AGREEMENT
Between
SOUTHWESTERN OKLAHOMA STATE UNIVERSITY
Acting for and on behalf of its
TEACHER EDUCATION PROGRAM
And
BIXBY PUBLIC SCHOOLS
For
TEACHER EDUCATION PROGRAM

THIS AGREEMENT is made and entered into this 1st day of December, 2023, by and between the SOUTHWESTERN OKLAHOMA STATE UNIVERSITY, acting for and on behalf of its Teacher Education Program ("University"), and BIXBY SCHOOLS of TULSA COUNTY, OKLAHOMA ("SCHOOL").

WITNESSETH:

SECTION 1: "SCHOOL" agrees to provide the authorization, supervision and instruction of student teachers completing their student teaching portion of teacher preparation and to provide pre-student teaching observation and participation activity in the Teacher Education Program.

SECTION 2: "SCHOOL" agrees to accept for assignment to cooperating teachers in the public schools a certain number of students enrolled in the University's Teacher Education Program. "SCHOOL" further agrees the cooperating teacher will give direct supervision to the student teacher assigned and will work with a faculty member assigned by the University in directing and evaluating the student teacher experience. "SCHOOL" further agrees to provide student teacher supervision, instruction, mentoring or assistance, as needed by various staff members to enhance and develop the student teacher's ability to effectively educate children in an urban educational environment including, but not limited to, identifying and serving children with disabilities, serving children from diverse socio-economical populations, and serving children with foreign language barriers.

SECTION 3: All arrangements for the placement or removal of student teachers will be coordinated through "SCHOOL" building administrators and University College of Education Director of Field Experiences. If a student teacher fails to comply with the requirements of this Agreement or to perform to "SCHOOL"'s satisfaction, the University will be contacted and so informed. If such issues are not resolved to "SCHOOL"'s satisfaction, the University will, upon written or verbal request by "SCHOOL"' building administrator, immediately remove that student teacher from the school.

SECTION 4: The University and its student teachers will comply with all applicable federal and state laws and regulations and will comply with all "SCHOOL" policies, rules and regulations while on "SCHOOL" premises or performing services under this Agreement. The University and its student teachers will keep confidential and not disclose to any person or entity any records or other documentation, including progress notes which may constitute student records as defined in the Family Educational Rights and Privacy Act unless such disclosure is authorized under the Act or pursuant to court order.

SECTION 5: It is not the intention of the parties to form a joint venture or partnership. This Agreement shall not be construed to create an employment or agency relationship between the University and "SCHOOL" or any of their respective employees, student teachers or agents. "SCHOOL" and the University shall, at all times, act and function pursuant to this Agreement and hold themselves out as independent contractors. The University agrees and affirms that all University employees entering upon "SCHOOL" property under the provisions of this Agreement are and shall be covered by worker's compensation insurance to the extent required by applicable law and that "SCHOOL" shall, in no event, be required to provide such coverage for the University's student teachers and employees.

SECTION 6: "SCHOOL" and the University agree that student safety is a top priority. In an effort to protect the students' safety, the University agrees that it will not place any individual on "SCHOOL" property, whether as a student teacher, officer, agent, employee or contractor if that person has been convicted of a felony or has been convicted of any crime involving moral turpitude. The University hereby certifies that none of its student teachers and none of its employees working on "SCHOOL" property are currently registered or required to be registered under the provisions of the Oklahoma Sex Offenders' Registration Act. The University shall submit written proof to "SCHOOL" that all student teachers and faculty supervisors coming on to "SCHOOL" property have passed background checks prior to their entering on "SCHOOL" property. All University employees and student teachers must have in their possession, at all times, a current photo ID which identifies them as a student teacher or employee of the University and, if required by "SCHOOL", a "SCHOOL" photo ID authorizing access to a specific "SCHOOL" site. If at any time a student teacher or University employee demonstrates actions which are inappropriate or create a disruption within a school, the building administrator may require that such person leave "SCHOOL" property and not return without specific permission of the building administrator, "SCHOOL", and University Director of Clinical Education.

SECTION 7: Neither "SCHOOL", nor its employees, shall receive compensation from the University for services performed under this Agreement in support of the University's Teacher Education Program. The University may, however, with "SCHOOL"'s consent, pay a reasonable and customary honorarium to cooperating teachers or, alternatively, may provide cooperating teachers a tuition waiver to enroll in a University course upon completion of their supervision of a student teacher.

