Agenda Item: Call to Order	Brad Hays	Jesse Juenemann
	Mike Langan	
	Charlie McPherson	

1.2. Recognition of Open Meeting Law

1.3. Pledge of Allegiance

2. Public Participation, Presentations, and Reports

2.1. Board accepts public comments

No Public Comments.

2.2. Recognize Abigail Schneider as a member of the 2026 World-Herald All State All Academic Team

Jeff Gross presented a plaque congratulating Abigail on all of her accomplishments but specifically being named 1st Team All Academic Team from the Omaha World Herald. BOE congratulated Abigail and asked her a few questions on her future. We believe this is the first student to receive this award from MHS.

3. Approve the consent agenda which includes the minutes and financials

Charlie motioned to approve the consent agenda. Mike Langan seconded motion. Passed with a motion by Charlie McPherson and a second by Mike Langan.

Scott Barger: Yea, Amanda Buhr: Yea, Brad Hays: Yea, Mike Langan: Yea, Charlie McPherson: Yea

Yea: 5, Nay: 0

Motion to approve consent agenda by Charlie. Passed with a motion by Charlie McPherson and a second by Amanda Buhr.

3.1. Approval of Expenditures/Payroll for June

4. Reports from Staff Members and Committees

5. Board and Administrative Comments

5.1. Written Principal Comments — Please review prior to the regular Board of Education Meeting.

5.2. College and Career readiness presentations

Career and College Readiness (CCR) continues to focus on opening doors for students through both college and career opportunities. Mr. Dickes shared that McCook High School is working to remain flexible as workforce and student needs evolve. Recent examples include the development of a nursing pathway and the addition of a construction pathway through Mr. Tanner Unger's program.

Students complete career interest inventories to help guide their future planning, and seniors participate in an industrial tour to learn about local career opportunities available immediately after graduation. Mr. Dickes also recognized Mr. Jordan Lewis for her outstanding work helping students identify and apply for scholarships, ensuring they have access to available funding for their postsecondary goals. Mr. Gross brought up the JAG program as career readiness is at its core purpose.

5.3. Executive Summary: Superintendent's Monthly Report
Reporting Period: June 2026 (For the July 2026 Board Meeting)

Financial Performance & Project Management

The district remains in a strong, highly stable financial position as we approach the conclusion of the fiscal year.

- General Fund: With 83% of the fiscal year elapsed, General Fund revenue has outpaced projections at 101.27% YTD, while expenses remain tightly controlled and on-track at 83.93% YTD.
- All Funds: Combined district funds show total revenue at 99.41% YTD and total expenditures well under budget at 76% YTD.
- Current Focus: The business office is actively engaged in budget preparation for the upcoming 2026–2027 fiscal year, alongside processing the 2026–2027 Food Services applications.
- MPS Foundation: Perry Law firm has filed the revised articles of incorporation with the secretary of state on our behalf.

5.4. Facilities & Infrastructure Updates

(Picture Presentation) <https://canva.link/yg2wi4y66aeacnk>

5.5. Progress continues across multiple scheduled campus improvements:

- Senior High School: Main hallway renovations are currently ongoing.
- Junior High School:
 - The roofing project is underway.

- Gym renovations are progressing smoothly, with new bleacher installation scheduled for July.
- HVAC front-end upgrades are advancing, with control installations currently underway for classroom reheat coils, boilers, and chillers.

5.6. Compliance & Operations

- Food Services: The district successfully launched its Summer Food Services rural non-congregate June program, serving 20,643 meals to community youth.
- State & Federal Reporting: Full compliance has been maintained with two major June filings successfully completed:
 - The 2026–2027 IDEA (Individuals with Disabilities Education Act) Grants have been submitted.
 - The Nebraska Department of Education (NDE) State Reporting for the 2025–2026 school year has been officially signed off and finalized.

5.7.

5.8. Key Dates

- MPS Administration Retreat: Monday, July 27th 9:00am- 1:30 pm
- NDE/NCSA: 2026 Administrators Days are July 29-31st in Kearney
- New Teacher Orientation: August 4th-6th
- August Board of Education Meeting: August 10th, 2026 6:00 pm
- All-staff Inservice: August 11th-12
- 1st Day of School: August 13th
 - Freshman only @ HS, 6th Grade Only @ JH, 1-5th Grade (no K)
- 1st Day of School for everyone: August 14th
- NASB Area Membership meeting @ North Platte for Board of Education: Wednesday, September 2nd, 4:30pm-8:30pm

5.9.

