## 5. Board and Administrative Comments

### 5.1. Written Administrative Comments

### 5.2. Superintendent's Report

#### **Safety Team Meeting Notes:**

- Emergency preparedness remains a major focus, with all buildings required to complete fire, tornado, lockdown, evacuation, cybersecurity, bullying prevention, and dating-violence training on an annual schedule. Raptor must be used for documentation.
- Key takeaways from the Nebraska School Safety & Security Summit include updating the EOP in 2026–27, using new Suicide Prevention & Response Toolkits, reviewing medical marijuana policy, and continuing to utilize NDE School Safety resources.
- Slips, trips, and falls are the leading cause of school accidents, accounting for 30–50% of incidents, with prevention focused on spill cleanup, footwear expectations, hallway maintenance, and timely snow/ice removal.
- Anonymous reporting remains a priority, with Sandy Hook Promise still in use, and NDE pushing districts toward Safe2Help as the state-endorsed platform.
- Building-level readiness is reinforced through monthly building inspections, updated evacuation locations, emergency bag requirements, updated building maps, and ongoing security camera maintenance across all facilities.

### 5.3. Cursory Review of NSCAS Classifications:

- McCook Public Schools District – Great
- McCook High School – Great
- McCook Junior High – Great
- Central Elementary – Great
- McCook Elementary – Excellent (2 years running)
- McCook Proficiency Scores Compared to Peer schools and the state:
  - NSCAS English (ELA) proficiency: 70% (State 59%, Peers 66%)
  - NSCAS Mathematics proficiency: 71% (State 58%, Peers 68%)
  - NSCAS Science proficiency: 93% (State 80%, Peers 87%)
  - ACT (11th Grade) results above both state and peer averages in all tested areas.
- We will closely examine MPS performance on state and local assessments at the February board meeting.

#### 5.4. **Specialized Teacher Training** (Grant Funds Supported):

- Last week, 4 staff members from McCook Elementary participated in a two-day professional learning workshop in Kansas City. The training focused on strengthening four key areas that directly support student learning: curriculum development and assessment alignment, interventions, teacher collaboration, and instructional design.
- This week, five staff members from McCook High School are attending a two-day summit workshop in Pasadena. While the structure of this training is similar to the Kansas City workshop, it is specifically designed for mathematics teachers. Training will cover instruction, intervention, curriculum development, and assessment alignment. The goal is to further strengthen our instructional practices and ensure a coherent, high-quality curriculum for secondary math students.
  - We attended this math-focused training approximately 10 years ago, followed by measurable improvement in student performance.

2.3. Student Board Member Report

School Board Meeting November

- Although there is not much going on right now, fall sports have come to an end and we are starting to transition into winter sports. Most winter sports had their meetings last week and are getting ready to start practices soon to get ready for their competitions later this month and the beginning of December.

## Sports

- Unified bowling has started up, they had a tournament last Saturday at Lexington and they are heading to Kearney today for a dual

## Clubs

- The Student Council is putting together a powder tuff game scheduled for this Thursday to fundraise for the food pantry. If you didn't know what powder tuff is, all it is where guys are playing volleyball. Instead of powder puff where girls play football
- Band and Choir had a concert last Monday
- FFA has their labor auction coming up next Thursday as a fundraiser for their club
- One act has been rehearsing for upcoming performances and the district competition

## Closing

- And as we close into the end of this month we have Thanksgiving break. I know both students and staff are looking forward to it.

### 2.3.1. Presentations

#### 2.3.1.1. Science Trip — Mr. Degnan

Mr. Degnan asked the board of education's consideration of an out-of-state trip for interested science students.

### 3.1. Approval of Expenditures/Payroll for October 2025

## 4. Reports from Staff Members and Committees

### 4.1. Negotiations committee

Charlie McPherson reported on the 1st meeting. The group set the array and the future meeting dates.

## 5. Board and Administrative Comments

### 5.1. Written Administrator Reports

## 5.2. Superintendent's Report

### **Veteran's Day**

- Each school's activity:
- McCook Elementary: Annual music and recognition program
- Central Elementary: Breakfast with Central Starz song (only 5th grade invites...we've outgrown our space)
- Jr. High : Organizing a Hero's Wall of pictures of family member who are a Veteran
- High School: Luncheon, 11:30-12:30 (Senior High Staff providing sides & desserts). Quilt of Valor presentation

### **Safety Audit — Facility & Grounds Findings**

(Full Report Attached)