SECTION 8: All notices to be made under this Agreement shall be made in writing and delivered by personal delivery by commercial delivery service, or by certified United States mail, return receipt requested, to the following addresses:

If to the University: Southwestern Oklahoma State University, Department of Education,
Office of the Chair, 100 Campus Drive, Weatherford, OK 73096

If to "SCHOOL": (SCHOOL address)

With a copy to: ("SCHOOL" Superintendent's address)

SECTION 9: This Agreement sets forth the entire agreement between the parties as to the subject matter hereof, and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written.

SECTION 10: This Agreement is for a period of one (1) year beginning _____, and ending _____. Either party may terminate this Agreement, without cause, upon sixty (60) days' written notice. Student teachers enrolled in the University's Teacher Education Program and assigned to a "SCHOOL" site at the time such notice is given will be afforded the opportunity to complete their assignment notwithstanding such early termination.

IN WITNESS WHEREOF, the University and "SCHOOL" have executed this Agreement as of the day and year first written above.

E.L. Achieve®

Partner System Assurances

Systems establishing a partnership with E.L. Achieve commit to building capacity throughout the organization. The Lead (Assistant Superintendent/Director of E.L. Services) will serve as the primary contact and collaborator with E.L. Achieve to lead and sustain implementation of the initiative(s).

Partners agree to:

Participate in Core Services

1. Initial Institute

Learn to implement the initiative

- **Teacher Strand:** Sufficient cohorts for system-wide implementation
- **Instructional Leader Strand:** System and site leaders, including principals, vice principals, and coaches responsible for implementation

2. Annual Spring Symposium

Robust team of system and site leaders – including principals, vice principals, coaches, and teacher leaders – continue to deepen knowledge to sustain the initiative(s)

3. Summer Leadership Seminar

A sufficiently large team, consisting of teacher leaders and instructional coaches who will facilitate ongoing learning and collaboration, build district capacity to support implementation

Commit to Implementation Support

1. Dedicate Resources for Ongoing Support

Provide regular, dedicated time with system and site leaders to take stock of initiative implementation and plan for effectively sustaining the work using *Refining Our Practice* tools.

2. Renew Annual Partnership

Commit to an annual renewal fee to maintain access to online resources – including instructional and planning tools – plus ongoing support from the E.L. Achieve team.

Honor Presenter Agreements

1. Use only E.L. Achieve-certified presenters for in-house institutes.

- Refrain from allowing participants from other systems to attend institutes, either for a fee or gratis.
- Refer requests from other systems for seats in institutes to E.L. Achieve.

2. Support in-house leadership through peer collaboration, consistent use of website resources and tools, and calling upon the E.L. Achieve team, as needed.

Use E.L. Achieve Materials Appropriately

1. Refrain from photocopying or sharing materials and electronic files without permission. This includes PowerPoint files, Google documents, handbook contents, instructional materials, and any document downloaded from or posted on the password-protected website.

If partners would like to post documents on the system's password-protected intranet, they may submit a written request to E.L. Achieve.

2. Ensure that E.L. Achieve product license keys are used only by assigned users (may include leaders, teachers, and/or students).

3. System staff may not offer services using E.L. Achieve materials at conferences or to other systems, either for a fee or gratis.

If partners would like to present at a conference using E.L. Achieve materials, they may submit a written request to E.L. Achieve.

E.L. Achieve will provide:

1. Comprehensive professional development for teachers and administrators to sustain system-wide implementation of Systematic ELD and/or Constructing Meaning
2. Digital and print resources for classroom implementation, including instructional materials, interaction tools, and student resources
3. Access to the E.L. Achieve app with digital products, newsletters, blogs, and continuing learning events, including webinars and annual Symposia
4. Website resources for all institute participants, including videos, tools, and a virtual community of educational experts and peers
5. Readily available, virtual technical assistance to support planning and implementation (e.g., communication and monitoring, ongoing learning sessions, problem-solving, etc.)

Ref: Guaranteed Maximum Price Amendment #13 for BPS Capital Improvements Recommendation Letter

October 27, 2023

Dear Mr. Miller,

Bids for the Bixby Public Schools – Athletic Building were received, and publicly read aloud in the Administration Building on Thursday October 18, 2023. The bidding process was conducted in accordance with the Oklahoma Public Competitive Bidding Act, 61. O.S. 1974, §101. Fifty-four (54) bids were received for twenty (20) packages from Sub-Contractors. All recommended bidder submissions followed Bidding Requirements as defined in the Nabholz Construction Manager's Manual.

