Middle School Reports

Fall 2024	Spring 2025	Fall 2025	Spring 2026
Bullying 6	Bullying 2	Bullying 2	
Threatening Behavior 2	Race 3	Race 4	
	Race (sexual) 1	Sexual 6	
	Sexual 2	Safety 1	
	Harassment (non sexual) 4		
Total: 8	Total: 12	Total: 13	

The following procedures were followed for each incident:

- Student fills out an incident report
- An Administrator investigates the incident by getting written statements from all parties involved
- A decision is made if it is indeed bullying
- If it is determined the incident is bullying or harassment, a determination is made if it qualifies for a Title IX investigation following the guidelines in district policy
- If a Title IX investigation is not conducted, the principal will assign consequences to the offender in the form of in-school placement, out of school suspension, or a separation contract is written. A resolution plan is also developed for the victim to provide support at school. This plan could include identifying a teacher as their safe place, meetings with the counselor, check-in with the office, or a change of schedule
- If a Title IX investigation is warranted, then the district's policy is followed
- Parents are notified in both forms of investigation.

about the other Party or the other Party's employees, officers or agents in their professional capacities herein to any third party, including but not limited to statements on social or any other media. Further, each party agrees to take no action of any nature which is intended, or would reasonably be expected, to harm the other Party or its reputation or which would reflect or reasonably lead to unfavorable publicity to the other Party.
