Stand alone facilities such as weight room, concession stand, bathrooms, and locker rooms, along with repairs that are needed (new roof on both gyms, septic system in gym, and other repairs) will be included. Mr. Thompson stated that if you keep the amount around \$800,000.00 to 1,000,000.00 per year that there should be no tax increase. Jeremy Baggett, Board Member, stated that the bond needs to focus on everything no just athletics. Mark Hutt, concerned citizen of the school district, addressed the board and presented them with a letter he had written with what he thought were the pressing maintenance and facility needs. After more discussion, it was agreed upon by the board to keep bond around \$4,000,000.00, not go over \$5,000,000.00. Mr. Hutt and Tecia Spray will start working on getting the information out to the public. Tecia Spray ask if anyone had heard any positive or negative comments about the last bond to please let her know. The board gave Mr. Thompson approval to get bids so they would know what the cost would be, what projects to be done, and the tax impact. He will gather the needed information and present it at the September Board

Meeting. If approved, a Special Board Meeting will be called for the next week due to the Resolution has to be done by September 18th to be voted on in November. It was noted that if wait until next year to do bond, the cost will be 2-4 times higher.