5.10. Monthly Chief of K-12 Education Report **MPS Hub**

- Created the MPS Hub as a one stop shop for internal communication and instructional resources and develop coherence in what we're doing as a system.
- One location for:
 - Weekly announcements
 - Administrative highlights
 - PLC supports
 - Instructional Playbook
 - Textbook Adoption Cycle
 - Forms and templates
 - District documents
 - Safety & Security
 - Much more
- Designed to be practical, useable for admin and the rest of the staff.

5.11. New Teacher Orientation

- August 4-6: 10 new teachers will be here for 3 full days
 - Technology
 - ITIP Lesson Design

- De-Escalation Training
- I Love You Guys Training (Raptor)
- More.
- August 10: Mike Schmoker is not able to make it to McCook due to some health issues/overbooking. I'm working to potentially have him remotely in January.
- I'm currently working on our Mentorship program to rejuvenate it and make it a meaningful process for new staff.

5.12.

5.13. Board Comments

There were no board comments.

6. New Business

No New Business.

7. Positive Comments

Board Member and Administrative Comments

Amanda Buhr

- Thanked the district for partnering with the YMCA by providing the LIFT building.

Mike Langan

- Highlighted the impressive facility improvements completed over the summer.
- Commented that the district's financial position remains strong and noted that McCook Public Schools has a great system in place.

Scott Barger

- Expressed appreciation for all of the coaches who invested their time with students throughout the summer, including weights, MFL, tennis camps, and other activities.
- Complimented the facility upgrades.

Charlie McPherson

- Shared that the photos of the facility improvements were very impressive.
- Thanked the maintenance crew for completing so much work within a short summer window.
- Recognized OPAA staff for serving more than 20,000 meals during June.

Brad Hays

- Commented on the success of the Bison Alumni Football Tournament, calling it a very impressive event.
- Welcomed Superintendent Jeff Gross and expressed appreciation for the thoughtful, positive changes already taking place across the district.

Jeff Gross, Superintendent

- Highlighted the many summer construction and improvement projects across the district.
- Thanked local contractors for their outstanding partnership and timely work, including Weathercraft, Heads Up Sprinkler, W Design, Primetime Painting, Parde Heating, Volz, and Kent Gerih Concrete.
- Noted how fortunate McCook Public Schools is to have dependable local businesses that consistently support the district.

Joel Bednar, Chief of K-12 Education

- Thanked Mrs. Molly Sharp and the summer school staff for providing an engaging and successful summer learning experience for students.
- Expressed appreciation to Jeff Gross, Erin, Bobbi, and Trisha for their support and assistance during the transition. Everyone has been very helpful.

8. Adjournment

The meeting was adjourned at 6:52pm.

9. Items for Review

Board of Education Regular Meeting
Red Willow School District #73-0017
McCook Public Schools
6:00 PM Monday, June 8, 2026
Junior High Conference Room
700 W 7th St
McCook, NE 69001

"It is the mission of McCook Public Schools to equip all students to succeed in a complex global society"

Please arrive at the Board meeting at the start time, because the Board reserves the right to change the order of items.

1. Call to Order

1.1. Roll Call

1.2. Recognition of Open Meeting Law

1.3. Pledge of Allegiance

2. Public Participation, Presentations, and Reports

2.1. Board accepts public comments

3. Approve the consent agenda which includes the minutes and financials

3.1. Approval of Expenditures/Payroll for May

4. Reports from Staff Members and Committees

4.1. Programs Committee Report

4.2. American Civics Committee

5. Board and Administrative Comments

5.1. Written Administrative Comments — Please review prior to the regular Board of Education Meeting.

5.2. Superintendent's Report

Grading Scale

- Over the past several months, the district has reviewed its current grading scale to determine whether adjustments could better balance academic rigor with scholarship and post secondary competitiveness. The goal of this review was not to make courses easier, but to ensure that our grading practices appropriately recognize student achievement while maintaining high expectations.
- As part of the process, district leaders examined multiple grading scales used by high schools, colleges, and universities. Traditional 10-point scales, plus grading systems, and weighted GPA models were reviewed and compared for their impact on academic expectations, student motivation, scholarship eligibility, and college admissions.