- Commendations
  - Buildings were immaculate, well-lit, and organized with visible safety signage.
  - Excellent security systems—controlled entries, surveillance cameras, and visitor procedures.
  - High School: Updated gym floor, retractable hoops, new lighting, modernized hallways, and digital trophy case.
  - Science labs, art rooms, and weight areas met safety standards.
  - Central Elementary recognized for strong safety culture under Principal Bednar's leadership.
  - Exterior areas and athletic fields are in exceptional condition; playgrounds and sidewalks are well maintained.
- Recommendations
  - Lock and label science chemicals; use Clean Harbors for disposal (grant available).
  - Keep classroom doors locked during occupancy.
  - Monthly fire extinguisher checks.
  - Add signage for AEDs, main water/electrical shutoffs, and tornado shelter locks at Central Elementary.
  - Label two north doors of Central gym.
  - Conduct weekly playground checks ("Nothing Broken, No Glass, Rake Under Equipment").
- Special Recognition
  - McCook Public Schools was named an ALICAP Honor Roll School, awarded to only a few districts for exemplary safety and compliance performance.

### **School Improvement Update**

- Mission & Vision
  - Consensus: Keep the current mission and vision statements.
    - Mission Statement  
It is the mission of McCook Public Schools to equip all students to succeed in a complex global society.

- Vision Statement  
Every McCook Public School graduate will possess the skills to become a responsible, respectful, and productive citizen who is engaged in their community and achieves personal success.
  - Next Step:
    - Print and post new wall displays featuring the mission, vision, and beliefs (legal or ledger size).
- Perceptual Surveys
  - Consensus: Switch to using the Nebraska Department of Education's (NDE) perceptual survey.
- Data Review
  - Reviewed: Updated NSCAS data (link provided).
- Homework (Due by January 15 Meeting)
  - Conduct an in-depth building-level data review using multiple data sources.
  - Building teams should:
    - Meet to analyze data and identify trends.
    - Present and discuss strengths and weaknesses with staff.
    - Gather staff feedback and reach consensus on findings.
    - Prepare to report back to the school improvement team at the January meeting.

### **Nursing Pathway with UNMC**

- Purpose — Develop a rural Nursing Pathway between McCook Public Schools (MPS), the University of Nebraska Medical Center (UNMC), and McCook Community College (MCC) to prepare students for entry into the UNMC College of Nursing BSN program and support Nebraska's healthcare workforce.
- Key Points
  - Pathway Creation: Establish a structured program combining academic coursework and clinical experiences.
  - Guaranteed Admission: Students who complete the pathway will earn automatic acceptance into UNMC–Kearney's BSN program.
  - Advising: UNMC will assign an advisor to each student to guide progress.
  - Sample coursework includes: CNA, Chemistry, Anatomy & Physiology, Psychology, and Human Growth & Development, mirroring the first two years of college prerequisites.
- Potential partnerships:
  - Discuss with MCC their willingness to coordinate dual-credit opportunities and course alignment.
  - Discuss with Community Hospital their willingness to provide clinical experiences and may offer financial support.
- Next Steps
  - Review the forthcoming MOU from UNMC detailing course requirements and program expectations.
  - Collaborate with MCC and Community Hospital to define roles and supports.

- Plan a pilot timeline, cohort size, and network with other districts developing similar pathways.

**McCook School Board Report**  
**December 8th, 2025**  
**Special Education Dept., John Hanson, Director**

1. Probationary special education teachers/staff first semester teacher evaluations are completed.
2. When a sped teacher has a student on their current caseload and they have an IEP meeting in the 2nd quarter, there's no need to complete a 2nd quarter progress report...same concept for 3rd quarter, etc...
3. Kirstie Koch, School Psychologist and Jake Curl, High School Assistant Principal, attended the Tri-State Special Education Law Conference in Omaha in the beginning of November.
4. A McCook Elementary School student has muscular dystrophy, meaning his muscle functioning is deteriorating. We have started to utilize a wheelchair for him for part of his day, especially when required to walk up/down stairs, get on the bus, etc...
5. MPS currently has 5 Part C (ages birth-3) children receiving early intervention services...this is about average for this time of year.
6. MPS has one contracted student currently enrolled in our High School Life Skills classroom-he is from Dundy County Stratton.
7. Students with more significant cognitive disabilities (IQ's below 70) MAY receive educational services until the end of the school year in which they turn 21 if their IEP team (which consists of parents/guardians, regular classroom teacher, special education teacher, administrator and maybe related service providers). They do not receive a diploma with their grade cohort, but they definitely participate/walk during graduation ceremonies. Their IEP dictates between the ages of 18-21 what their schedule looks like, but because they are past the age of 18/grade cohort, they are not held to the same compulsory attendance laws that they were held to until the end of their senior year.

We held our first semester brain bowl competition on Tuesday, November 25, 2025. We had great student involvement, and even though it was a team of seniors that one, we had competitive teams across all grade levels.