Nabholz Construction Corporation recommends that all bid packages, noted as recommended, be accepted.

We have reviewed all bids and it is our recommendation that the identified bidders for each bid package be assigned to Nabholz Construction Corporation. It is our recommendation that a GMP Amendment to our construction management Agreement be approved in the amount of **Nine million, two hundred and ninety-eight thousand, two hundred and sixty-two dollars** (\$ 9,298,262.00). This amount includes monies for all recommended work covered in the bidding documents, project requirements, allowances, permits, and fees. A cost breakdown sheet (Exhibit B) is included.

Thank You,

Jordan Knutson
Project Manager

Contract & Scope Clarifications

1. This GMP includes the Bid Packages for Bixby Public Schools – Athletic Building as specifically shown in the referenced drawings in Exhibit A. This GMP Amendment also includes the General Conditions, General Requirements, and CM Allowances as outlined within the GMP Contract Amendment 13 Exhibit B Financial Breakdown.
2. Sales tax is excluded.
3. Permit fees have been excluded.
4. The Building Permit has not been issued as of the date of this GMP Amendment. Any revisions required could result in adjustments in cost and/or time.
5. Third party testing costs have been excluded.
6. Costs associated with the relocation of ONG's main line have been excluded.
7. This GMP Amendment does not include any of the Alternates.
8. Costs associated with owner furnished items is excluded. Additional funds may be required if additional work associated with this scope by Nabholz (and subcontractors) is needed.
9. The fire alarm system is being bought out by and contracted directly with BPS. All associated costs have been excluded.
10. The following scopes of work have not been bought out as of the date of this Amendment and will be funded by an allowance:
 - a. Doors, Frames, & Hardware (Supply)
 - b. Building Specialties (Supply)
 - c. Doors, Hardware, & Specialties (Install)
 - d. Signage
 - e. Final Clean
11. The Substantial Completion date listed in section 2.3.1 is associated with the HS Academic Building project. The date for the Athletic Building is 9/20/2024 (listed in section 2.3.2).
12. Substantial Completion is subject to change if caused by factors outside of Nabholz' control.
13. Substantial Completion is based on the gas line relocation by ONG to be completed by 11/22/2023. Additional time may be required if this work is not completed by this date.
14. Substantial Completion is based on earthwork and utilities starting on 11/13/2023. If not possible due to delays outside of Nabholz's control (such as permit issuance or owner request), additional time may be required.
15. City, State, Special Testing, and Inspections, as well as all Design or Soft costs are excluded. These may include, but not be limited to the following: Architectural, Engineering, Civil, and other design consultant's fees and design, Geotechnical Investigation, Special Testing and Inspections, Asbestos Remediation, Furniture, Fixtures, Equipment, Technology, Owner's Insurance, Errors and Omissions Insurance, or Offsite Utility costs.
16. Nabholz shall locate all existing utilities but shall not be responsible for any unforeseen conditions. Any utility relocations required due to existing conditions that are not shown on the Construction Documents shall be considered unforeseen conditions.
17. All remediation associated to any potential underground appurtenances and associated soil removal, as well as asbestos, lead or any other material requiring remediation is excluded.
18. Nabholz has included all elements of the Construction Documents unless clarified or agreed elsewhere within this GMP Amendment 13, or the Prime Contract. Should there be any missing elements not detailed or drawn, but intended, there may be cost and time impact.

ARTICLE A.1 GUARANTEED MAXIMUM PRICE

§ A.1.1 Guaranteed Maximum Price

Pursuant to Section 3.2.6 of the Agreement, the Owner and Construction Manager hereby amend the Agreement to establish a Guaranteed Maximum Price. As agreed by the Owner and Construction Manager, the Guaranteed Maximum Price is an amount that the Contract Sum shall not exceed. The Contract Sum consists of the Construction Manager's Fee plus the Cost of the Work, as that term is defined in Article 6 of the Agreement.

ADDITIONS AND DELETIONS:

The author of this document has added information needed for its completion. The author may also have revised the text of the original AIA standard form. An *Additions and Deletions Report* that notes added information as well as revisions to the standard form text is available from the author and should be reviewed. A vertical line in the left margin of this document indicates where the author has added necessary information and where the author has added to or deleted from the original AIA text.

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

AIA Document A201™–2017, General Conditions of the Contract for Construction, is adopted in this document by reference. Do not use with other general conditions unless this document is modified.