- The district also reviewed research on grading practices and student achievement. Findings suggest that grading systems that substantially lower expectations can contribute to declines in classroom performance, benchmark assessments, and standardized test results, particularly among lower-performing students. Consequently, preserving academic rigor remained a central consideration throughout the review process.
- Teacher input played an important role in evaluating potential options. Staff members were provided information regarding the current grading scale, alternative models, and the advantages and disadvantages associated with each. Survey results indicated that a majority of teachers supported the proposed Balanced Rigor Grading Scale.
- The proposed scale maintains many of the rigorous elements of the current system. An A grade would require a 93 percent average, while plus grades provide additional recognition for students performing at the upper end of each grade band. The GPA distribution was intentionally designed to be balanced and logical while improving scholarship competitiveness.
- The proposed Balanced Rigor Grading Scale represents an effort to maintain the district's tradition of academic excellence while ensuring that students are better positioned to compete for scholarships, honors, admissions opportunities, and other post secondary benefits.

McCook Public Schools Foundation

- The Foundation's mission is explicitly tied to McCook Public Schools. The Articles state that the Foundation exists exclusively to support and carry out the purposes of McCook Public Schools, creating a direct and enduring connection between the Foundation and the District.
- The new structure strengthens collaboration while preserving independent governance. The Foundation will be governed by a twelve member Board of Directors, with nine voting directors appointed by the Foundation Board, one voting director appointed by the McCook Public Schools Board of Education, and two nonvoting liaison directors appointed by the Board of Education. This structure promotes communication and collaboration while maintaining the Foundation's independent, community led governance.
- The Foundation remains a charitable 501(c)(3) organization. The revised Articles preserve the Foundation's nonprofit, public benefit status and ensure that all activities remain focused on charitable and educational purposes that support students and schools.
 - The Foundation is designed to exist in perpetuity. The Articles establish the Foundation as a permanent organization dedicated to supporting McCook Public Schools for generations to come.
 - The Foundation is committed to supporting educational and extracurricular opportunities. The bylaws specifically state that the Foundation will cooperate with the school district to improve educational programs and extracurricular activities while respecting the administration and operation of the schools.
- Strong governance and accountability measures are built into the organization. The bylaws establish director term limits, conflict of interest requirements, financial

oversight responsibilities, and clear procedures for meetings, voting, and organizational decision making.

Evaluations

- Administrative evaluations for the building principals and district level directors have been completed.

5.3. Monthly Business Manager Board of Education Report

May 2026 for June 2026 Board Meeting

Monthly Lunch #'s = 8,905 meals served in May. Rural Non-Congregate Summer food Services served 4,534 meals last week, for the 1st week of the summer.

Financial #'s = After 75% of fiscal year = General Fund YTD Revenue is 94.9% YTD Expense is 76.2%

All Funds YTD Revenue is 92.8%, YTD Expenses is 76%

Facilities - Updates

- Central /gym has been painted and is complete.
- JH Mid level Drinking fountains have been installed with a new steel wall plate.
- Senior High Main Hallway: Renovations including drywall, ceiling grid/tile, carpet/base, lighting , and paint/Tape/Mud is ongoing.
 - Work in the junior high gym is continuing.
 - Gym floor sanding and repaint/seal is in Complete
 - Painting is in progress
 - Bleachers to be installed in July
 - Junior High HVAC Front End:
 - Controls for the reheat coils for classrooms are set to be installed this summer.
 - Controls for boiler and Chillers are to be instilled this summer

Upcoming Projects & Infrastructure

- Elementary School: Scheduled 1st grade classroom update for May.

- Roofing Projects:
 - Junior High:
 - Central: New gutter system
- Senior High Steps: Replacement of steps by Science rooms

Junior High Board Report
June 30, 2026
Chad Lyons, Principal

Junior High Career Activities

6th Grade

1. Guidance staff presented Look to College information from EducationQuest.
2. In English, there are frequent discussions about the importance of being able to write well. The class talks about how different careers use writing and the importance of knowing how to write well-structured paragraphs or essays for those career paths. Students learn how to avoid plagiarism.
3. Students completed a Personal Learning Plan to plan, monitor, and manage their learning.
4. Students participated in the Heritage Walking Tour of downtown McCook, organized by our Hometown Community Task Force.
5. During fall parent-teacher conferences, parents were offered information about NEST529 college savings plan from EducationQuest.
6. Staff wore shirts from our colleges to hold discussions about the different types of colleges.
7. Art Club students attended ART BANK.