I am reviewing applications to replace Mr. Hosick, it will be a challenging position to fill. I am hoping to set up interviews in January.

The High School Band and Choir held their joint Christmas Concert on Monday Dec. 1st, I thought both did a great job.

We continue to work on Bison Days planning, as usual support from the community has been strong, but with several businesses closing or changing their offerings we are working hard to identify some different experiences.

## Board of Education Report – December 2025

**State Accreditation Committee** I will be in Lincoln this Thursday for a State Accreditation Committee meeting. I'm currently serving a three-year term, and it has been a valuable experience. This committee reviews, refines, and submits proposals and recommendations to the Nebraska State Board of Education for adoption, giving us a direct voice in shaping statewide expectations for schools.

**DARE Graduation** We held our DARE Graduation last week. Officer Luke McGuinley continues to do an outstanding job connecting with students and guiding them through the ten-lesson program. The celebration ended with cupcakes and a great sense of pride for the work the kids put in throughout the course.

**Winter MAP Growth Testing** Winter MAP Growth testing has been underway over the past two weeks. It's always rewarding to see the progress students make from fall to winter, and staff have enjoyed watching the academic growth that is already showing up in several areas.

**Chess Club Participation** Chess Club continues to be a huge hit this year. We currently have 50 students attending on Monday nights, which accounts for nearly one-quarter of our entire school. It's been exciting to see so many students eager to challenge themselves and build strategic thinking skills.

**Focus Book Study** Our staff has started a book study on *Focus* by Michael Schmoker. Michael is also scheduled to visit McCook on August 10th, which will be a tremendous opportunity for professional learning. We are reading and discussing three core chapters together and completing a jigsaw activity with the remaining sections of the book to build shared understanding across the staff.

## ABOUT ME

Three sentences describing myself:

- I approach life with enthusiasm, always seeking to appreciate my experiences.
- I am committed to delivering high-quality results, going beyond meeting deadlines and exceeding expectations.
- I bring a unique perspective by combining different experiences and skills to solve problems.

Why do I want to be an educator?

- I want to be an educator because I am deeply committed to helping others succeed and grow. I believe in creating a supportive community of learners where every student feels valued and motivated to show up, even when the path is challenging. My goal is to inspire students not only to learn but to enjoy the process of learning, fostering an environment where curiosity and growth are encouraged, and every obstacle becomes an opportunity for improvement.

Three words describing my ideal mentor teacher:

- Unique
- Relatable
- Knowledgeable

What do I hope to gain from my clinical practice experience?

- I hope to gain valuable experience in building meaningful relationships with students throughout the school year, recognizing that trust and connection are essential to creating a positive learning environment. I also aim to develop the skills needed to adapt to the unique challenges that arise in the classroom, from varying student needs to unforeseen situations. Through this experience, I want to grow as an educator by learning how to effectively navigate these dynamics while maintaining a supportive and engaging atmosphere for all students.

## COLLEGE PREPARATION & GRADES

Audit Report Dec 2, 2025

Notes for School Board Meeting

All in all the Financial Audit prepared by KSO Auditors was very positive. As you review the audit I believe you will find the staff at McCook Schools do an outstanding job of properly maintaining district funds. The Auditors job is to confirm our positive work and to provide guidance.

With the Audit packet you have two letters

First letter describes the auditor's responsibilities

In this letter the following

- Familiarity threat – member of team not part of the audit reviews
- No changes to significant accounting policies –
- No significant difficulties performing the audit
- All misstatements identified and corrected (coding)
- no matters relating to retention of KSO as auditors

The second outlines a deficiency concern.

- Deficiency - over internal control due to number office staff. Most districts in the state receive this.

Suggested changes

1. Within the Activities Fund, fourteen checks are outstanding on the bank Reconciliation that are dated prior to 12/31/2024. We would recommend that these checks be Voided.
2. Within the General Fund, the School District reimbursed the YMCA for a shared scoreboard between the two organizations. The YMCA is the organization that purchased the scoreboard and was subject to sales tax. We recommend that in the future for any shared items, the School District originally purchase the item, and be reimbursed in order to be able to avoid paying sales tax.

### **FINANCIAL HIGHLIGHTS (Detailed Information Follows Later in this Discussion & Analysis)**

- The district's total net position, as compared to the prior fiscal year, increased \$201,704.
- The district's General Fund net cash position increased \$470,630.
- The district's Depreciation Fund net cash position increased \$101,575.
- The district's Activities Fund net cash position increased by \$30,628.
- The district's Employee Benefits Fund net cash position decreased \$19,780.
- The district's Nutrition Fund net cash position increased \$42,436.
- The district's Bond Fund net cash position decreased \$353,395.
- The district's Special Building Fund net cash position decreased \$70,390.