§ A.1.1.1 The Contract Sum is guaranteed by the Construction Manager not to exceed Two Million Nine Hundred Eighty Nine Thousand Sixty Eight and 70/100 (\$ 2,989,068.70), subject to additions and deductions by Change Order as provided in the Contract Documents.

§ A.1.1.2 **Itemized Statement of the Guaranteed Maximum Price.** Provided below is an itemized statement of the Guaranteed Maximum Price organized by trade categories, including allowances; the Construction Manager's contingency; alternates; the Construction Manager's Fee; and other items that comprise the Guaranteed Maximum Price as defined in Section 3.2.1 of the Agreement.
(Provide itemized statement below or reference an attachment.)

Refer to Exhibit A

§ A.1.1.3 The Construction Manager's Fee is set forth in Section 6.1.2 of the Agreement.

§ A.1.1.4 The method of adjustment of the Construction Manager's Fee for changes in the Work is set forth in Section 6.1.3 of the Agreement.

§ A.1.1.5 **Alternates**

§ A.1.1.5.1 Alternates, if any, included in the Guaranteed Maximum Price:

Item	Price
N/A	N/A

§ A.1.1.5.2 Subject to the conditions noted below, the following alternates may be accepted by the Owner following execution of this Exhibit A. Upon acceptance, the Owner shall issue a Modification to the Agreement.
(Insert below each alternate and the conditions that must be met for the Owner to accept the alternate.)

Item	Price	Conditions for Acceptance
11-03 - Canopy	Add: \$17,900.00	Within 60 days of this date

§ A.1.1.6 **Unit prices, if any:**

(Identify the item and state the unit price and quantity limitations, if any, to which the unit price will be applicable.)

Item	Units and Limitations	Price per Unit (\$0.00)
N/A	N/A	N/A

ARTICLE A.2 DATE OF COMMENCEMENT AND SUBSTANTIAL COMPLETION

§ A.2.1 The date of commencement of the Work shall be:

(Check one of the following boxes.)

The date of execution of this Amendment.

Established as follows:
(Insert a date or a means to determine the date of commencement of the Work.)

Date as mutually agreed to following permit approval and GMP execution.

If a date of commencement of the Work is not selected, then the date of commencement shall be the date of execution of this Amendment.

§ A.2.2 Unless otherwise provided, the Contract Time is the period of time, including authorized adjustments, allotted in the Contract Documents for Substantial Completion of the Work. The Contract Time shall be measured from the date of commencement of the Work.

§ A.2.3 **Substantial Completion**

§ A.2.3.1 Subject to adjustments of the Contract Time as provided in the Contract Documents, the Construction Manager shall achieve Substantial Completion of the entire Work:

(Check one of the following boxes and complete the necessary information.)

Not later than three hundred ten (310) calendar days from the date of commencement of the Work.

By the following date:

§ A.2.3.2 Subject to adjustments of the Contract Time as provided in the Contract Documents, if portions of the Work are to be completed prior to Substantial Completion of the entire Work, the Construction Manager shall achieve Substantial Completion of such portions by the following dates:

Portion of Work	Substantial Completion Date
N/A	N/A

§ A.2.3.3 If the Construction Manager fails to achieve Substantial Completion as provided in this Section A.2.3, liquidated damages, if any, shall be assessed as set forth in Section 6.1.6 of the Agreement.

UTILITY EASEMENT

KNOW ALL MEN BY THESE PRESENTS:

That the undersigned, Independent School District No. 4 of Tulsa County, Oklahoma, a/k/a Bixby Public Schools ("Grantor"), is the owner of the legal and equitable title to the following described real property located in Tulsa County, Oklahoma, to wit:

A tract of land located in the Southeast Quarter (SE/4) of Section Twenty-Four (24), Township Seventeen (17) North, Range Thirteen (13) East, of the Indian Base and Meridian, Tulsa County, State of Oklahoma, according to the U.S Government Survey thereof, said tract of land being more particularly described as follows:

A strip of land 15.00 feet in width, lying 7.5 feet on each side of the following described centerline: Commencing at the Southeast corner of said SE/4; Thence South 88°05'48" West along the South line of said SE/4 a distance of 2203.33 feet; Thence North 01°54'12" West a distance of 2396.72 feet to the Point of Beginning; Thence North 20°34'15" West for 50.01 feet; Thence North 83°22'11" West a distance of 120.63 feet to the Point of Ending ("Easement Area").

The sidelines of said strip of land shall be prolonged or shortened to terminate at a line perpendicular to the Point of Beginning and the Point of Ending.