7th Grade

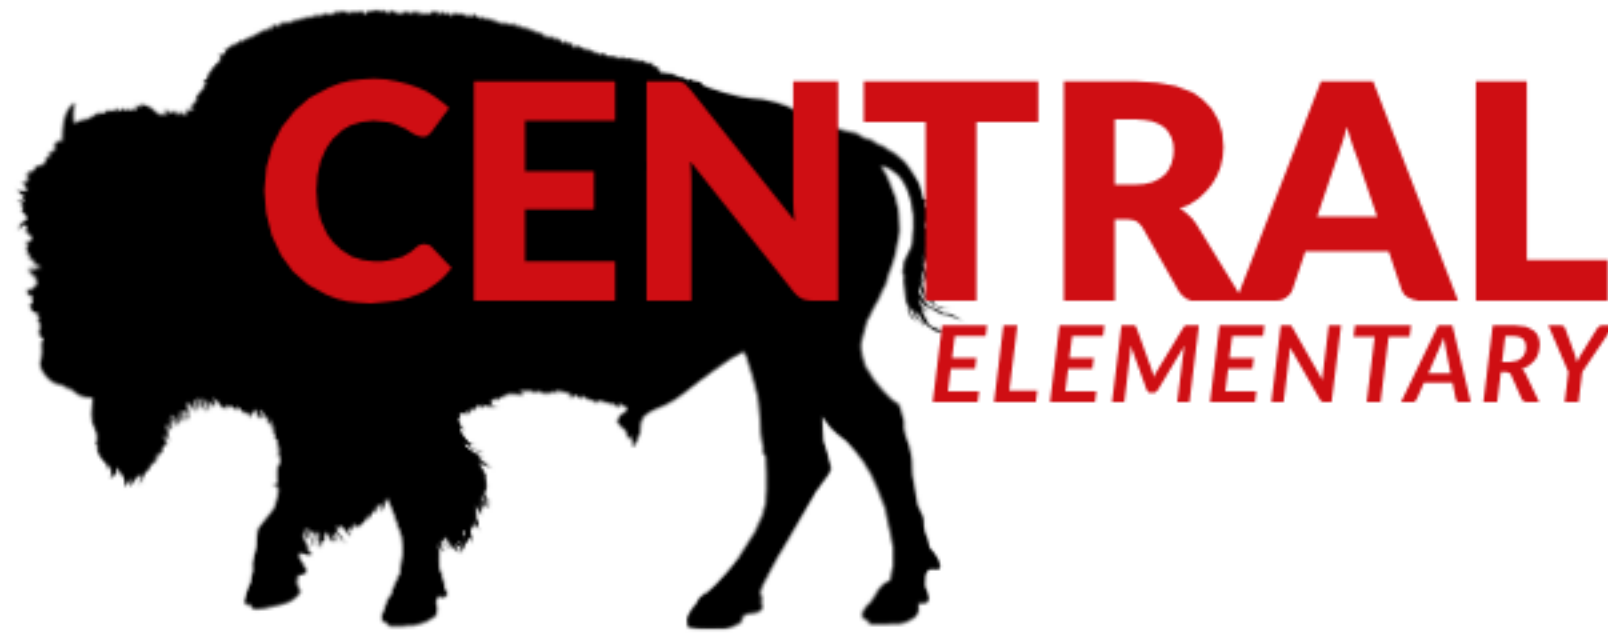

1. Students participated in the Business Vocational Tour organized by McCook Community College. Students respond to the questionnaire on career interest from the day.
2. In Language Arts, there were discussions about current MAPSGrowth assessment scores that lead to future scholarship dollars.
3. Students completed a Personal Learning Plan to plan, monitor, and manage their learning.
4. During fall parent/teacher conferences, parents were offered information about NEST529 college savings plan from EducationQuest.
5. Advanced science students participated/competed in the regional and state science fair.
6. Staff wore shirts from our colleges to hold discussions about the different types of colleges.
7. Math Counts students participated in regional and state competitions.
8. Students attended the ART BANK.

