff and students are safe. He further stated that the district follows the guidance of the school attorney when addressing personnel matters or other issues. Mr. Delaney added that student and staff safety has been the Board's utmost priority and that the Board continues to strive to maintain a safe environment for all.

Mr. Dameron asked whether community members are permitted to contact school board members directly.