Said tract of land contains 2,560 Sq. Ft. or 0.059 Acres, more or less.

In consideration of the sum of One Dollar (\$1.00), cash in hand paid, receipt of which is hereby acknowledged, Grantor does hereby grant and convey to **OKLAHOMA NATURAL GAS COMPANY**, its successors and assigns ("Grantees"), a utility easement and right of way over and across the above described Easement Area as further depicted the survey contained on Exhibit "A," attached hereto and incorporated herein, together with the right of ingress and egress to and from the same, for the purpose of constructing, maintaining, operating, repairing, removing and replacing any and all public utility lines and appurtenances, including underground water, sewer, electrical, natural gas and communications facilities.

Grantor and Grantees agree not to build or construct any building or buildings upon the Easement Area. Grantor expressly reserves the right to build and construct sidewalks, streets and driveways over the Easement Area provided such improvements shall not damage or adversely affect gas lines and other public or private utilities and service facilities placed in the Easement Area by Grantees.

There is further granted to the Grantees the right to remove any trees or parts of trees from the Easement Area which, in the judgment of the Grantees, may interfere with said utilities.

PROVIDED that the said Grantor, his heirs, executors, administrators and assigns, shall fully use and enjoy the said property and Easement Area except as may be necessary for the purposes herein granted to the Grantees, their successors or assigns.

TO HAVE AND TO HOLD such easement and right of way unto the Grantees, their successors and assigns forever.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed this _____ day of November, 2023.

STUDENT RESIDENCY

The district was established for the purpose of serving the educational interests of resident students.

Definitions

For purposes of this policy, the terms listed below have the following meanings:

"Residence," "residency" and "legal residence" mean the student's present place of abode, provided that it is a place where important family activities (such as sleeping, eating, working, relaxing, and playing) take place during a significant part of each day. Mere presence alone is not sufficient to establish residency. Documentary evidence that may be submitted to establish residency is identified below.

"Person having legal custody" means a person who is legally responsible for the care of the child pursuant to the order of a court, a proper attorney-in-fact affidavit, or placement by a governmental agency responsible for making custody determinations and/or placements.

Basic Residency Requirements

State law provides that a child's residence for school purposes is the District in which the (1) parents, (2) guardian, or (3) person having legal custody of the child holds legal residence. Children who are foster children are granted residency in the district if they attended the district prior to entering foster care if their current/prior foster family is/was a resident of the district, or if another child in their current foster home attends school in the district pursuant to a transfer. Children may also establish residency if their attorney-in-fact is a resident of the district.

The district does not permit students to establish residency based on the affidavit of a person who has assumed permanent care and custody of the child under Okla. Stat. tit. 70 § 1-113.

Procedure for Resolving Residency Disputes

The district recognizes that there may be occasions when there is a dispute regarding residency. Upon enrollment in the school system, the district will verify that the student is a resident of the district or is otherwise entitled to attend school in the district for any reason authorized by law. As a part of this verification process, the district will obtain an address from each student or the student's parent, guardian, or person having legal custody of the child. In providing an address to the district that is within the district's boundaries the student and the student's parent, guardian, or person having legal custody of the child represent that this address is the student's residence. The district may also require, in order to verify residency, certified copies of court orders, guardianship documents, written agreements, and affidavits relating to the care, custody, and control of the student and any other information the district deems relevant.

If at any time a district administrator has a reasonable belief that the reported residence may not be the residence of the child for purposes of school attendance, the administrator shall notify the student's parent, guardian, or person having legal custody of the child that there is a question regarding the student's legal residency. The student's parent, guardian, or person having legal custody of the child shall be given an opportunity to submit information regarding the student's residency to the district's residency officer. All notices required by this policy shall be in writing. Additionally, reasonable alternative arrangements for documenting communications will be made for those persons who are visually impaired or otherwise unable to communicate in writing.

Information or documentation to prove student residency in the district shall include but not be limited to proof of provision of utilities, such as water, gas, or electric, and contracts for purchasing/leasing housing as proof that is not in conflict with statutory provisions relating to the residence of students.