8th Grade

1. Girls attended Expanding Your Horizons conference on math and science careers.
2. Boys attended an MPCC career conference day. Students respond to the questionnaire on career interest from the day.
3. Students attended the Ag Awareness Tour organized by the Ag Task Force committee.
4. EducationQuest presented to students about how to pay for college and post-secondary education opportunities.
5. In Language Arts, students deepened their knowledge to respond to their audience with evidence and purpose. They use technology strategically to understand its strengths and limitations. Students work to demonstrate independence while valuing the perspectives and cultures of other people.

6. In Social Studies, CNN10 exposes students to many career options. The career options range from construction, art, managing business, nonprofit work, technology, environmental protection, law, space exploration, and management. During economics, career opportunities are reviewed.
7. Students completed a Personal Learning Plan to monitor and manage their learning.
8. During fall parent-teacher conferences, parents were offered information about NEST529 college savings plan from EducationQuest.
9. Students participated in the Reality Check sponsored by CASA.
10. Staff wore shirts from our colleges to hold discussions about the different types of colleges.
11. Advanced science students participated/competed in the regional science fair.
12. Special needs students, at 14 years old, start career exploration and post-secondary transition.
13. Math Counts students participated in regional and state competitions.
14. Junior high FFA students attended competitions and conventions.
15. Students attended the ART BANK.

Central Elementary Board Report - July 2026

Summer School

Summer School finished up the last week of June. Thank you to all who helped put on a great program for students. Special thanks to Mrs. Degan, Mrs. Winkler, Mrs. Fisher, and Mr. Albers for providing great learning experiences for our 4th and 5th graders! Students were exposed to new cultures around the world, neat art projects to express their creativity, building circuit boards after doing some research about an interest, built cars, and worked with coding.

Building Updates

- The gym looks great! Thank you to all who worked to make it such a neat space for the students!
- Working on cleaning up the building, putting rooms back together and getting everyone situated.
- Next year, I hope to continue the process of replacing the old desks.

Curriculum & Instruction

Mr. Bednar delivered all reproducible products. Thank you!

New Staff / Staffing Changes

We are welcoming Mrs. Olson to the 5th Grade Math position. We are excited for Miss Francescato in her new role as a 4th Grade Teacher and for Mr. Gillen in his new role as the 5th Grade Social Studies Teacher. New Teacher Orientation will be August 4th - 6th.

McCook School Board Report
June 8th, 2026
Special Education Dept., John Hanson, Director

- 1) Annual Maintenance of Effort (MOE) Eligibility Application has been submitted to the NDE portal.
- 2) MPS is currently serving 8 infants, toddlers and children ages birth-age 3 that have an existing Individualized Family Service Plan (IFSP). This number is about average. The main difference between IFSP early intervention services and IEP special education services is that IFSP services are year round, not just during the regular school year. Thank you to the early childhood providers for working SOME during the summer.
- 3) Contracts for the 26-27 school year to our various providers have been sent out. They include: Ambience Counseling Services, Southwest Nebraska Physical Therapy, and Cindy Schroeder, Teacher of the Deaf/Hard of Hearing.
- 4) I have lined up multiple training partners to provide varying lengths of training to our special education teachers/staff next year.
 - a) Dr. Amanda Kern-UNO and Dr. Pamela Bazis-UNL will present in October re: dyslexia
 - b) Angela Graham and Jill Knox from the UNL Center for Children, Families and the Law (CCFL) will present to all ESU 15 area early childhood professionals, including MPS', on home visitor safety in January at ESU 15 in Trenton.
 - c) Peggy Reisher, Executive Director of the Nebraska Brain Injury Association, will present to MPS' SPED staff on issues/symptoms of Traumatic Brain Injury.
- 5) Thank you to the following businesses for allowing our high school life skills students for get some job experience for school credit: Samway's, McCook Christian Church, McCook Elementary library and the McCook Bus barn. Next year we will have to approach some local businesses that we haven't utilized much in the past couple of years because we are going to have more students eligible/wanting to go out. This is for sophomores-seniors and 18-21 year old transition students only in the High School Life Skills program.
- 6) As of June 1, 2026, MPS is looking for three paraeducators to hire before the first day of the school year next year. One at McCook Elementary, one at McCook Junior High, and one at McCook High School. We might have some more resign between now and then (when we do interviews for new paras around August 1st-ish), but 3 is a manageable number compared to other years where we've had to hire 10ish. I think the state mandated minimum wage increase to \$15 is helping retain some paraeducators.