Any question or dispute as to the residence of a student not deemed to be a "homeless student" shall be determined by the residency officer and the board of education pursuant to the following procedures:

1. The student's parent, guardian, or person having legal custody of the child must notify the residency officer in writing of the review request within three (3) school days from the date of written denial of admittance or from the date of written notification that the student is considered not to be a resident of the district. Upon receipt of a request for review, the residency officer shall allow the parent, guardian, or person having legal custody to provide additional pertinent information in accordance with the district's criteria and the statutory provisions regarding residency. This information must be submitted with the request for review.
2. The residency officer must render a decision and notify the student's parent, guardian, or person having legal custody of the child of the decision and reasoning therefore in writing within three (3) school days of receipt of the request for review.
3. If the student's parent, guardian, or person having legal custody of the child disagrees with the residency officer's decision, such person shall notify the residency officer in writing within three (3) school days of his or her receipt of the residency officer's decision. The residency officer will submit his or her findings and all documents reviewed to the board of education. The board of education will review the decision and the documents submitted on behalf of the district and the student and will render a decision at the next board meeting. The decision of the board of education shall be the final administrative decision.
4. In an effort to place students in school as quickly as possible, timelines shall be followed unless due to emergency circumstances, both parties agree to an extension of timelines.

Miscellaneous Policy Provisions

Reviews involving more than one student where students are related or residing in the same household may be consolidated at the discretion of the residency officer and the board of education.

If the residency dispute involves an 18-year-old student, all notices will be delivered to the student.

If already enrolled and attending school in the district, a student or students involved in a dispute related to the student's residency may remain in school until available appeals are exhausted when the student

or the student's parent, guardian, or person having legal custody of the child has filed an appeal in the manner and within the time permitted by this policy.

The residency officer shall be in charge of maintaining the files related to a residency dispute, ensuring that the principals or others directly involved in such a dispute forward their records of the dispute following their involvement, and otherwise keeping all communications involving the dispute intact.

The district's residency officer is the associate superintendent or an appropriate designee.

The board of education understands that there may be some instances where residency may be established on a date other than the date the student was enrolled in the district. For any period during which a student is enrolled in the district, but is not a resident of the district, the district may charge tuition if it is established that the student's parent, guardian, or person having legal custody of the child knew or should have known that the child or children who are the subject of the residency dispute were not residents of the district. The tuition shall be based on the per capita cost of educating a student in the district during the preceding year. This issue may be raised along with other issues related to the residency dispute and shall be heard in the same manner.

Residency status may be granted to students at district discretion in special circumstances. Such instances may include:

- the acceptance of a housing contract with a completion date or possession date that falls within the school term
- a resident of the district who moves to another district and the district may allow the student to finish the school term.

The district shall provide for educational services for homeless children as required by law.

The district reserves the right to require re-verification of student residency at the beginning of each school term.

A copy of this policy shall be provided to the student's parent, guardian, or person having legal custody of the child as soon as possible following the inception of any residency dispute.

Special Definitions and Procedures Applicable to Homeless Children and Youth

In accordance with the McKinney-Vento Homeless Assistance Act, homeless children shall have access to the same free and appropriate public education and services, including a public preschool education, as provided to other children and youths. The Board shall make reasonable efforts to identify homeless children within the district, encourage their enrollment, and eliminate existing barriers to their education that may exist in district policies or practices. No child or youth shall be discriminated against, stigmatized, or segregated in this school district because of homelessness.

All staff will be trained each year on identifying and meeting the needs of students experiencing homelessness.

Definitions—“Homeless children and youth” means students who lack fixed, regular, and adequate nighttime residence, and includes:

1. Children and youths who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals; ~~or are awaiting foster care placement;~~
2. Children and youth who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings;
3. Children and youths who are living in cars, parks, public spaces, buildings, substandard housing, bus or train stations, or similar settings; and
4. Migratory children (as such term is defined in section 1309 of the Elementary and Secondary Education Act of 1965) who qualify as homeless for the purposes of this section because the children are living in circumstances described in this section, ~~clauses A through D.~~

Enrollment, Records, and Immunizations

Federal law provides that homeless children and youth, individually or through a parent or guardian, may choose to attend the school in the area in which they are currently living. The district’s residency officer will determine whether a student is a homeless child or youth for purposes of establishing residency and promptly advise the parent, guardian, or person having legal custody of the child of the decision, both orally and in writing, if possible. If there is no such person, the residency officer will advise the student. The district will enroll each homeless student and permit his or her full participation in all school programs, whether or not the student is accompanied by a parent, guardian, or person having custody of the child, and without proof of residence, current immunizations, and traditional enrollment documentation, such as school records and medical/immunization records. The district’s homeless liaison may assist the student and school in obtaining those items. A parent, guardian, or person having legal custody of the child who disagrees with the residency officer’s determination may appeal the decision to the board of education under the procedure identified in this policy. If there is no parent, guardian, or person having legal custody of the child available, the student may appeal the decision.

The district shall attempt to remove existing barriers to school attendance for homeless students by:

1. Waiving fees and charges that may present a barrier to the education of the homeless student
2. Providing access to academic and extracurricular activities
3. Providing assistance to the parent/guardian or unaccompanied youth to exercise the right to attend the school of origin and to coordinate transportation services to the school of origin as determined by the Best Interests Determination for School Placement.
4. Providing full or partial credit accrual
5. Providing program coordination of services
6. Providing free school meals

7. Dissemination of information regarding educational rights

Appeals Procedures

~~The district will make every effort to resolve disputes regarding homeless children at the lowest level possible by utilizing the following process:~~

Every effort must be made to resolve the complaint or dispute at the district level before it is brought to the OSDE. It is the responsibility of the LEA to inform the complainant of the district's complaint resolution procedure when a question arises concerning the education of a homeless child or youth.

The process for complaints at the LEA level is as follows

~~1. At the time a homeless student seeks enrollment, the district will notify the student or his/her family of these procedures and provide the student/family with a copy of this policy.~~

1. Notify the district's homeless coordinator within 5 days. The homeless coordinator serves as a liaison between the homeless child and the school he or she attends. Someone in the school or in the LEA superintendent's office will be able to identify the homeless coordinator.
 - a. Request a copy of or access to the district board of education policies addressing the education of homeless children and youth. After reviewing the policies, make an appointment with the homeless coordinator to discuss the complaint.
 - b. If the dispute is not resolved after the initial discussion with the district's homeless coordinator, the complainant may file a written complaint to the district's homeless coordinator for further review.
 - c. In the complaint, include a request that a written proposal or plan of action resolving the dispute be provided within five days of the date the complaint was received by the district's homeless coordinator. A review of the proposal or plan of action with the homeless coordinator should follow. The parties may mutually agree on an extension; however, every effort should be made to resolve the complaint in the shortest possible time.

~~2. The district will promptly notify the district's homeless coordinator that a homeless student seeks enrollment, and will seek to involve the coordinator in decisions regarding the student's education.~~

2. If the dispute is not resolved at the district homeless coordinator level, the complaint may be forwarded to the superintendent of the district for review after the first meeting with that superintendent. The complainant should request a written resolution from the superintendent within five days of the date of the discussion. The parties may mutually agree on an extension; however, every effort should be made to resolve the complaint in the shortest possible time.

~~3. Students/families who disagree with a decision regarding the student's education may meet with the coordinator for an informal resolution. The coordinator will notify the student/family that a written complaint may be submitted within five (5) days (or longer if agreed upon by the parties).~~

3. If the dispute is not resolved at the district superintendent level, the complainant may take the matter before the school district board of education for resolution.

If the dispute is not resolved in a satisfactory manner at the LEA level, the complaint – which must be written and signed by the complainant – may be brought to the OSDE. The process for complaints at the state level is as follows:

1. Address a written complaint to the OSDE homeless program specialist. Include in the complaint:
 - a. A detailed description of the dispute
 - b. The name(s) and age(s) of the child or children involved;
 - c. The name(s) of involved school district personnel and the district(s) they represent; and
 - d. A description of attempts that were made to resolve the issue at the school district level.
2. The OSDE office of federal programs will inform the district of the complaint. The office will gather needed information, including documentation and statements of the parties, and may conduct an independent investigation through an on-site visit if necessary.
3. Within 30 days after receiving and investigating the complaint, the Office of Federal Programs will make a determination regarding the allegations and will inform the parties in writing of the decision. The parties may mutually agree on an extension; every effort, however, should be made to resolve the complaint in the shortest possible time.
4. If a complainant disagrees with the decision, he or she may, within 10 working days, appeal the decision to the deputy state superintendent of finance and federal programs. This appeal must be in writing and state why the complainant disagrees with the decision.
5. Within 30 days after receiving the appeal, the deputy state superintendent of finance and federal programs will render a final decision and notify the complainant and all other interested parties in writing. Although the standard procedure allows 30 days for a response, every effort will be made to resolve the complaint in the shortest possible time.
6. While the dispute is ongoing, the child in question must be enrolled in and attending school. If the dispute is about which school is best for the child, the child shall remain in the school he or she currently attends until the dispute is resolved, unless previously implemented arrangements allow that child to attend the school of origin.