Preparing Future-Ready Students: College and Career Foundations at McCook Elementary K–3

At our elementary school, we believe it's never too early to lay the groundwork for college and career readiness. From kindergarten through third grade, we focus on building essential academic and soft skills, while offering hands-on learning experiences that connect students to the world beyond the classroom.

Foundational Academic Skills

Students engage daily in reading, writing, and math instruction tailored to their developmental needs. These core areas help establish critical thinking, communication, and problem-solving skills all of which are essential for future academic and career success. Writing is encouraged across subjects, promoting clear expression and creativity. Early math concepts evolve into practical problem-solving, while literacy instruction opens doors to understanding a wide range of texts and ideas.

- Daily focus on **reading, writing, and math**
- Strong emphasis on **critical thinking** and **problem-solving**
- Writing is encouraged across all content areas
- Math is hands-on, preparing students to analyze, reason, and solve problems

Soft Skills and Social-Emotional Growth

We emphasize collaboration, communication, and social responsibility. From classroom discussions to group projects, students practice listening, sharing ideas, resolving conflicts, and supporting one another. These skills are nurtured through positive behavior supports and a school-wide focus on empathy and respect. Soft skills matter. In fact, many employers cite teamwork, communication, and adaptability as top career readiness skills. We're building that from day one.

Real-World Connections Through Enrichment Activities

To spark curiosity and broaden perspectives, each grade level experiences unique, career-linked opportunities:

- **Kindergarten – Fire Station Visit:** Students learn about fire safety and community helpers, exploring the tools and teamwork involved in emergency services.
- **1st Grade – Agricultural Day:** This immersive experience introduces students to local farming practices, including planting, harvesting, and caring for livestock. They learn how food makes its way from farm to table, highlighting careers in agriculture and sustainability.
- **2nd Grade – Outdoor Education Day:** Students rotate through 15 outdoor stations designed to teach survival skills, environmental science, and team-based challenges. From compass reading to shelter-building, they gain hands-on exposure to the natural world and outdoor careers.
- **3rd Grade – Science Exploration Day:** Local businesses and professionals visit to present real-world applications of science, from engineering to healthcare to renewable energy. Students engage in interactive demonstrations that connect classroom learning to future career possibilities.

By integrating academic rigor, social development, and meaningful experiences, our K–3 program builds the foundation students need to thrive in school and beyond. We are committed to helping every child imagine their future—and giving them the tools to reach it.

July 13th, 2026
SH Board Report
Senior High, Craig Dickes, Principal

2025-2026 Enrollment numbers

9th -128, 10th -122, 11th -109, 12th - 130. Total = 489

AVG Daily Attendance for 2025-2026 is 92.76%

- Activity 25,205 periods
 - Excused 27,097 periods
 - Illness 16,899 periods
 - Waivered ILL 3,421 periods
 - Out of School Suspension 1,468 periods
 - Unexcused 2,920 periods
- Student Discipline for 2025-2026.
- Attendance Violation 1,147 events by 241 students
 - Bullying 2 events by 2 students
 - Disorderly conduct 40 events by 39 students
 - Harrassement 5 events by 5 students
 - Threat/Intimidation 1 event by 1 student
 - Violation of School Rules 123 events by 106 students
 - Alcohol/Tobacco 13 events by 12 student
 - Drug Possession/Use 2 event by 2 student
 - Fighting 6 events by 6 students
 - Insubordination 13 events by 12 students
 - Weapons 2 events by 2 students
 - Theft 4 event by 4 student
 - Vandalism 3 event by 3 student

We have our staff in place for the 2026-2027 school year. Several of our new staff have already been in to get a head start on the next school year.

Work around the building has gotten off to a good start with rooms getting stripped, waxed and carpets cleaned and the main hallway remodel keeps moving forward.

McCook Elementary Career Development Blocks

Every McCook Public School graduate will possess the skills to become a responsible, respectful, and productive citizen who is engaged in their community and achieves personal success.