~~4. If the coordinator receives a written complaint, the coordinator will prepare a decision (plan of action) and provide it to the student/family within five (5) days of receipt of the written complaint. The coordinator will also notify the student/family of the right to appeal to the superintendent.~~

~~5. Students/families who are still dissatisfied with a decision regarding the student's education may file a written appeal with the superintendent within five (5) days of receipt of the coordinator's plan. The superintendent will meet with the student/family within five (5) days of receipt of the appeal. The superintendent will issue a decision within five (5) days of the meeting with the student/family. The superintendent will also notify the student/family of the right to appeal to the board of education.~~

~~7. Students/families who are still dissatisfied with a decision regarding the student's education may file a written appeal with the board of education by submitting a written notice to the superintendent within five (5) days of the superintendent's decision. The appeal will be placed on the next agenda (or the following agenda, if the appeal is received after the agenda posting deadline) and the board's decision is final at~~

~~the district level. Students/families who are still dissatisfied with a decision regarding the student's education may file an appeal with the Oklahoma State Department of Education utilizing the procedures established by the OSDE.~~

Special Definitions and Procedures Applicable to Transitioning Military Children

“Children of military families” means a school-aged child(ren), enrolled in kindergarten through twelfth grade, in the household of an active duty member.

“Active duty” means full-time duty status in the active uniformed service of the United States, including members of the National Guard and Military Reserve on active duty orders pursuant to Title 10, Sections 1209 and 1211 of the United States Code.

“Military student” means the child of a military family for whom the local education agency receives public funding and who is formally enrolled in kindergarten through twelfth grade.

“Transition” means (a) the formal and physical process of transferring from school to school or (b) the period of time in which a student moves from one school in the sending state to another school in the receiving state.

“Sending state” means the state from which a child of a military family is sent, brought, or caused to be sent or brought.

“Receiving state” means the state to which a child of a military family is sent, brought, or caused to be sent or brought.

“Uniformed service(s)” means the Army, Navy, Air Force, Marine Corps, Coast Guard as well as the Commissioned Corps of the National Oceanic and Atmospheric Administration and Public Health Services.

Establishing Residency

State law provides that transitioning military children placed in the care of a noncustodial parent or other person standing in loco parentis may attend school in the school district in which the noncustodial parent or person standing in loco parentis to the transitioning military child holds legal residence. Similarly, transitioning military children placed in the care of a noncustodial parent or other person standing in loco parentis may continue to attend the school in which the student was enrolled while residing with the custodial parent. A special power of attorney relating to the guardianship of a military child and executed under applicable law shall be sufficient for purposes of enrollment and all other actions requiring parental participation and consent.

Enrollment

The district will promptly accept unofficial or “hand-carried” educational records and transcripts in lieu of official education records and transcripts for transitioning military children. Upon receipt of such records, the district will promptly enroll the transitioning military child. However, upon enrollment, the district will request official educational records and transcripts from the school in the sending state. The district’s residency officer will determine whether a student is a transitioning military student for purposes of establishing residency and promptly advise the parent or other person standing in loco parentis of the decision, both orally and in writing, if possible. A parent or other person standing in loco parentis who disagrees with the residency officer’s determination may appeal the decision to the board of education under the procedure identified above.

Grade Level Placement

Transitioning military children, including children entering kindergarten, shall be able to enroll in the same grade level in which they were enrolled in the sending state, regardless of age, time of transfer, or age requirements of the receiving state.

Course Level and Educational Program Placement

To the extent that this district is in a receiving state, the district may subsequently perform course placement and educational program evaluations of a transitioning military student. However, the district will initially place the transitioning military student in courses and programs comparable to those in which the student was a participant while in the sending state, including, but not limited to, Honors, International Baccalaureate, Advanced Placement, Gifted and Talented, English as a Second Language, Special Education, and vocational, technical and career pathway courses. The district will make these accommodations whether or not the student has fulfilled the necessary prerequisites in the district or receiving state.

Extracurricular Activities

When appropriate, the district will provide transitioning military children the opportunity to participate in extracurricular participation, regardless of application deadlines.

Immunizations

Transitioning military children shall have thirty (30) days from the date of enrollment to obtain any immunizations required by Oklahoma law. For a series of immunizations, such children must obtain initial vaccinations within thirty (30) days.

Tuition

The district may not charge tuition to a transitioning military child placed in the care of a noncustodial parent or other person standing in loco parentis who lives in a school district other than that of the custodial parent if the parent or other person standing in loco parentis lives within the boundaries of this district.