Kindergarten Level

- Fire Station Field Trip
- Community Guest Readers (Community Hospital, Insurance)
- Structred Play with dress up attire

1st Grade

- Future Career Letters to Senior Self
- Instructional Units: Community Helpers as well as Goods and Services
- Agriculture Units through science and teacher experience lessons
- Embryology experience through the 4-H program
- High School Bison Team Partnerships where students shared their future plans
- Detective Day: partnered with MPD
- Art Guild: presenters shared what one can do with their talents other than just drawing (garden planners, museum, design, etc.)
- Downtown Field Trip to local businesses (Sehnerts, Museum, Keystone Floral,

2nd Grade

- Fire Safety Day: MFD visit to school
- MNB Saving Day: MNB staff presented to classrooms about the importance of saving and how simple it is.
- Writing Instruction: topics about careers and what their parents currently do
- Nebraska Outdoor Education Day: students rotated through 15 different stations that have to do with being in the outdoors and careers that go with that area
- Tina Williams shares about game programming and coding

3rd Grade

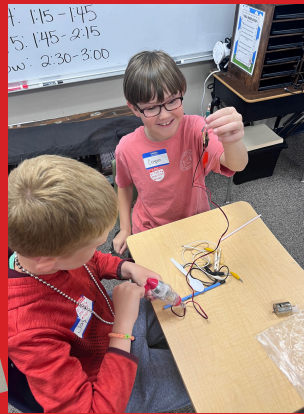

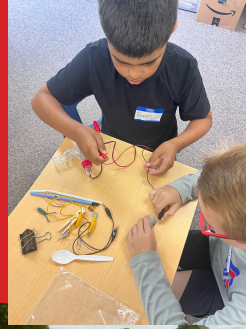

* MNB Saving Day: MNB staff presented to classrooms the importance of saving and its simplicity.

- Writing lesson about their future plans
- Science Day
 - Dog Training
 - MPPD: showing students electricity safety
 - UNL Extension Office: animal life cycle
 - Red Willow Western Rural Fire Dept on Climate Change
 - MHS Honors Chemistry students sharing static electricity
- FFA students visit to interact with students about ag related.
- Project Based Learning activities where students built their ideal structure.

General Soft Skills

- Develop essential academic skills to continue their growth to become a productive citizen. ie. reading, math, & writing
- Social Skills of getting along with peers including but not limited to....
 - How to disagree with someone
 - How to ask for help
 - What to do when someone dislikes you
 - Golden Rule
- Developing Grit for students to be able to work through tough work, situations, & peers.

Central Elementary - College & Career Readiness - AQuESTT Tenets Addressed

 <u>Educational Opportunities & Access</u> • Technology integration in all content areas and skills. • Opportunities to gain technology skills for career readiness. • Opportunities to learn about digital citizenship.	• 5th Grade students participate in the Digital Citizenship program called Civic Bytes. The program is co-taught by Miss Francescato and Mrs. Williams and is designed to promote awareness and civic leadership in the Digital Age. They learn online behavior skills to help spark their creativity and leadership. • In 4th Grade, students participate in a wax museum project where they have to learn how to navigate through school appropriate websites to research information about a historical figure. They research about their schooling and the path they took to success.
 <u>Transitions</u> • Quality educational opportunities focus on effective supports and high quality collaborations for each student transitioning within, into, and between grade levels, programs, schools, districts, postsecondary education, and careers.	• Grade level transition meetings - plan to support incoming students. • CRT reflections / Data binders - students have the opportunity to reflect on their academic goals.
 <u>Positive Partnerships, Relationships & Success</u> • Schools and districts implement best practices in student, family, and community engagement to enhance experiences and opportunities that are culturally inclusive and relevant for each	• Careers on Wheels - 4th Grade ◦ 10 businesses from around the community present to the 4th grade students about what type of education they received, the vehicles that they use daily, and the ins and outs of their job. • Summer Extended Learning Opportunity - summer school that incorporates core subject skills, arts & crafts, coding, fun,

student. Student success and engagement relies on positive partnerships and relationships to fundamentally improve the outcomes for each student, school, district, and community.	and hands-on STEM activities. • Red Willow Lake Field Trip • High Plains Museum - Art field trip
 <u>Postsecondary, Career, and Civic Readiness</u> • Each student, upon high school graduation, is prepared for success in postsecondary education, career, and life pursuits.	• Field Trips - 5th Grade to Red Willow Lake & 4th Grade to Hastings Museum • Summer School • Careers on Wheels

Civic Bytes

Careers on Wheels

McCook Fire Department, MPD -Luke McGinley, NPPD, Blain Budke, BNSF, Reiners Farms, Nebraska Department of Transportation, Nebraska National Guard, & Bamersberger Farms.
